File #: 25-1023 City Council 8/14/2025

LEGISLATIVE ACTION ITEM

SPONSOR: Jennifer Brahier, Council Member

SUBJECT:

TREE PLANTING TRUST FUND GRANT REQUEST -- CANOPY RESTORATION, INC.

RECOMMENDATION:

That City Council approve a grant request to Canopy Restoration, Inc. in an amount up to $5,500, as recommended by the Environmental Advisory Board (EAB), in accordance with City Code Sec. 12-6-10(c)(2).

HEARING REQUIRED: No Hearing Required

SUMMARY:

City Code Section 12-6-10(c)(2) - Tree and Landscape Regulations; Enforcement ; Grant Program states:

2) A grant program is hereby established for community organizations such as neighborhood associations, civic organizations, and garden clubs, according to the following criteria:
a. Each grant is limited to 50 percent of the cost of the proposed project up to $5,500.00;
b. The tree planting trust fund must have sufficient funds for the project requested;
c. Grant requests must be submitted to the environmental advisory board for review prior to consideration by the city's designated arborist and city council;
d. The city council must approve each grant request; and
e. The funds must be utilized for providing trees or other appropriate vegetation along with associated irrigation that will help restore the tree canopy as deemed appropriate by proper planting location requirements and may enhance the natural beauty of the community, serve to deter graffiti or the defacement of public or private property, and may create sound buffers where desirable.

In accordance with this section, Canopy Restoration, Inc. has submitted a grant request for the purpose of assisting the city in tree canopy restoration within neighborhoods and parks, through a city-funded, citizen-driven tree planting project that focuses on rebuilding the city’s canopy by planting trees within the right-of-way or within 20 feet of the ROW or within City parks. The total grant request proposed for the project is up to $5,000. This item was reviewed by the City Arborist and found to be in compliance.

PRIOR ACTION:

July 10, 2025 -- The ARB reviewed this request and made a recommendation for approval to the City Council.

FUNDING:

Budget:	$190,796	Tree Planting Trust Fund
Actual:	$ 5,500	

FINANCIAL IMPACT:

Currently, within the Tree Planting Replacement Trust Fund, there is a balance of $190,796 appropriated within the Agricultural Supplies line item that has not been appropriated for a specific purpose. Upon City Council approval, $5,500 can be transferred from this account to provide funding for the grant leaving a remaining balance of $185,296.

SECTION II - PROJECT DESCRIPTION

1. PROPOSED PROJECT

(A) Describe your project.

The Tree Canopy Restoration Project of Pensacola seeks to plant 15-gallon native trees in or within 20 feet of right-of-ways in the City of Pensacola each year, led by volunteers. With the partnership of local gardening clubs, neighborhood associations and individuals, we recruit "tree recipients" who sign a Commitment to Care contract agreeing to adopt and water a tree or trees for the first year using our evidence-based watering guide. By relying on volunteer labor and watering, we save the City thousands of dollars in planting costs and upkeep while ensuring that each tree has a committed steward that will be responsible for its life. Average lifespans of urban trees is notably low, and our project aims to have a lasting impact by capitalizing on the labor and care of individual citizens in Pensacola to plant and care for long-lived trees that will positively impact our ecological environment for generations to come.

(B) What is the specific location of your project? Also, please provide a written description and attach a map.

In an effort to expand the scope of our project, we plan on prioritizing outreach to the Brownsville neighborhood. This corresponds with a simultaneous partnership in the works between Canopy Restoration Inc and the County in which we're working to get trees to CRA designated areas, Brownsville in particular for this project. Escambia County has a similar fund to the City of Pensacola Tree Trust Fund and they want us to use the same model we've used with the City funds in the County. Our hope is that outreach from the County benefits our City project as well.

You can see from the attached map, these areas have been underrepresented in our last projects. The rest of the neighborhoods in the City will be invited to submit applications for a tree after two weeks of targeted outreach to Brownsville.

(C) Complete the project timeline. Describe the major activities/tasks that make up the project and estimated completion date. Be specific.

Task	Estimated Completion Date
Ex: Purchase plants	*October 30, 2024*
Grant Application	May 2025
EAB Presentation	June 2025
City Council Approval	July 2025
Recruitment of Participants - Brownsville (City)	August 2025
Recruitment of Participants - All City	September/October 2025
Site Checks	November 2025
Tree Order	November 30, 20205
Delivery/Prep Day/Planting Day	Early December 2025

(D) Maintenance of the project once it has been completed is important. It is not the intent of this program to increase maintenance activities for City staff. As such, the applicant is required to provide any additional maintenance that may be necessary. Describe how the project will be maintained.

Each tree recipient will sign a Commitment to Care (see attached example) before trees are planted. This commits the participant to watering their tree in accordance with our watering guide (see attached) for one year, thus saving the City the need to hire watering crews and trucks. Our volunteers with the Tree Canopy Restoration Project continue to monitor drought conditions through the years and send out reminders to participants when extra care is needed during times of drought. We also keep thorough records and a map of each of our trees so that we can do periodic inventories which can readily be shared with City staff. Beth Bolles, our Escambia County Extension Office volunteer, and Erin Hurd, our certified arborist volunteer and mulch donor, have volunteered to help with pruning when it becomes necessary.

2. NEIGHBORHOOD IMPACT

What is the intended public benefit of the project? Why is it of importance to the neighborhood? (Use additional pages if necessary.)

As a coastal city, Pensacola has a special need for adequate stormwater mitigation. The loss of canopy through the last few strong storms has damaged our natural "green infrastructure," as trees provide a huge ecological service regarding stormwater runoff. We prioritize canopy trees in our project, and thirty-seven of our eighty-eight trees in our 2023 project were live oaks, which live hundreds of years and are considered a super-tree for landscape stabilization and runoff mitigation. Additionally, strategically-planted canopy trees can lower energy bills for residents through passive cooling and can mitigate urban heat island effect. Research also shows that trees raise property values by providing beautification and creating more walkable neighborhoods. As temperatures continue to rise and the needs of our City increase, we hope that our project can build upon the efforts of the City to create a more resilient Pensacola.

3. CAPACITY

Describe the capacity of the organization to complete this project. List previous projects completed, or events held within the neighborhood.

Our group's methods were founded on the model used during the 2022 East Pensacola Heights Canopy Restoration Project. During the development of that project, volunteers connected with the City of Orlando about their adopt-a-tree program for advice on best practices and formation of a Commitment to Care and Watering Guide. The 2023 project expanded both reach and scope, as CNAPP (The Council of Neighborhood Association Presidents of Pensacola) integrally connected the project to all of the neighborhoods in the City. We've formed partnerships with City officials, neighborhood associations and community leaders, garden clubs and service organizations. Two of our Board members are officers in their current neighborhood associations, and one is an officer in CNAPP. We've cultivated a working partnership with Panhandle Growers, who supplied our trees in 2023 and again in 2025, sent out their founders to demonstrate for Planting Day, and has agreed to participate in this project again. Local Arborist Erin Hurd donates our mulch every year and has volunteered to support future pruning efforts, and another local arborist, Matt Yost, volunteered and advised in our last project. Nearly 50 volunteers planted 88 trees on Planting Day 2023, and another 79 in February of 2025. We maintain a mailing list with volunteer and participant contacts. With our local connections and successful model we feel confident we can repeat this process in December of 2025.

4. PARTICIPATION/COLLABORATION

(A) Neighborhood resident support and participation is critical to the award of a grant. Grant applications that demonstrate strong support will be given more consideration than those that do not. Describe how neighborhood support has been and will be obtained and who will participate. Include any collaboration with outside groups or use of other community resources. Provide letters from supporters and/or signatures with phone numbers.

We maintain an email and text communication list of our 52 households who participated in our last project, and of our nearly 50 volunteers as well. One East Hill Board member and tree recipient has ended up as a vital part of our current board. Each project grows our community of like-minded and motivated volunteers. Many of our volunteers were from the Master Gardeners group, among them Beth Bolles, who helped lead the tree planting demos in 2022 and 2023. The Environmental Advisory Board has voted unanimously for our project twice, and City Council voted 6 to 1 in favor of our 2023 project, and unanimously in 2024. CNAPP and various neighborhoods partnered with us on our last project as well, and Kelly Hagen, our current VP, maintains many contacts through her 2 year tenure as CNAPP President. This year we're excited to partner with Escambia County's Arborist Jimmie Jarrett and Sustainability Coordinator Ryan Kirby to reach CRA designated areas, and as mentioned above, we hope that these simultaneous efforts will support each other.

SECTION IV - PROJECT BUDGET

The project budget is the most important part of the application. It details the project expenses and matching funds. Please complete the budget worksheet. This is a separate Excel file that can be found on the program's webpage.

Note: There is a second sheet within the file that is used to calculate volunteer time contributions. Please complete that sheet if using volunteer time as part of your match.

1. MATCHING FUNDS

Please list the sources of matching funds that the neighborhood plans to contribute to support the project, such as in-kind labor, materials, or cash. Requested funds must be matched 50%. These will be further outlined in the budget.

We plan on having mulch donated from local arborist Erin Hurd again for this project. All of our labor will be led by volunteers so we will be using this in the match.

Attachment 1- Application Checklist

Each application package should include:

- ☐ One original signed application with support materials clearly labeled
- ☐ One completed Budget Form (both tabs if using volunteer time)
- ☐ If incorporated, a copy of the State of Florida Incorporation Certificate
- ☐ One design plan, if applicable
- ☐ Attachment 2: Detailed planting plan (for landscape projects)
- ☐ Signature of applicant's representative
- ☐ Map of project site (if applicable)
- ☐ Three cost quotes for each vendor service or purchase over $3,000 (REQUIRED)
- ☐ Any additional letters of support you would like to include

Attachment 2- Landscaping Materials and Plans

Planting Summary: List each species of plant to be included in your proposed project. Use either the common or Latin name. Provide the number of the species to be included. Provide the size of each plant at the time of planting (e.g. 3 gallon, 2" pot, 6' height, etc.) Plants must be perennials and no exotic or invasive species are allowed. Note: VNG funds can only be used to purchase perennial plants. The purchase of annual plants is not allowed. However, annual plants purchased with neighborhoods funds can count toward the matching funds contribution. If annuals are to be purchased with neighborhood funds as part of the project, they should be listed below.

Plant species (common or Latin name)	Number	Size (inch, gallon or feet)
Ex: Sabal Palm	*20*	*13' Clear Trunk*
Ex: Black-Eyed Susan	*40*	*4" pot*
Live Oak	30	15 gallon
Summer Red Maple	15	15 gallon
Little Gem Magnolia	15	15 gallon
Winged Elm	20	15 gallon

A sketch of the planting plan must be included. Include spacing of plant material, locations of signs, above ground wires, pavement, driveways or other obstructions and existing plant material.

A sketch is required in the Commitment to Care document with applications. These can be provided for each site before final inspections. We complete an 811 Call Before You Dig request for every location, marking any utility wires before final inspections of tree locations.

Canopy Restoration Project of Pensacola: Care Contract

Commitment to Care Term is One Year

Congratulations!

You are now part of a growing number of neighbors helping to create a greener, cleaner, more naturally beautiful and resilient future for the city of Pensacola. The first year of care is the most critical. This document details best practices to follow the first year to ensure planting success and allow your new young tree to establish itself in its new location. These two most important best practices are:

Number 1: Sufficient watering for the size of the tree

Number 2: Maintaining a mulch ring around the tree base/protection from mowers

Watering

Water your tree regularly and deeply for the first year as it gets established. Water according to this schedule depending on the size of your tree–you will receive a copy after planting. **Watering your tree is the most important success factor in the care of your tree.** Using a sprinkler will not be sufficient. Each tree must be watered at the base of the tree using a hose or the bucket provided, slowly to make sure the water soaks into the root ball and doesn't just run off.

Mulching

Mulching around a tree makes lawns more attractive, controls weeds, and helps maintain soil moisture. Mulch will be provided upon planting but you are encouraged to continue to maintain the mulch ring around your tree the first two years. Mulch wide, and mulch more than just the root ball, ideally three to four feet out from the trunk. Keep all mulch away from the tree's trunk, allowing the root flare to show just above ground level. Creating a tree- to four-foot mulched ring around a tree creates a physical cue for landscapers to avoid mowing or weed whacking close to the trunk. Nicks and cuts on the trunk can kill trees. Tree protectors that can grow with the tree will be provided to protect the sensitive trunk area as the tree grows but it is still important to inform yard workers not to cut your tree's trunk.

I HAVE READ THE ABOVE COMMITMENT TO CARE AND UNDERSTAND THE RESPONSIBILITIES I ASSUME IN HAVING A TREE PLANTED ON MY PROPERTY AS PART OF THE CITIZENS TREE CANOPY RESTORATION PROJECT..

- I AGREE TO WATER ACCORDING TO THE SCHEDULE (_____) AND MAINTAIN MULCH AROUND EVERY TREE PLANTED ON MY PROPERTY AS SUGGESTED BY THIS DOCUMENT FOR AT LEAST THE FIRST YEAR AFTER PLANTING.

- I AGREE TO PERIODIC TREE INSPECTIONS TO BE PERFORMED BY A MEMBER OF THIS PROJECT TO BE AGREED UPON BY TREE RECIPIENT AND NEIGHBORHOOD ASSOCIATION.

Canopy Restoration Project
Tree Watering Guide

Congratulations! You are now part of a growing number of citizens helping to create a cooler and greener future for Pensacola. By following these instructions, you will be able to give your tree a long, healthy life!

Timeframe	Dates	Amount	Frequency
2 Weeks	Until 12/16/2023	4 gallons	Every Day
2 Months	Until 2/16/2024	5 gallons	Every Other Day
1 Year	Until 12/31/2024	5 gallons	Weekly
2 Years	Until 12/31/2025	10 gallons	Weekly May-June & Oct-Nov

Important Tips

- Sprinkler irrigation is insufficient! Direct watering with hose or bucket is required.
- Don't let the soil around your tree dry out.
- Maintain ring of soil/mulch around your tree for 6 months to create barrier for weeds/grass/mowers.
- Keep soil/mulch away from trunk of your tree to ensure water reaches roots.

Is your tree showing signs of distress?

Dear Grant Review Team members,

I am writing on behalf of Innisfree Hotels in support of the Tree Canopy Restoration Project of Pensacola (Canopy Project) and their application for the Tree Trust Fund Grant program.

As a supporting member of the Canopy Project's volunteer committee for the 2023 planting project, I have experienced the unwavering commitment and dedication these community members have in their pursuit of a more resilient Pensacola. Each member is truly passionate about improving not only our neighborhoods but also the lives of our neighbors through tree planting projects.

The project leaders have the established community connections needed to sustain this type of grassroots effort in Pensacola. They also have access to and support of local tree experts, ensuring that the tree planting will be executed correctly. Their efforts have now resulted in two successful tree planting projects and demonstrated efficient and responsible management of City funds.

The Canopy Project has proven that their model works, and this model provides the City with a unique opportunity to save on tree planting costs, to expand tree planting onto private property, and to support the creation of stronger neighborhoods and communities. At Innisfree, we believe canopy restoration is not only important for neighborhoods and residents but that it is tied to the overall need to combat the effects of rising temperatures. These efforts will be crucial to ensure we can continue to host millions of visitors in our area every year.

Thank you for considering my support of the Canopy Project's application for Tree Planting 2025.

Sincerely,

Bethanne Edwards

FROM THE DESK OF EAST HILL Neighborhood Association

August 2, 2024

Dear city of Pensacola and Tree Canopy Council,

We are writing to express our support for the grant proposal by the Tree Canopy Council for continued efforts to put more trees into the ground. The proposal aligns well with our Mission of nurturing connections for a fun and vibrant East Hill/Pensacola where everyone belongs, particularly in enhancing our community spaces and promoting environmental sustainability.

The project's focus on planting more trees to support air quality, water retention efforts, beautification, reduction of surface level heat and much more fully aligns with that of the community. We believe that this grant will play a crucial role in achieving these outcomes and furthering our shared vision for a better, greener city to further create a charming more accessible destination where everyone is engaged, safe, and happy.

Thank you for considering this important initiative. We are excited about the positive impact it will bring and support the grant application.

Sincerely,

Board of Directors

LEGISLATIVE ACTION ITEM

SPONSOR: DC Reeves, Mayor

SUBJECT:

ACCEPTANCE OF GRANT AMENDMENT - SANDERS BEACH KAYAK FISHING TRAIL ACCESS UPGRADES

RECOMMENDATION:

That City Council approve the acceptance of the Florida Fish and Wildlife Conservation Commission (FWC) Grant Agreement 21130, Amendment A3 for the Sanders Beach Kayak Fishing Trail Access Upgrades Project in the amount of $197,665, supplementing the original grant agreement amount of $1,291,210, for a total project value of $1,488,875. Further, that City Council authorize the Mayor to take the actions necessary to execute and administer this grant, consistent with the terms of the grant and the Mayor's Executive Powers as granted in the City Charter. Finally, that City Council adopt a supplemental budget resolution appropriating the grant funds.

HEARING REQUIRED: No Hearing Required

SUMMARY:

This action will advance City of Pensacola Strategic Plan Goals #4: Resilient Waterfronts & Neighborhoods and #6: Public Spaces that Connect Communities.

The City of Pensacola will use these supplemental grant funds in tandem with grant funding from the original 2022 FWC award to enhance/increase public access to Pensacola waterways for kayak fishing and paddling by establishing a designated kayak fishing and paddling trail at Sanders Beach. Pensacola offers tourism amenities that market its natural resources to outdoor recreation enthusiasts as a nature-based tourism destination, resulting in economic stimulus and increased public awareness of natural Pensacola, thereby helping to compensate for interim losses to recreational use by the Deepwater Horizon oil spill.

PRIOR ACTION:

January 20, 2022 - City Council approved the Florida Fish and Wildlife Conservation Commission (FWC) Grant in the amount of $143,000 for planning engineering/design and permitting for the Baars Park and Sanders Beach Kayak Fishing Trail Access Upgrades.

September 14, 2023 - City Council approved Amendment No. 1 to the FWC Grant providing additional funds in the amount of $1,291,210 for construction services for the Sanders Beach Kayak Fishing Trail Access Upgrades.

FUNDING:

Budget:	$1,291,210.00	FWC Grant Amount - Previously accepted Grant
	197,665.00	Pending Acceptance of FWC Grant Amendment on today's agenda
	$1,488,875.00	TOTAL
Actual:	$ 973,695.05	Base Bid Plus Bid Alternate
	146,054.25	15% Contingency
	130,949.50	Encumbered Engineering Design by Bowman Consulting Group, LTD.
	58,421.73	Engineering allocation
	7,789.56	Geotechnical/Miscellaneous Testing
	$1,316,910.09	TOTAL NEEDED TO AWARD BID

FINANCIAL IMPACT:

Grant funding will be appropriated through an accompanying supplemental budget resolution. There is no match requirement for this grant.

Funds will be provided through the Florida Fish and Wildlife Conservation Commission on a reimbursable basis upon task completion outlined in Attachment 3 of the grant agreement.

AMENDMENT

STATE OF FLORIDA

FLORIDA FISH AND WILDLIFE CONSERVATION COMMISSION

FWC Agreement No. #21130, Amendment #A3

This Amendment to Agreement No. #21130, referred to as the Amended Agreement, is entered into by and between the Florida Fish and Wildlife Conservation Commission, whose address is 620 South Meridian Street, Tallahassee, Florida 32399-1600, hereafter "Commission" or "FWC," and the City of Pensacola, 59-6000406, whose address is 222 West Main Street, Pensacola, Florida 32502, hereinafter "Recipient," collectively, "Parties".

CHANGES TO THE CONTRACT

In consideration of the mutual benefits set forth herein and, in the Amended Agreement, the parties agree to amend the Amended Agreement as follows, which amendments shall govern to the exclusion of any provision of the Amended Agreement to the contrary:

Section 3, Agreement Period of the Amended Agreement is hereby amended to read as follows:

A. Agreement Period and Commission's Limited Obligation to Pay. This Agreement is made pursuant to a grant award and shall be effective upon execution by the last Party to sign and shall remain in effect through December 31, 2026. However, as authorized by Rule 68-1.003, F.A.C., referenced grant programs may execute Agreements with a retroactive start date of no more than sixty (60) days, provided that approval is granted from the Executive Director or his/her designee and that it is in the best interest of the Commission and State to do so. For this agreement, the retroactive start date was not approved. The Commission's Grant Manager shall confirm the specific start date of the Agreement by written notice to the Grantee. The Grantee shall not be eligible for reimbursement or compensation for grant activities performed prior to the start date of this Agreement nor after the end date of the Agreement. For this agreement, pre-award costs are not eligible for reimbursement. If necessary, by mutual agreement as evidenced in writing and lawfully executed by the Parties, an Amendment to this Agreement may be executed to lengthen the Agreement period.

Section 4, Compensation and Payments, Subsection A, Compensation of the Amended Agreement is hereby amended to read as follows:

Compensation. As consideration for the services rendered by the Grantee under the terms of this Agreement, the Commission shall pay the Grantee on a cost reimbursement basis in an amount not to exceed $1,488,875.

Attachment A3 – REVISED SCOPE OF WORK

Project Name:	City of Pensacola – Sanders Beach Kayak Fishing Trail Access Upgrades	**FWC Contract No.**	21130-A3

1. PROJECT DESCRIPTION

A. Purpose and Background: The City of Pensacola (Grantee) will use grant funds to enhance/increase public access to Pensacola waterways for kayak fishing and paddling, by establishing a designated kayak fishing and paddling trail at Sanders Beach. Kayak fishing is the fastest growing segment of the U.S. sportfishing market due to increasing fuel costs, expense compared to other watercraft, minimal environmental impacts, and growing appreciation for an active outdoor lifestyle.

B. Project Benefits: Pensacola offers tourism amenities that market its natural resources to outdoor recreation enthusiasts as a nature-based tourism destination, resulting in economic stimulus and increased public awareness of natural Pensacola, thereby helping to compensate for interim losses to recreational use by the *Deepwater Horizon* oil spill.

C. Type of Agreement: This is a cost reimbursement agreement in accordance with Cost Reimbursement Contract Payment Requirements attached hereto and made a part hereof as Attachment D. Requirements are outlined the Department of Financial Services, Bureau of Accounting and Auditing, *Reference Guide for State Expenditures*.

