DIRECTOR'S REPORT

Director Cooper welcomed Michael O'Donovan to the Parks and Recreation Board.

Director Cooper brought the following updates:

- * Kiwanis Park Dog Park is nearing completion in phase of ordering and installing sensory guard.
- * Sanders Beach and Community Maritime Parks projects from Hurricane Sally Restoration will begin work soon.
- * McGee Field is progressing nicely. Beginning the scope of work for the renovation of the educational center.
- * Roger Scott Tennis Center city council ask that the parking lot not be

installed at this time therefore no trees will need to be removed for stormwater.

* Hunter Pool bids come in higher than estimated and will go to council to allocate additional funding.

* Skate Park designs will be complete soon.

* Bayview Playground and Sanders Beach Playground, equipment is being ordering this month. Long Hollow Playground last to be installed.

* Osceola Pole Barn on agenda for tonight's city council meeting.

Discussion followed with the board having access to review plans at 30% and at 60% to discuss and make recommendations to staff and to speak to the public on projects going forward.

STAFF REPORTS

Capital Improvement Project Update

David Forte, Duty City Administrator brought a presentation with updates on Capital Improvement projects:

* Community Maritime Park Hurricane Repair project began construction last week and anticipate completion in April 2022.

* Burgess Road Sidewalk project is under way and also anticipate this project to be completed in April 2022. This project is a collaboration with the City of Pensacola, Pensacola Energy and Escambia County.

David turned over the presentation to Caitlin Cerame, Transportation Planner.

Caitlin brought a presentation with updates on the Active Transportation Plan:

* On December 10th, the city advertised a Request for Qualification for Professional Consulting Services for the development of an Active Transportation Plan. To include major points covered from last October's presentation the analysis of existing conditions, strong public engagement portion to allow early engagement and often, and develop design standards and preferred treatments as a guide for neighborhood collectors, bike boulevards, and connections to major neighborhoods and destinations. Also to have a implementation plan to prioritize short term and long term projects. Selection committee will be put together to review proposals.

* The city is looking at a safety audit for Langley Avenue from Spanish Trail to west of Hilltop. Will work with community and consultant to look at data from focus areas such as the Leesway and Hibiscus Road intersection to see how well they are operating and look at ways to improve safety by

looking at the crash data, traffic volume, and bike ped counts. City has received some feedback to recognize when events are taken place and how surrounding businesses in area increases traffic. Working on scope of work and will utilize one of the continuing consulting services to assist with this soon.

David continued with updates on the following Capital Improvement Projects:

- * Hashtag Project, Phase 1 have 100% plans to review and will go out to bid after first of year.

- * Bruce Beach, Phase 1 (eastern half of park) we have 100% plans and will go out to bid after first of year. Phase 2 (western half of park) we have 60% plans. Will time project so Phase 1 will end as Phase 2 is beginning. Member O'Donovan asked about the plan for the mound located at Bruce Beach. David stated the plan is to keep it as natural as possible the mound is located in the western half of park so it is still in design.

- * Skate Park Project anticipate advertising for bid January.

- * Garden Street Landscaping from Alcaniz to A Street along Garden. Will go to council next month to award project.

- * Arborist selection process is underway with second round of interviews with two individuals to take place next week.

- * Community Maritime Park Day Dock Marina was award \$3.1 million through DEP Gulf Restoration Organization working through the draft agreement.

- * Micromobility scooters, staff will go to city council next month with changes to the pilot program to reduce some of the complaints received in reference to reckless and nighttime riding. Will ask city council to prohibit night time riding from 10:00P.M to 5:00A.M. Also, we would want to modify where riding can to be allowed by prohibiting sidewalk riding. We are at 6 months into a one-year pilot program. Member Escobar-Ryan asked about who would enforce reckless activity. Caitlin stated there are multiple ways to report this activity. On the City's website, an email address and a 800 number is listed to contact Bird and it can be reported through City of Pensacola 311. If you have the app, you can go into the Community Mode it allows anyone with a Bird account to report or provide feedback. Presently working to implement a unique ID for the scooters to make it easier to identify. Implemented a slow zone to 10MPH in downtown core area 7 days a week from 10:00A.M. to 4:00P.M. and also implemented a three strike policy if the user is abandoning in restricted areas or if going beyond geo-fence areas. Certain areas have been geo-fenced such as the parking garages, and big events will be temporary geo-fenced.