D. Term of Agreement: The term of the Agreement shall begin upon execution by the last Party to sign and shall remain in effect through December 31, 2026. Grantee shall complete the tasks and provide the deliverables described in this Scope of Work by December 31, 2026.

2. PROJECT DELIVERABLES

A. **Deliverable 1**: Planning, Engineering and Design Services, and Permitting for Sanders Beach Kayak Fishing Trail Access Upgrades.

Deliverable 1 Tasks:

- Grantee will prepare draft construction plans and specifications;
- Submit to FWC's grant manager for review and approval; and
- Upon approval by FWC's grant manager, prepare final plans.
- Grantee will prepare and submit applications to the Florida Department of Environmental Protection (FDEP), U.S. Army Corps of Engineers (ACOE), and any other agencies that require permitting be applied for; and
- Provide copies of permits or other final action by permitting agencies to the FWC grant manager.

Compensation: Total payment for this deliverable will not exceed $143,000.

Minimum Performance: Minimum performance will be the completion of all Tasks listed above and the completion of all requirements in Section 4 - Performance. The Grantee shall provide all labor, equipment, and materials to complete the planning, engineering, and design services, and permitting for finalizing design and construction plans as specified herein. These final plans will be submitted to the Commission for review and approval prior to initiation of any work.

Documentation: Documentation includes an attestation of activities or services rendered. The Grantee shall provide copies of bid documentation, surveys, draft plans, proof of services rendered,

final plans, and permits. See FWC Cost Reimbursement Contract Payment Requirements Attachment D for additional details on supporting documentation.

B. **Deliverable 2**: Construction of improvements.

Deliverable 2 Tasks:
The Grantee will make renovations to improve the infrastructure at the Sanders Beach project location, as described in the Florida Trustee Implementation Group's Final Restoration Plan 2 and Environmental Assessment: Habitat Projects on Federally Managed Lands; Sea Turtles; Marine Mammals; Birds; and Provide and Enhance Recreational Opportunities, as revised in both Resolution #FL-2023-005 Effective May 18, 2023 and Resolution #FL-2025-002 Effective January 17, 2025.

- Enhance existing infrastructure at Sanders Beach:
    - Install floating accessible kayak launch to the existing dock.
    - Reconfigure and expand the existing parking lot to include a concrete ramp that will allow handicap access from the parking lot to the east sidewalk and existing pier.
    - Install monofilament recycling bins (see https://mrrp.myfwc.com/ for further guidance).
    - Install informational (e.g., navigational) and educational kiosks.
    - Add picnic tables under the existing pavilion shelter.
    - Remove the four individual existing picnic table pavilions and replace them with four individual solar-lighted picnic table pavilions (in accordance with applicable sea turtle lighting best practices).
    - Enhance lighting at the park through installation of new poles and lights in accordance with applicable sea turtle lighting best practices.
    - Remove the existing restrooms and install a prefabricated restroom in the same location.
    - Install benches and trash cans.

Compensation: Total payment for this deliverable will not exceed $1,345,875.

Minimum Performance: Minimum performance will be the completion of all Tasks listed above and the completion of all requirements in Section 4 – Performance.

Documentation: Documentation includes an attestation of activities or services rendered and proof of payment. See FWC Cost Reimbursement Contract Payment Requirements, Attachment D, for additional details on supporting documentation.

3. FINANCIAL CONSEQUENCES

A. Pursuant to 215.971(1)(c), Florida Statutes, the Commission will withhold payment of Program funds for failure to complete the Project as described herein within the timeframe allowed, or for failure to correct any Project deficiencies, as noted in the final Project inspection. Only those tasks completed, or items purchased and received in accordance with the scope of work and within the agreement period of performance will be eligible for reimbursement. Failure of the Grantee to perform the tasks and provide the deliverable shall be considered non-compliant with terms and payment will not be processed.

B. In addition to nonpayment for tasks which are not satisfactorily or timely completed, or for failure to correct any project deficiencies, as noted in the final project inspection, the Commission will

impose a financial consequence of twenty-five percent (25%) of the total contract amount for failure to complete any tasks satisfactorily or timely, or for failure to correct any project deficiencies, as noted in the final project inspection. The final project inspection will be done by a Commission employee verifying that the project was completed according to the project scope of work.

C. Failure of Grantee to have all receipts and evidence of project performance reflecting costs were incurred within the period of performance may jeopardize payment of funds to the Grantee per the Agreement.

D. Following the end of the term of this Agreement, the Grantee shall repay any Program funds received for the Project for failure to maintain the Project site(s) according to the terms and conditions herein for a period of twenty (20) years. This section shall survive any Agreement termination.

4. PERFORMANCE

A. Permit Requirements: The Grantee agrees to adhere to all federal, state, county and city permit requirements of the Project.

B. Procurement: The Grantee shall procure goods and services through a competitive solicitation process in accordance with Chapter 287, Florida Statutes. The Grantee shall forward one copy of any solicitation to the Commission's Grant Manager for review prior to soliciting for quotations or commencing any work. The Grantee shall forward one copy of the bid tabulation, or similar list of responses to the solicitation, along with the award recommendation to the Commission's Grant Manager, to retain in their own records.

C. Engineering: If applicable, all engineering must be completed by a professional engineer or architect registered in the State of Florida. All work must meet or exceed minimum design standards and guidelines established by all applicable local, state and federal laws. The Grantee agrees to adhere to all federal, state, county and city requirements of the Project and all requirements of the 2010 Standards issued pursuant to the Americans with Disabilities Act, 1003 – Recreational Boating Facilities. Standard 235.3 for Accessible Design requires that where boarding piers are provided at boat launch ramps, no fewer than one must be accessible. When compliance with ADA wheelchair accessibility requirements is in question with regard to reimbursable costs under this Agreement, the Commission may engage a third-party engineer at its own expense to review the design and report to the Commission concerning compliance. The Commission's determination based on this review will be final. Any lighting associated with this project will be implemented in accordance with applicable sea turtle lighting best practices (refer to https://myfwc.com/wildlifehabitats/wildlife/sea-turtle/lighting/).

D. Construction: If applicable, the Contractor shall be certified by the Division of Construction Industry Licensing Board of the Florida Department of Business and Professional Regulation for the duration of this contract and shall provide evidence of such certification upon request.

All in-water work must adhere to the guidelines and conditions within the NMFS's Sea Turtle and Smalltooth Sawfish Construction Conditions (2006), NMFS's Measures for Reducing Entrapment Risk to Protected Species (2012), NMFS's Vessel Strike Avoidance Measures and Reporting for Mariners (2008), and USFWS Standard Manatee Conditions for In-water Work (2011). These measures will minimize the potential for adverse effects to the West Indian Manatee, Gulf sturgeon, and sea turtles.

Best Management Practices for erosion control are to be implemented at all times during upland construction to prevent siltation and turbid discharges into surface waters. Methods could include, but not limited to, staked hay bales, staked filter cloth, sodding, seeding, and mulching; staged construction; and installation of turbidity screens around the immediate project site(s).

E. Commencement of Work: The Grantee shall commence work on the Project within ninety (90) days of execution of the Agreement. Failure by the Grantee to begin work shall constitute a breach of the Agreement and may result in termination of the Agreement by the Commission.

F. Performance Criteria: The Grantee shall complete the Project as described in this Scope of Work. Failure to complete the project in a satisfactory manner could result in financial consequences as specified herein.

G. Certificate of Completion: Within thirty (30) calendar days following completion of all Project deliverables, the Grantee shall sign and submit to the Commission's Grant Manager, a Certification of Completion Statement, attached hereto and made a part hereof as Attachment E, Form 5 which certifies the Project was completed in accordance with the provisions herein. Final photographs shall be submitted with the Certification of Completion Statement, Attachment E, Form 5.

H. Project Close-out Report: In addition to the Certificate of Completion, and before/after photos from fixed points for comparison, within thirty (30) calendar days the Grantee shall submit the Project Close-Out Report Form, attached hereto and made a part hereof as Attachment E, Form 6. If any costs were determined by FWC to be ineligible after reimbursement, a refund check is also due within thirty (30) calendar days, mailed to: Grants & Revenue Section, FWC, 620 S. Meridian Street, Tallahassee, Florida 32399 and a photocopy of the check must accompany the Close-Out Report, Form 6.

I. Site Dedication: For construction grants, but not for grants which involve only design, engineering, permitting, or for grants for the installation of waterway markers or other projects on sovereign submerged lands, the Grantee agrees to dedicate the project site(s) as a kayak fishing and paddling trail for the use and benefit of the public as a condition of receiving funds under this Agreement. The Notice of Grant Agreement Form (Site Dedication) is attached hereto and made a part hereof as Attachment F. If required, the Grantee shall execute and record this document in the official records of the County where the Project is located. As proof of the site dedication, a copy of the recorded document shall be submitted to the Commission in addition to the Certificate of Completion, Attachment E, Form 5.

Final reimbursement or 25% of the award, whichever is greater, shall be withheld until receipt of Site Dedication AND Certificate of Completion. Following this initial site dedication, the project site(s) shall remain a public kayak fishing and paddling trail for a period not less than twenty (20) years following the date the Site Dedication was recorded. Land under control other than by ownership by the Grantee (i.e., lease, management agreement, cooperative agreement, inter-local agreement or other similar instrument) shall be managed by the Grantee as a kayak fishing and paddling trail for the entirety of this site dedication period surviving the Agreement termination. Grantee agrees to secure all authorizations necessary for continuing use and management of the property for the duration of this site dedication period. Title to all improvements shall be retained by the Grantee upon final payment by the Commission.

The Grantee shall repay all funds received for the Project under this Agreement for failure to maintain the Project site(s) as a kayak fishing and paddling trail according to the terms and conditions herein for the duration of the site dedication period. Should the Grantee convert all or any part of the Project to other than Commission approved uses prior to the end of this site dedication period, or should the Grantee lose authorization to use and manage the property on which the Project is completed before the end of the site dedication period, the Grantee shall replace the area, facilities, resource, or site at its own expense with a project acceptable to the Commission of comparable scope and quality. In the event the Project is converted to use for other purposes, or the Grantee loses authorization to use and manage the property on which the Project is completed within the site dedication period and Grantee has not replaced the Project with a like project acceptable to the Commission, the Grantee agrees to return to the Commission all funds tendered under this Agreement for the original Project.

Site dedication, the site dedication period, and all terms of this section survive any Agreement termination. If mutually agreed upon by both parties in writing the site dedication may be rescinded. The Commission shall waive the site dedication requirement if no program funds were dispersed.

J. **Acknowledgement**: Upon completion of the Project, and prior to the final reimbursement of funds, the Grantee, at its expense, shall purchase, erect, and maintain a permanent sign at each of the Project sites, not less than three (3) feet by four (4) feet in size, displaying the text "**Funding for this project provided by the Florida Trustee Implementation Group as part of the *Deepwater Horizon* Oil Spill Natural Resource Damage Assessment process**", and including the logos of the six Florida TIG NRDA trustees. The Grantee shall provide a draft copy of the acknowledgement sign for review and approval by the Commission prior to production. Such acknowledgement shall be maintained for the duration of the site dedication period described in Section I, Site Dedication, above in Section 4, Performance. Should the sign or acknowledgement be damaged, removed or destroyed, the Grantee shall, at its expense, replace it within ninety (90) days. Should the Grantee fail to maintain such acknowledgement other than the ninety (90) day replacement term, the Grantee agrees to return to the Commission all funds tendered under this Agreement for the original Project. Any other form of acknowledgement must be approved in writing by the Commission's Grant Manager.

K. **Educational Signs:** The Grantee shall purchase, erect, and maintain an educational sign at each of the project sites to remind visitors of the potential presence of marine mammals and measures to protect these species while boating and fishing. Specifications regarding educational signage may be found on the Commission's Website at https://myfwc.com/wildlifehabitats/wildlife/manatee/education-for-marinas/.

In addition, the Grantee shall reproduce and post at the Sanders Beach project site the following NOAA outreach signs: 'Dolphin Friendly Fishing Tips' sign, and 'Don't Feed Wild Dolphin' sign. Furthermore, at the Sanders Beach site the Grantee shall reproduce and post the following NOAA outreach signs: 'Report a Sturgeon' sign, and 'Do Not Catch or Harass Sea Turtles' sign. The NOAA signs can be found at https://www.fisheries.noaa.gov/southeast/consultations/protected-species-educational-signs.

The Grantee shall also develop, erect, and maintain informational (e.g., navigational) and educational kiosks as described in the Florida Trustee Implementation Group Final Restoration Plan 2.

The Grantee shall adhere to any additional signage requirements as specified in any federal, state, county, or city permits.

The Grantee shall provide draft copies of all educational signs/information for review and approval by the Commission prior to production.

5. BUDGET

A. Project Budget: For satisfactory completion of the tasks and deliverables described in this Scope of Work, by the Grantee under the terms of this Agreement, the Commission shall pay the Grantee on a cost reimbursement basis in an amount not to exceed $1,488,875. All amounts noted in the budget are estimates based on preliminary quotes or prior project activities from the application amount. Deviations from this budget that exceed ten percent (10%) of the total amount in any budget category/deliverable must be approved by the Commission's Grant Manager in writing prior to the deviation. The Grantee shall be reimbursed only for budgeted eligible expenses incurred during the Agreement Period that are directly related to the Project.

Deliverable Number	Cost Item	Grant Funding Not To Exceed
1	Planning and Design	$143,000
2	Construction	$1,345,875
	Total	**$1,488,875**

B. Cost Share: There are no cost share requirements for the Grantee under the terms of this Agreement.

C. Pre-Award Costs: No pre-award costs are authorized under the terms of this Agreement.

6. COMPENSATION AND PAYMENT

A. Fee Schedule: This section is not applicable.

B. Travel Expenses: No travel expenses are authorized under the terms of this Agreement.

C. Cost Reimbursement: This is a cost reimbursement agreement. The total approved estimated project cost for the Project is $1,488,875. The Commission agrees to reimburse the Grantee for an amount not to exceed $1,488,875 or 100% of the total cost for the Project, whichever is less for satisfactory completion by the Grantee of the Project. The Grantee shall be responsible for any additional costs that exceed the total approved estimated project cost for the Project.

D. Invoice Schedule and Payment: Invoices may be submitted upon the completion of at least one deliverable listed in the scope of work. The Commission shall have up to thirty (30) days to inspect and approve the Project's deliverables once reported complete by the Grantee. If there are deficiencies noted in the Project inspection, these shall be corrected by the Grantee prior to payment by the Commission. The Commission shall restrict any or all payment of funds pending correction of such deficiencies.

Within thirty (30) days of completion of all Project deliverables, the Grantee shall report the Project complete by submitting all required documentation for reimbursement and Close-out. **Final**

payment shall be contingent upon the Commission's Grant Manager receiving and accepting the:

- **Final Request for Reimbursement (Attachment E, Form 2) and supporting documentation,**
- **Certification of Completion Form (Attachment E, Form 5) with required photos,**
- **Close-Out Report (Attachment E, Form 6),**
- **FWC final inspection of the Project, and**
- **Recorded Notice of Grant Agreement (Attachment F) reflecting site dedication, if required, as described herein.**

Final reimbursement or 25% of award, whichever is greater, shall be withheld until receipt and acceptance of all required documents.

E. Forms and Documentation: After receiving acceptance of deliverable completion from the Commission's Grant Manager, the Grantee may submit a Reimbursement Request, Attachment E, Form 2.

Grantees shall submit a Detail of Claims, Attachment E, Form 3 for each deliverable requested for reimbursement. Reimbursement forms and supporting documentation must clearly identify the dates of services, a description of the specific Agreement deliverable(s) provided during the reporting period, an itemized list of expenditures, budget category of each expenditure, the payment amount requested as match or grant reimbursement, the Commission's Agreement Number and the Grantee's Federal Employer Identification (FEID) Number.

The Grantee must submit and maintain original supporting documentation for all funds expended and received under this Agreement in sufficient detail for proper pre- and post-audit and to verify work performed was in accordance with the deliverable(s) and not eligible for payment under any other state or federal funding source. Supporting documentation includes, but is not limited to, quotes, procurement documents, purchase orders, original receipts, invoices, cancelled checks or EFT records, bank statements or copies of general ledgers. See FWC Cost Reimbursement Contract Payment Requirements for additional details on supporting documentation which is attached hereto and made a part hereof as Attachment D.

The Commission's Grant Manager shall have up to ten (10) days to review and approve the invoice for payment. Any errors or insufficient supporting documentation included with the invoice will delay payment and the thirty (30) days to review by the Commission may begin again.

7. MONITORING SCHEDULE

A. Compliance Monitoring and Corrective Actions: The Commission will monitor the Grantee's service delivery to determine if the Grantee has achieved the required level of performance. If the Commission at its sole discretion determines that the Grantee failed to meet any of the Terms and Conditions of this Agreement, the Grantee will be sent a formal written notice within thirty (30) days. The Grantee shall correct all identified deficiencies within forty-five (45) days of notice or submit a Corrective Action Plan if additional time is required. Failure to meet 100% compliance with all of the Terms and Conditions of this Agreement or failure to correct the deficiencies identified in the notice within the time frame specified may result in delays in payment or termination of this Agreement in accordance with the Termination section.

B. Site Inspections: The Commission may inspect the Project site(s) prior to and, if applicable, during the construction of the Project. The Grantee shall notify the Commission's Grant Manager when the Project has reached substantial completion so that inspection may occur in a timeframe allowing for the timely submission and processing of the final invoice. The Commission's Grant Manager, or designee, shall inspect the work accomplished on the Project and, if deemed complete and in compliance with the terms of the Agreement, approve the request for reimbursement.

The Grantee shall allow unencumbered access to the Project site(s) to the Commission, its employees or agent for the duration of the Agreement and for the duration of the site dedication period described in Section I, Site Dedication, above in Section 4, Performance for the purpose of site visit or inspection to verify the facility is being maintained, in operation and is open and available to the public. As part of the inspection, the Commission may request maintenance and use information from the Grantee to validate the condition of the facility. This section shall survive any Agreement termination.

C. Project Maintenance: The Grantee shall provide and be responsible for any and all costs associated with the ordinary and routine operations and maintenance of the project site(s), including any and all personnel, equipment or service and supplies costs beyond the costs approved for reimbursement in this Agreement for the duration of the site dedication period described in Section I, Site Dedication, above in Section 4, Performance. This section shall survive any Agreement termination.

D. Monthly Project Updates: Starting the first month after the date the Agreement is executed, the Grantee shall submit to the Commission monthly project updates, on or before the last business day of each month. These updates shall only include activities associated with the project funding, and may be submitted to the Commission by email. The monthly updates will contain the following information for each project site(s):

Current month:

- Activities that were completed;
- Activities that are ongoing;
- Activities that were started.

Upcoming Month:

- Activities that will be completed;
- Activities that will be ongoing;
- Activities that will start.

E. Quarterly Project Progress Reports: Starting the first quarter after the date the Agreement is executed, the Grantee shall submit to the Commission, on a quarterly basis, Quarterly Reports outlining the progress of the Project (financial and programmatic), identifying any problems that may have arisen, and actions taken to correct such problems. Such reports shall be submitted on the Quarterly Report Forms attached hereto and made a part hereof as Attachment E, Form 1A & 1B. Progress reports are required until the Certification of Completion is submitted, even if work is complete. Reports are due to the Commission's Grant Manager according to the following schedule:

Project Name:	City of Pensacola – Sanders Beach Kayak Fishing Trail Access Upgrades	**FWC Contract No.**	21130-A3

Reporting Period	**Report due by:**
January through March	April 15th
April through June	July 15th
July through September	October 15th
October through December	January 15th

8. INTELLECTUAL PROPERTY RIGHTS

No additional requirements. Refer to Section 12 of the Agreement.

9. SUBCONTRACTS

Subcontractors shall be reported to the Commission's Grant Manager on the Subcontractor List, Attachment E, Form 8 prior to commencing work. Grantees shall additionally submit a No Conflict of Interest statement for each subcontractor to the Commission's Grant Manager. Refer to Section 14 of the Agreement.

10. INSURANCE

No additional requirements. Refer to Section 16 of the Agreement.

11. SECURITY AND CONFIDENTIALITY

No additional requirements. Refer to Section 20 of the Agreement.

12. RECORD KEEPING REQUIREMENTS

Records shall be maintained for ten (10) years following the completion of a construction Project, or five (5) years following the completion of a non-construction Project. Completion of the Project has occurred when all reporting requirements are satisfied, and final payment has been received by the Grantee, as documented by the date of the Closeout Letter issued by the FWC Grant Manager. Refer to Section 21 of the Agreement.

13. NON-EXPENDABLE PROPERTY

The Grantee is not authorized to use funds provided herein for the purchase of any non-expendable equipment or personal property valued at $1,000 or more for performance under this Agreement.

14. PURCHASE OR IMPROVEMENT OF REAL PROPERTY

Refer to Section I, Site Dedication, above in Section 4, Performance.

15. SPECIAL PROVISIONS FOR CONSTRUCTION CONTRACTS

A. Fees: The Commission reserves the right to review and approve any and all fees proposed for grant project sites, funded in whole or in part by this Program, for the term of the Agreement as well as the term of the site dedication period in Section I, Site Dedication, above in Section 4, Performance to ensure that fees are comparable and reasonable, and that funds collected are not reallocated or

diverted to any non-boating access related purpose. This section survives any Agreement termination.

B. Drug-Free Workplace Requirement for Construction Contractors: Pursuant to Section 440.102(15), F.S., any construction contractor regulated under Parts I and II of Chapter 489, F.S., who contracts to perform construction work under a state contract shall implement a drug-free workplace.

C. Contractor Eligibility: All contractors shall be certified by the Division of Construction Industry Licensing Board of the Florida Department of Business and Professional Regulation for the duration of this Agreement and shall provide evidence of such certification to the Commission upon request.

(Remainder of page left blank intentionally.)

REVISED AUDIT REQUIREMENTS

The administration of resources awarded by the Florida Fish and Wildlife Conservation Commission (Commission) to the Subrecipient may be subject to audits and/or monitoring by the Commission as described in Part II of this attachment regarding State funded activities. If this Agreement includes a Federal award, then Subrecipient will also be subject to the Federal provisions cited in Part I. If this Agreement includes both State and Federal funds, then all provisions apply.

MONITORING

In addition to reviews of audits conducted in accordance with Sections 200.500-200.521, Uniform Guidance: Cost Principles, Audit, and Administrative Requirements for Federal Awards (2 CFR 200), as revised, hereinafter "OMB Uniform Guidance" and Section 215.97, F.S., as revised (see "AUDITS" below), the Commission may conduct or arrange for monitoring of activities of the Contractor. Such monitoring procedures may include, but not be limited to, on-site visits by the Commission staff or contracted consultants, limited scope audits as defined by Section 200.331, OMB Uniform Guidance and/or other procedures. By entering into this Agreement, the Subrecipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Commission. The Subrecipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Florida Department of Financial Services or the Florida Auditor General.

AUDITS

PART I: FEDERALLY FUNDED. If this Agreement includes a Federal award, then the following provisions apply:

A. This part is applicable if the Subrecipient is a State or local government or a non-profit organization as defined in Sections 200.90, 200.64, or 200.70, respectively, OMB Uniform Guidance.

B. In the event that the Subrecipient expends **$500,000.00** (**$750,000.00** for fiscal years beginning on or after December 26, 2014) or more in Federal awards in its fiscal year, the Subrecipient must have a single or program-specific audit conducted in accordance with the provisions of the Federal Single Audit Act of 1996 and Sections 200.500-200.521, OMB Uniform Guidance. EXHIBIT 1 to this Attachment indicates Federal resources awarded through the Commission by this Agreement. In determining the Federal awards expended in its fiscal year, the Subrecipient shall consider all sources of Federal awards, including Federal resources received from the Commission. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by Sections 200.500-200.521, OMB Uniform Guidance. An audit of the Subrecipient conducted by the Auditor General in the OMB Uniform Guidance, will meet the requirements of this part.

C. In connection with the audit requirements addressed in Part I, paragraph A. herein, the Subrecipient shall fulfill the requirements relative to auditee responsibilities as provided in Section 200.508, OMB Uniform Guidance. This includes, but is not limited to, preparation of financial statements, a schedule of expenditure of Federal awards, a summary schedule of prior audit findings, and a corrective action plan.

D. If the Subrecipient expends less than **$500,000.00** (**$750,000.00** for fiscal years beginning on or after December 26, 2014) in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of Sections 200.500-200.521, OMB Uniform Guidance, is not required. In the event that the Subrecipient expends less than **$500,000.00** (**$750,000.00** for fiscal years beginning on or after December 26, 2014) in Federal awards in its fiscal year and elects to have an audit conducted in

accordance with the provisions of Sections 200.500-200.521, OMB Uniform Guidance, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such an audit must be paid from Subrecipient resources obtained from other than Federal entities).

E. Such audits shall cover the entire Subrecipient's organization for the organization's fiscal year. Compliance findings related to agreements with the Commission shall be based on the agreement requirements, including any rules, regulations, or statutes referenced in the Agreement. The financial statements shall disclose whether or not the matching requirement was met for each applicable agreement. All questioned costs and liabilities due to the Commission shall be fully disclosed in the audit report with reference to the Commission agreement involved. Additionally, the results from the Commission's annual financial monitoring reports must be included in the audit procedures and the Sections 200.500-200.521, OMB Uniform Guidance audit reports.

F. If not otherwise disclosed as required by Section 200.510, OMB Uniform Guidance, the schedule of expenditures of Federal awards shall identify expenditures by contract number for each agreement with the Commission in effect during the audit period.

G. If the Subrecipient expends less than **$500,000.00** in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of Sections 200.500-200.521, OMB Uniform Guidance, is not required. In the event that the Subrecipient expends less than **$500,000.00** in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of Sections 200.500-200.521, OMB Uniform Guidance, the cost of the audit must be paid from non-Federal resources (*i.e.*, the cost of such an audit must be paid from the Subrecipient's resources obtained from other-than Federal entities).

PART II: STATE FUNDED. If this Agreement includes State funding, then the following provisions apply:

This part is applicable if the Subrecipient is a non-state entity as defined by Section 215.97, F.S., (the Florida Single Audit Act).

A. In the event that the Subrecipient expends a total amount of state financial assistance equal to or in excess of **$750,000.00** (**$500,000.00** in fiscal years prior to July 1, 2016) in any fiscal year of such Subrecipient, the Subrecipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, F.S.; applicable rules of the Executive Office of the Governor and the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this Attachment indicates state financial assistance awarded through the Commission by this Agreement. In determining the state financial assistance expended in its fiscal year, the Subrecipient shall consider all sources of state financial assistance, including state financial assistance received from the Commission, other state agencies, and other non-state entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a non-state entity for Federal program matching requirements.

B. In connection with the audit requirements addressed in Part II, paragraph A herein, the Subrecipient shall ensure that the audit complies with the requirements of Section 215.97(7), F.S. This includes submission of a financial reporting package as defined by Section 215.97(2)(d), F.S., and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

C. If the Subrecipient expends less than **$750,000.00** (**$500,000.00** in fiscal years prior to July 1, 2016) in state financial assistance in its fiscal year, an audit conducted in accordance with the provisions of section 215.97, F.S., is not required. In the event that the Subrecipient expends less than **$750,000.00** (**$500,000.00** in fiscal years prior to July 1, 2016) in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of section 215.97, F.S., the cost of the audit must be paid from the non-state entity's resources (*i.e.*, the cost of such an audit must be paid from the Subrecipient's resources obtained from other-than State entities).

D. Additional information regarding the Florida Single Audit Act can be found at: https://apps.fldfs.com/fsaa/.

E. Subrecipient shall provide a copy of any audit conducted pursuant to the above requirements directly to the following address:

Office of Inspector General
Florida Fish and Wildlife Conservation Commission
Bryant Building
620 S. Meridian St.
Tallahassee, FL 32399-1600

PART III: REPORT SUBMISSION

A. Copies of reporting packages, to include any management letter issued by the auditor, for audits conducted in accordance with Sections 200.500-200.521, OMB Uniform Guidance, and required by Part I of this Attachment shall be submitted by or on behalf of the Subrecipient directly to each of the following at the address indicated:

1. The Commission at the following address:

   Office of Inspector General
   Florida Fish and Wildlife Conservation Commission
   Bryant Building
   620 S. Meridian St.
   Tallahassee, FL 32399-1600

2. The Federal Audit Clearinghouse designated in Section 200.512, OMB Uniform Guidance (the reporting package required by Section 200.512, OMB Uniform Guidance, should be submitted to the Federal Audit Clearinghouse):

   Federal Audit Clearinghouse
   Bureau of the Census
   1201 East 10th Street
   Jeffersonville, IN 47132

3. Other Federal agencies and pass-through entities in accordance with Section 200.512, OMB Uniform Guidance.

B. Copies of audit reports for audits conducted in accordance with Sections 200.500-200.521, OMB Uniform Guidance, and required by Part I of this Attachment (in correspondence accompanying the audit report, indicate the date that the Subrecipient received the audit report); copies of the reporting

package described in Section 200.512, OMB Uniform Guidance, and any management letters issued by the auditor; copies of reports required by Part II of this Attachment must be sent to the Commission at the addresses listed in paragraph C. below.

C. Copies of financial reporting packages required by Part II of this Attachment, including any management letters issued by the auditor, shall be submitted by or on behalf of the Subrecipient directly to each of the following:

1. The Commission at the following address:

   Office of Inspector General
   Florida Fish and Wildlife Conservation Commission
   Bryant Building
   620 S. Meridian St.
   Tallahassee, FL 32399-1600

2) The Auditor General's Office at the following address:

   Auditor General's Office
   G74 Claude Pepper Building
   111 West Madison Street
   Tallahassee, FL 32399-1450

D. Any reports, management letter, or other information required to be submitted to the Commission pursuant to this Agreement shall be submitted timely in accordance with OMB Sections 200.500-200.521, OMB Uniform Guidance, Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, as applicable.

Subrecipients and sub-Subrecipients, when submitting financial reporting packages to the Commission for audits done in accordance with Sections 200.500-200.521, OMB Uniform Guidance, or Chapters 10.550 (local governmental entities) or 10.650 (non-profit and for-profit organizations), Rules of the Auditor General, should indicate the date that the reporting package was delivered to the Subrecipient/sub-Subrecipient in correspondence accompanying the reporting package.

RESOLUTION

SPONSOR: DC Reeves, Mayor

SUBJECT:

SUPPLEMENTAL BUDGET RESOLUTION NO. 2025-51 - ACCEPTANCE OF GRANT AMENDMENT - SANDERS BEACH KAYAK FISHING TRAIL ACCESS UPGRADES

RECOMMENDATION:

That City Council adopt Supplemental Budget Resolution No. 2025-51:

A RESOLUTION AUTHORIZING AND MAKING REVISIONS AND APPROPRIATIONS FOR THE FISCAL YEAR ENDING SEPTEMBER 30, 2025, PROVIDING FOR AN EFFECTIVE DATE.

HEARING REQUIRED: No Hearing Required

SUMMARY:

This action will advance City of Pensacola Strategic Plan Goals #4: Resilient Waterfronts & Neighborhoods and #6: Public Spaces that Connect Communities.

The City of Pensacola will use these supplemental grant funds in tandem with grant funding from the original 2022 FWC award to enhance/increase public access to Pensacola waterways for kayak fishing and paddling by establishing a designated kayak fishing and paddling trail at Sanders Beach. Pensacola offers tourism amenities that market its natural resources to outdoor recreation enthusiasts as a nature-based tourism destination, resulting in economic stimulus and increased public awareness of natural Pensacola, thereby helping to compensate for interim losses to recreational use by the Deepwater Horizon oil spill.

PRIOR ACTION:

January 20, 2022 - City Council approved the Florida Fish and Wildlife Conservation Commission (FWC) Grant in the amount of $143,000 for planning engineering/design and permitting for the Baars Park and Sanders Beach Kayak Fishing Trail Access Upgrades.

September 14, 2023 - City Council approved Amendment No. 1 to the FWC Grant providing additional funds in the amount of $1,291,210 for construction services for the Sanders Beach

Kayak Fishing Trail Access Upgrades.

FUNDING:

Budget:	$1,291,210.00	FWC Grant Amount - Previously accepted Grant
	197,665.00	Pending Acceptance of FWC Grant Amendment on today's agenda
	$1,488,875.00	TOTAL
Actual:	$ 973,695.05	Base Bid Plus Bid Alternate
	146,054.25	15% Contingency
	130,949.50	Encumbered Engineering Design by Bowman Consulting Group, LTD.
	58,421.73	Engineering allocation
	7,789.56	Geotechnical/Miscellaneous Testing
	$1,316,910.09	TOTAL NEEDED TO AWARD BID

FINANCIAL IMPACT:

Grant funding will be appropriated through an accompanying supplemental budget resolution. There is no match requirement for this grant.

Funds will be provided through the Florida Fish and Wildlife Conservation Commission on a reimbursable basis upon task completion outlined in Attachment 3 of the grant agreement.

SUBJECT:

AWARD OF BID NO. 25-024 - KAYAK FISHING TRAIL ACCESS UPGRADES AT SANDERS BEACH

RECOMMENDATION:

That City Council award Bid No. 25-024, Kayak Fishing Trail Access Upgrades at Sanders Beach to Loftis Marine, LLC of Pensacola, the lowest and most responsible bidder with a base bid of $534,025.05 and a bid alternate of $439,670.00 for a total bid of $973,695.05 plus a 15% contingency of $146,054.25 for a total contract award of $1,119,749.30. Further, that City Council authorize the Mayor to take the actions necessary to execute and administer this contract and complete the work, consistent with the bid, contracting documents, and the Mayor's Executive Powers as granted in the City Charter.

HEARING REQUIRED: No Hearing Required

SUMMARY:

This action will advance City of Pensacola Strategic Plan Goal #4: Resilient Waterfronts & Neighborhoods.
This action will advance City of Pensacola Strategic Plan Goal #8: Neighborhoods that Celebrate Culture and Honor Legacy.

This project is for upgrades and overall revitalization of the Sanders Beach Park. With a focus on the installation of an accessible floating kayak launch, this project will provide access to a growing hobby for members of our community. Park goers will have the opportunity to learn more about the rich history of Sanders Beach and the surrounding neighborhood through informational kiosks placed in the park. The additional funding was requested due to the higher than anticipated cost of some of the upgrades. However, the projected bid cost was lower than expected.

Accessibility to the other facilities in the park, including new restrooms, upgraded lighting for safety and visibility, and picnic and gathering areas will entice community residents to enjoy the outdoors while providing shade. It includes new bench seating for visitors to enjoy the views over Pensacola Bay. The current boat ramp parking will be re-paved and re-striped with

thermoplastic striping for safety and to aid traffic flow. Walkways will be improved for access where applicable.

PRIOR ACTION:

January 20, 2022 - City Council approved the Florida Fish and Wildlife Conservation Commission (FWC) Grant in the amount of $143,000 for planning engineering/design and permitting for the Baars Park and Sanders Beach Kayak Fishing Trail Access Upgrades.

September 14, 2023 - City Council approved Amendment No. 1 to the FWC Grant providing additional funds in the amount of $1,291,210 for construction services for the Sanders Beach Kayak Fishing Trail Access Upgrades.

	$1,316,910.09	TOTAL NEEDED TO AWARD BID

FINANCIAL IMPACT:

At present, there is $1,291,210 in this project's account from the previously accepted FWC Grant. As a complimentary item to this award of bid, an additional appropriation of $197,665.00 will be brought before City Council at today's (8/11/2025) meeting for approval. This will bring the entire grant award to $1,488,875.00.

PROPOSED ORDINANCE NO. 8-25 - PROPOSED AMENDMENT TO LAND DEVELOPMENT CODE - CHAPTER 12-9 - FLOODPLAIN MANAGEMENT

RECOMMENDATION:

That City Council adopt Proposed Ordinance No. 8-25 on second reading.

AN ORDINANCE AMENDING THE CITY OF PENSACOLA LAND DEVELOPMENT CODE TO AMEND CHAPTER 12-9, FLOODPLAIN MANAGEMENT, TO ADOPT LOCAL AMENDMENTS TO THE FLORIDA BUILDING CODE AND TO SPECIFY ELEVATION OF MANUFACTURED HOMES IN FLOOD HAZARD AREAS; AMENDING SECTION 14-2-133 TO RELOCATE AND REFORMAT LOCAL AMENDMENTS RELATED TO FLOOD HAZARD AREAS, WHICH WILL NOW APPEAR IN CHAPTER 12-9, FLOODPLAIN MANAGEMENT; PROVIDING FOR APPLICABILITY; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE. **(Ordinance No. 10-25)**

HEARING REQUIRED: Public Hearing Required

SUMMARY:

This action does not directly advance a goal of the City of Pensacola Strategic Plan but is required by local, state or federal law, governance or regulation.

The City's floodplain management ordinance must be updated for the City to stay current with FEMA and FDEM standards. All communities that participate in the National Flood Insurance Program (NFIP) must update their ordinance language to maintain their class rating in the Community Rating System (CRS). In addition, FEMA requires that the new Flood Insurance Rate Maps (FIRM) be adopted before August 19, 2025. Failure to adopt the maps would result in suspension from the NFIP and the CRS. The proposed mandatory language does not provide any increases in the standards, but will maintain the current levels of protection that are currently adopted.

PRIOR ACTION:

July 17, 2025 - City Council voted to approve Proposed Ordinance No. 8-25 on first reading.

FUNDING:

No additional funding is required for this ordinance.

FINANCIAL IMPACT:

Adoption of the ordinance will allow the City to remain a Class 7 rating in the Community Rating System. This will allow citizens who hold a NFIP flood policy for properties in the Flood Hazard Area to continue to receive a 15% discount on their flood insurance policy.

ORDINANCE NO. _____

AN ORDINANCE
TO BE ENTITLED:

AN ORDINANCE AMENDING THE CITY OF PENSACOLA LAND DEVELOPMENT CODE TO AMEND CHAPTER 12-9, FLOODPLAIN MANAGEMENT, TO ADOPT LOCAL AMENDMENTS TO THE FLORIDA BUILDING CODE AND TO SPECIFY ELEVATION OF MANUFACTURED HOMES IN FLOOD HAZARD AREAS; AMENDING SECTION 14-2-133 TO RELOCATE AND REFORMAT LOCAL AMENDMENTS RELATED TO FLOOD HAZARD AREAS, WHICH WILL NOW APPEAR IN CHAPTER 12-9, FLOODPLAIN MANAGEMENT; PROVIDING FOR APPLICABILITY; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Legislature of the State of Florida has, in Chapter 166 – Municipalities, Florida Statutes, conferred upon local governments the authority to adopt regulations designed to promote the public health, safety, and general welfare of its citizenry; and

WHEREAS, the City of Pensacola participates in the National Flood Insurance Program and participates in the NFIP's Community Rating System, a voluntary incentive program that recognizes and encourages community floodplain management activities that exceed the minimum program requirements and achieved a Community Rating System (CRS) rating of Class 7, making citizens who purchase NFIP flood insurance policies eligible for premium discounts; and

WHEREAS, in 2020 the NFIP Community Rating System established certain minimum prerequisites for communities to qualify for or maintain class ratings of Class 8 or better; and

WHEREAS, to satisfy the prerequisite and for the City of Pensacola to maintain the current CRS rating, all manufactured homes installed or replaced in special flood hazard areas must be elevated to or above at least the base flood elevation plus 1 foot, which necessitates modification of the existing requirements; and

WHEREAS, the City Council determined that it is in the public interest to amend the floodplain management regulations to better protect manufactured homes and to continue participating in the Community Rating System at the current class rating; and

WHEREAS, Chapter 553, Florida Statutes, allows for local administrative and technical amendments to the *Florida Building Code* that provide for more stringent requirements than those specified in the Code and allows adoption of local administrative and local technical amendments to the Florida Building Code to implement the National Flood Insurance Program and incentives; and

WHEREAS, the City Council previously adopted local amendments to the Florida Building Code and is relocating and reformatting those amendments as part of Chapter 12-9 Floodplain Management; and

WHEREAS, the City Council is adopting a requirement to require buildings that sustain repetitive flood damage during a 10-year period to be included in the definition of "substantial damage," for the purpose of participating in the National Flood Insurance Program's Community Rating System and, pursuant to section 553.73(5), F.S., is formatting that requirement to coordinate with the *Florida Building Code*; and

WHEREAS, the City Council has determined that it is in the public interest to adopt the proposed local technical amendment to the *Florida Building Code,* and the proposed amendments are not more stringent than necessary to address the need identified, do not discriminate against materials, products or construction techniques of demonstrated capabilities, are in compliance with section 553.73(4), Florida Statutes.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF PENSACOLA that the following sections of the Code of Ordinances are amended as set forth below, as shown in ~~strikethrough~~ and underline format in Section 1 and Section 2.

SECTION 1. AMENDMENTS TO CHAPTER 12-9, FLOODPLAIN MANAGEMENT.
Chapter 12-9 of the Code of the City of Pensacola, Florida, Floodplain Management, is hereby amended to read as follows:

CHAPTER 12-9. FLOODPLAIN MANAGEMENT

Sec. 12-9-1. Statutory authorization, findings of fact, purpose and objectives—General.

(a) *Title.* These regulations shall be known as the Floodplain Management Ordinance of City of Pensacola, hereinafter referred to as "this chapter."

(b) *Scope.* The provisions of this chapter shall apply to all development that is wholly within or partially within any flood hazard area, including, but not limited to, the subdivision of land; filling, grading, and other site improvements and utility installations; construction, alteration, remodeling, enlargement, improvement, replacement, repair, relocation or demolition of buildings, structures, and facilities that are exempt from the Florida Building Code; placement, installation, or replacement of manufactured homes and manufactured buildings; installation or replacement of tanks; placement of recreational vehicles; installation of swimming pools; and any other development.

(c) *Intent.* The purposes of this chapter and the flood load and flood resistant construction requirements of the Florida Building Code are to establish minimum requirements to safeguard the public health, safety, and general welfare and to minimize public and private losses due to flooding through regulation of development in flood hazard areas to:
   (1) Minimize unnecessary disruption of commerce, access and public service during times of flooding;
   (2) Require the use of appropriate construction practices in order to prevent or minimize future flood damage;
   (3) Manage filling, grading, dredging, mining, paving, excavation, drilling operations, storage of equipment or materials, and other development that may increase flood damage or erosion potential;
   (4) Manage the alteration of flood hazard areas, watercourses, and shorelines to minimize the impact of development on the natural and beneficial functions of the floodplain;
   (5) Minimize damage to public and private facilities and utilities;
   (6) Help maintain a stable tax base by providing for the sound use and development of flood hazard areas;
   (7) Minimize the need for future expenditure of public funds for flood control projects and response to and recovery from flood events; and
   (8) Meet the requirements of the National Flood Insurance Program for community participation as set forth in 44 CFR 59.22.

(d) *Coordination with the Florida Building Code.* This chapter is intended to be administered and enforced in conjunction with the Florida Building Code. Where cited, ASCE 24 refers to the edition of the standard that is referenced by the Florida Building Code.

(e) *Warning.* The degree of flood protection required by this chapter and the Florida Building Code, as amended by this community, is considered the minimum reasonable for regulatory purposes and is based on scientific and engineering considerations. Larger floods can and will occur. Flood heights may be increased by manmade or natural causes. This chapter does not imply that land outside of mapped special flood hazard areas, or that uses permitted within such flood hazard areas, will be free from flooding or flood damage. The flood hazard areas and base flood elevations contained in the flood insurance study and shown on flood insurance rate maps and the requirements of 44 CFR 59 and 60 may be revised by the Federal Emergency Management Agency, requiring this community to revise these regulations to remain eligible for participation in the National Flood Insurance Program. No guaranty of vested use, existing use, or future use is implied or expressed by compliance with this chapter.

(f) *Disclaimer of liability.* This chapter shall not create liability on the part of the city council or by any officer or employee thereof for any flood damage that results from reliance on this chapter or any administrative decision lawfully made thereunder.

Sec. 12-9-2. Applicability.

(a) *General.* Where there is a conflict between a general requirement and a specific requirement, the specific requirement shall be applicable.

(b) *Areas to which this chapter applies.* This chapter shall apply to all flood hazard areas within the city as established in subsection (c) of this section.

(c) *Basis for establishing flood hazard areas.* The Flood Insurance Study for Escambia County, Florida and Incorporated Areas dated ~~September 29, 2006~~ August 19, 2025, and all subsequent amendments and revisions, and the accompanying flood insurance rate maps (FIRM), and all subsequent amendments and revisions to such maps, are adopted by reference as a part of this chapter and shall serve as the minimum basis for establishing flood hazard areas. Studies and maps that establish flood hazard areas are on file at inspection services at the city.