Chairperson Hicks has concerns for safety he would like to raise the element of awareness through an educational campaign on scooters and bicyclist. Would like to have biking tips and safety tips on Parks and

Recreation website and suggested having media time on WUWF and WEAR3.

David reported data from Bird that from July to October there were 17,600 unique riders over 41,000 rides, and 86,549 total miles have been ridden on scooters so from an environmental standpoint 42,000 pounds of CO2 was saved.

David reminded board members that on the City's website there is an interactive dashboard of Capital Improvement Projects that is updated monthly by Public Works and Parks and Recreation departments.

Battle at Bayou Texar, First Seminole War, April 1818

In the closing phases of the First Seminole War (1817-1818), a U.S. supply boat ascending the Escambia River from Pensacola, bound for American Fort Crawford (East Brewton, AL), was attacked by hostile Creeks. This prompted Major White Youngs at Fort Crawford to launch an April 1818 assault by American forces into Spanish Florida, the target being several Creek encampments on Bayou Texar, only a mile from Spanish Pensacola. Without Creek warriors present to protect them, Youngs' assault on Bayou Texar resulted in around 30 Creek women and children being massacred. This action on Bayou Texar partially prompted General Andrew Jackson to march his troops westward from St. Marks, where he captures Pensacola and the Spanish fortifications in May of 1818, bringing an end to major military events in the war and convincing Spain of the futility of holding onto their colony of Florida.

MEMORANDUM

To: Parks and Recreation Board

From: Gregg Harding, Historic Preservation Planner **GH**

Date: January 6, 2022

Re: **Review for historical accuracies of the proposed "Battle at Bayou Texar, First Seminole War, April 1818" marker**

I have reviewed the proposed marker text and have corresponded with Dr. Brian Rucker, history professor at Pensacola State College. The proposed text appears to be an accurate overview of the April 1818 attack and its significance in bringing Andrew Jackson to Pensacola and ultimately leading to Spain's abandonment of Florida.

Subj: LETTER OF SUPPORT ICO MVSKOKE PARK AMENITY DEDICATION

January 7, 2022

It brings me great pleasure to write to the city of Pensacola requesting approval of the Mvskoke Park Amenity that has been requested by Chief Dan Helms of the Santa Rosa Creek Tribe.

This placard that will be placed in Bayview Park is a remembrance of the history of our community and how we became the diverse and culturally rich community that we are. We should not erase the history of our ancestors, we should celebrate it and embrace the journey. Through history, we can learn how past societies, systems, ideologies, governments, cultures and technologies were built, how they operated, and how they have changed. The rich history of the world helps us to paint a detailed picture of where we stand today.

I am grateful for the opportunity to have this brought before the board and am looking forward to a beautiful unveiling in Bayview Park.

Regards,

SUBJECT:

REFERRAL TO PARKS AND RECREATION BOARD - ROGER SCOTT ATHLETIC COMPLEX TREE PROTECTION PLAN

RECOMMENDATION:

That City Council refer to the Parks and Recreation Board for review, discussion and recommendation the idea of a Roger Scott Athletic Complex Tree Protection Plan Ordinance that would be similar Ordinance No. 36-20, protecting the wooded area at Hitzman Park that was passed by City Council.

HEARING REQUIRED: No Hearing Required

SUMMARY:

This item refers to the Parks and Recreation Board for review, discussion and recommendation the idea of creating an ordinance similar to Ordinance No. 36-20, for the Roger Scott Tennis Center wooded area.

Ordinance No. 36-20 served to protect the wooded area at Hitzman Park.

This referral seeks to get a recommendation from the Parks and Recreation Board as to the desire

and potential protections to be included.

Once Council receives the recommendation from the Board, Council staff along with Parks and Recreation staff and the City Attorney's Office will draft a proposed ordinance.

PROPOSED
ORDINANCE NO. 48-20

ORDINANCE NO. 36-20

AN ORDINANCE
TO BE ENTITLED:

AN ORDINANCE CREATING SECTION 6-3-21 OF THE CODE OF THE CITY OF PENSACOLA, FLORIDA; RESTRICTING DEVELOPMENT AT HITZMAN-OPTIMIST PARK; PROVIDING DEFINITIONS; PROVIDING FOR SEVERABILITY; REPEALING CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, Hitzman-Optimist Park (the "Park"), located at 3221 Langley Avenue, is a city owned and maintained recreational facility that is open for public use and is accessible for people for all ages and abilities, with amenities not limited to but including athletic fields, restroom facilities, playground equipment, a disc golf course, and a walking path; and

WHEREAS, the City of Pensacola is committed to providing privacy and enjoyment to neighbors of the Park by means of natural foliage and ensuring protection to the existing wooded areas of the Park; and

WHEREAS, the City Council and City of Pensacola finds that it is in the public interest to endorse a limitation declaration that will prohibit the future development of parking lots, playing fields, or other improvements in the currently wooded area of the Park, once the current park renovations are complete.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY OF PENSACOLA, FLORIDA:

SECTION 1. Section 6-3-21 of the Code of the City of Pensacola, Florida, is hereby created to read as follows:

SECTION 6-3-21. Hitzman-Optimist Park Development.

1. Definitions.

(a) *arborist* means an arborist that has been certified by the International Society of Arboriculture (ISA).

(b) *park* means the parcels comprising Hitzman-Optimist Park.

(c) *wooded area* means the shaded area designated as "wooded area" in the following illustration:

2. Restrictions on the wooded area.

(a) Audit. There shall be a moratorium in the wooded area at the park on the removal of trees that are a minimum of 3 inches DBH (Diameter Breast Height) until there is an audit during 2021 of the existing trees in the wooded area, which shall include the species of the tree and the DBH of the tree. The audit shall serve as a baseline for the preservation of trees within the park. The audit shall be provided to the city council and kept in the records of the parks and recreation director. Beginning in calendar year 2027 and every five years thereafter, a tree inventory of the wooded area shall be conducted during or between May through September and provided to city council. For calendar years during which no audit occurs, the parks and recreation director shall provide to city council during the summer a reconciliation of trees, including location, species, and reason for placement or removal, added and removed from the park during the months since the last reconciliation or audit report was created.

(b) Restrictions. There shall be no encroachment into the wooded area created by the construction of additional athletic fields or other development within the park. Trees shall only be removed for the reasons stated in this section unless an exception applies or approval of the city council is obtained.

(c) Exceptions. No tree shall be removed from the wooded area without notice to the parks and recreation board with the exception of trees that pose a probable

risk to persons or property as verified by an arborist. If a tree poses an imminent risk to persons or property, then the City may take immediate action without verification by an arborist or approval by city council. Upon removal of any trees within these exceptions, notice shall be sent to the parks and recreation board and to city council.

(d) Maintenance. Maintenance, such as pruning, in the wooded area of any heritage tree or protected tree as defined by section 12-6-2 and section 12-6-6, respectively, shall be conducted in a manner approved by an arborist. Maintenance of trees that are not protected and not heritage trees will be pruned pursuant to ISA standards, ANSI A300 standards, or other current industry standards for prevention or elimination of insects, disease, and decay and to establish healthy growth patterns. If a branch or other part of a tree poses an imminent threat to persons or property, then the City may take immediate action without approval by an arborist or city council.

SECTION 2. If any word, phrase, clause, paragraph, section or provision of this ordinance or the application thereof to any person or circumstance is held invalid or unconstitutional, such finding shall not affect the other provision or applications of the ordinance which can be given effect without the invalid or unconstitutional provisions or application, and to this end the provisions of this ordinance are declared severable.

SECTION 3. All ordinances or parts of ordinances in conflict herewith are hereby repealed to the extent of such conflict.

SECTION 4. This ordinance shall take effect on the fifth business day after adoption, unless otherwise provided, pursuant to Section 4.03(d) of the City Charter of the City of Pensacola.