(d) *Submission of additional data to establish flood hazard areas.* To establish flood hazard areas and base flood elevations, pursuant to section 12-9-5 the floodplain administrator may require submission of additional data. Where field surveyed topography prepared by a Florida licensed professional surveyor or digital topography accepted by the community indicates that ground elevations:

  (1) Are below the closest applicable base flood elevation, even in areas not delineated as a special flood hazard area on a FIRM, the area shall be considered as flood hazard area and subject to the requirements of this chapter and, as applicable, the requirements of the Florida Building Code.

  (2) Are above the closest applicable base flood elevation, the area shall be regulated as special flood hazard area unless the applicant obtains a letter of map change that removes the area from the special flood hazard area.

(e) *Other laws.* The provisions of this chapter shall not be deemed to nullify any provisions of local, state or federal law.

(f) *Abrogation and greater restrictions.* This chapter supersedes any ordinance in effect for management of development in flood hazard areas. However, it is not intended to repeal or abrogate any existing ordinances, including, but not limited to, land development regulations, zoning ordinances, stormwater management regulations, or the Florida Building Code. In the event of a conflict between this chapter and any other ordinance, the more restrictive shall govern. This chapter shall not impair any deed restriction, covenant or easement, but any land that is subject to such interests shall also be governed by this chapter.

(g) *Interpretation.* In the interpretation and application of this chapter, all provisions shall be:

  (1) Considered as minimum requirements;

  (2) Liberally construed in favor of the governing body; and

  (3) Deemed neither to limit nor repeal any other powers granted under state statutes.

Sec. 12-9-3. Duties and powers of the floodplain administrator.

(a) *Designation.* The building official is designated as the floodplain administrator. The floodplain administrator may delegate performance of certain duties to other employees.

(b) *General.* The floodplain administrator is authorized and directed to administer and enforce the provisions of this chapter. The floodplain administrator shall have the authority to render interpretations of this chapter consistent with the intent and purpose of this chapter and may establish policies and procedures in order to clarify the application of its provisions. Such interpretations, policies, and procedures shall not have the effect of waiving requirements specifically provided in this chapter without the granting of a variance pursuant to section 12-9-7.

(c) *Applications and permits.* The floodplain administrator, in coordination with other pertinent offices of the community, shall:

(1) Review applications and plans to determine whether proposed new development will be located in flood hazard areas;

(2) Review applications for modification of any existing development in flood hazard areas for compliance with the requirements of this chapter;

(3) Interpret flood hazard area boundaries where such interpretation is necessary to determine the exact location of boundaries; a person contesting the determination shall have the opportunity to appeal the interpretation;

(4) Provide available flood elevation and flood hazard information;

(5) Determine whether additional flood hazard data shall be obtained from other sources or shall be developed by an applicant;

(6) Review applications to determine whether proposed development will be reasonably safe from flooding;

(7) Issue floodplain development permits or approvals for development other than buildings and structures that are subject to the Florida Building Code, including buildings, structures and facilities exempt from the Florida Building Code, when compliance with this chapter is demonstrated, or disapprove the same in the event of noncompliance; and

(8) Coordinate with and provide comments to the building official to assure that applications, plan reviews, and inspections for buildings and structures in flood hazard areas comply with the applicable provisions of this chapter.

(d) *Substantial improvement and substantial damage determinations.* For applications for building permits to improve buildings and structures, including alterations, movement, enlargement, replacement, repair, change of occupancy, additions, rehabilitations, renovations, substantial improvements, repairs of substantial damage, and any other improvement of or work on such buildings and structures, the floodplain administrator, in coordination with the building official, shall:

(1) Estimate the market value, or require the applicant to obtain an appraisal of the market value prepared by a qualified independent appraiser, of the building or structure before the start of construction of the proposed work; in the case of repair, the market value of the building or structure shall be the market value before the damage occurred and before any repairs are made;

(2) Compare the cost to perform the improvement, the cost to repair a damaged building to its pre-damaged condition, or the combined costs of improvements and repairs, if applicable, to the market value of the building or structure; for proposed work to repair damage caused by flooding, the determination requires evaluation of previous permits issued to repair flood-related damage as specified in the definition of "substantial damage";
(3) Determine and document whether the proposed work constitutes substantial improvement or repair of substantial damage; and
(4) Notify the applicant if it is determined that the work constitutes substantial improvement or repair of substantial damage and that compliance with the flood resistant construction requirements of the Florida Building Code and this chapter is required.

(e) *Modifications of the strict application of the requirements of the Florida Building Code.* The floodplain administrator shall review requests submitted to the building official that seek approval to modify the strict application of the flood load and flood resistant construction requirements of the Florida Building Code to determine whether such requests require the granting of a variance pursuant to section 12-9-7.

(f) *Notices and orders.* The floodplain administrator shall coordinate with appropriate local agencies for the issuance of all necessary notices or orders to ensure compliance with this chapter.

(g) *Inspections.* The floodplain administrator shall make the required inspections as specified in section 12-9-6 for development that is not subject to the Florida Building Code, including buildings, structures and facilities exempt from the Florida Building Code. The floodplain administrator shall inspect flood hazard areas to determine if development is undertaken without issuance of a permit.

(h) *Other duties of the floodplain administrator.* The floodplain administrator shall have other duties, including, but not limited to:
(1) Establish procedures for administering and documenting determinations of substantial improvement and substantial damage made pursuant to subsection (d) of this section;
(2) Require that applicants proposing alteration of a watercourse notify adjacent communities and the Florida Division of Emergency Management, State Floodplain Management Office, and submit copies of such notifications to the Federal Emergency Management Agency (FEMA);
(3) Require applicants who submit hydrologic and hydraulic engineering analyses to support permit applications to submit to FEMA the data and information necessary to maintain the flood insurance rate maps if the analyses propose to change base flood elevations, flood hazard area boundaries, or floodway designations; such submissions shall be made within six months of such data becoming available;
(4) Review required design certifications and documentation of elevations specified by this chapter and the Florida Building Code to determine that such certifications and documentations are complete;
(5) Notify the Federal Emergency Management Agency when the corporate boundaries of the city are modified; and

(6) Advise applicants for new buildings and structures, including substantial improvements, that are located in any unit of the coastal barrier resources system established by the Coastal Barrier Resources Act (Pub. L. 97-348) and the Coastal Barrier Improvement Act of 1990 (Pub. L. 101-591) that federal flood insurance is not available on such construction; areas subject to this limitation are identified on flood insurance rate maps as "coastal barrier resource system areas" and "otherwise protected areas."

(i) *Floodplain management records.* Regardless of any limitation on the period required for retention of public records, the floodplain administrator shall maintain and permanently keep and make available for public inspection all records that are necessary for the administration of this ~~ordinance~~ chapter and the flood resistant construction requirements of the Florida Building Code, including flood insurance rate maps; letters of map change; records of issuance of permits and denial of permits; determinations of whether proposed work constitutes substantial improvement or repair of substantial damage; required design certifications and documentation of elevations specified by the Florida Building Code and this chapter; notifications to adjacent communities, FEMA, and the state related to alterations of watercourses; assurances that the flood carrying capacity of altered watercourses will be maintained; documentation related to appeals and variances, including justification for issuance or denial; and records of enforcement actions taken pursuant to this chapter and the flood resistant construction requirements of the Florida Building Code. These records shall be available for public inspection at inspection services of the city.

Sec. 12-9-4. Permits.

(a) *Permits required.* Any owner or owner's authorized agent (hereinafter "applicant") who intends to undertake any development activity within the scope of this chapter, including buildings, structures and facilities exempt from the Florida Building Code, which is wholly within or partially within any flood hazard area shall first make application to the floodplain administrator, and shall obtain the required permits and approvals. No such permit or approval shall be issued until compliance with the requirements of this chapter and all other applicable codes and regulations has been satisfied.

(b) *Floodplain development permits or approvals.* Floodplain development permits or approvals shall be issued pursuant to this chapter for any development activities not subject to the requirements of the Florida Building Code, including buildings, structures and facilities exempt from the Florida Building Code. Depending on the nature and extent of proposed development that includes a building or structure, the floodplain administrator may determine that a floodplain development permit or approval is required in addition to a building permit.

(c) *Buildings, structures and facilities exempt from the Florida Building Code.* Pursuant to the requirements of federal regulation for participation in the National Flood Insurance Program (44 CFR 59 and 60), floodplain development permits or approvals shall be required for the following buildings, structures and facilities that are exempt from the Florida Building Code and any further exemptions provided by law, which are subject to the requirements of this chapter:

(1) Railroads and ancillary facilities associated with the railroad.
(2) Nonresidential farm buildings on farms, as provided in F.S. § 604.50.
(3) Temporary buildings or sheds used exclusively for construction purposes.
(4) Mobile or modular structures used as temporary offices.
(5) Those structures or facilities of electric utilities, as defined in F.S. § 366.02, which are directly involved in the generation, transmission, or distribution of electricity.
(6) Chickees constructed by the Miccosukee Tribe of Indians of Florida or the Seminole Tribe of Florida. As used in this subsection, the term "chickee" means an open-sided wooden hut that has a thatched roof of palm or palmetto or other traditional materials, and that does not incorporate any electrical, plumbing, or other non-wood features.
(7) Family mausoleums not exceeding 250 square feet in area that are prefabricated and assembled onsite or preassembled and delivered on site and have walls, roofs, and a floor constructed of granite, marble, or reinforced concrete.
(8) Temporary housing provided by the department of corrections to any prisoner in the state correctional system.
(9) Structures identified in F.S. § 553.73(10)(k), are not exempt from the Florida Building Code if such structures are located in flood hazard areas established on flood insurance rate maps.

(d) *Application for a permit or approval.* To obtain a floodplain development permit or approval the applicant shall first file an application in writing on a form furnished by the city. The information provided shall:
(1) Identify and describe the development to be covered by the permit or approval.
(2) Describe the land on which the proposed development is to be conducted by legal description, street address or similar description that will readily identify and definitively locate the site.
(3) Indicate the use and occupancy for which the proposed development is intended.
(4) Be accompanied by a site plan or construction documents as specified in section 12-9-5.
(5) State the valuation of the proposed work.
(6) Be signed by the applicant or the applicant's authorized agent.
(7) Give such other data and information as required by the floodplain administrator.

(e) *Validity of permit or approval.* The issuance of a floodplain development permit or approval pursuant to this chapter shall not be construed to be a permit for, or approval of, any violation of this chapter, the Florida Building Codes, or any other ordinance of the city. The issuance of permits based on submitted applications, construction documents, and information shall not prevent the floodplain administrator from requiring the correction of errors and omissions.

(f) *Expiration.* A floodplain development permit or approval shall become invalid unless the work authorized by such permit is commenced within 180 days after its issuance, or if the work authorized is suspended or abandoned for a period of 180 days after the work commences. Extensions for periods of not more than 180 days each shall be requested in writing and justifiable cause shall be demonstrated.

(g) *Suspension or revocation.* The floodplain administrator is authorized to suspend or revoke a floodplain development permit or approval if the permit was issued in error, on the basis of incorrect, inaccurate or incomplete information, or in violation of this chapter or any other ordinance, regulation or requirement of the city.

(h) *Other permits required.* Floodplain development permits and building permits shall include a condition that all other applicable state or federal permits be obtained before commencement of the permitted development, including, but not limited to, the following:
   (1) The Northwest Florida Water Management District; F.S. § 373.036.
   (2) Florida Department of Health for onsite sewage treatment and disposal systems; F.S. § 381.0065 and F.A.C. ch. 64E-6.
   (3) Florida Department of Environmental Protection for construction, reconstruction, changes, or physical activities for shore protection or other activities seaward of the coastal construction control line; F.S. § 161.141.
   (4) Florida Department of Environmental Protection for activities subject to the joint coastal permit; F.S. § 161.055.
   (5) Florida Department of Environmental Protection for activities that affect wetlands and alter surface water flows, in conjunction with the U.S. Army Corps of Engineers; section 404 of the Clean Water Act.
   (6) Federal permits and approvals.

Sec. 12-9-5. Site plans and construction documents.

(a) *Information for development in flood hazard areas.* The site plan or construction documents for any development subject to the requirements of this chapter shall be drawn to scale and shall include, as applicable to the proposed development:
   (1) Delineation of flood hazard areas, floodway boundaries and flood zones, base flood elevations, and ground elevations if necessary for review of the proposed development.
   (2) Where base flood elevations or floodway data are not included on the FIRM or in the flood insurance study, they shall be established in accordance with subsection (b)(2) or (3) of this section.
   (3) Where the parcel on which the proposed development will take place will have more than 50 lots or is larger than five acres and the base flood elevations are not included on the FIRM or in the flood insurance study, such elevations shall be established in accordance with subsection (b)(1) of this section.
   (4) Location of the proposed activity and proposed structures, and locations of existing buildings and structures; in coastal high hazard areas, new buildings shall be located landward of the reach of mean high tide.
   (5) Location, extent, amount, and proposed final grades of any filling, grading, or excavation.
   (6) Where the placement of fill is proposed, the amount, type, and source of fill material; compaction specifications; a description of the intended purpose of the fill areas; and evidence that the proposed fill areas are the minimum necessary to achieve the intended purpose.
   (7) Delineation of the coastal construction control line or notation that the site is seaward of the coastal construction control line, if applicable.

(8) Extent of any proposed alteration of sand dunes or mangrove stands, provided such alteration is approved by the state department of environmental protection.
(9) Existing and proposed alignment of any proposed alteration of a watercourse.

The floodplain administrator is authorized to waive the submission of site plans, construction documents, and other data that are required by this chapter but that are not required to be prepared by a registered design professional if it is found that the nature of the proposed development is such that the review of such submissions is not necessary to ascertain compliance with this chapter.

(b) *Information in flood hazard areas without base flood elevations (approximate Zone A).* Where flood hazard areas are delineated on the FIRM and base flood elevation data have not been provided, the floodplain administrator shall:
(1) Require the applicant to include base flood elevation data prepared in accordance with currently accepted engineering practices.
(2) Obtain, review, and provide to applicants base flood elevation and floodway data available from a federal or state agency or other source or require the applicant to obtain and use base flood elevation and floodway data available from a federal or state agency or other source.
(3) Where base flood elevation and floodway data are not available from another source, where the available data are deemed by the floodplain administrator to not reasonably reflect flooding conditions, or where the available data are known to be scientifically or technically incorrect or otherwise inadequate:
a. Require the applicant to include base flood elevation data prepared in accordance with currently accepted engineering practices; or
b. Specify that the base flood elevation is two feet above the highest adjacent grade at the location of the development, provided there is no evidence indicating flood depths have been or may be greater than two feet.
(4) Where the base flood elevation data are to be used to support a letter of map change from FEMA, advise the applicant that the analyses shall be prepared by a Florida licensed engineer in a format required by FEMA, and that it shall be the responsibility of the applicant to satisfy the submittal requirements and pay the processing fees.

(c) *Additional analyses and certifications.* As applicable to the location and nature of the proposed development activity, and in addition to the requirements of this section, the applicant shall have the following analyses signed and sealed by a Florida licensed engineer for submission with the site plan and construction documents:
(1) For development activities proposed to be located in a regulatory floodway, a floodway encroachment analysis that demonstrates that the encroachment of the proposed development will not cause any increase in base flood elevations; where the applicant proposes to undertake development activities that do increase base flood elevations, the applicant shall submit such analysis to FEMA as specified in subsection (d) of this section and shall submit the conditional letter of map revision, if issued by FEMA, with the site plan and construction documents.
(2) For development activities proposed to be located in a riverine flood hazard area for which base flood elevations are included in the flood insurance study or on the FIRM and floodways have not been designated, hydrologic and hydraulic

analyses that demonstrate that the cumulative effect of the proposed development, when combined with all other existing and anticipated flood hazard area encroachments, will not increase the base flood elevation more than one foot at any point within the community. This requirement does not apply in isolated flood hazard areas not connected to a riverine flood hazard area or in flood hazard areas identified as zone AO or zone AH.

(3) For alteration of a watercourse, an engineering analysis prepared in accordance with standard engineering practices that demonstrates that the flood-carrying capacity of the altered or relocated portion of the watercourse will not be decreased, and certification that the altered watercourse shall be maintained in a manner that preserves the channel's flood-carrying capacity; the applicant shall submit the analysis to FEMA as specified in subsection (d) of this section.

(4) For activities that propose to alter sand dunes or mangrove stands in coastal high hazard areas (zone V), an engineering analysis that demonstrates that the proposed alteration will not increase the potential for flood damage.

(d) *Submission of additional data.* When additional hydrologic, hydraulic or other engineering data, studies, and additional analyses are submitted to support an application, the applicant has the right to seek a letter of map change from FEMA to change the base flood elevations, change floodway boundaries, or change boundaries of flood hazard areas shown on FIRMs, and to submit such data to FEMA for such purposes. The analyses shall be prepared by a Florida licensed engineer in a format required by FEMA. Submittal requirements and processing fees shall be the responsibility of the applicant.

Sec. 12-9-6. Inspections.

(a) *General.* Development for which a floodplain development permit or approval is required shall be subject to inspection.

(b) *Development other than buildings and structures.* The floodplain administrator shall inspect all development to determine compliance with the requirements of this chapter and the conditions of issued floodplain development permits or approvals.

(c) *Buildings, structures and facilities exempt from the Florida Building Code.* The floodplain administrator shall inspect buildings, structures and facilities exempt from the Florida Building Code to determine compliance with the requirements of this chapter and the conditions of issued floodplain development permits or approvals.

(d) *Buildings, structures and facilities exempt from the Florida Building Code, lowest floor inspection.* Upon placement of the lowest floor, including basement, and prior to further vertical construction, the owner of a building, structure or facility exempt from the Florida Building Code, or the owner's authorized agent, shall submit to the floodplain administrator:

(1) If a design flood elevation was used to determine the required elevation of the lowest floor, the certification of elevation of the lowest floor prepared and sealed by a Florida licensed professional surveyor; or

(2) If the elevation used to determine the required elevation of the lowest floor was determined in accordance with section 12-9-5(b)(3)b, the documentation of height of the lowest floor above highest adjacent grade, prepared by the owner or the owner's authorized agent.

(e) *Buildings, structures and facilities exempt from the Florida Building Code, final inspection.* As part of the final inspection, the owner or owner's authorized agent shall submit to the floodplain administrator a final certification of elevation of the lowest floor or final documentation of the height of the lowest floor above the highest adjacent grade; such certifications and documentations shall be prepared as specified in subsection (d) of this section.

(f) *Manufactured homes.* The floodplain administrator shall inspect manufactured homes that are installed or replaced in flood hazard areas to determine compliance with the requirements of this chapter and the conditions of the issued permit. Upon placement of a manufactured home, certification of the elevation of the lowest floor shall be submitted to the floodplain administrator.

Sec. 12-9-7. Variances and appeals.

(a) *General.* The ~~construction board of adjustments and appeals~~ zoning board of adjustment shall hear and decide on requests for appeals and requests for variances from the strict application of this chapter. Pursuant to F.S. § 553.73(5), the ~~construction board of adjustments and appeals~~ zoning board of adjustment shall hear and decide appeals and requests for variances from the strict application of the flood resistant construction requirements of the Florida Building Code. This section does not apply to section 3109 of the Florida Building Code, Building.

(b) *Appeals.* The ~~construction board of adjustments and appeals~~ zoning board of adjustment shall hear and decide appeals when it is alleged there is an error in any requirement, decision, or determination made by the floodplain administrator in the administration and enforcement of this chapter. Any person aggrieved by the decision may appeal such decision by certiorari appeal to the circuit court.

(c) *Limitations on authority to grant variances.* ~~Construction board of adjustments and appeals~~ The zoning board of adjustment shall base its decisions on variances on technical justifications submitted by applicants, the considerations for issuance in subsection (g) of this section, the conditions of issuance set forth in subsection (h) of this section, and the comments and recommendations of the floodplain administrator. The ~~construction board of adjustments and appeals~~ zoning board of adjustment has the right to attach such conditions as it deems necessary to further the purposes and objectives of this chapter.

(d) *Restrictions in floodways.* A variance shall not be issued for any proposed development in a floodway if any increase in base flood elevations would result, as evidenced by the applicable analyses and certifications required in section 12-9-5(c).

(e) *Historic buildings.* A variance is authorized to be issued for the repair, improvement, or rehabilitation of a historic building that is determined eligible for the exception to the flood resistant construction requirements of the Florida Building Code, Existing Building, Chapter 12 Historic Buildings, upon a determination that the proposed repair, improvement, or rehabilitation will not preclude the building's continued designation as a historic building and the variance is the minimum necessary to preserve the historic character and design of the building. If the proposed work precludes the building's continued designation as a historic building, a variance shall not be granted and the building and any repair, improvement, and rehabilitation shall be subject to the requirements of the Florida Building Code.

(f) *Functionally dependent uses.* A variance is authorized to be issued for the construction or substantial improvement necessary for the conduct of a functionally dependent use, as defined in this chapter, provided the variance meets the requirements of section 12-9-5(d), is the minimum necessary considering the flood hazard, and all due consideration has been given to use of methods and materials that minimize flood damage during occurrence of the base flood.

(g) *Considerations for issuance of variances.* In reviewing requests for variances, the ~~construction board of adjustments and appeals~~ zoning board of adjustment shall consider all technical evaluations, all relevant factors, all other applicable provisions of the Florida Building Code, this chapter, and the following:

(1) The danger that materials and debris may be swept onto other lands resulting in further injury or damage;
(2) The danger to life and property due to flooding or erosion damage;
(3) The susceptibility of the proposed development, including contents, to flood damage and the effect of such damage on current and future owners;
(4) The importance of the services provided by the proposed development to the community;
(5) The availability of alternate locations for the proposed development that are subject to lower risk of flooding or erosion;
(6) The compatibility of the proposed development with existing and anticipated development;
(7) The relationship of the proposed development to the comprehensive plan and floodplain management program for the area;
(8) The safety of access to the property in times of flooding for ordinary and emergency vehicles;
(9) The expected heights, velocity, duration, rate of rise and debris and sediment transport of the floodwaters and the effects of wave action, if applicable, expected at the site; and
(10) The costs of providing governmental services during and after flood conditions including maintenance and repair of public utilities and facilities such as sewer, gas, electrical and water systems, streets and bridges.

(h) *Conditions for issuance of variances.* Variances shall be issued only upon:

(1) Submission by the applicant, of a showing of good and sufficient cause that the unique characteristics of the size, configuration, or topography of the site limit compliance with any provision of this chapter or the required elevation standards;
(2) Determination by the ~~construction board of adjustments and appeals~~ zoning board of adjustment that:
    a. Failure to grant the variance would result in exceptional hardship due to the physical characteristics of the land that render the lot undevelopable; increased costs to satisfy the requirements or inconvenience do not constitute hardship;
    b. The granting of a variance will not result in increased flood heights, additional threats to public safety, extraordinary public expense, nor create nuisances, cause fraud on or victimization of the public or conflict with existing local laws and ordinances; and

c. The variance is the minimum necessary, considering the flood hazard, to afford relief;

(3) Receipt of a signed statement by the applicant that the variance, if granted, shall be recorded in the office of the clerk of the court in such a manner that it appears in the chain of title of the affected parcel of land; and

(4) If the request is for a variance to allow construction of the lowest floor of a new building, or substantial improvement of a building, below the required elevation, a copy in the record of a written notice from the floodplain administrator to the applicant for the variance, specifying the difference between the base flood elevation and the proposed elevation of the lowest floor, stating that the cost of federal flood insurance will be commensurate with the increased risk resulting from the reduced floor elevation (up to amounts as high as $25.00 for $100.00 of insurance coverage), and stating that construction below the base flood elevation increases risks to life and property.

Sec. 12-9-8. Violations.

(a) *Violations.* Any development that is not within the scope of the Florida Building Code but that is regulated by this chapter that is performed without an issued permit, that is in conflict with an issued permit, or that does not fully comply with this chapter, shall be deemed a violation of this chapter. A building or structure without the documentation of elevation of the lowest floor, other required design certifications, or other evidence of compliance required by this chapter or the Florida Building Code is presumed to be a violation until such time as that documentation is provided.

(b) *Authority.* For development that is not within the scope of the Florida Building Code but that is regulated by this chapter and that is determined to be a violation, the floodplain administrator is authorized to serve notices of violation or stop work orders to owners of the property involved, to the owner's agent, or to the person performing the work.

(c) *Unlawful continuance.* Any person who shall continue any work after having been served with a notice of violation or a stop work order, except such work as that person is directed to perform to remove or remedy a violation or unsafe condition, shall be subject to penalties as prescribed by law.

Sec. 12-9-9. General.

(a) *Scope.* Unless otherwise expressly stated, the following words and terms shall, for the purposes of this chapter, have the meanings shown in this section.

(b) *Terms defined in the Florida Building Code.* Where terms are not defined in this chapter and are defined in the Florida Building Code, such terms shall have the meanings ascribed to them in that code.

(c) *Terms not defined.* Where terms are not defined in this chapter or the Florida Building Code, such terms shall have ordinarily accepted meanings such as the context implies.

Sec. 12-9-10. Definitions generally.

The following words, terms and phrases, when used in this chapter, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Alteration of a watercourse means a dam, impoundment, channel relocation, change in channel alignment, channelization, or change in cross-sectional area of the channel or the channel capacity, or any other form of modification that may alter, impede, retard or change the direction and/or velocity of the riverine flow of water during conditions of the base flood.

Appeal means a request for a review of the floodplain administrator's interpretation of any provision of this chapter.

ASCE 24 means a standard titled flood resistant design and construction that is referenced by the Florida Building Code. ASCE 24 is developed and published by the American Society of Civil Engineers, Reston, VA.

Base flood means a flood having a one-percent chance of being equaled or exceeded in any given year. (Also defined in FBC, B, Section 202.) The base flood is commonly referred to as the "100-year flood" or the "one-percent-annual chance flood."

Base flood elevation means the elevation of the base flood, including wave height, relative to the National Geodetic Vertical Datum (NGVD), North American Vertical Datum (NAVD) or other datum specified on the flood insurance rate map (FIRM). (Also defined in FBC, B, Section 202.)

Basement means the portion of a building having its floor subgrade (below ground level) on all sides. (Also defined in FBC, B, Section 202; see "basement (for flood loads)".)

Coastal construction control line means the line established by the state pursuant to F.S. § 161.053, and recorded in the official records of the community, which defines that portion of the beach-dune system subject to severe fluctuations based on a 100-year storm surge, storm waves or other predictable weather conditions.

Coastal high hazard area means a special flood hazard area extending from offshore to the inland limit of a primary frontal dune along an open coast and any other area subject to high velocity wave action from storms or seismic sources. Coastal high hazard areas are also referred to as "high hazard areas subject to high velocity wave action" or "V zones" and are designated on flood insurance rate maps (FIRM) as zone V1-V30, VE, or V.

Design flood means the flood associated with the greater of the following two areas:

(1) Area with a floodplain subject to a one-percent or greater chance of flooding in any year; or

(2) Area designated as a flood hazard area on the community's flood hazard map, or otherwise legally designated.

Design flood elevation means the elevation of the "design flood," including wave height, relative to the datum specified on the community's legally designated flood hazard map. In areas designated as zone AO, the design flood elevation shall be the elevation of the highest existing grade of the building's perimeter plus the depth number (in feet) specified on the flood hazard map. In areas designated as zone AO where the depth number is not specified on the map, the depth number shall be taken as being equal to two feet.

Development means any manmade change to improved or unimproved real estate, including, but not limited to, buildings or other structures, tanks, temporary structures, temporary or permanent storage of equipment or materials, mining, dredging, filling, grading, paving, excavations, drilling operations or any other land disturbing activities.

Encroachment means the placement of fill, excavation, buildings, permanent structures or other development into a flood hazard area that may impede or alter the flow capacity of riverine flood hazard areas.

Existing building and *existing structure* mean any buildings and structures for which the "start of construction" commenced before September 15, 1977.

~~*Existing manufactured home park or subdivision* means a manufactured home park or subdivision for which the construction of facilities for servicing the lots on which the manufactured homes are to be affixed (including, at a minimum, the installation of utilities, the construction of streets, and either final site grading or the pouring of concrete pads) is completed before September 15, 1977.~~

~~*Expansion to an existing manufactured home park or subdivision* means the preparation of additional sites by the construction of facilities for servicing the lots on which the manufactured homes are to be affixed (including the installation of utilities, the construction of streets, and either final site grading or the pouring of concrete pads).~~

Federal Emergency Management Agency (FEMA) means the federal agency that, in addition to carrying out other functions, administers the National Flood Insurance Program.

Flood or *flooding* means a general and temporary condition of partial or complete inundation of normally dry land from:

(1) The overflow of inland or tidal waters.

(2) The unusual and rapid accumulation or runoff of surface waters from any source.

Flood damage-resistant materials means any construction material capable of withstanding direct and prolonged contact with floodwaters without sustaining any damage that requires more than cosmetic repair.

Flood hazard area means the greater of the following two areas:

(1) The area within a floodplain subject to a one-percent or greater chance of flooding in any year.

(2) The area designated as a flood hazard area on the community's flood hazard map, or otherwise legally designated.

Flood insurance rate map (FIRM) means the official map of the community on which the Federal Emergency Management Agency has delineated both special flood hazard areas and the risk premium zones applicable to the community.

Flood insurance study (FIS) means the official report provided by the Federal Emergency Management Agency that contains the flood insurance rate map, the flood boundary and floodway map (if applicable), the water surface elevations of the base flood, and supporting technical data.

Floodplain administrator means the office or position designated and charged with the administration and enforcement of this chapter (may be referred to as the floodplain manager).

Floodplain development permit or approval means an official document or certificate issued by the community, or other evidence of approval or concurrence, that authorizes

performance of specific development activities that are located in flood hazard areas and that are determined to be compliant with this chapter.

Floodway means the channel of a river or other riverine watercourse and the adjacent land areas that must be reserved in order to discharge the base flood without cumulatively increasing the water surface elevation more than one foot.

Floodway encroachment analysis means an engineering analysis of the impact that a proposed encroachment into a floodway is expected to have on the floodway boundaries and base flood elevations; the evaluation shall be prepared by a qualified Florida licensed engineer using standard engineering methods and models.

Florida Building Code means the family of codes referenced in F.S. ch. 553, adopted by the Florida Building Commission, including: Florida Building Code, Building; Florida Building Code, Residential; Florida Building Code, Existing Building; Florida Building Code, Mechanical; Florida Building Code, Plumbing; Florida Building Code, Fuel Gas.

Freeboard means the additional height, usually expressed as a factor of safety in feet, above a flood level for purposes of floodplain management. Freeboard tends to compensate for many unknown factors, such as wave action, bridge openings and hydrological effect of urbanization of the watershed, that could contribute to flood heights greater than the height calculated for a selected frequency flood and floodway conditions.

Functionally dependent use means a use which cannot perform its intended purpose unless it is located or carried out in close proximity to water, including only docking facilities, port facilities that are necessary for the loading and unloading of cargo or passengers, and ship building and ship repair facilities; the term does not include long-term storage or related manufacturing facilities.

Highest adjacent grade means the highest natural elevation of the ground surface prior to construction next to the proposed walls or foundation of a structure.

Historic structure means any structure that is determined eligible for the exception to the flood hazard area requirements of the Florida Building Code, Existing Building, Chapter 12 Historic Buildings.

Letter of map change (LOMC) means an official determination issued by FEMA that amends or revises an effective flood insurance rate map or flood insurance study. Letters of map change include:

(1) *Letter of map amendment (LOMA):* An amendment based on technical data showing that a property was incorrectly included in a designated special flood hazard area. A LOMA amends the current effective flood insurance rate map and establishes that a specific property, portion of a property, or structure is not located in a special flood hazard area.

(2) *Letter of map revision (LOMR):* A revision based on technical data that may show changes to flood zones, flood elevations, special flood hazard area boundaries and floodway delineations, and other planimetric features.

(3) *Letter of map revision based on fill (LOMR-F):* A determination that a structure or parcel of land has been elevated by fill above the base flood elevation and is, therefore, no longer located within the special flood hazard area. In order to qualify for this determination, the fill must have been permitted and placed in accordance with the community's floodplain management regulations.

(4) *Conditional letter of map revision (CLOMR):* A formal review and comment as to whether a proposed flood protection project or other project complies with the

minimum NFIP requirements for such projects with respect to delineation of special flood hazard areas. A CLOMR does not revise the effective flood insurance rate map or flood insurance study; upon submission and approval of certified as-built documentation, a letter of map revision may be issued by FEMA to revise the effective FIRM.

Light-duty truck means as defined in 40 CFR 86.082-2, any motor vehicle rated at 8,500 pounds gross vehicular weight rating or less which has a vehicular curb weight of 6,000 pounds or less and which has a basic vehicle frontal area of 45 square feet or less, which is:

(1) Designed primarily for purposes of transportation of property or is a derivation of such a vehicle;
(2) Designed primarily for transportation of persons and has a capacity of more than 12 persons; or
(3) Available with special features enabling off-street or off-highway operation and use.

Lowest floor means the lowest floor of the lowest enclosed area of a building or structure, including basement, but excluding any unfinished or flood-resistant enclosure, other than a basement, usable solely for vehicle parking, building access or limited storage provided that such enclosure is not built so as to render the structure in violation of the non-elevation requirements of the Florida Building Code or ASCE 24.

Manufactured home means a structure, transportable in one or more sections, which is eight feet or more in width and greater than 400 square feet, and which is built on a permanent, integral chassis and is designed for use with or without a permanent foundation when attached to the required utilities. The term "manufactured home" does not include a "recreational vehicle" or "park trailer."

Manufactured home park or subdivision means a parcel (or contiguous parcels) of land divided into two or more manufactured home lots for rent or sale.

Market value means the ~~price at which a property will change hands between a willing buyer and a willing seller, neither party being under compulsion to buy or sell and both having reasonable knowledge of relevant facts. As used in this chapter, the term refers to the market~~ value of buildings and structures, excluding the land and other improvements on the parcel. Market value ~~may be established by a qualified independent appraiser,~~ is the actual cash value (in-kind replacement cost depreciated for age, wear and tear, neglect, and quality of construction) determined by a qualified independent appraiser, or tax assessment value adjusted to approximate market value by a factor provided by the county property appraiser.

New construction means, for the purposes of administration of this chapter and the flood resistant construction requirements of the Florida Building Code, structures for which the "start of construction" commenced on or after September 15, 1977 and includes any subsequent improvements to such structures.

~~*New manufactured home park or subdivision* means a manufactured home park or subdivision for which the construction of facilities for servicing the lots on which the manufactured homes are to be affixed (including at a minimum, the installation of utilities, the construction of streets, and either final site grading or the pouring of concrete pads) is completed on or after September 15, 1977.~~

Park trailer means a transportable unit that has a body width not exceeding 14 feet and which is built on a single chassis and is designed to provide seasonal or temporary living quarters when connected to utilities necessary for operation of installed fixtures and appliances.

Recreational vehicle means a vehicle, including a park trailer, which is:

(1) Built on a single chassis;
(2) Four hundred square feet or less when measured at the largest horizontal projection;
(3) Designed to be self-propelled or permanently towable by a light-duty truck; and
(4) Designed primarily not for use as a permanent dwelling but as temporary living quarters for recreational, camping, travel, or seasonal use.

Sand dunes means naturally occurring accumulations of sand in ridges or mounds landward of the beach.

Special flood hazard area means an area in the floodplain subject to a one percent or greater chance of flooding in any given year. Special flood hazard areas are shown on FIRMs as zone A, AO, A1—A30, AE, A99, AH, V1—V30, VE or V.

Start of construction means the date of issuance of permits for new construction and substantial improvements, provided the actual start of construction, repair, reconstruction, rehabilitation, addition, placement, or other improvement is within 180 days of the date of the issuance. The actual start of construction means either the first placement of permanent construction of a building (including a manufactured home) on a site, such as the pouring of slab or footings, the installation of piles, or the construction of columns. Permanent construction does not include land preparation (such as clearing, grading, or filling), the installation of streets or walkways, excavation for a basement, footings, piers, or foundations, the erection of temporary forms or the installation of accessory buildings such as garages or sheds not occupied as dwelling units or not part of the main buildings. For a substantial improvement, the actual "start of construction" means the first alteration of any wall, ceiling, floor or other structural part of a building, whether or not that alteration affects the external dimensions of the building.

Substantial damage means damage of any origin sustained by a building or structure whereby the cost of restoring the building or structure to its before-damaged condition would equal or exceed 50 percent of the market value of the building or structure before the damage occurred. <u>The term also includes flood-related damage sustained by a structure on two separate occasions during a 10-year period for which the cost of repairs at the time of each such flood event, on average, equals or exceeds 25 percent of the market value of the structure before the damage occurred.</u>

Substantial improvement means any repair, reconstruction, rehabilitation, alteration, addition, or other improvement of a building or structure, the cost of which equals or exceeds 50 percent of the market value of the building or structure before the improvement or repair is started. If the structure has incurred "substantial damage," any repairs are considered substantial improvement regardless of the actual repair work performed. The term does not, however, include either:

(1) Any project for improvement of a building required to correct existing health, sanitary, or safety code violations identified by the building official and that are the minimum necessary to assure safe living conditions.

(2) Any alteration of a historic structure provided the alteration will not preclude the structure's continued designation as a historic structure.

Variance means a grant of relief from the requirements of this chapter, or the flood resistant construction requirements of the Florida Building Code, which permits construction in a manner that would not otherwise be permitted by this chapter or the Florida Building Code.

Watercourse means a river, creek, stream, channel or other topographic feature in, on, through, or over which water flows at least periodically.

Sec. 12-9-11. Buildings.

(a) Design and construction of buildings, structures and facilities exempt from the Florida Building Code. Pursuant to section 12-9-4(c), buildings, structures, and facilities that are exempt from the Florida Building Code, including substantial improvement or repair of substantial damage of such buildings, structures and facilities, shall be designed and constructed in accordance with the flood load and flood resistant construction requirements of ASCE 24. Structures exempt from the Florida Building Code that are not walled and roofed buildings shall comply with the requirements of section 12-9-17.

(b) Buildings and structures seaward of the coastal construction control line. If extending, in whole or in part, seaward of the coastal construction control line and also located, in whole or in part, in a flood hazard area:

(1) Buildings and structures shall be designed and constructed to comply with the more restrictive applicable requirements of the Florida Building Code, Building Section 3109 and Section 1612 or Florida Building Code, Residential Section R322.

(2) Minor structures and non-habitable major structures as defined in F.S. § 161.54, shall be designed and constructed to comply with the intent and applicable provisions of this chapter and ASCE 24.

(c) Local amendments to Florida Building Code. The Florida Building Code permits local governments to adopt amendments which are more stringent than the minimum standards in state statutes, and amendments to the technical provisions of the Florida Building Code which apply solely within the jurisdiction of the local government. Pursuant to the provisions of F.S. § 553.73(4), the following amendments are adopted and applicable within the city limits:

(1) *Repetitive flood damage*. In the Florida Building Code, Building, and Florida Building Code, Existing Building, definitions for the term "Substantial Damage " shall be as defined in Section 12-9-10.

(2) *Minimum building elevations*. All buildings and structures in flood hazard areas shall have the lowest floor, dry floodproofing measures, or the bottom of the lowest horizontal structural member of the lowest floor, as applicable to occupancy and flood zone, at or above the base flood elevation plus three (3) feet, or the design flood elevation, whichever is higher.

(3) *Enclosures below required elevations.* Enclosed areas below the required elevation for dwellings in flood hazard areas shall be limited as follows:

a. The interior portion of such enclosed areas shall not be partitioned or finished into separate rooms except for stairwells, ramps, and elevators, unless a partition is required by the fire code.

b. Where perimeter walls are permitted, the limitation on partitions does not apply to load bearing walls interior to perimeter wall (crawlspace) foundations.

c. Access to enclosed areas shall be the minimum necessary to allow for the parking of vehicles (garage door) or limited storage of maintenance equipment used in connection with the premises (standard exterior door) or entry to the building (stairway or elevator).

Sec. 12-9-12. Subdivisions.

(a) *Minimum requirements.* Subdivision proposals, including proposals for manufactured home parks and subdivisions, shall be reviewed to determine that:
   (1) Such proposals are consistent with the need to minimize flood damage and will be reasonably safe from flooding;
   (2) All public utilities and facilities such as sewer, gas, electric, communications, and water systems are located and constructed to minimize or eliminate flood damage; and
   (3) Adequate drainage is provided to reduce exposure to flood hazards; in zones AH and AO, adequate drainage paths shall be provided to guide floodwaters around and away from proposed structures.

(b) *Subdivision plats.* Where any portion of proposed subdivisions, including manufactured home parks and subdivisions, lies within a flood hazard area, the following shall be required:
   (1) Delineation of flood hazard areas, floodway boundaries and flood zones, and design flood elevations, as appropriate, shall be shown on preliminary plats;
   (2) Where the subdivision has more than 50 lots or is larger than five acres and base flood elevations are not included on the FIRM, the base flood elevations determined in accordance with section 12-9-5(b)(1); and
   (3) Compliance with the site improvement and utilities requirements of section 12-9-13.

Sec. 12-9-13. Site improvements, utilities and limitations.

(a) *Minimum requirements.* All proposed new development shall be reviewed to determine that:
   (1) Such proposals are consistent with the need to minimize flood damage and will be reasonably safe from flooding;
   (2) All public utilities and facilities such as sewer, gas, electric, communications, and water systems are located and constructed to minimize or eliminate flood damage; and
   (3) Adequate drainage is provided to reduce exposure to flood hazards; in zones AH and AO, adequate drainage paths shall be provided to guide floodwaters around and away from proposed structures.

(b) *Sanitary sewage facilities.* All new and replacement sanitary sewage facilities, private sewage treatment plants (including all pumping stations and collector systems), and onsite waste disposal systems shall be designed in accordance with the standards

for onsite sewage treatment and disposal systems in F.A.C. ch. 64E-6 and ASCE 24 Chapter 7 to minimize or eliminate infiltration of floodwaters into the facilities and discharge from the facilities into flood waters, and impairment of the facilities and systems.

(c) *Water supply facilities.* All new and replacement water supply facilities shall be designed in accordance with the water well construction standards in F.A.C. ch. 62-532.500 and ASCE 24 Chapter 7 to minimize or eliminate infiltration of floodwaters into the systems.

(d) *Limitations on sites in regulatory floodways.* No development, including, but not limited to, site improvements, and land disturbing activity involving fill or regrading, shall be authorized in the regulatory floodway unless the floodway encroachment analysis required in section 12-9-5(c)(1) demonstrates that the proposed development or land disturbing activity will not result in any increase in the base flood elevation.

(e) *Limitations on placement of fill.* Subject to the limitations of this chapter, fill shall be designed to be stable under conditions of flooding including rapid rise and rapid drawdown of floodwaters, prolonged inundation, and protection against flood-related erosion and scour. In addition to these requirements, if intended to support buildings and structures (zone A only), fill shall comply with the requirements of the Florida Building Code.

(f) *Limitations on sites in coastal high hazard areas (zone V).* In coastal high hazard areas, alteration of sand dunes and mangrove stands shall be permitted only if such alteration is approved by the state department of environmental protection and only if the engineering analysis required by section 12-9-5(c)(4) demonstrates that the proposed alteration will not increase the potential for flood damage. Construction or restoration of dunes under or around elevated buildings and structures shall comply with section 12-9-17(h)(3).

Sec. 12-9-14. Manufactured homes.

(a) *General.* All manufactured homes installed in flood hazard areas shall be installed by an installer that is licensed pursuant to F.S. § 320.8249, and shall comply with the requirements of F.A.C. ch. 15C-1 and the requirements of this chapter. If located seaward of the coastal construction control line, all manufactured homes shall comply with the more restrictive of the applicable requirements.

(b) *Limitations on installation in floodways.* New installations of manufactured homes shall not be permitted in floodways.

(c) *Foundations.* All new manufactured homes and replacement manufactured homes installed in flood hazard areas shall be installed on permanent, reinforced foundations that:

(1) In flood hazard areas (zone A) other than coastal high hazard areas, are designed in accordance with the foundation requirements of the Florida Building Code, Residential Section R322.2 and this chapter. ~~Foundations for manufactured homes subject to subsection (g) of this section are permitted to be reinforced piers or other foundation elements of at least equivalent strength.~~

(2) In coastal high hazard areas (zone V), are designed in accordance with the foundation requirements of the Florida Building Code, Residential Section R322.3 and this chapter.

(d) *Anchoring.* All new manufactured homes and replacement manufactured homes shall be installed using methods and practices which minimize flood damage and shall be securely anchored to an adequately anchored foundation system to resist flotation, collapse or lateral movement. Methods of anchoring include, but are not limited to, use of over-the-top or frame ties to ground anchors. This anchoring requirement is in addition to applicable state and local anchoring requirements for wind resistance.

(e) *Elevation.* ~~Manufactured homes that are placed, replaced, or substantially improved shall comply with subsection (f) or (g) of this section, as applicable.~~ All manufactured homes that are placed, replaced, or substantially improved in flood hazard areas shall be elevated such that the bottom of the frame is at or above the elevation required, as applicable to the flood hazard area, in the *Florida Building Code, Residential* Section R3222.2 (Zone A) or Section R322.3 (Zone V and Coastal A Zone).

~~(f) *General elevation requirement.* Unless subject to the requirements of subsection (g) of this section, all manufactured homes that are placed, replaced, or substantially improved on sites located:~~

~~(1) Outside of a manufactured home park or subdivision;~~

~~(2) In a new manufactured home park or subdivision;~~

~~(3) In an expansion to an existing manufactured home park or subdivision; or~~

~~(4) In an existing manufactured home park or subdivision upon which a manufactured home has incurred "substantial damage" as the result of a flood;~~

~~shall be elevated such that the bottom of the frame is at or above the elevation required, as applicable to the flood hazard area, in the Florida Building Code, Residential Section R322.2 (zone A) or Section R322.3 (zone V).~~

~~(g) *Elevation requirement for certain existing manufactured home parks and subdivisions.* Manufactured homes that are not subject to subsection (f) of this section, including manufactured homes that are placed, replaced, or substantially improved on sites located in an existing manufactured home park or subdivision, unless on a site where substantial damage as result of flooding has occurred, shall be elevated such that either the:~~

~~(1) Bottom of the frame of the manufactured home is at or above the elevation required, as applicable to the flood hazard area, in the Florida Building Code, Residential Section R322.2 (zone A) or Section R322.3 (zone V); or~~

~~(2) Bottom of the frame is supported by reinforced piers or other foundation elements of at least equivalent strength that are not less than six feet in height above grade.~~

(f)~~(h)~~ *Enclosures.* Enclosed areas below elevated manufactured homes shall comply with the requirements of the Florida Building Code, Residential Section R322.2 or R322.3 for such enclosed areas, as applicable to the flood hazard area.

(g)~~(i)~~ *Utility equipment.* Utility equipment that serves manufactured homes, including electric, heating, ventilation, plumbing, and air conditioning equipment and other

service facilities, shall comply with the requirements of the Florida Building Code, Residential Section R322, as applicable to the flood hazard area.

Sec. 12-9-15. Recreational vehicles and park trailers.

(a) *Temporary placement.* Recreational vehicles and park trailers placed temporarily in flood hazard areas shall:
   (1) Be on the site for fewer than 180 consecutive days; or
   (2) Be fully licensed and ready for highway use, which means the recreational vehicle or park model is on wheels or jacking system, is attached to the site only by quick-disconnect type utilities and security devices, and has no permanent attachments such as additions, rooms, stairs, decks and porches.

(b) *Permanent placement.* Recreational vehicles and park trailers that do not meet the limitations in subsection (a) of this section for temporary placement shall meet the requirements of section 12-9-14 for manufactured homes.

(c) *Limitations on installation in coastal high hazard areas (zone V).* Owners of existing recreational vehicle parks in coastal high hazard areas shall not expand or increase the number of parking sites unless a plan for removal of units from the coastal high hazard area prior to a predicted flood event is prepared and submitted to Escambia County Emergency Management. Recreational vehicle park owners shall notify vehicle owners of the plan for removal.

Sec. 12-9-16. Tanks.

(a) *Underground tanks.* Underground tanks in flood hazard areas shall be anchored to prevent flotation, collapse or lateral movement resulting from hydrodynamic and hydrostatic loads during conditions of the design flood, including the effects of buoyancy assuming the tank is empty.

(b) *Above-ground tanks, not elevated.* Above-ground tanks that do not meet the elevation requirements of subsection (c) of this section shall:
   (1) Be permitted in flood hazard areas (zone A) other than coastal high hazard areas, provided the tanks are anchored or otherwise designed and constructed to prevent flotation, collapse or lateral movement resulting from hydrodynamic and hydrostatic loads during conditions of the design flood, including the effects of buoyancy assuming the tank is empty and the effects of flood-borne debris.
   (2) Not be permitted in coastal high hazard areas (zone V).

(c) *Above-ground tanks, elevated.* Above-ground tanks in flood hazard areas shall be elevated to or above the design flood elevation and attached to a supporting structure that is designed to prevent flotation, collapse or lateral movement during conditions of the design flood. Tank-supporting structures shall meet the foundation requirements of the applicable flood hazard area.

(d) *Tank inlets and vents.* Tank inlets, fill openings, outlets and vents shall be:
   (1) At or above the design flood elevation or fitted with covers designed to prevent the inflow of floodwater or outflow of the contents of the tanks during conditions of the design flood; and
   (2) Anchored to prevent lateral movement resulting from hydrodynamic and hydrostatic loads, including the effects of buoyancy, during conditions of the design flood.

Sec. 12-9-17. Other development.

(a) *General requirements for other development.* All development, including manmade changes to improved or unimproved real estate for which specific provisions are not specified in this chapter or the Florida Building Code, shall:
   (1) Be located and constructed to minimize flood damage;
   (2) Meet the limitations of section 12-9-13(d) if located in a regulated floodway;
   (3) Be anchored to prevent flotation, collapse or lateral movement resulting from hydrostatic loads, including the effects of buoyancy, during conditions of the design flood;
   (4) Be constructed of flood damage-resistant materials; and
   (5) Have mechanical, plumbing, and electrical systems above the design flood elevation or meet the requirements of ASCE 24, except that minimum electric service required to address life safety and electric code requirements is permitted below the design flood elevation provided it conforms to the provisions of the electrical part of building code for wet locations.

(b) *Fences in regulated floodways.* Fences in regulated floodways that have the potential to block the passage of floodwaters, such as stockade fences and wire mesh fences, shall meet the limitations of section 12-9-13(d).

(c) *Retaining walls, sidewalks and driveways in regulated floodways.* Retaining walls and sidewalks and driveways that involve the placement of fill in regulated floodways shall meet the limitations of section 12-9-13(d).

(d) *Roads and watercourse crossings in regulated floodways.* Roads and watercourse crossings, including roads, bridges, culverts, low-water crossings and similar means for vehicles or pedestrians to travel from one side of a watercourse to the other side, that encroach into regulated floodways shall meet the limitations of section 12-9-13(d). Alteration of a watercourse that is part of a road or watercourse crossing shall meet the requirements of section 12-9-5(c)(3).

(e) *Concrete slabs used as parking pads, enclosure floors, landings, decks, walkways, patios and similar nonstructural uses in coastal high hazard areas (zone V).* In coastal high hazard areas, concrete slabs used as parking pads, enclosure floors, landings, decks, walkways, patios and similar nonstructural uses are permitted beneath or adjacent to buildings and structures provided the concrete slabs are designed and constructed to be:
   (1) Structurally independent of the foundation system of the building or structure;
   (2) Frangible and not reinforced, so as to minimize debris during flooding that is capable of causing significant damage to any structure; and
   (3) Have a maximum slab thickness of not more than four inches.

(f) *Decks and patios in coastal high hazard areas (zone V).* In addition to the requirements of the Florida Building Code, in coastal high hazard areas decks and patios shall be located, designed, and constructed in compliance with the following:
   (1) A deck that is structurally attached to a building or structure shall have the bottom of the lowest horizontal structural member at or above the design flood elevation and any supporting members that extend below the design flood elevation shall comply with the foundation requirements that apply to the building or structure, which shall be designed to accommodate any increased loads resulting from the attached deck.

(2) A deck or patio that is located below the design flood elevation shall be structurally independent from buildings or structures and their foundation systems, and shall be designed and constructed either to remain intact and in place during design flood conditions or to break apart into small pieces to minimize debris during flooding that is capable of causing structural damage to the building or structure or to adjacent buildings and structures.

(3) A deck or patio that has a vertical thickness of more than 12 inches or that is constructed with more than the minimum amount of fill necessary for site drainage shall not be approved unless an analysis prepared by a qualified registered design professional demonstrates no harmful diversion of floodwaters or wave runup and wave reflection that would increase damage to the building or structure or to adjacent buildings and structures.

(4) A deck or patio that has a vertical thickness of 12 inches or less and that is at natural grade or on nonstructural fill material that is similar to and compatible with local soils and is the minimum amount necessary for site drainage may be approved without requiring analysis of the impact on diversion of floodwaters or wave runup and wave reflection.

(g) *Other development in coastal high hazard areas (zone V).* In coastal high hazard areas, development activities other than buildings and structures shall be permitted only if also authorized by the appropriate federal, state or local authority; if located outside the footprint of, and not structurally attached to, buildings and structures; and if analyses prepared by qualified registered design professionals demonstrate no harmful diversion of floodwaters or wave runup and wave reflection that would increase damage to adjacent buildings and structures. Such other development activities include, but are not limited to:

(1) Bulkheads, seawalls, retaining walls, revetments, and similar erosion control structures;

(2) Solid fences and privacy walls, and fences prone to trapping debris, unless designed and constructed to fail under flood conditions less than the design flood or otherwise function to avoid obstruction of floodwaters; and

(3) Onsite sewage treatment and disposal systems defined in F.A.C. 64E-6.002, as filled systems or mound systems.

(h) *Nonstructural fill in coastal high hazard areas (zone V).* In coastal high hazard areas:

(1) Minor grading and the placement of minor quantities of nonstructural fill shall be permitted for landscaping and for drainage purposes under and around buildings.

(2) Nonstructural fill with finished slopes that are steeper than one unit vertical to five units horizontal shall be permitted only if an analysis prepared by a qualified registered design professional demonstrates no harmful diversion of floodwaters or wave runup and wave reflection that would increase damage to adjacent buildings and structures.

(3) Where authorized by the state department of environmental protection or applicable local approval, sand dune construction and restoration of sand dunes under or around elevated buildings are permitted without additional engineering analysis or certification of the diversion of floodwater or wave runup and wave reflection if the scale and location of the dune work is consistent with local beach-

dune morphology and the vertical clearance is maintained between the top of the sand dune and the lowest horizontal structural member of the building.

SECTION 2. AMENDMENTS TO SECTION 14-2-133, LOCAL GOVERNMENT AMENDMENTS TO FLORIDA BUILDING CODE—TECHNICAL AMENDMENTS.

Section 14-2-133 of the Code of the City of Pensacola, Florida, Local Government Amendments to Florida Building Code—Technical Amendments, is hereby amended to read as follows:

Sec. 14-2-133. ~~Local government amendments to~~ Florida Building Code — ~~Technical~~ Amendments for Flood Hazard Areas.

~~The Florida Building Code permits local governments to adopt amendments which are more stringent than the minimum standards in state statutes, and amendments to the technical provisions of the Florida Building Code which apply solely within the jurisdiction of the local government. Pursuant to the provisions of F.S. § 553.73(4), the following amendments are adopted and applicable within the city limits:~~

~~(1) Section 1612.4.2 of the Florida Building Code, Building, is amended to provide: Elevation requirements. The minimum elevation requirements shall be as specified in ASCE 24 or the base flood elevation plus three feet (914 mm), whichever is higher.~~

~~(2) Section R322.2.1 of the Florida Building Code, Residential, is amended to provide:~~

~~R322.2.1 Elevation requirements.~~

~~1. Buildings and structures in flood hazard areas including flood hazard areas designated as Coastal A Zones, shall have the lowest floors elevated to or above the base flood elevation plus three feet (914 mm), or the design flood elevation, whichever is higher.~~

~~2. In areas of shallow flooding (AO zones), buildings and structures shall have the lowest floor (including basement) elevated to a height above the highest adjacent grade of not less than the depth number specified in feet (mm) on the FIRM plus three feet (914 mm), or not less than three feet (915 mm) if a depth number is not specified.~~

~~3. Basement floors that are below grade on all sides shall be elevated to or above base flood elevation three feet (914 mm), or the design flood elevation, whichever is higher.~~

~~Exception: Enclosed areas below the design flood elevation, including basements with floors that are not below grade on all sides, shall meet the requirements of section 322.2.2.~~

~~(3) Section R322.2.2 of the Florida Building Code, Building, is amended to provide: R322.2.2 Enclosed areas below design flood elevation.~~

~~Enclosed areas, including crawl spaces, that are below the design flood elevation shall:~~

~~1. Be used solely for parking of vehicles, building access or storage. The interior portion of such enclosed areas shall not be partitioned or finished into separate rooms except for stairwells, ramps, and elevators, unless a partition is required by the fire code. The limitation~~

~~on partitions does not apply to load bearing walls interior to perimeter wall (crawlspace) foundations. Access to enclosed areas shall be the minimum necessary to allow for the parking of vehicles (garage door) or limited storage of maintenance equipment used in connection with the premises (standard exterior door) or entry to the building (stairway or elevator).~~

~~(4) Section R322.3.2 of the Florida Building Code, Building, is amended to provide: R322.3.2 Elevation requirements.~~

~~1. Buildings and structures erected within coastal high-hazard areas and Coastal A Zones, shall be elevated so that the bottom of the lowest horizontal structure members supporting the lowest floor, with the exception of pilings, pile caps, columns, grade beams and bracing, is elevated to or above the base flood elevation plus three feet (914 mm) or the design flood elevation, whichever is higher.~~

~~2. Basement floors that are below grade on all sides are prohibited.~~

~~3. The use of fill for structural support is prohibited.~~

~~4. Minor grading, and the placement of minor quantities of fill, shall be permitted for landscaping and for drainage purposes under and around buildings and for support of parking slabs, pool decks, patios and walkways.~~

~~5. Walls and partitions enclosing areas below the design flood elevation shall meet the requirements of sections R322.3.4 and R322.3.5.~~

~~(5) Section R322.3.4 of the Florida Building Code, Building, is amended to provide: R322.3.4 Walls below design flood elevation.~~

~~Walls are permitted below the elevated floor, provided that such walls are not part of the structural support of the building or structure and:~~

~~1. Electrical, mechanical, and plumbing system components are not to be mounted on or penetrate through walls that are designed to break away under flood loads; and~~

~~2. Are constructed with insect screening or open lattice; or~~

~~3. Are designed to break away or collapse without causing collapse, displacement or other structural damage to the elevated portion of the building or supporting foundation system. Such walls, framing and connections shall have a design safe loading resistance of not less than ten (470 Pa) and no more than 20 pounds per square foot (958 Pa); or~~

~~4. Where wind loading values of this code exceed 20 pounds per square foot (958 Pa), the construction documents shall include documentation prepared and sealed by a registered design professional that:~~

~~4.1. The walls below the design flood elevation have been designed to collapse from a water load less than that which would occur during the design flood.~~

~~4.2. The elevated portion of the building and supporting foundation system have been designed to withstand the effects of wind and flood loads acting simultaneously on all building components (structural and nonstructural). Water loading~~

~~values used shall be those associated with the design flood. Wind loading values used shall be those required by this code.~~

~~(6) Section R322.3.5 of the Florida Building Code, Building, is amended to provide: R322.3.5 Enclosed areas below the design flood elevation.~~

~~Enclosed areas below the design flood elevation shall be used solely for parking of vehicles, building access or storage. The interior portion of such enclosed area shall not be partitioned or finished into separate rooms except for stairwells, ramps, and elevators, unless a partition is required by the fire code. Access to enclosed areas shall be the minimum necessary to allow for the parking of vehicles (garage door) or limited storage of maintenance equipment used in connection with the premises (standard exterior door) or entry to the building (stairway or elevator).~~

Local amendments to the Florida Building Code applicable in flood hazard areas in the city are in Section 12-9-11 of Chapter 12-9, Floodplain Management.

SECTION 3. FISCAL IMPACT STATEMENT.

In terms of design, plan application review, construction, and inspection of buildings and structures, the cost impact as an overall average is negligible in regard to the local technical amendments because all development has been subject to the requirements of the local floodplain management ordinance adopted for participation in the National Flood Insurance Program. Therefore, in terms of lower potential for flood damage, there will be continued savings and benefits to consumers.

SECTION 4. APPLICABILITY.

This ordinance shall apply to all applications for development, including building permit applications and subdivision proposals, submitted on or after the effective date of this ordinance.

SECTION 5. SEVERABILITY.

If any word, phrase, clause, paragraph, section or provision of this ordinance or the application thereof to any person or circumstance is held invalid or unconstitutional, such finding shall not affect the other provision or applications of the ordinance which can be given effect without the invalid or unconstitutional provisions or application, and to this end the provisions of this ordinance are declared severable.

SECTION 6. CONFLICTS.

All ordinances or parts of ordinances in conflict herewith are hereby repealed to the extent of such conflict.

SECTION 7. EFFECTIVE DATE.

This ordinance shall take effect on the fifth business day after adoption, unless otherwise provided, pursuant to Section 4.03(d) of the City Charter of the City of Pensacola.

Business Impact Estimate

This form should be included in agenda packet for the item under which the proposed ordinance is to be considered, and must be posted on the City's website by the time notice of the proposed ordinance is published.

Proposed ordinance's title/reference: P.O. No. 8-25. AN ORDINANCE AMENDING THE CITY OF PENSACOLA LAND DEVELOPMENT CODE TO AMEND CHAPTER 12-9, FLOODPLAIN MANAGEMENT, TO ADOPT LOCAL AMENDMENTS TO THE FLORIDA BUILDING CODE AND TO SPECIFY ELEVATION OF MANUFACTURED HOMES IN FLOOD HAZARD AREAS; AMENDING SECTION 14-2-133 TO RELOCATE AND REFORMAT LOCAL AMENDMENTS RELATED TO FLOOD HAZARD AREAS, WHICH WILL NOW APPEAR IN CHAPTER 12-9, FLOODPLAIN MANAGEMENT; PROVIDING FOR APPLICABILITY; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

The City is of the view that the exception(s) to the Business Impact Estimate requirement that are checked off in a box below apply to the above-referenced proposed ordinance, although the City is implementing the procedure required by statutory law to ensure that no inadvertent procedural issue could impact the enactment of the proposed ordinance.

- ☒ The proposed ordinance is required for compliance with Federal or State law or regulation;
- ☐ The proposed ordinance relates to the issuance or refinancing of debt;
- ☐ The proposed ordinance relates to the adoption of budgets or budget amendments, including revenue sources necessary to fund the budget;
- ☐ The proposed ordinance is required to implement a contract or an agreement, including, but not limited to, any Federal, State, local, or private grant, or other financial assistance accepted by the
- ☐ The proposed ordinance is an emergency ordinance;
- ☐ The ordinance relates to procurement; or
- ☐ The proposed ordinance is enacted to implement the following:
  a. Part II of Chapter 163, *Florida Statutes*, relating to growth policy, county and municipal planning, and land development regulation, including zoning, development orders, development agreements and development permits;

b. Sections 190.005 and 190.046, *Florida Statutes*, regarding community development districts;
c. Section 553.73, *Florida Statutes*, relating to the *Florida Building Code*; or
d. Section 633.202, *Florida Statutes*, relating to the *Florida Fire Prevention Code*.

In accordance with the provisions of controlling law, even notwithstanding the fact that, an exemption noted above may apply, the City hereby publishes the following information:

1. Summary of the proposed ordinance (must include statement of the public purpose, such as serving the public health, safety, morals, and welfare):
The ordinance will serve the public purpose of public safety and welfare:

The City's floodplain management ordinance must be updated for the City to stay current with FEMA and FDEM standards. All communities that participate in the National Flood Insurance Program (NFIP) must update their ordinance language to maintain their class rating in the Community Rating System (CRS). In addition, FEMA requires that the new Flood Insurance Rate Maps (FIRM) be adopted before August 19, 2025. Failure to adopt the maps would result in suspension from the NFIP and the CRS. The proposed mandatory language does not provide any increases in the standards, but will maintain the current levels of protection that are currently adopted.

ORDINANCE

SPONSOR: DC Reeves, Mayor

SUBJECT:

PROPOSED ORDINANCE NO. 9-25 - FUTURE LAND USE MAP AND AMENDMENT – RECENTLY ANNEXED PROPERTY - TWO PARCELS LOCATED AT THE 2400 BLOCK OF LANGLEY AVENUE

RECOMMENDATION:

That City Council adopt Proposed Ordinance No. 9-25 on second reading.

AN ORDINANCE AMENDING THE COMPREHENSIVE PLAN AND FUTURE LAND USE MAP OF THE CITY OF PENSACOLA, FLORIDA; PROVIDING FOR SEVERABILITY; REPEALING CLAUSE; PROVIDING AN EFFECTIVE DATE. **(Ordinance No. 11-25)**

HEARING REQUIRED: Public Hearing Required

SUMMARY:

This action does not directly advance a goal of the City of Pensacola's Strategic Plan, but is required by local, state or federal law, governance or regulation.

The City recently approved the annexation of two parcels located at the 2400 Block of Langley Avenue. The annexation necessitates amending the City's Future Land Use Map and Zoning Map to include the subject properties. The recommended zoning district is "Airport Restricted Zone" (ARZ) with a corresponding Future Land Use designation of Airport (A).

On June 10, 2025, the Planning Board voted 5:0 to recommend approval of the request.

PRIOR ACTION:

November 10, 2011 - City Council approved the annexation of nine (9) parcels in the Campus Heights area which were owned by the Pensacola International Airport.

December 1, 2011 - City Council adopted Ordinance No. 31-11 – Annexation of Airport Owned Property on second reading.

May 11, 2017 - City Council conducted the first of two public hearings regarding the Annexation of Property - Campus Heights.

June 8, 2017 - City Council approved the annexation of seventy-seven (77) parcels in the Campus Heights area which were owned by the Pensacola International Airport.

July 13, 2017 - City Council adopted Ordinance No. 15-17 - Annexation of Airport Owned Property on second reading.

October 11, 2018 - City Council conducted the first of two required public hearings regarding the Annexation of Property - Campus Heights Phase II

November 8, 2018 - City Council approved the annexation of fifty-two (52) parcels in the Campus Heights area which were owned by the Pensacola International Airport.

December 13, 2018 - City Council adopted Ordinance No. 14-18 - Annexation of Airport Owned Property on second reading.

May 9, 2024 - City Council approved the purchase of real property located at 2400 Block Langley Avenue.

April 24, 2025 - City Council approved Proposed Ordinance No. 1-25 on first reading.

May 8, 2025 - City Council approved the final annexation request with adoption of Ordinance No. 3-25.

July 17, 2025 - City Council voted to approve Proposed Ordinance No. 9-25 on first reading.

Call to Order / Quorum Present
Chairperson Ritz called the meeting to order at 2:00 pm with a quorum present and explained the procedures of the Board meeting including requirements for audience participation.

Approval of Meeting Minutes – Board Member Powell made a motion to approve the April 8, 2025, minutes, seconded by Board Member Grundhoefer, and it carried 5:0.

New Business –

Request to Consider a Zoning and Future Land Use Map Amendment for the Voluntary Annexation of Two Parcels Owned by the City of Pensacola

Assistant Planning & Zoning Manager Harding introduced the item. Mr. Matt Coughlin, Pensacola International Airport Director, has requested that the City approve a voluntary annexation to incorporate the two parcels located at 2400 BLK Langley Avenue into the City limits. The annexation request for the subject parcels took place at the April 24 and May 8, 2025, City Council meetings. The parcels are contiguous to the city limits, located along Langley Avenue, and encompass approximately 0.4347 acres. The request indicates that the future plans for the parcels are to incorporate them into Pensacola International Airport property.

These parcels will require a map amendment to establish a zoning district and future land use map (FLUM) designation.

The city reviewed the adjacent zoning district for the proposed use and recommends "airport restricted zone" (ARZ) for the new zoning district and "Airport" (A) for the future land use category. City Departments have confirmed that there are no concerns with providing services to the area. After the overview, there were no concerns from City staff, the location was verified, no residential home around the area. **Board Member Villegas made the motion to approve, seconded by Board Member Powell, and it carried 5:0.**

Request to Consider a Zoning and Future Land Use Map Amendment for the Voluntary Annexation of three Parcels Owned by James -Oliver LLC

Assistant Planning & Zoning Manager introduced the item. The City has received a request for voluntary annexation from James-Oliver, LLC for property located at 3728 and 3800 BLK Creighton Road (O'Riley's Uptown Tavern). The parcels that make up the site are partially inside the City limits and partially in unincorporated Escambia County. PPD has confirmed that approval of the annexation request will help resolve Pensacola Police Department jurisdictional issues caused by the current City limit line dividing this commercial site. The first ordinance reading for the annexation request took place at the May 22, 2025, City Council meeting and the second ordinance reading will be on June 12, 2025. The parcels are contiguous to the city limits, located along Creighton Road, and encompass approximately 1.5161 acres.

These parcels will require a map amendment to establish a zoning district and future land use map (FLUM) designation.

The city reviewed the adjacent zoning district for the proposed use and recommends "commercial" (C-1) for the new zoning district and "Commercial" (C) for the future land use category. City Departments have confirmed that there are no concerns with providing services to the area. The building itself is in the City limits, the parking lot is currently in the County, the goal is to make it contiguous and allow the City of Pensacola Police department to have jurisdiction of the parking lot along with the building. There was a brief discussion of the history of the zoning parcels in question. The City did receive a few calls only to see what was going to be discussed.

Board Member Villegas made a motion to approve, seconded by Board Member Powell and it carried 5:0.

Request for Final Aesthetic Review – Reverb by Hard Rock Project, 352 W. Cedar Street/ Community Maritime Park, Lot 5

Inspired Communities of Florida is requesting *final aesthetic* review of a new mass-timber luxury apartment building and Reverb by Hard Rock hotel. Aesthetic review by Planning Board is required since the project is located in the Waterfront Redevelopment District (WRD-1). This project will utilize Florida's Live Local Act which allows for increased density and height for the provision of affordable housing units. As a result, and under the Live Local Act, a building height of 150' measured from the lowest occupiable floor is allowed by right, along with a density of 135 dwelling units per acre. This review is only for aesthetics.

This application has been routed through the various City departments and utility providers. The comments received to date have been provided within your packet.

Assistant Planning & Zoning Manager Harding introduced the item. Dennis Pemberton of the Dawson Company informed the board there would be a brief slide presentation and addressed the addition of windows to the building. Lester Yuen, design director for Gensler, then presented the slides to the board. The beginning of the slide presentation was of site plans showing an arial view of the existing conditions on the lot. The board wants more street activation, and they are providing that. A site planning diagram was shown; it gave a breakdown of the square footage and acreage of lot 4. They provided comparison slides, including slides shown in March and slides showing the changes that were made. They added pop-down retail along DeVilliers, these would be temporary and tucked under the building above them. A change was made to the paving pattern to make it more appealing. Next slide showed the plaza level, they lifted all three levels of parking, they are eight feet higher than previous plans. The board and audience then viewed slides of the typical level, the rooftop level, followed by the landscape plan and the planting plan. The East elevation will be the Hotel, presented with slides showing the materials being used, and for the West elevation, which is the residential side. North elevation may have a digital screen showing artwork, will not be used for advertising or brand recognition. Also, we saw a breakdown of all the levels in each building. The hotel section has not changed; the goal is to be a gathering place. The final slides provided a perspective of what is to come. Clarification of the height above the podium, confirmed it would be 150 feet. Board Member Van Hoose wanted to know about the issue of an escalator, the cost of building was too expensive and the repairs from damage being so close to salt water were not cost effective. They would be providing elevators for the public to use in place of an escalator. There will be bike storage for residents only, they will work on providing bike racks for the public. The lowest level was raised, and they were able to squeeze a few feet from the height of the residents to raise the parking levels so they would not be underground. A discussion was held about the pop-downs, the applicants feel it's preferable, they'll have access to power and water. It gives retailers flexibility, no need for long term leases, they will be able to be customized. Board Member Powell appreciated them addressing the permeable materials, she likes the digital artwork idea. The stormwater management site has an existing retention pond; they will tie into that. They had a brief discussion on why parking is an open area, they feel it brings in lighter and is airy. The delivery door will be painted to blend in with the building, they also discussed why some walls and doors are painted and some are not, discussed the reason behind it. They are above floodplain, briefly discussed the barrier materials in the parking lot.

Board Member Villegas made a motion to approve, seconded by Board Member Powell and it carried 5:0.

PROPOSED ORDINANCE NO. 1-25 - VOLUNTARY ANNEXATION OF AIRPORT-OWNED PROPERTY - 2400 BLOCK LANGLEY AVENUE

RECOMMENDATION:

That City Council approve Proposed Ordinance No. 1-25 on first reading.

AN ORDINANCE INCORPORATING AND ANNEXING A CERTAIN AREA CONTIGUOUS AND ADJACENT TO THE CITY OF PENSACOLA INTO THE CITY OF PENSACOLA, AND DECLARING SAID AREA TO BE A PART OF THE CITY OF PENSACOLA; REPEALING CLAUSE, AND PROVIDING AN EFFECTIVE DATE.

HEARING REQUIRED: No Hearing Required

SUMMARY:

This action does not directly advance a goal of the City of Pensacola Strategic Plan but is a necessary function of municipal government.

Campus Heights was identified in the approved year 2000 Airport Master Plan as a development area for a future business commerce park associated with the Airport. Generally, the Campus Heights area is bounded on the east and south by Airport property, on the north by Langley Avenue, and on the west by Tippin Avenue. As parcels are acquired by the Airport that are contiguous to but not within the City limits, it becomes necessary to annex those parcels via the statutory process for the annexation of property.

On May 9, 2024, City Council approved the purchase of real property located at 2400 Block Langley Avenue (Parcel No. 141S292100080001 and 141S292100090001) from Diane Bonner Canady in the amount of $188,850.00 plus closing costs. The two parcels are located outside the City limits. Therfore, the Airport would like to Annex the property as it is contiguous to the City limits. The proposed inclusion of these other parcels would provide for a clearer City/County boundary in the affected area.

Florida Statute 171.044 provides that:

Voluntary annexation

1. The owner or owners of real property in an unincorporated area of a county which is contiguous to a municipality and reasonably compact may petition the governing body of said municipality that said property be annexed to the municipality. Upon determination by the governing body of the municipality that the petition bears the signatures of all owners of property in the area proposed to be annexed, the governing body may, at any regular meeting, adopt a nonemergency ordinance to annex said property and redefine the boundary lines of the municipality to include said property. Said ordinance shall be passed after notice of the annexation has been published at least once each week for 2 consecutive weeks in some newspaper in such city or town or, if no newspaper is published in said city or town, then in a newspaper published in the same county; and if no newspaper is published in said county, then at least three printed copies of said notice shall be posted for 4 consecutive weeks at some conspicuous place in said city or town. The notice shall give the ordinance number and a brief, general description of the area proposed to be annexed. The description shall include a map clearly showing the area and a statement that the complete legal description by metes and bounds and the ordinance can be obtained from the Office of the City Clerk.

PRIOR ACTION:

November 10, 2011 - City Council approved the annexation of nine (9) parcels in the Campus Heights area which were owned by the Pensacola International Airport.

December 1, 2011 - City Council adopted Ordinance No. 31-11 – Annexation of Airport Owned Property on second reading.

May 11, 2017 - City Council conducted the first of two public hearings regarding the Annexation of Property - Campus Heights.

June 8, 2017 - City Council approved the annexation of seventy-seven (61) parcels in the Campus Heights area which were owned by the Pensacola International Airport.

July 13, 2017 - City Council adopted Ordinance No. 15-17 - Annexation of Airport Owned Property on second reading.

October 11, 2018 - City Council conducted the first of two required public hearings regarding the Annexation of Property - Campus Heights Phase II

SUBJECT:

PROPOSED ORDINANCE NO. 10-25 - ZONING MAP AMENDMENT – RECENTLY ANNEXED PROPERTY - TWO PARCELS LOCATED AT THE 2400 BLOCK OF LANGLEY AVENUE

RECOMMENDATION:

That City Council adopt Proposed Ordinance No. 10-25 on second reading.

AN ORDINANCE AMENDING THE ZONING CLASSIFICATION OF CERTAIN PROPERTY PURSUANT TO AND CONSISTENT WITH THE COMPREHENSIVE PLAN OF THE CITY OF PENSACOLA; PROVIDING FOR SEVERABILITY; REPEALING CLAUSE; PROVIDING AN EFFECTIVE DATE. **(Ordinance No. 12-25)**

HEARING REQUIRED: Public Hearing Required

SUMMARY:

This action does not directly advance a goal of the City of Pensacola's Strategic Plan, but is required by local, state or federal law, governance or regulation.

The City recently approved the annexation of two parcels located at the 2400 Block of Langley Avenue. The annexation necessitates amending the City's Future Land Use Map and Zoning Map to include the subject properties. The recommended zoning district is "Airport Restricted Zone" (ARZ) with a corresponding Future Land Use designation of Airport (A).

On June 10, 2025, the Planning Board voted 5:0 to recommend approval of the request.

PRIOR ACTION:

November 10, 2011 - City Council approved the annexation of nine (9) parcels in the Campus Heights area which were owned by the Pensacola International Airport.

December 1, 2011 - City Council adopted Ordinance No. 31-11 – Annexation of Airport Owned Property on second reading.

May 11, 2017 - City Council conducted the first of two public hearings regarding the Annexation of Property - Campus Heights.

June 8, 2017 - City Council approved the annexation of seventy-seven (77) parcels in the Campus Heights area which were owned by the Pensacola International Airport.

July 13, 2017 - City Council adopted Ordinance No. 15-17 - Annexation of Airport Owned Property on second reading.

October 11, 2018 - City Council conducted the first of two required public hearings regarding the Annexation of Property - Campus Heights Phase II

November 8, 2018 - City Council approved the annexation of fifty-two (52) parcels in the Campus Heights area which were owned by the Pensacola International Airport.

December 13, 2018 - City Council adopted Ordinance No. 14-18 - Annexation of Airport Owned Property on second reading.

May 9, 2024 - City Council approved the purchase of real property located at 2400 Block Langley Avenue.

April 24, 2025 - City Council approved Proposed Ordinance No. 1-25 on first reading.

May 8, 2025 - City Council approved the final annexation request with adoption of Ordinance No. 3-25.

July 25, 2025 - City Council voted to approve Proposed Ordinance No. 10-25 on first reading.

Call to Order / Quorum Present
Chairperson Ritz called the meeting to order at 2:00 pm with a quorum present and explained the procedures of the Board meeting including requirements for audience participation.

Approval of Meeting Minutes – Board Member Powell made a motion to approve the April 8, 2025, minutes, seconded by Board Member Grundhoefer, and it carried 5:0.

New Business –

Request to Consider a Zoning and Future Land Use Map Amendment for the Voluntary Annexation of Two Parcels Owned by the City of Pensacola

Assistant Planning & Zoning Manager Harding introduced the item. Mr. Matt Coughlin, Pensacola International Airport Director, has requested that the City approve a voluntary annexation to incorporate the two parcels located at 2400 BLK Langley Avenue into the City limits. The annexation request for the subject parcels took place at the April 24 and May 8, 2025, City Council meetings. The parcels are contiguous to the city limits, located along Langley Avenue, and encompass approximately 0.4347 acres. The request indicates that the future plans for the parcels are to incorporate them into Pensacola International Airport property.

These parcels will require a map amendment to establish a zoning district and future land use map (FLUM) designation.

The city reviewed the adjacent zoning district for the proposed use and recommends "airport restricted zone" (ARZ) for the new zoning district and "Airport" (A) for the future land use category. City Departments have confirmed that there are no concerns with providing services to the area. After the overview, there were no concerns from City staff, the location was verified, no residential home around the area. **Board Member Villegas made the motion to approve, seconded by Board Member Powell, and it carried 5:0.**

Request to Consider a Zoning and Future Land Use Map Amendment for the Voluntary Annexation of three Parcels Owned by James -Oliver LLC

Assistant Planning & Zoning Manager introduced the item. The City has received a request for voluntary annexation from James-Oliver, LLC for property located at 3728 and 3800 BLK Creighton Road (O'Riley's Uptown Tavern). The parcels that make up the site are partially inside the City limits and partially in unincorporated Escambia County. PPD has confirmed that approval of the annexation request will help resolve Pensacola Police Department jurisdictional issues caused by the current City limit line dividing this commercial site. The first ordinance reading for the annexation request took place at the May 22, 2025, City Council meeting and the second ordinance reading will be on June 12, 2025. The parcels are contiguous to the city limits, located along Creighton Road, and encompass approximately 1.5161 acres.

These parcels will require a map amendment to establish a zoning district and future land use map (FLUM) designation.

The city reviewed the adjacent zoning district for the proposed use and recommends "commercial" (C-1) for the new zoning district and "Commercial" (C) for the future land use category. City Departments have confirmed that there are no concerns with providing services to the area. The building itself is in the City limits, the parking lot is currently in the County, the goal is to make it contiguous and allow the City of Pensacola Police department to have jurisdiction of the parking lot along with the building. There was a brief discussion of the history of the zoning parcels in question. The City did receive a few calls only to see what was going to be discussed.

Board Member Villegas made a motion to approve, seconded by Board Member Powell and it carried 5:0.

Request for Final Aesthetic Review – Reverb by Hard Rock Project, 352 W. Cedar Street/ Community Maritime Park, Lot 5

Inspired Communities of Florida is requesting *final aesthetic* review of a new mass-timber luxury apartment building and Reverb by Hard Rock hotel. Aesthetic review by Planning Board is required since the project is located in the Waterfront Redevelopment District (WRD-1). This project will utilize Florida's Live Local Act which allows for increased density and height for the provision of affordable housing units. As a result, and under the Live Local Act, a building height of 150' measured from the lowest occupiable floor is allowed by right, along with a density of 135 dwelling units per acre. This review is only for aesthetics.

This application has been routed through the various City departments and utility providers. The comments received to date have been provided within your packet.

Assistant Planning & Zoning Manager Harding introduced the item. Dennis Pemberton of the Dawson Company informed the board there would be a brief slide presentation and addressed the addition of windows to the building. Lester Yuen, design director for Gensler, then presented the slides to the board. The beginning of the slide presentation was of site plans showing an arial view of the existing conditions on the lot. The board wants more street activation, and they are providing that. A site planning diagram was shown; it gave a breakdown of the square footage and acreage of lot 4. They provided comparison slides, including slides shown in March and slides showing the changes that were made. They added pop-down retail along DeVilliers, these would be temporary and tucked under the building above them. A change was made to the paving pattern to make it more appealing. Next slide showed the plaza level, they lifted all three levels of parking, they are eight feet higher than previous plans. The board and audience then viewed slides of the typical level, the rooftop level, followed by the landscape plan and the planting plan. The East elevation will be the Hotel, presented with slides showing the materials being used, and for the West elevation, which is the residential side. North elevation may have a digital screen showing artwork, will not be used for advertising or brand recognition. Also, we saw a breakdown of all the levels in each building. The hotel section has not changed; the goal is to be a gathering place. The final slides provided a perspective of what is to come. Clarification of the height above the podium, confirmed it would be 150 feet. Board Member Van Hoose wanted to know about the issue of an escalator, the cost of building was too expensive and the repairs from damage being so close to salt water were not cost effective. They would be providing elevators for the public to use in place of an escalator. There will be bike storage for residents only, they will work on providing bike racks for the public. The lowest level was raised, and they were able to squeeze a few feet from the height of the residents to raise the parking levels so they would not be underground. A discussion was held about the pop-downs, the applicants feel it's preferable, they'll have access to power and water. It gives retailers flexibility, no need for long term leases, they will be able to be customized. Board Member Powell appreciated them addressing the permeable materials, she likes the digital artwork idea. The stormwater management site has an existing retention pond; they will tie into that. They had a brief discussion on why parking is an open area, they feel it brings in lighter and is airy. The delivery door will be painted to blend in with the building, they also discussed why some walls and doors are painted and some are not, discussed the reason behind it. They are above floodplain, briefly discussed the barrier materials in the parking lot.

Board Member Villegas made a motion to approve, seconded by Board Member Powell and it carried 5:0.

ORDINANCE

SPONSOR: DC Reeves, Mayor

SUBJECT:

PROPOSED ORDINANCE NO. 11-25 - FUTURE LAND USE MAP AND AMENDMENT – RECENTLY ANNEXED PROPERTY - 3728 AND 3800 BLOCK CREIGHTON ROAD (O' RILEY'S UPTOWN TAVERN)

RECOMMENDATION:

That City Council adopt Proposed Ordinance No. 11-25 on second reading.

AN ORDINANCE AMENDING THE COMPREHENSIVE PLAN AND FUTURE LAND USE MAP OF THE CITY OF PENSACOLA, FLORIDA; PROVIDING FOR SEVERABILITY; REPEALING CLAUSE; PROVIDING AN EFFECTIVE DATE. **(Ordinance No. 13-25)**

HEARING REQUIRED: Public Hearing Required

SUMMARY:

This action does not directly advance a goal of the City of Pensacola's Strategic Plan, but is required by local, state or federal law, governance or regulation.

The City recently approved the annexation of 3728 and 3800 BLK Creighton Road. The annexation necessitates amending the City's Future Land Use Map and Zoning Map to include the subject properties. The recommended zoning district is "Retail Commercial" (C-1) with a corresponding Future Land Use designation of "Commercial" (C).

On June 10, 2025, the Planning Board voted 5:0 to recommend approval of the request.

PRIOR ACTION:

May 22, 2025 - City Council approved Proposed Ordinance No. 3-25 on first reading.

June 12, 2025 - City Council approved the final annexation request with the adoption of Ordinance No. 6-25.

July 17, 2025 - City Council voted to approve Proposed Ordinance No. 11-25 on first reading.

ORDINANCE

SPONSOR: DC Reeves, Mayor

SUBJECT:

PROPOSED ORDINANCE NO. 3-25 - VOLUNTARY ANNEXATION OF JAMES-OLIVER, LLC PROPERTY - 3728 CREIGHTON ROAD & 3800 BLK CREIGHTON ROAD

RECOMMENDATION:

That City Council approve Proposed Ordinance No. 3-25 on first reading.

AN ORDINANCE INCORPORATING AND ANNEXING A CERTAIN AREA CONTIGUOUS AND ADJACENT TO THE CITY OF PENSACOLA INTO THE CITY OF PENSACOLA, AND DECLARING SAID AREA TO BE A PART OF THE CITY OF PENSACOLA; REPEALING CLAUSE, AND PROVIDING AN EFFECTIVE DATE.

HEARING REQUIRED: No Hearing Required

SUMMARY:

This action does not directly advance a goal of the City of Pensacola Strategic Plan but is a necessary function of municipal government.

The City has received a request for voluntary annexation from James-Oliver, LLC for property located at 3728 and 3800 Block Creighton Road (O'Riley's Uptown Tavern). The parcels that make up the site are partially inside the City limits and partially in unincorporated Escambia County. PPD has confirmed that approval of the annexation request will help resolve Pensacola Police Department jurisdictional issues caused by the current City limit line dividing this commercial site.

The proposed annexation area is contiguous to the City limits and City Departments have confirmed that there are no concerns with providing services to the area.
Approval of the annexation request will necessitate a subsequent amendment to the City's Zoning and Future Land Use Maps to include the subject area.

Florida Statute 171.044 provides that:
Voluntary annexation

The owner or owners of real property in an unincorporated area of a county which is contiguous to a municipality and reasonably compact may petition the governing body of said municipality that said property be annexed to the municipality.
Upon determination by the governing body of the municipality that the petition bears the signatures of all owners of property in the area proposed to be annexed, the governing body may, at any regular meeting, adopt a nonemergency ordinance to annex said property and redefine the boundary lines of the municipality to include said property. Said ordinance shall be passed after notice of the annexation has been published at least once each week for 2 consecutive weeks in some newspaper in such city or town or, if no newspaper is published in said city or town, then in a newspaper published in the same county; and if no newspaper is published in said county, then at least three printed copies of said notice shall be posted for 4 consecutive weeks at some conspicuous place in said city or town. The notice shall give the ordinance number and a brief, general description of the area proposed to be annexed. The description shall include a map clearly showing the area and a statement that the complete legal description by metes and bounds and the ordinance can be obtained from the Office of the City Clerk.

PRIOR ACTION:

None.

FUNDING:

None.

FINANCIAL IMPACT:

The City would receive stormwater, ad valorem, and public service tax revenues where applicable from the subject parcels as well as from any future improvements.

New Business –

Request to Consider a Zoning and Future Land Use Map Amendment for the Voluntary Annexation of Two Parcels Owned by the City of Pensacola

Assistant Planning & Zoning Manager Harding introduced the item. Mr. Matt Coughlin, Pensacola International Airport Director, has requested that the City approve a voluntary annexation to incorporate the two parcels located at 2400 BLK Langley Avenue into the City limits. The annexation request for the subject parcels took place at the April 24 and May 8, 2025, City Council meetings. The parcels are contiguous to the city limits, located along Langley Avenue, and encompass approximately 0.4347 acres. The request indicates that the future plans for the parcels are to incorporate them into Pensacola International Airport property.

These parcels will require a map amendment to establish a zoning district and future land use map (FLUM) designation.

The city reviewed the adjacent zoning district for the proposed use and recommends "airport restricted zone" (ARZ) for the new zoning district and "Airport" (A) for the future land use category. City Departments have confirmed that there are no concerns with providing services to the area. After the overview, there were no concerns from City staff, the location was verified, no residential home around the area. **Board Member Villegas made the motion to approve, seconded by Board Member Powell, and it carried 5:0.**

Request to Consider a Zoning and Future Land Use Map Amendment for the Voluntary Annexation of three Parcels Owned by James -Oliver LLC

Assistant Planning & Zoning Manager introduced the item. The City has received a request for voluntary annexation from James-Oliver, LLC for property located at 3728 and 3800 BLK Creighton Road (O'Riley's Uptown Tavern). The parcels that make up the site are partially inside the City limits and partially in unincorporated Escambia County. PPD has confirmed that approval of the annexation request will help resolve Pensacola Police Department jurisdictional issues caused by the current City limit line dividing this commercial site. The first ordinance reading for the annexation request took place at the May 22, 2025, City Council meeting and the second ordinance reading will be on June 12, 2025. The parcels are contiguous to the city limits, located along Creighton Road, and encompass approximately 1.5161 acres.

These parcels will require a map amendment to establish a zoning district and future land use map (FLUM) designation.

The city reviewed the adjacent zoning district for the proposed use and recommends "commercial" (C-1) for the new zoning district and "Commercial" (C) for the future land use category. City Departments have confirmed that there are no concerns with providing services to the area. The building itself is in the City limits, the parking lot is currently in the County, the goal is to make it contiguous and allow the City of Pensacola Police department to have jurisdiction of the parking lot along with the building. There was a brief discussion of the history of the zoning parcels in question. The City did receive a few calls only to see what was going to be discussed.

Board Member Villegas made a motion to approve, seconded by Board Member Powell and it carried 5:0.

Request for Final Aesthetic Review – Reverb by Hard Rock Project, 352 W. Cedar Street/ Community Maritime Park, Lot 5

Inspired Communities of Florida is requesting *final aesthetic* review of a new mass-timber luxury apartment building and Reverb by Hard Rock hotel. Aesthetic review by Planning Board is required since the project is located in the Waterfront Redevelopment District (WRD-1). This project will utilize Florida's Live Local Act which allows for increased density and height for the provision of affordable housing units. As a result, and under the Live Local Act, a building height of 150' measured from the lowest occupiable floor is allowed by right, along with a density of 135 dwelling units per acre. This review is only for aesthetics.

This application has been routed through the various City departments and utility providers. The comments received to date have been provided within your packet.

Assistant Planning & Zoning Manager Harding introduced the item. Dennis Pemberton of the Dawson Company informed the board there would be a brief slide presentation and addressed the addition of windows to the building. Lester Yuen, design director for Gensler, then presented the slides to the board. The beginning of the slide presentation was of site plans showing an arial view of the existing conditions on the lot. The board wants more street activation, and they are providing that. A site planning diagram was shown; it gave a breakdown of the square footage and acreage of lot 4. They provided comparison slides, including slides shown in March and slides showing the changes that were made. They added pop-down retail along DeVilliers, these would be temporary and tucked under the building above them. A change was made to the paving pattern to make it more appealing. Next slide showed the plaza level, they lifted all three levels of parking, they are eight feet higher than previous plans. The board and audience then viewed slides of the typical level, the rooftop level, followed by the landscape plan and the planting plan. The East elevation will be the Hotel, presented with slides showing the materials being used, and for the West elevation, which is the residential side. North elevation may have a digital screen showing artwork, will not be used for advertising or brand recognition. Also, we saw a breakdown of all the levels in each building. The hotel section has not changed; the goal is to be a gathering place. The final slides provided a perspective of what is to come. Clarification of the height above the podium, confirmed it would be 150 feet. Board Member Van Hoose wanted to know about the issue of an escalator, the cost of building was too expensive and the repairs from damage being so close to salt water were not cost effective. They would be providing elevators for the public to use in place of an escalator. There will be bike storage for residents only, they will work on providing bike racks for the public. The lowest level was raised, and they were able to squeeze a few feet from the height of the residents to raise the parking levels so they would not be underground. A discussion was held about the pop-downs, the applicants feel it's preferable, they'll have access to power and water. It gives retailers flexibility, no need for long term leases, they will be able to be customized. Board Member Powell appreciated them addressing the permeable materials, she likes the digital artwork idea. The stormwater management site has an existing retention pond; they will tie into that. They had a brief discussion on why parking is an open area, they feel it brings in lighter and is airy. The delivery door will be painted to blend in with the building, they also discussed why some walls and doors are painted and some are not, discussed the reason behind it. They are above floodplain, briefly discussed the barrier materials in the parking lot.

Board Member Villegas made a motion to approve, seconded by Board Member Powell and it carried 5:0.

SUBJECT:

PROPOSED ORDINANCE NO. 12-25 - ZONING MAP AMENDMENT – RECENTLY ANNEXED PROPERTY - 3728 AND 3800 BLOCK CREIGHTON ROAD (O' RILEY'S UPTOWN TAVERN)

RECOMMENDATION:

That City Council adopt Proposed Ordinance No. 12-25 on second reading.

AN ORDINANCE AMENDING THE ZONING CLASSIFICATION OF CERTAIN PROPERTY PURSUANT TO AND CONSISTENT WITH THE COMPREHENSIVE PLAN OF THE CITY OF PENSACOLA, PROVIDING FOR SEVERABILITY; REPEALING CLAUSE; PROVIDING AN EFFECTIVE DATE. **(Ordinance No. 14-25)**

HEARING REQUIRED: Public Hearing Required

SUMMARY:

This action does not directly advance a goal of the City of Pensacola's Strategic Plan, but is required by local, state or federal law, governance or regulation.

The City recently approved the annexation of 3728 and 3800 BLK Creighton Road. The annexation necessitates amending the City's Future Land Use Map and Zoning Map to include the subject properties. The recommended zoning district is "Retail Commercial" (C-1) with a corresponding Future Land Use designation of "Commercial" (C).

On June 10, 2025, the Planning Board voted 5:0 to recommend approval of the request.

PRIOR ACTION:

May 22, 2025 - City Council approved Proposed Ordinance No. 3-25 on first reading.

June 12, 2025 - City Council approved the final annexation request with the adoption of Ordinance No. 6-25.

July 17, 2025 - City Council voted to approve Proposed Ordinance No. 12-25 on first reading.

Business Impact Estimate

This form should be included in agenda packet for the item under which the proposed ordinance is to be considered, and must be posted on the City's website by the time notice of the proposed ordinance is published.

Proposed ordinance's title/reference: P.O. No. 12-25. AN ORDINANCE AMENDING THE ZONING CLASSIFICATION OF CERTAIN PROPERTY PURSUANT TO AND CONSISTENT WITH THE COMPREHENSIVE PLAN OF THE CITY OF PENSACOLA; AMENDING THE ZONING MAP OF THE CITY OF PENSACOLA; PROVIDING FOR SEVERABILITY; REPEALING CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

The City is of the view that the exception(s) to the Business Impact Estimate requirement that are checked off in a box below apply to the above-referenced proposed ordinance, although the City is implementing the procedure required by statutory law to ensure that no inadvertent procedural issue could impact the enactment of the proposed ordinance.

- ☒ The proposed ordinance is required for compliance with Federal or State law or regulation;
- ☐ The proposed ordinance relates to the issuance or refinancing of debt;
- ☐ The proposed ordinance relates to the adoption of budgets or budget amendments, including revenue sources necessary to fund the budget;
- ☐ The proposed ordinance is required to implement a contract or an agreement, including, but not limited to, any Federal, State, local, or private grant, or other financial assistance accepted by the
- ☐ The proposed ordinance is an emergency ordinance;
- ☐ The ordinance relates to procurement; or
- ☐ The proposed ordinance is enacted to implement the following:
    a. Part II of Chapter 163, *Florida Statutes*, relating to growth policy, county and municipal planning, and land development regulation, including zoning, development orders, development agreements and development permits;
    b. Sections 190.005 and 190.046, *Florida Statutes*, regarding community development districts;
    c. Section 553.73, *Florida Statutes*, relating to the *Florida Building Code*; or
    d. Section 633.202, *Florida Statutes*, relating to the *Florida Fire Prevention Code*.

In accordance with the provisions of controlling law, even notwithstanding the fact that, an exemption noted above may apply, the City hereby publishes the following information:

1. Summary of the proposed ordinance (must include statement of the public purpose, such as serving the public health, safety, morals, and welfare):

2. Estimate of direct economic impact of the proposed ordinance on private, for-profit businesses in the City:

3. Estimate of direct compliance costs that businesses may reasonably incur:

4. Any new charge or fee imposed by the proposed ordinance:

5. Estimate of the City's regulatory costs, including estimated revenues from any new charges or fees to cover such costs:

6. Good faith estimate of the number of businesses likely to be impacted by the proposed ordinance:

7. Additional information (if any, but may wish to include the methodology used to derive information for #1 and #2, above. For example: City staff solicited comments from businesses in the City as to the potential impact of the proposed ordinance by contacting the chamber of commerce, social media posting, direct mail or direct email, posting on City website, public workshop, etc. You may also wish to include efforts made to reduce the potential fiscal impact on businesses based on feedback from businesses. You may also wish to state here that the proposed ordinance is a generally applicable ordinance that applies to all persons similarly situated (individuals as well as businesses) and, therefore, the proposed ordinance does not impose costs only upon businesses.):

ORDINANCE

SPONSOR: DC Reeves, Mayor

SUBJECT:

PROPOSED ORDINANCE NO. 3-25 - VOLUNTARY ANNEXATION OF JAMES-OLIVER, LLC PROPERTY - 3728 CREIGHTON ROAD & 3800 BLK CREIGHTON ROAD

RECOMMENDATION:

That City Council approve Proposed Ordinance No. 3-25 on first reading.

AN ORDINANCE INCORPORATING AND ANNEXING A CERTAIN AREA CONTIGUOUS AND ADJACENT TO THE CITY OF PENSACOLA INTO THE CITY OF PENSACOLA, AND DECLARING SAID AREA TO BE A PART OF THE CITY OF PENSACOLA; REPEALING CLAUSE, AND PROVIDING AN EFFECTIVE DATE.

HEARING REQUIRED: No Hearing Required

SUMMARY:

This action does not directly advance a goal of the City of Pensacola Strategic Plan but is a necessary function of municipal government.

The City has received a request for voluntary annexation from James-Oliver, LLC for property located at 3728 and 3800 Block Creighton Road (O'Riley's Uptown Tavern). The parcels that make up the site are partially inside the City limits and partially in unincorporated Escambia County. PPD has confirmed that approval of the annexation request will help resolve Pensacola Police Department jurisdictional issues caused by the current City limit line dividing this commercial site.

The proposed annexation area is contiguous to the City limits and City Departments have confirmed that there are no concerns with providing services to the area.
Approval of the annexation request will necessitate a subsequent amendment to the City's Zoning and Future Land Use Maps to include the subject area.

Florida Statute 171.044 provides that:
Voluntary annexation

The owner or owners of real property in an unincorporated area of a county which is contiguous to a municipality and reasonably compact may petition the governing body of said municipality that said property be annexed to the municipality.
Upon determination by the governing body of the municipality that the petition bears the signatures of all owners of property in the area proposed to be annexed, the governing body may, at any regular meeting, adopt a nonemergency ordinance to annex said property and redefine the boundary lines of the municipality to include said property. Said ordinance shall be passed after notice of the annexation has been published at least once each week for 2 consecutive weeks in some newspaper in such city or town or, if no newspaper is published in said city or town, then in a newspaper published in the same county; and if no newspaper is published in said county, then at least three printed copies of said notice shall be posted for 4 consecutive weeks at some conspicuous place in said city or town. The notice shall give the ordinance number and a brief, general description of the area proposed to be annexed. The description shall include a map clearly showing the area and a statement that the complete legal description by metes and bounds and the ordinance can be obtained from the Office of the City Clerk.

PRIOR ACTION:

None.

FUNDING:

None.

FINANCIAL IMPACT:

The City would receive stormwater, ad valorem, and public service tax revenues where applicable from the subject parcels as well as from any future improvements.

New Business –

Request to Consider a Zoning and Future Land Use Map Amendment for the Voluntary Annexation of Two Parcels Owned by the City of Pensacola

Assistant Planning & Zoning Manager Harding introduced the item. Mr. Matt Coughlin, Pensacola International Airport Director, has requested that the City approve a voluntary annexation to incorporate the two parcels located at 2400 BLK Langley Avenue into the City limits. The annexation request for the subject parcels took place at the April 24 and May 8, 2025, City Council meetings. The parcels are contiguous to the city limits, located along Langley Avenue, and encompass approximately 0.4347 acres. The request indicates that the future plans for the parcels are to incorporate them into Pensacola International Airport property.

These parcels will require a map amendment to establish a zoning district and future land use map (FLUM) designation.

The city reviewed the adjacent zoning district for the proposed use and recommends "airport restricted zone" (ARZ) for the new zoning district and "Airport" (A) for the future land use category. City Departments have confirmed that there are no concerns with providing services to the area. After the overview, there were no concerns from City staff, the location was verified, no residential home around the area. **Board Member Villegas made the motion to approve, seconded by Board Member Powell, and it carried 5:0.**

Request to Consider a Zoning and Future Land Use Map Amendment for the Voluntary Annexation of three Parcels Owned by James -Oliver LLC

Assistant Planning & Zoning Manager introduced the item. The City has received a request for voluntary annexation from James-Oliver, LLC for property located at 3728 and 3800 BLK Creighton Road (O'Riley's Uptown Tavern). The parcels that make up the site are partially inside the City limits and partially in unincorporated Escambia County. PPD has confirmed that approval of the annexation request will help resolve Pensacola Police Department jurisdictional issues caused by the current City limit line dividing this commercial site. The first ordinance reading for the annexation request took place at the May 22, 2025, City Council meeting and the second ordinance reading will be on June 12, 2025. The parcels are contiguous to the city limits, located along Creighton Road, and encompass approximately 1.5161 acres.

These parcels will require a map amendment to establish a zoning district and future land use map (FLUM) designation.

The city reviewed the adjacent zoning district for the proposed use and recommends "commercial" (C-1) for the new zoning district and "Commercial" (C) for the future land use category. City Departments have confirmed that there are no concerns with providing services to the area. The building itself is in the City limits, the parking lot is currently in the County, the goal is to make it contiguous and allow the City of Pensacola Police department to have jurisdiction of the parking lot along with the building. There was a brief discussion of the history of the zoning parcels in question. The City did receive a few calls only to see what was going to be discussed.

Board Member Villegas made a motion to approve, seconded by Board Member Powell and it carried 5:0.

Request for Final Aesthetic Review – Reverb by Hard Rock Project, 352 W. Cedar Street/ Community Maritime Park, Lot 5

Inspired Communities of Florida is requesting *final aesthetic* review of a new mass-timber luxury apartment building and Reverb by Hard Rock hotel. Aesthetic review by Planning Board is required since the project is located in the Waterfront Redevelopment District (WRD-1). This project will utilize Florida's Live Local Act which allows for increased density and height for the provision of affordable housing units. As a result, and under the Live Local Act, a building height of 150' measured from the lowest occupiable floor is allowed by right, along with a density of 135 dwelling units per acre. This review is only for aesthetics.

This application has been routed through the various City departments and utility providers. The comments received to date have been provided within your packet.

Assistant Planning & Zoning Manager Harding introduced the item. Dennis Pemberton of the Dawson Company informed the board there would be a brief slide presentation and addressed the addition of windows to the building. Lester Yuen, design director for Gensler, then presented the slides to the board. The beginning of the slide presentation was of site plans showing an arial view of the existing conditions on the lot. The board wants more street activation, and they are providing that. A site planning diagram was shown; it gave a breakdown of the square footage and acreage of lot 4. They provided comparison slides, including slides shown in March and slides showing the changes that were made. They added pop-down retail along DeVilliers, these would be temporary and tucked under the building above them. A change was made to the paving pattern to make it more appealing. Next slide showed the plaza level, they lifted all three levels of parking, they are eight feet higher than previous plans. The board and audience then viewed slides of the typical level, the rooftop level, followed by the landscape plan and the planting plan. The East elevation will be the Hotel, presented with slides showing the materials being used, and for the West elevation, which is the residential side. North elevation may have a digital screen showing artwork, will not be used for advertising or brand recognition. Also, we saw a breakdown of all the levels in each building. The hotel section has not changed; the goal is to be a gathering place. The final slides provided a perspective of what is to come. Clarification of the height above the podium, confirmed it would be 150 feet. Board Member Van Hoose wanted to know about the issue of an escalator, the cost of building was too expensive and the repairs from damage being so close to salt water were not cost effective. They would be providing elevators for the public to use in place of an escalator. There will be bike storage for residents only, they will work on providing bike racks for the public. The lowest level was raised, and they were able to squeeze a few feet from the height of the residents to raise the parking levels so they would not be underground. A discussion was held about the pop-downs, the applicants feel it's preferable, they'll have access to power and water. It gives retailers flexibility, no need for long term leases, they will be able to be customized. Board Member Powell appreciated them addressing the permeable materials, she likes the digital artwork idea. The stormwater management site has an existing retention pond; they will tie into that. They had a brief discussion on why parking is an open area, they feel it brings in lighter and is airy. The delivery door will be painted to blend in with the building, they also discussed why some walls and doors are painted and some are not, discussed the reason behind it. They are above floodplain, briefly discussed the barrier materials in the parking lot.

Board Member Villegas made a motion to approve, seconded by Board Member Powell and it carried 5:0.

RESOLUTION

SPONSOR: DC Reeves, Mayor

SUBJECT:

RESOLUTION NO. 2025-52 - APPROVAL OF TWO (2) APPLICATIONS TO FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION (FDEP) RESILIENT FLORIDA GRANT PROGRAM 2025-2026 - STORMWATER IMPROVEMENT - WEST STRONG STREET AND NORTH "R" STREET & WEST MAIN STREET FROM "B" STREET TO "G" STREET

RECOMMENDATION:

That City Council adopt Resolution No. 2025-52:

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PENSACOLA, FLORIDA TO APPROVE THE CITY'S APPLICATION TO THE FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION'S RESILIENT FLORIDA GRANT PROGRAM; AUTHORIZING GRANT APPLICATIONS.

HEARING REQUIRED: No Hearing Required

SUMMARY:

This action will advance City of Pensacola Strategic Plan Goal #4: Resilient Waterfronts & Neighborhoods.

As a coastal community, the City of Pensacola bears disproportionate negative environmental and economic impacts associated with tropical events and sea level rise. The Public Works Department continues to make great strides to maintain and improve the City's capacity to effectively manage and mitigate the community's stormwater needs.

Signed into law in 2021, the Florida Department of Environmental Protection's Resilient Florida program provides discretionary funds to local governments to undertake resilience projects that protect inland waterways, coastlines, and shores, which serve as invaluable natural defenses against sea level rise.

The City's fiscal capacity to complete needed stormwater infrastructure projects has been expedited through the infusion of Resilient Florida grant program funding since 2022. Resilient Florida grants may provide up to 50% of a proposed project's funding, requiring applicants to

source the project's remaining costs through other means. The City utilizes Stormwater Assessment funds as match, essentially maximizing the impact the locally levied funds make in our community.

The City plans to submit two stormwater improvement projects for Resilient Florida grant funding consideration prior to the September 1, 2025, deadline. One is centered around the intersection of W Strong St and N R St, and the other is focused on W Main St, from B St to G St. The projects are strongly aligned with City of Pensacola's stormwater improvement priorities as well as Resilient Florida program priorities.

Demonstration of our local government's support of these projects through resolutions such as this one strengthens our applications to the already highly competitive Resilient Florida grant program.

	$900,000	W Main Street Phase III Stormwater Imp. (Resilient Florida Funds)
	$3,300,000	Total

FINANCIAL IMPACT:

There is a 50% match requirement for this grant opportunity to which we are applying.

This resolution demonstrates City Council's support for applying for Resilient Florida grant funding for these two projects. Should the projects be selected for award, funding for 50% of each project will be provided through the Florida Department of Environmental Protection on a reimbursable basis upon task completion outlined in a formal grant agreement. The remaining 50% of each project will be provided through the City's Stormwater Improvement Funds.

As the City is in the application stage for discretionary grant funding, no supplemental budget resolution is required at this time.

RESOLUTION
NO: 2025-52

A RESOLUTION
TO BE ENTITLED:

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PENSACOLA, FLORIDA TO APPROVE THE CITY'S APPLICATION TO THE FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION'S RESILIENT FLORIDA GRANT PROGRAM; AUTHORIZING GRANT APPLICATIONS.

WHEREAS, the Florida Department of Environmental Protection administers a grant program pursuant to Section 380.093, Florida Statutes known as the "Resilient Florida' program;

WHEREAS, the Resilient Florida grant program provides discretionary funding opportunities to local governments desiring to undertake resilience projects that protect inland waterways, coastlines, and shores, which serve as invaluable natural defenses against sea level rise;

WHEREAS, The City of Pensacola seeks to apply for grant funding to enhance our capacity to undertake and complete local resilience projects;

WHEREAS, two stormwater improvement projects proposed by the Public Works Department—one surrounding the intersection of W Strong St and N R St, and another along W Main St, from B St to G St—are strongly aligned with The City of Pensacola's stormwater improvement priorities as well as Resilient Florida program priorities; and

WHEREAS, the Pensacola City Council approves application under the 2025-2026 Resilient Florida program;

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF PENSACOLA, FLORIDA:

Section 1. City Council supports submitting applications to the Resilient Florida grant program for the following two proposals:
