PUBLIC HEARING

SPONSOR: DC Reeves, Mayor

SUBJECT:

PUBLIC HEARING - DISPOSITION OF ALICE S. WILLIAMS CHILDCARE (1015 N E STREET)

RECOMMENDATION:

That City Council conduct a public hearing on April 23, 2026 regarding the disposition of real property located at 1015 N E Street, Pensacola, FL 32501 (Parcel ID 000S009060013048), in accordance with Chapter 163, Part III, Florida Statutes.

HEARING REQUIRED: Public Hearing Required

SUMMARY:

This project will advance City of Pensacola Strategic Plan Goal # 3: Support for Youth Experiences and #8 Neighborhoods that celebrate Culture and Honor Legacy. The project will also advance the 2025 Westside Redevelopment Plan's, "Revitalize Cultural Landmarks & Historic Buildings" under Neighborhood Development and "Community Facilities" under Open Space and Community Amenities.

The former Alice S. Williams Library building at 1015 North E Street was previously advanced for restoration through an African American Cultural and Historical grant awarded by the Florida Department of State and Westside CRA bond proceeds. On April 7, 2025, the CRA Board approved the restoration plans and authorized issuance of the construction solicitation. Following procurement, the CRA Board authorized award of the construction contract to Sessions Contractors Group, Inc.

To advance the project, City staff issued Request for Proposal No. 26-004 on November 7, 2025, seeking qualified firms to establish and operate a high-quality infant childcare program for infants under one year of age at the property. In furtherance of the required disposition process, a Notice of Intent to Dispose of Real Property was published in the Pensacola News Journal on November 24, 2025. Proposals were due on January 6, 2026, and staff received one response on January 2, 2026, from Community Action Program Committee, Inc. The selection committee met on January 22, 2026, and following evaluation and scoring of the written submittal recommended award to Community Action Program Committee, Inc. The

Notice of Intent to Award and written submittal scoring are attached. The selection committee was comprised of Theresa Cserep, Andrea McKiven and Reba Smith.

The RFP contemplates that the selected operator will establish and operate the childcare program at the former Alice S. Williams Library site under a lease agreement with the City. Community Action Program Committee, Inc. was recommended for selection because its proposal was found to best satisfy the solicitation requirements and advance the intended public purpose of the project. The proposal demonstrated the ability to expand access to high-quality infant care, provide supportive services for caregivers and families, and strengthen connections to healthcare, education, and workforce resources. In addition, the organization demonstrated a strong track record, qualified personnel, and the capacity necessary for long-term operation and stewardship of the facility.

Staff is working towards the next steps for project implementation, including potential lease terms and operational considerations, with final details continuing to be refined. The property is anticipated to be leased for below-market value in order to support the feasibility of the intended use. In furtherance of its redevelopment objectives, the CRA is expected to be requested to assume responsibility for certain maintenance obligations beyond those of the tenant. Consistent with applicable City and CRA disposition requirements, staff anticipates initiating the disposition process at the April 23rd City Council meeting, with the proposed lease and related agreements to be presented to the CRA and Council for approval in May.

PRIOR ACTION:

October 10, 2022 - CRA Board approved the reallocation of $300,000 of 2017 Westside Redevelopment Revenue Bond funds to the Alice S. Williams project.

October 13, 2022 - City Council approved the acceptance of the AACH grant award in the amount of $500,000.

April 7, 2025 - CRA Board approved the 100% design plans and authorized the bid solicitation, in keeping with their approval process for CRA-funded projects.

July 15, 2025 - CRA Board approved an additional $250,000 reallocation of 2017 Westside Redevelopment Revenue Bond funds to the Alice S. Williams project and authorized award of construction contract to Sessions Contractors Group, Inc.

July 17, 2025- City Council approved the construction contract with Sessions Contractors Group, Inc.

April 3, 2026 - The CRA received an update on the project.

FUNDING:

FINANCIAL IMPACT:

Project funding for renovation of the Alice S. Williams property has previously been approved through the African American Cultural and Historical grant and 2017 Westside Redevelopment Revenue Bond proceeds. Any additional financial impacts associated with lease obligations, maintenance responsibilities, or future site improvements will be evaluated as negotiations progress.

Questions and Answers

Q. Is it a disqualifier if there is not the ability to accept military/DOD vouchers?
A. Yes. Operators must *"Accept and be able to process military and federal childcare vouchers, which may include but are not limited to Military Child Care in Your Neighborhood (MCCYN), Child Care Aware of America, and Florida's School Readiness of Program (SR). (If the respondent does not currently possess the ability to accept and process military and federal childcare vouchers, please attach an addendum that articulates how this will be achieved. Receipt of supporting documentation of ability to accept and process military and federal childcare vouchers must be provided within six months of award, or this may be considered cause for termination.)"*

Q. Headstart is federally funded and only serves caregivers that are low- income and receives vouchers. They might be military families but do not need military vouchers due to their low income. Therefore, we do not currently accept military vouchers. Would this be a disqualifier?
A. Yes. However, there is the ability for Headstart to participate in military voucher programs for extended care or wraparound care. This would have to be approved by the military's fee assistance program.

Q. Is it a disqualifier if the operator is not Gold Seal certified?
A Yes. Operators must *"Hold and maintain Gold Seal Quality Care Accreditation. (If the respondent does not currently possess the Gold Seal Quality Care Accreditation, please attach an addendum that articulates how accreditation will be achieved. Receipt of accreditation must be provided within six months of award, or this may be considered cause for termination.)"*

Q. What if we meet all the criteria for Gold Seal Quality Care Accreditation but do not have the accreditation?
A. The RFP allows the ability to *"attach an addendum that articulates how accreditation will be achieved"*.

Q. Does the Gold Seal Certification have to be NAEYC certification?
A. No. There is not a specified certification within Gold Seal.

Q. Has the physical space been measured?
A. Yes. A site visit and building floorplan were made available during the walkthrough.

Q. Has DCF Licensing come into and inspected the building?
A, No. DCF has not conducted a licensing inspection or official capacity determination. The building is under construction and is not ready for occupancy. The capacity estimates were formulated using DCF Childcare Licensing policy and Florida State Statute (construction specs, state requirements of 35 square feet per child, and infant rations of 1:4).
The City of Pensacola used architectural drawings and DCF space requirements to generate early estimates. Final usable- space calculations will be made by DCF during the licensing process.

Q. Are there other initiatives from the City of Pensacola that will be awarded to the operator?
A. No additional direct financial incentives are currently included beyond the lease. Educational partnerships and community partnerships are being explored. Opportunities may emerge through the Mayor's Childcare Access Program. Any additional support will depend on sustainability and availability of resources.

Q. Is the City expecting the operator to prioritize profitability?
A. The primary goal is to increase safe, high-quality childcare access particularly for infants. Financial or business model questions should be directed to external business consultants (e.g. the Small Business Development Center at UWF).

Q. What is the City of Pensacola doing to improve the financial feasibility of operating a childcare center that focuses on infant care?
A. The City plans to provide the use of the building at a decreased lease, which significantly reduces overhead costs. This leaves the operator primarily responsible for labor costs.

Q. Will the building be fully furnished by the City of Pensacola prior to occupancy before the bid is awarded?
A. No.

Q. What rooms in the facility are intended for childcare are which rooms are intended for parent or staff services?
A. There is one primary childcare room that is the largest space to be used for direct childcare services. There is one smaller room that may be used for additional services such as but not to be limited to services such as caregiver services, preventative screenings, staff training, but not direct childcare services. There is a kitchen, restrooms, and an entry room. The building is equipped with WiFi, cameras, and up to fire code.

Q. Is there an internal team making decisions about Alice S. Williams Library?
A. There was no standing task force prior to the RFP. Planning has been led by the Office of the Mayor and staff overseeing childcare access initiatives, informed by Childcare Summit feedback. A selection committee is in place for this RFP.

Q. Where did the decision to focus on infants originate?
A. The decision came from broad data showing the extreme shortage of infant care. Items included but were not limited to facility suitability analysis, DCF safety and fatality date, community need, slot availability review, and workforce and economic development goals.

Q. Why is Alice S. Williams Library focusing on infants 0-1?
A. Data from the Childcare Summit, DCF statistics, and the City's feasibility analysis show that 0-1 is the most needed childcare age group in Pensacola with the fewest available slots. Infant fatalities and safety incidents statewide and in our Circuit are highest in this age bracket. Parents begin searching for accessible childcare for their infants during pregnancy and often without locating an available slot. This facility is best suited for infant care versus other age ranges at this time.

Q. Will UWF, PSC, or high school career academy programs be sending students to the center to complete required field hours?
A. There has been interest expressed, but no guaranteed staffing pipeline can be promised. The goal is that partnerships will continue developing, and operators will have opportunities to host students for practicums, internships, and clinical hours.

Q. Will the center primarily serve families that utilize vouchers?
A. As there are no families yet enrolled, it is too early to determine. Based on income data from the Haas Center study and the surrounding area's demographics, it is likely that the center will likely serve caregivers that utilize vouchers. However, enrollment policies will be determined by the operator to ensure accessibility and fairness.

Q. Will this center solve the childcare shortage?
A. No. There is no single center that can solve the entire shortage. Alice S. Williams Library is intended to serve as a first step in increasing access to infant childcare and increasing child safety, a data source for shaping future funding and community partnerships, and as a prototype model for expansion.

Q. What can the operator expect from the City of Pensacola?
A. A remodeled, city-owned facility that decreases overhead and operational costs. A mutual commitment to high-quality and safe childcare. Engagement with educational and community partners.

Q. Why open a new childcare center instead of just investing funds into existing childcare centers?
A. Many existing centers provide strong care, but staffing shortages, especially credentialed infant teachers and current business models limit their ability to open to sustain infant rooms. The City cannot subsidize operations of private entities but can leverage publicly owned buildings to create new access points without requiring private centers to assume facility debt or high rents while concurrently creating opportunities for training, workforce development, and access to services.

Q. Can subject matter experts such as local providers be included in the City's planning conversations?
A. Yes. The City held Childcare Summits to hear what was limiting access to childcare and how to address it and intends to continue engaging experts as a part of the planning process.

Q. Will this center serve the entire community to primarily nearby families?
A. It is too early to determine. Many families may come from the immediate geographic area, but the center is intended to support the entire community regardless of income, including private-pay, military, and voucher-eligible families.

RE: Alice Williams Childcare RFP

Organizational Profile and Background

The Community Action Program in Pensacola, known as the **Community Action Program Committee (CAPC)**, started in 1965 as Florida's official incorporation, a local part of President Lyndon B. Johnson's 1964 "War on Poverty," aiming to fight poverty through local empowerment and services like Head Start, job training, and energy assistance, evolving over decades with local leadership and facing challenges, but continuing its mission of fostering self-sufficiency for Escambia county residents.

Mission & Services

- **Core Goal:** To help low-income individuals and families achieve self-sufficiency.
- **Key Programs:** CAPC provides job training, education, energy assistance (like LIHEAP for power bills), health care support, and operates The Head Start Program.

Structure & Operations

- **Board Structure:** Like other CAAs, CAPC is governed by a federal mandate for a "tripartite" board, including low-income residents, public officials, and private sector leaders, ensuring local control and accountability.

Memo For the Record

To Whom It May Concern

The Community Action Program Committee upon selection will make application for the Gold Seal Accreditation. This agency does meet the criteria.

Head Start programs do not participate in Florida's Gold Seal Quality Care system because Gold Seal applies only to state-licensed child care facilities. Head Start is federally regulated and therefore exempt from state licensing requirements.

Although we are not eligible for Gold Seal, our program follows the Head Start Program Performance Standards, which provide rigorous federal requirements for health and safety, teacher qualifications, curriculum, family engagement, and continuous improvement. These standards meet or exceed the expectations associated with Gold Seal accreditation.

Our commitment remains to deliver high-quality, safe, and developmentally appropriate services for every child and family we serve.

Memo For the Record

Re: Staff Planning for the Alice Williams Childcare project

To whom It may concern:

The Community Action program employs approximately twenty staff members that hold the National Infant Toddler CDS or FCCPC birth to five credentials for our Early Head Start Program. This age group is birth to three.

The Head start program, which is 3 to 5 years in age a teacher is required to at a minimum hold an Associate of Arts degree along with 18 hours or 6 credits in early childhood education.

The agency currently has 8 staff members that hold a Center Directors credential.

This pool of staff members will hold all the credentials needed by the Office of Head Start and the Department of Children and families to facilitate and license this location.

Memo For the Record

Re: Military Voucher Acceptance Program

To Whom it May Concern:

Currently the Community Action Program Committee, Inc. under the Office of Head Start regulations, cannot accept Military Vouchers.

The goal will be to request a waiver to provide as defined below.

The Military Child Care in Your Neighborhood (MCCYN) fee assistance program is funded by DOD and the U.S. Coast Guard to help eligible military-connected families access affordable childcare when they cannot access military-operated childcare due to distance or waitlists. With MCCYN fee assistance, a portion of your childcare costs is paid to offset the costs of community-based care. This makes it easier for military-connected families to afford quality childcare from local community providers.

Memo For the Record

Re: Community Partnership

To whom It may concern:

Throughout the past forty years the Community Action Program Committee has had the opportunity to cultivate and build many Community Partnerships. Currently we house modulars with Head Start and Early Head Start classrooms on three Escambia School District Elementary school sites. CAPC also partners with Title one with the school district in 4 locations.

Currently we house a Head start classroom at the Cantonment location of Community Health located at 470 S. Hwy 29 cantonment Fl.

Additional ongoing partnerships are the Early Learning Coalition, Career Source Escarosa, and Escambia County Healthy Start Coalition.

The Escambia Children's Trust In a 5-0 vote at the monthly meeting on Tuesday, the Children's Trust executive board approved the Community Action Program Committee's (CAPC) matching grant application for funds that will be used to stabilize Head Start/Early Head Start program's workforce by retaining early education teachers and staff in Escambia County.

Escambia County Public Schools Superintendent Keith Leonard made the motion, which was seconded by Stephanie White. Board members Tina Cain, Rex Northup and Tori Woods supported the measure.

Board member David Williams abstained from voting because he serves on CAPC's executive board.

CAPC oversees Escambia County's Head Start/Early Head Start program that provides free early-childhood education to families in need. The funding will be used for the current program year, which runs from Dec. 1 through Nov. 30, 2026.

The Community Action Program Committee currently holds an active license at seven geographic locations that offer 28 classrooms total.

Memo For the Record

Re: History and Experience/Ability to Provide Services

To whom It may concern:

Head Start began as part of President Lyndon B. Johnson's Great Society campaign. Its justification came from the staff of the President's Council of Economic Advisers.

Johnson started the war on poverty shortly after President Kennedy's assassination. The murder shook the nation, and Johnson attempted to gain public trust by passing legacy legislation during the subsequent months. Johnson received an initial briefing from Walter Heller, who informed Johnson of Kennedy's poverty program. By March 1964, the legislation, now known as the Economic Opportunity Act of 1964, had been prepared for Congress. The Office of Economic Opportunity's Community Action Program launched Project Head Start as an eight-week summer program in 1965.

For more than forty years CAPC has administered the Head start program in Escambia County Florida. Beginning in the mid-1980s, CAPC rented two classrooms and outdoor playground space at the Moreno Court Community Center, spaces that were also used by residents on the weekends. An Approximate date of 1985 was the inception of the program at 710 N. "C" Street that subsequently closed in 2024 due to damage from Hurricane Sally.

The Community Action Program Committee currently holds an active license at seven geographic locations that offer 28 classrooms in total. To date CAPC has a staff count of more than 120. Staff requirements for Head Start and Early Head start are:

Early Head Start credentials are a National Infant Toddler CDS or FCCPC and Head Start, which is 3 to 5 years in age a teacher is required to hold an Associate of Arts degree along with 18 hours or 6 credits in early childhood education.

In essence, the Pensacola Community Action Program (CAPC) has a history rooted in the national anti-poverty efforts, focusing on empowering local residents through direct services and resource coordination for over half a century.

Head Start provides High-Quality education

Head Start's educational program is designed to meet each child's individual needs. It also aims to meet the needs of the community served and its ethnic and cultural characteristics.

Every child receives a variety of learning experiences to foster intellectual, social, and emotional growth. Children participate in indoor and outdoor play and are introduced to the concepts of words and numbers. They are encouraged to express their feelings and to develop self-confidence and the ability to get along with others.

The teaching staff is required to have teaching credentials at or above a bachelor's degree. The teaching staff is also required to have 15 hours annually of professional training that links directly to classroom work.

To Whom It May Concern:

The Community Action Program Committee (CAPC) employs approximately twenty Early Head Start staff members who hold the National Infant Toddler Child Development Specialist (CDS) or the Florida Child Care Professional Credential (FCCPC), specializing in birth-to-five development. These educators serve our youngest learners, ages birth to three.

For our Head Start program, which serves children ages three to five, teachers are required to hold at minimum an Associate of Arts degree along with 18 hours (or 6 credits) in early childhood education. In addition, the agency currently employs eight staff members who hold a Center Director's Credential, further strengthening the leadership and instructional capacity of our early learning programs.

Every staff member plays an essential role in supporting CAPC's mission and service delivery. Key responsibilities include:

- Understanding and following all organizational policies, procedures, and safety protocols
- Protecting the confidentiality of client information and safeguarding organizational assets
- Reporting hazards, incidents, or potential risks promptly through established reporting channels
- Participating in required safety and compliance trainings and contributing to a culture grounded in accountability, integrity, and mission-driven service

CAPC remains committed to maintaining a highly qualified workforce that ensures safe, high-quality, and developmentally appropriate services for the children and families we serve.

If you'd like, I can also format this as a formal letter on letterhead, convert it into a narrative for a grant application, or adapt it for a board report or public statement.

Memo For the Record

Re: Operational Plan

Enrollment Plan: Enrollment process involves contacting your local program via their website or phone, completing application forms (online or in-person) detailing income/family status, and submitting required documents like birth certificates and income proof (pay stubs, public assistance letters) for eligibility screening. After initial submission, you'll usually have an interview or home visit to confirm details, with finalization dependent on spot availability and meeting low-income or specific criteria (homelessness, foster care, disabilities).

Staffing is referenced in the Staffing plan but ensuring classroom ratio is in compliance is a must daily.

Hours of operation currently vary from site to site but standard is 07:45am until 02:00pm for Head Start and 07:45am until 04:00pm for Early Headstart

MEMORANDUM

SUBJECT: Alignment of Head Start Program Performance Standards with Department of Defense Child Development Program Requirements

---

Purpose

The purpose of this memorandum is to provide a clear summary of how the **Head Start Program Performance Standards (HSPPS)** align with and meet the requirements of the **Department of Defense (DoD) Child Development Program (CDP)** standards. This information supports ongoing collaboration between our agency and military installations serving families with young children.

Background

Head Start and DoD Child Development Programs operate under separate federal authorities; however, both systems are grounded in the same core principles: **child safety, developmental appropriateness, family engagement, and strong program oversight**. As a result, Head Start programs consistently meet—and in many areas exceed—the expectations established for DoD-operated early childhood programs.

Areas of Alignment

1. Child Health and Safety

Head Start requires comprehensive health services, safety protocols, supervision, sanitation, and emergency preparedness. These requirements align with DoD standards for safe environments, health practices, background checks, and emergency procedures.

2. Education and Development

Head Start implements research-based curriculum, individualized instruction, and ongoing assessment to promote school readiness. DoD CDPs require developmentally appropriate programming and support for children's social-emotional and cognitive development. Both systems emphasize high-quality learning environments and individualized support.

3. Staffing and Training

Both Head Start and DoD CDPs require staff qualifications, ongoing professional development, and comprehensive background checks. Each system maintains strict expectations for staff competency and continuous training.

4. Family Engagement
Head Start mandates family partnership agreements, parent involvement, and community collaboration. DoD CDPs emphasize family readiness, communication, and parent engagement. Both prioritize strong, consistent relationships with families.

5. Program Oversight and Accountability
Head Start governance includes a Board of Directors, Policy Council, and robust management systems. DoD CDPs require command oversight, inspections, accreditation, and continuous quality improvement. Both systems maintain structured oversight and compliance monitoring.

RISK MANAGEMENT PLAN

Community Action Program Committee, Inc. (CAPC) recognizes that effective risk management is essential to safeguarding its people, programs, and mission. The protection and well-being of all personnel, whether receiving services or delivering them on behalf of the agency, shall remain a primary organizational priority. This focus on safety and accountability extends to ensuring compliance with regulatory standards, maintaining continuity of critical services, protecting organizational assets, and preserving the trust of the community. By embedding these principles into daily operations and decision-making, CAPC strengthens its ability to anticipate, mitigate, and respond to risks, creating a safe and resilient environment for staff, clients, and stakeholders alike.

Risk Management Goals

1.Safety and Well-Being of Personnel
The protection and well-being of all individuals engaged in or receiving CAPC services shall remain a top priority. This emphasis on safety will be communicated consistently across the organization to ensure shared understanding and accountability.

2.Program and Service Continuity
CAPC will maintain strategies that align with our mission and minimize risks of disruption to critical services, ensuring that essential community programs continue to operate even in the face of emergencies or unexpected challenges.

3.Regulatory and Compliance Assurance
CAPC will uphold compliance with all applicable federal, state, and local requirements, as well as CSBG, LIHEAP, WAP, and Head Start program standards. Clear documentation and oversight will safeguard the organization against noncompliance risks.

4.Financial Stewardship and Asset Protection
CAPC will safeguard its financial resources, technology, property, and other organizational assets against misuse, fraud, or loss, ensuring funds are directed toward mission-driven activities that benefit the community.

5.Data Security and Confidentiality
CAPC will prioritize the protection of sensitive client and organizational data. Strong safeguards will be in place to prevent unauthorized access, ensuring the confidentiality and integrity of information.

6.Reputation and Community Trust
CAPC will actively manage risks that could impact the agency's reputation, credibility, and long-standing trust with the community, partners, and stakeholders.
7.Staff and Board Development
CAPC will promote ongoing training and communication to equip staff and board members with the knowledge and tools needed to identify, mitigate, and respond to risks effectively.

General Safety Principles:
The safety of all personnel engaged in, or receiving, CAPC-sponsored services is regarded as a top organizational priority. This commitment is consistent communicated across the agency to ensure a shared understanding of its importance. CAPC actively engages board members, policy council, staff, and other appropriate personnel in identifying potential risks and developing practical strategies for behavioral or environmental mitigation. By incorporating different perspectives, the organization strengthens its overall approach to risk management and ensures that responsibilities are clearly understood. Staff members are expected to uphold the confidentiality of client information, provide an environment that is safe and secure in all locations of all services. , preserve the integrity of the agency's reputation, and contribute to the safeguarding and growth of organizational assets, while remaining focused on the success fulfillment of CAPC's mission.

Please note a full copy of this Risk Management plan is available upon request.

Memo For the Record

Re: Data and Reporting

To whom It may concern:

The Community Action Program reports to The Office of Health and Human Relations and the Department of Children and Families regarding the administration and licensing for the Head Start Program.

The Community Action Program also reports to the Escambia Children's Trust for the recent grant awarded in November 2025.

CAPC reports on all other programs housed at the agency to The Department of Economic Opportunity.

CAPC recognizes the critical importance of maintaining uninterrupted computer operations to ensure the delivery of its services and programs. To mitigate the risk of data loss, system failures, or other disruptions, CAPC has adopted formal procedures for creating and securely storing system backups.
These procedures are designed to:
Protect Mission-Critical Data: Ensure that essential files, applications, and systems can be restored quickly in the event of loss or damage.
Maintain Business Continuity: Minimize downtime and service disruptions through timely recovery of systems and data.
Ensure Secure Storage: Store backup copies in secure, access-controlled environments—including off-site or cloud-based solutions—to protect against physical damage or cyber threats.
Support Compliance: Meet any applicable legal, contractual, or funding requirements for data retention and security.
Backups are created and tested regularly to confirm that files and systems can be restored reliably. This proactive approach allows CAPC to safeguard its information assets and maintain the continuity of its operations even in adverse circumstances.

LEGISLATIVE ACTION ITEM

SPONSOR: DC Reeves, Mayor

SUBJECT:

DECLARATION OF SURPLUS AND DISPOSITION OF REAL PROPERTY -- 1015 N E STREET

RECOMMENDATION:

That City Council declare surplus the real property located at 1015 North E Street, formerly known as the Alice S. Williams Library, and authorize disposition of the property by Request for Proposal (RFP) for lease pursuant to RFP No. 26-004. Further, that City Council award RFP No. 26-004 to Community Action Program Committee, Inc. (CAPC) and authorize the Mayor to negotiate and bring back a lease agreement.

HEARING REQUIRED: Public Hearing Required

SUMMARY:

This project will advance City of Pensacola Strategic Plan Goal # 3: Support for Youth Experiences and #8 Neighborhoods that celebrate Culture and Honor Legacy. The project will also advance the 2025 Westside Redevelopment Plan's, "Revitalize Cultural Landmarks & Historic Buildings" under Neighborhood Development and "Community Facilities" under Open Space and Community Amenities.

The former Alice S. Williams Library building at 1015 North E Street was previously advanced for restoration through an African American Cultural and Historical grant awarded by the Florida Department of State and Westside CRA bond proceeds. On April 7, 2025, the CRA Board approved the restoration plans and authorized issuance of the construction solicitation. Following procurement, the CRA Board authorized award of the construction contract to Sessions Contractors Group, Inc.

To advance the project, City staff issued Request for Proposal No. 26-004 on November 7, 2025, seeking qualified firms to establish and operate a high-quality infant childcare program for infants under one year of age at the property. In furtherance of the required disposition process, a Notice of Intent to Dispose of Real Property was published in the Pensacola News Journal on November 24, 2025. Proposals were due on January 6, 2026, and staff received one response on January 2, 2026, from Community Action Program Committee, Inc. The

selection committee met on January 22, 2026, and following evaluation and scoring of the written submittal recommended award to Community Action Program Committee, Inc. The Notice of Intent to Award and written submittal scoring are attached. The selection committee was comprised of Theresa Cserep, Andrea McKiven and Reba Smith.

The RFP contemplates that the selected operator will establish and operate the childcare program at the former Alice S. Williams Library site under a lease agreement with the City. Community Action Program Committee, Inc. was recommended for selection because its proposal was found to best satisfy the solicitation requirements and advance the intended public purpose of the project. The proposal demonstrated the ability to expand access to high-quality infant care, provide supportive services for caregivers and families, and strengthen connections to healthcare, education, and workforce resources. In addition, the organization demonstrated a strong track record, qualified personnel, and the capacity necessary for long-term operation and stewardship of the facility.

Staff is working towards the next steps for project implementation, including potential lease terms and operational considerations, with final details continuing to be refined. The property is anticipated to be leased for below-market value in order to support the feasibility of the intended use. In furtherance of its redevelopment objectives, the CRA is expected to be requested to assume responsibility for certain maintenance obligations beyond those of the tenant. The proposed lease and related agreements are expected to be presented to the CRA and Council for approval in May.

PRIOR ACTION:

October 10, 2022 - CRA Board approved the reallocation of $300,000 of 2017 Westside Redevelopment Revenue Bond funds to the Alice S. Williams project.

October 13, 2022 - City Council approved the acceptance of the AACH grant award in the amount of $500,000.

April 7, 2025 - CRA Board approved the 100% design plans and authorized the bid solicitation, in keeping with their approval process for CRA-funded projects.

July 15, 2025 - CRA Board approved an additional $250,000 reallocation of 2017 Westside Redevelopment Revenue Bond funds to the Alice S. Williams project and authorized award of construction contract to Sessions Contractors Group, Inc.

July 17, 2025 - City Council approved the construction contract with Sessions Contractors Group, Inc.

April 6, 2025 - CRA Board received an update on the project.

FUNDING:

N/A

FINANCIAL IMPACT:

Project funding for renovation of the Alice S. Williams property has previously been approved through the African American Cultural and Historical grant and 2017 Westside Redevelopment Revenue Bond proceeds. Any additional financial impacts associated with lease obligations, maintenance responsibilities, or future site improvements will be evaluated as negotiations progress.

Certificates shall be on the "Certificate of Insurance" form equal to, as determined by the City, an ACORD 25. **Any wording in a Certificate which would make notification of cancellation, adverse change or restriction in coverage to the City an option shall be deleted or crossed out by the insurance carrier or the insurance carrier's agent or employee**. If on an ACORD 25 or similar form, the words "endeavor to" and "but failure..." shall be deleted so that the sentence ends with the word "left" or signed endorsements for the cancellation clauses MUST accompany Certificate(s) of Insurance. The Contractor shall replace any canceled, adversely changed, restricted or non-renewed policies with the new policies acceptable to the City and shall file with the City, Certificate of Insurance under the new policies prior to the effective date of such cancellation, adverse change or restriction. If any policy is not timely replaced, in a manner acceptable to the City, the Contractor shall, upon instructions of the City, cease all operations under the Contract until directed by the City in writing, to resume operations.

Except for Workers' Compensation and Professional Liability, all other insurance policies described above shall name the City as additional insured.

Questions and Answers

Q. Is it a disqualifier if there is not the ability to accept military/DOD vouchers?
A. Yes. Operators must *"Accept and be able to process military and federal childcare vouchers, which may include but are not limited to Military Child Care in Your Neighborhood (MCCYN), Child Care Aware of America, and Florida's School Readiness of Program (SR). (If the respondent does not currently possess the ability to accept and process military and federal childcare vouchers, please attach an addendum that articulates how this will be achieved. Receipt of supporting documentation of ability to accept and process military and federal childcare vouchers must be provided within six months of award, or this may be considered cause for termination.)"*

Q. Headstart is federally funded and only serves caregivers that are low- income and receives vouchers. They might be military families but do not need military vouchers due to their low income. Therefore, we do not currently accept military vouchers. Would this be a disqualifier?
A. Yes. However, there is the ability for Headstart to participate in military voucher programs for extended care or wraparound care. This would have to be approved by the military's fee assistance program.

Q. Is it a disqualifier if the operator is not Gold Seal certified?
A Yes. Operators must *"Hold and maintain Gold Seal Quality Care Accreditation. (If the respondent does not currently possess the Gold Seal Quality Care Accreditation, please attach an addendum that articulates how accreditation will be achieved. Receipt of accreditation must be provided within six months of award, or this may be considered cause for termination.)"*

Q. What if we meet all the criteria for Gold Seal Quality Care Accreditation but do not have the accreditation?
A. The RFP allows the ability to *"attach an addendum that articulates how accreditation will be achieved"*.

Q. Does the Gold Seal Certification have to be NAEYC certification?
A. No. There is not a specified certification within Gold Seal.

Q. Has the physical space been measured?
A. Yes. A site visit and building floorplan were made available during the walkthrough.

Q. Has DCF Licensing come into and inspected the building?
A, No. DCF has not conducted a licensing inspection or official capacity determination. The building is under construction and is not ready for occupancy. The capacity estimates were formulated using DCF Childcare Licensing policy and Florida State Statute (construction specs, state requirements of 35 square feet per child, and infant rations of 1:4).
The City of Pensacola used architectural drawings and DCF space requirements to generate early estimates. Final usable- space calculations will be made by DCF during the licensing process.

Q. Are there other initiatives from the City of Pensacola that will be awarded to the operator?
A. No additional direct financial incentives are currently included beyond the lease. Educational partnerships and community partnerships are being explored. Opportunities may emerge through the Mayor's Childcare Access Program. Any additional support will depend on sustainability and availability of resources.

Q. Is the City expecting the operator to prioritize profitability?
A. The primary goal is to increase safe, high-quality childcare access particularly for infants. Financial or business model questions should be directed to external business consultants (e.g. the Small Business Development Center at UWF).

Q. What is the City of Pensacola doing to improve the financial feasibility of operating a childcare center that focuses on infant care?
A. The City plans to provide the use of the building at a decreased lease, which significantly reduces overhead costs. This leaves the operator primarily responsible for labor costs.

Q. Will the building be fully furnished by the City of Pensacola prior to occupancy before the bid is awarded?
A. No.

Q. What rooms in the facility are intended for childcare are which rooms are intended for parent or staff services?
A. There is one primary childcare room that is the largest space to be used for direct childcare services. There is one smaller room that may be used for additional services such as but not to be limited to services such as caregiver services, preventative screenings, staff training, but not direct childcare services. There is a kitchen, restrooms, and an entry room. The building is equipped with WiFi, cameras, and up to fire code.

Q. Is there an internal team making decisions about Alice S. Williams Library?
A. There was no standing task force prior to the RFP. Planning has been led by the Office of the Mayor and staff overseeing childcare access initiatives, informed by Childcare Summit feedback. A selection committee is in place for this RFP.

Q. Where did the decision to focus on infants originate?
A. The decision came from broad data showing the extreme shortage of infant care. Items included but were not limited to facility suitability analysis, DCF safety and fatality date, community need, slot availability review, and workforce and economic development goals.

Q. Why is Alice S. Williams Library focusing on infants 0-1?
A. Data from the Childcare Summit, DCF statistics, and the City's feasibility analysis show that 0-1 is the most needed childcare age group in Pensacola with the fewest available slots. Infant fatalities and safety incidents statewide and in our Circuit are highest in this age bracket. Parents begin searching for accessible childcare for their infants during pregnancy and often without locating an available slot. This facility is best suited for infant care versus other age ranges at this time.

Q. Will UWF, PSC, or high school career academy programs be sending students to the center to complete required field hours?
A. There has been interest expressed, but no guaranteed staffing pipeline can be promised. The goal is that partnerships will continue developing, and operators will have opportunities to host students for practicums, internships, and clinical hours.

Q. Will the center primarily serve families that utilize vouchers?
A. As there are no families yet enrolled, it is too early to determine. Based on income data from the Haas Center study and the surrounding area's demographics, it is likely that the center will likely serve caregivers that utilize vouchers. However, enrollment policies will be determined by the operator to ensure accessibility and fairness.

Q. Will this center solve the childcare shortage?
A. No. There is no single center that can solve the entire shortage. Alice S. Williams Library is intended to serve as a first step in increasing access to infant childcare and increasing child safety, a data source for shaping future funding and community partnerships, and as a prototype model for expansion.

Q. What can the operator expect from the City of Pensacola?
A. A remodeled, city-owned facility that decreases overhead and operational costs. A mutual commitment to high-quality and safe childcare. Engagement with educational and community partners.

Q. Why open a new childcare center instead of just investing funds into existing childcare centers?
A. Many existing centers provide strong care, but staffing shortages, especially credentialed infant teachers and current business models limit their ability to open to sustain infant rooms. The City cannot subsidize operations of private entities but can leverage publicly owned buildings to create new access points without requiring private centers to assume facility debt or high rents while concurrently creating opportunities for training, workforce development, and access to services.

Q. Can subject matter experts such as local providers be included in the City's planning conversations?
A. Yes. The City held Childcare Summits to hear what was limiting access to childcare and how to address it and intends to continue engaging experts as a part of the planning process.

Q. Will this center serve the entire community to primarily nearby families?
A. It is too early to determine. Many families may come from the immediate geographic area, but the center is intended to support the entire community regardless of income, including private-pay, military, and voucher-eligible families.

RE: Alice Williams Childcare RFP

Organizational Profile and Background

The Community Action Program in Pensacola, known as the **Community Action Program Committee (CAPC)**, started in 1965 as Florida's official incorporation, a local part of President Lyndon B. Johnson's 1964 "War on Poverty," aiming to fight poverty through local empowerment and services like Head Start, job training, and energy assistance, evolving over decades with local leadership and facing challenges, but continuing its mission of fostering self-sufficiency for Escambia county residents.

Mission & Services

- **Core Goal:** To help low-income individuals and families achieve self-sufficiency.
- **Key Programs:** CAPC provides job training, education, energy assistance (like LIHEAP for power bills), health care support, and operates The Head Start Program.

Structure & Operations

- **Board Structure:** Like other CAAs, CAPC is governed by a federal mandate for a "tripartite" board, including low-income residents, public officials, and private sector leaders, ensuring local control and accountability.

Memo For the Record

To Whom It May Concern

The Community Action Program Committee upon selection will make application for the Gold Seal Accreditation. This agency does meet the criteria.

Head Start programs do not participate in Florida's Gold Seal Quality Care system because Gold Seal applies only to state-licensed child care facilities. Head Start is federally regulated and therefore exempt from state licensing requirements.

Although we are not eligible for Gold Seal, our program follows the Head Start Program Performance Standards, which provide rigorous federal requirements for health and safety, teacher qualifications, curriculum, family engagement, and continuous improvement. These standards meet or exceed the expectations associated with Gold Seal accreditation.

Our commitment remains to deliver high-quality, safe, and developmentally appropriate services for every child and family we serve.

Memo For the Record

Re: Staff Planning for the Alice Williams Childcare project

To whom It may concern:

The Community Action program employs approximately twenty staff members that hold the National Infant Toddler CDS or FCCPC birth to five credentials for our Early Head Start Program. This age group is birth to three.

The Head start program, which is 3 to 5 years in age a teacher is required to at a minimum hold an Associate of Arts degree along with 18 hours or 6 credits in early childhood education.

The agency currently has 8 staff members that hold a Center Directors credential.

This pool of staff members will hold all the credentials needed by the Office of Head Start and the Department of Children and families to facilitate and license this location.

Memo For the Record

Re: Military Voucher Acceptance Program

To Whom it May Concern:

Currently the Community Action Program Committee, Inc. under the Office of Head Start regulations, cannot accept Military Vouchers.

The goal will be to request a waiver to provide as defined below.

The Military Child Care in Your Neighborhood (MCCYN) fee assistance program is funded by DOD and the U.S. Coast Guard to help eligible military-connected families access affordable childcare when they cannot access military-operated childcare due to distance or waitlists. With MCCYN fee assistance, a portion of your childcare costs is paid to offset the costs of community-based care. This makes it easier for military-connected families to afford quality childcare from local community providers.

Memo For the Record

Re: Community Partnership

To whom It may concern:

Throughout the past forty years the Community Action Program Committee has had the opportunity to cultivate and build many Community Partnerships. Currently we house modulars with Head Start and Early Head Start classrooms on three Escambia School District Elementary school sites. CAPC also partners with Title one with the school district in 4 locations.

Currently we house a Head start classroom at the Cantonment location of Community Health located at 470 S. Hwy 29 cantonment Fl.

Additional ongoing partnerships are the Early Learning Coalition, Career Source Escarosa, and Escambia County Healthy Start Coalition.

The Escambia Children's Trust In a 5-0 vote at the monthly meeting on Tuesday, the Children's Trust executive board approved the Community Action Program Committee's (CAPC) matching grant application for funds that will be used to stabilize Head Start/Early Head Start program's workforce by retaining early education teachers and staff in Escambia County.

Escambia County Public Schools Superintendent Keith Leonard made the motion, which was seconded by Stephanie White. Board members Tina Cain, Rex Northup and Tori Woods supported the measure.

Board member David Williams abstained from voting because he serves on CAPC's executive board.

CAPC oversees Escambia County's Head Start/Early Head Start program that provides free early-childhood education to families in need. The funding will be used for the current program year, which runs from Dec. 1 through Nov. 30, 2026.

The Community Action Program Committee currently holds an active license at seven geographic locations that offer 28 classrooms total.

Memo For the Record

Re: History and Experience/Ability to Provide Services

To whom It may concern:

Head Start began as part of President Lyndon B. Johnson's Great Society campaign. Its justification came from the staff of the President's Council of Economic Advisers.

Johnson started the war on poverty shortly after President Kennedy's assassination. The murder shook the nation, and Johnson attempted to gain public trust by passing legacy legislation during the subsequent months. Johnson received an initial briefing from Walter Heller, who informed Johnson of Kennedy's poverty program. By March 1964, the legislation, now known as the Economic Opportunity Act of 1964, had been prepared for Congress. The Office of Economic Opportunity's Community Action Program launched Project Head Start as an eight-week summer program in 1965.

For more than forty years CAPC has administered the Head start program in Escambia County Florida. Beginning in the mid-1980s, CAPC rented two classrooms and outdoor playground space at the Moreno Court Community Center, spaces that were also used by residents on the weekends. An Approximate date of 1985 was the inception of the program at 710 N. "C" Street that subsequently closed in 2024 due to damage from Hurricane Sally.

The Community Action Program Committee currently holds an active license at seven geographic locations that offer 28 classrooms in total. To date CAPC has a staff count of more than 120. Staff requirements for Head Start and Early Head start are:

Early Head Start credentials are a National Infant Toddler CDS or FCCPC and Head Start, which is 3 to 5 years in age a teacher is required to hold an Associate of Arts degree along with 18 hours or 6 credits in early childhood education.

In essence, the Pensacola Community Action Program (CAPC) has a history rooted in the national anti-poverty efforts, focusing on empowering local residents through direct services and resource coordination for over half a century.

Head Start provides High-Quality education

Head Start's educational program is designed to meet each child's individual needs. It also aims to meet the needs of the community served and its ethnic and cultural characteristics.

Every child receives a variety of learning experiences to foster intellectual, social, and emotional growth. Children participate in indoor and outdoor play and are introduced to the concepts of words and numbers. They are encouraged to express their feelings and to develop self-confidence and the ability to get along with others.

The teaching staff is required to have teaching credentials at or above a bachelor's degree. The teaching staff is also required to have 15 hours annually of professional training that links directly to classroom work.

To Whom It May Concern:

The Community Action Program Committee (CAPC) employs approximately twenty Early Head Start staff members who hold the National Infant Toddler Child Development Specialist (CDS) or the Florida Child Care Professional Credential (FCCPC), specializing in birth-to-five development. These educators serve our youngest learners, ages birth to three.

For our Head Start program, which serves children ages three to five, teachers are required to hold at minimum an Associate of Arts degree along with 18 hours (or 6 credits) in early childhood education. In addition, the agency currently employs eight staff members who hold a Center Director's Credential, further strengthening the leadership and instructional capacity of our early learning programs.

Every staff member plays an essential role in supporting CAPC's mission and service delivery. Key responsibilities include:

- Understanding and following all organizational policies, procedures, and safety protocols
- Protecting the confidentiality of client information and safeguarding organizational assets
- Reporting hazards, incidents, or potential risks promptly through established reporting channels
- Participating in required safety and compliance trainings and contributing to a culture grounded in accountability, integrity, and mission-driven service

CAPC remains committed to maintaining a highly qualified workforce that ensures safe, high-quality, and developmentally appropriate services for the children and families we serve.

If you'd like, I can also format this as a formal letter on letterhead, convert it into a narrative for a grant application, or adapt it for a board report or public statement.

Memo For the Record

Re: Operational Plan

Enrollment Plan: Enrollment process involves contacting your local program via their website or phone, completing application forms (online or in-person) detailing income/family status, and submitting required documents like birth certificates and income proof (pay stubs, public assistance letters) for eligibility screening. After initial submission, you'll usually have an interview or home visit to confirm details, with finalization dependent on spot availability and meeting low-income or specific criteria (homelessness, foster care, disabilities).

Staffing is referenced in the Staffing plan but ensuring classroom ratio is in compliance is a must daily.

Hours of operation currently vary from site to site but standard is 07:45am until 02:00pm for Head Start and 07:45am until 04:00pm for Early Headstart

MEMORANDUM

SUBJECT: Alignment of Head Start Program Performance Standards with Department of Defense Child Development Program Requirements

---

Purpose

The purpose of this memorandum is to provide a clear summary of how the **Head Start Program Performance Standards (HSPPS)** align with and meet the requirements of the **Department of Defense (DoD) Child Development Program (CDP)** standards. This information supports ongoing collaboration between our agency and military installations serving families with young children.

Background

Head Start and DoD Child Development Programs operate under separate federal authorities; however, both systems are grounded in the same core principles: **child safety, developmental appropriateness, family engagement, and strong program oversight**. As a result, Head Start programs consistently meet—and in many areas exceed—the expectations established for DoD-operated early childhood programs.

Areas of Alignment

1. Child Health and Safety

Head Start requires comprehensive health services, safety protocols, supervision, sanitation, and emergency preparedness. These requirements align with DoD standards for safe environments, health practices, background checks, and emergency procedures.

2. Education and Development

Head Start implements research-based curriculum, individualized instruction, and ongoing assessment to promote school readiness. DoD CDPs require developmentally appropriate programming and support for children's social-emotional and cognitive development. Both systems emphasize high-quality learning environments and individualized support.

3. Staffing and Training

Both Head Start and DoD CDPs require staff qualifications, ongoing professional development, and comprehensive background checks. Each system maintains strict expectations for staff competency and continuous training.

4. Family Engagement
Head Start mandates family partnership agreements, parent involvement, and community collaboration. DoD CDPs emphasize family readiness, communication, and parent engagement. Both prioritize strong, consistent relationships with families.

5. Program Oversight and Accountability
Head Start governance includes a Board of Directors, Policy Council, and robust management systems. DoD CDPs require command oversight, inspections, accreditation, and continuous quality improvement. Both systems maintain structured oversight and compliance monitoring.

RISK MANAGEMENT PLAN

Community Action Program Committee, Inc. (CAPC) recognizes that effective risk management is essential to safeguarding its people, programs, and mission. The protection and well-being of all personnel, whether receiving services or delivering them on behalf of the agency, shall remain a primary organizational priority. This focus on safety and accountability extends to ensuring compliance with regulatory standards, maintaining continuity of critical services, protecting organizational assets, and preserving the trust of the community. By embedding these principles into daily operations and decision-making, CAPC strengthens its ability to anticipate, mitigate, and respond to risks, creating a safe and resilient environment for staff, clients, and stakeholders alike.

Risk Management Goals

1.Safety and Well-Being of Personnel
The protection and well-being of all individuals engaged in or receiving CAPC services shall remain a top priority. This emphasis on safety will be communicated consistently across the organization to ensure shared understanding and accountability.

2.Program and Service Continuity
CAPC will maintain strategies that align with our mission and minimize risks of disruption to critical services, ensuring that essential community programs continue to operate even in the face of emergencies or unexpected challenges.

3.Regulatory and Compliance Assurance
CAPC will uphold compliance with all applicable federal, state, and local requirements, as well as CSBG, LIHEAP, WAP, and Head Start program standards. Clear documentation and oversight will safeguard the organization against noncompliance risks.

4.Financial Stewardship and Asset Protection
CAPC will safeguard its financial resources, technology, property, and other organizational assets against misuse, fraud, or loss, ensuring funds are directed toward mission-driven activities that benefit the community.

5.Data Security and Confidentiality
CAPC will prioritize the protection of sensitive client and organizational data. Strong safeguards will be in place to prevent unauthorized access, ensuring the confidentiality and integrity of information.

6.Reputation and Community Trust
CAPC will actively manage risks that could impact the agency's reputation, credibility, and long-standing trust with the community, partners, and stakeholders.
7.Staff and Board Development
CAPC will promote ongoing training and communication to equip staff and board members with the knowledge and tools needed to identify, mitigate, and respond to risks effectively.

General Safety Principles:
The safety of all personnel engaged in, or receiving, CAPC-sponsored services is regarded as a top organizational priority. This commitment is consistent communicated across the agency to ensure a shared understanding of its importance. CAPC actively engages board members, policy council, staff, and other appropriate personnel in identifying potential risks and developing practical strategies for behavioral or environmental mitigation. By incorporating different perspectives, the organization strengthens its overall approach to risk management and ensures that responsibilities are clearly understood. Staff members are expected to uphold the confidentiality of client information, provide an environment that is safe and secure in all locations of all services. , preserve the integrity of the agency's reputation, and contribute to the safeguarding and growth of organizational assets, while remaining focused on the success fulfillment of CAPC's mission.

Please note a full copy of this Risk Management plan is available upon request.

Re: Data and Reporting

To whom It may concern:

The Community Action Program reports to The Office of Health and Human Relations and the Department of Children and Families regarding the administration and licensing for the Head Start Program.

The Community Action Program also reports to the Escambia Children's Trust for the recent grant awarded in November 2025.

CAPC reports on all other programs housed at the agency to The Department of Economic Opportunity.

CAPC recognizes the critical importance of maintaining uninterrupted computer operations to ensure the delivery of its services and programs. To mitigate the risk of data loss, system failures, or other disruptions, CAPC has adopted formal procedures for creating and securely storing system backups.
These procedures are designed to:
Protect Mission-Critical Data: Ensure that essential files, applications, and systems can be restored quickly in the event of loss or damage.
Maintain Business Continuity: Minimize downtime and service disruptions through timely recovery of systems and data.
Ensure Secure Storage: Store backup copies in secure, access-controlled environments—including off-site or cloud-based solutions—to protect against physical damage or cyber threats.
Support Compliance: Meet any applicable legal, contractual, or funding requirements for data retention and security.
Backups are created and tested regularly to confirm that files and systems can be restored reliably. This proactive approach allows CAPC to safeguard its information assets and maintain the continuity of its operations even in adverse circumstances.

HEARING REQUIRED: No Hearing Required

SUMMARY:

This project will advance the City of Pensacola Strategic Plan Goals #2: Safe Streets for All Mobilities and #5: More Walkable, Mixed-Use Districts.

The City received funding from the Florida Department of Transportation (FDOT), through the Transportation Alternatives Program, to inspect the construction of a sidewalk project which will help connect Legion Field to the Global Learning Academy. The construction project was previously awarded to Chavers Construction on March 26, 2026. On December 23, 2025, a Request for Qualifications (RFQ) was issued for construction engineering and inspection services to oversee the project. Segment 1 consists of sidewalks on L Street from Gregory Street to Cervantes Street. Segment 2 consists of a buffered sidewalk on Gregory Street from Pace Blvd to I Street. The final segment consists of sidewalks on Wright Street from P Street to Pace Blvd.

The following firms submitted responses to RFQ #26-008:

1. Mehta and Associates, Inc.
2. Infrastructure Consulting & Engineering, LLC

3. Volkert, Inc.

A selection committee, comprised of Daniel Cooper, Caitlin Cerame, and Stephen Houser, was formed to review the RFQ responses, rank the firms and provide recommendations for the award of contract.

In a publicly noticed meeting on February 24, 2026, the selection committee reviewed the submittals and determined to move to oral presentations. Oral presentations were held on March 11, 2026, and the committee ranked Mehta and Associates, Inc. number one and recommended a contract be awarded to the firm.

(Applicable to all subcontracts, purchase orders and other lower tier transactions requiring prior FHWA approval or estimated to cost $25,000 or more - 2 CFR Parts 180 and 1200)
a. By signing and submitting this proposal, the prospective lower tier is providing the certification set out below.

b. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department, or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

c. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous by reason of changed circumstances.

d. The terms "covered transaction," "debarred," "suspended," "ineligible," "participant," "person," "principal," and "voluntarily excluded," as used in this clause, are defined in 2 CFR Parts 180 and 1200. I certify that I have no present conflict of interest on the projects identified below, and that I will recuse myself from any capacity of decision making, approval, disapproval, or recommendation of any consultant/contractor/vendor for selection on any contract if I have a conflict of interest or a potential conflict of interest. As set forth in Sections 112.313 and 334.193, Florida Statutes, employees of the Department may not have any interest, financial or otherwise, direct or indirect; engage in any business transaction or professional activity; or accept any obligation of any kind which is in conflict with the proper conduct of their duties in the public interest.

I recognize that employees are expected to honor the ethical obligations inherent in public service. These obligations go beyond mere legal obligations and demand from the employee a greater sensitivity to his or her conduct, as well as the public's perception of such conduct.

Employees are expected to safeguard their ability to make objective, fair, and impartial decisions, and therefore may not accept benefits of any sort under circumstances in which it could be inferred by a reasonable observer that the benefit was intended to influence a pending or future decision of theirs, or to reward a past decision. Employees should avoid any conduct (whether in the context of business, financial, or social relationships) which might undermine the public trust, whether or not that conduct is unethical or lends itself to the appearance of ethical impropriety.

I will maintain the confidentiality of all information not made public by the Florida Department of Transportation ("Department") related to the procurement of the above-referenced ("Project") that I gain access to as a result of my involvement with the Project ("Procurement Information"). I understand that Procurement Information includes, but is not limited to, documents prepared by or for the Department related to procurement of the Project. I also understand that Procurement Information includes, but is not limited to, documents submitted to the Department by entities seeking an award of the Project ("Proposers"). I understand that Procurement Information may include documents submitted by Proposers related to letters of response/letters of interest, technical proposals, price proposals, financial proposals, and information shared during exempt meetings. I also understand that Procurement Information may also include documents that evaluate or review documents submitted by Proposers, and information regarding Project cost estimates. I also agree not to discuss the Project with anyone who is a member of or acting on behalf of a Proposer.

Unless so ordered by a court of competent jurisdiction or an opinion of the Office of the Florida Attorney General, I will not divulge any Procurement Information except to individuals who have executed a Conflict of Interest/Confidentiality Certification which has been approved by the Department ("Project Personnel"). I understand that a list of Project Personnel will be maintained by Department. If I am contacted by any member of the public or the media with a request for Procurement Information, I will promptly forward such request to the Department's Procurement Office. I will also maintain security and control over all documents containing Procurement Information which are in my custody.

I agree not to solicit or accept gratuities, unwarranted privileges or exemptions, favors, or anything of value from any firm under consideration for an agreement associated with the Project, and I recognize that doing so may be contrary to statutes, ordinances, and rules governing or applicable to the Department or may otherwise be a violation of the law.

I agree not to engage in bid tampering, pursuant to Section 838.22, Florida Statutes.

I realize that violation of the above mentioned statutes would be punishable in accordance with Section 112.317, Section 334.193, or Section 838.22, Florida Statutes, and could result in disciplinary action by the Department.

PROPOSED ORDINANCE NO. 05-26 — REPEALING SECTION 4-3-66, CORRUGATED CARDBOARD, OF THE CODE OF THE CITY OF PENSACOLA

RECOMMENDATION:

That City Council adopt Proposed Ordinance No. 5-26 on second reading:

AN ORDINANCE REPEALING SECTION 4-3-66, CORRUGATED CARDBOARD OF THE CODE OF THE CITY OF PENSACOLA, FLORIDA; PROVIDING FOR SEVERABILITY; REPEALING CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

HEARING REQUIRED: No Hearing Required

SUMMARY:

In May of 2009 this Ordinance was amended via Ordinance 18-09 wherein the language was changed from "Moving / packing boxes" to Corrugated cardboard. It appears, based on the plain language of the ordinance, that there is no charge for the placement of cardboard, flattened and placed curbside. It equally appears that when passed, this ordinance did not envision the current state of home deliveries; and amounts of cardboard generated.

Given the new Recycling Program recently initiated, this action seems to be inconsistent with the goals of the recycling program. No negative comments from sanitation have been received regarding this request for repeal.

To that end, a repeal of this ordinance, in its entirety seems appropriate.

PRIOR ACTION:

April 9, 2026 - City Council voted to approve Proposed Ordinance No. 05-26 on first reading.
May 28, 2009 - City Council amended this code section via Ordinance 18-09.

The governmental entity identified above ("Governmental Entity"), in order to obtain and in consideration for the benefits provided to the Governmental Entity pursuant to the six (6) Remnant Defendants' Settlement Agreement ("RDSA"), dated February 23, 2026, and described further in Paragraph 1, and acting through the undersigned authorized official, hereby elects to participate in the RDSA, release all Released Claims against all Released Entities, and agrees as follows:

1. The Governmental Entity hereby elects to participate in the RDSA as a Participating Subdivision with each of the following six (6) Remnant Defendants that are parties to the RDSA: (1) Associated Pharmacies, Inc. (and American Associated Pharmacies), (2) J M Smith Corporation, (3) Morris and Dickson Co., L.L.C., (4) Louisiana Wholesale Drug Company, Inc., (5) North Carolina Mutual Wholesale Drug Company, Inc., and (6) United Natural Foods, Inc. (and SuperValu).

2. The Governmental Entity is aware of and has reviewed the RDSA, understands that all capitalized terms not defined in this Combined Participation Form have the meanings defined in the RDSA, and agrees that by executing this Combined Participation Form, the Governmental Entity elects to participate in the RDSA and become a Participating Subdivision as provided in the RDSAs.

3. The Governmental Entity shall promptly, and in any event no later than 14 days after the Reference Date and prior to the filing of the Consent Judgment, dismiss with prejudice any Released Claims that it has filed against any Released Entity in the RDSA. With respect to any Released Claims pending in *In Re National Prescription Opiate Litigation*, MDL No. 2804, the Governmental Entity authorizes the Plaintiffs' Executive Committee to execute and file on behalf of the Governmental Entity a Stipulation of Dismissal with Prejudice for each of six (6) Remnant Defendants listed in Paragraph 1 above substantially in the form found at *https://nationalopioidsettlement.com/additional-settlements/*.

4. The Governmental Entity agrees to the terms of each of the RDSA pertaining to Participating Subdivisions as defined therein.

5. By agreeing to the terms of the RDSA settlements and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.

6. The Governmental Entity agrees to use any monies it receives through the RDSA solely for the purposes provided therein.

8. The Governmental Entity has the right to enforce the RDSA as provided therein.

9. The Governmental Entity, as a Participating Subdivision, hereby becomes a Releasor for all purposes of the RDSA, including without limitation all provisions related to release of any claims, and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in his or her official capacity whether elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in the RDSA in any forum whatsoever. The release provided for in the RDSA is intended by the Parties to be broad and shall be interpreted so as to give the Released Entities in the RDSA the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Governmental Entity to release claims. The RDSA shall be a complete bar to any Released Claim against the Released Entities.

10. The Governmental Entity hereby takes on all rights and obligations of a Participating Subdivision as set forth in the RDSA.

11. In connection with the releases provided in the RDSA, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

> **General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims in the RDSA, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the RDSA.

12. The Governmental Entity understands and acknowledges that nothing herein is intended to modify in any way the terms of any of the RDSA, to which Governmental Entity hereby agrees. To the extent this Combined Participation Form is interpreted differently from the RDSA in any respect, the RDSA controls.

I have all necessary power and authorization to execute this Combined Participation Form on behalf of the Governmental Entity.

Any appeal or other proceeding pertaining solely to any order adopting or approving a Plan of Allocation and/or to any order issued with respect to an application for Attorneys' Fees and Expenses consistent with this Agreement shall not in any way delay or preclude the Consent Judgment from becoming Final, *provided* that any such appeal or proceeding has no impact on any other aspect of the Settlement or this Agreement.

Released Claims also include all Claims against Released Entities asserted in any proceeding to be dismissed pursuant to this Agreement, whether or not such claims relate to Covered Conduct. NN. "*Remnant Defendants*" means Associated Pharmacies, Inc., American Associated Pharmacies, J M Smith Corporation, Louisiana Wholesale Drug Company, Inc., Morris & Dickson Co., North Carolina Mutual Wholesale Drug Company, Inc., United Natural Foods, Inc. For purposes of calculating a Remnant Defendant's portion of the Settlement Fund or Opioid Remediation Fund under Section VI. and Section X.V., Taxes will be deemed to be divided and paid by the Remnant Defendants in proportion to the amounts they contributed to the Pooled Settlement Amount.

ZZ. "*Tax Expense*" means all expenses and costs incurred in connection with the operation and implementation of Section III., including, without limitation, expenses of tax attorneys and/or accountants (including the Settlement Fund Administrator) and mailing and distribution costs and expenses relating to filing (or failing to file) the returns described in Section III.E. For purposes of calculating a Remnant Defendant's portion of the Settlement Fund or Opioid Remediation Fund under Section VI. and Section X.V., the Tax Expense will be deemed to be divided and paid equally by all Remnant Defendants.

AAA. "*Termination Refund*" means the amount of the Settlement Funds to be returned to a Remnant Defendant that elects to terminate this Agreement pursuant to Section V.C. The Termination Refund shall be the portion of the Settlement Fund equal to the portion of the Pooled Settlement Amount contributed by the Remnant Defendant, plus all interest and/or earnings thereon, less its portion of any Notice and Administrative Costs, including any Taxes or Tax Expenses, that have been paid, incurred, or are due and owing as of the date the notice of termination is given.

2. none of the Remnant Defendants is relying on any statement, representation, omission, inducement, or promise by Plaintiffs' Settlement Counsel or any Subdivision, except those expressly stated in this Agreement;

3. each of the Remnant Defendants, with the assistance of its attorneys, has investigated the law and facts pertaining to the Released Claims and the Settlement;

4. each of the Remnant Defendants has carefully read, and knows and understands, the full contents of this Agreement and is voluntarily entering into this Agreement after having consulted with its attorneys; and

5. each of the Remnant Defendants has all necessary authority to enter into this Agreement, has authorized the execution and performance of this Agreement, and has authorized the person signing this Agreement on its behalf to do so.

III. Settlement Fund

A. **Settlement Payment.** The Remnant Defendants shall pay into the Settlement Fund the Pooled Settlement Amount in consideration of the covenants, agreements, and releases

set forth in this Agreement. The Pooled Settlement Amount shall be allocated and used only as specified in Section VII.

1. Payments of the Pooled Settlement Amount to the Settlement Fund will be allocated among the Remnant Defendants in accordance with each Remnant Defendant's agreed portion as separately negotiated and agreed to by each Remnant Defendant with Plaintiffs' Settlement Counsel in the Related Agreements. A Remnant Defendant's sole responsibility for payments under this Agreement and any related agreements (including without limitation the Fee Agreement attached hereto as **Exhibit H**) shall be to pay its respective portion of the Pooled Settlement Amount. The obligations of the Remnant Defendants in this Agreement are several and not joint. No Remnant Defendant shall be responsible for any portion of another Remnant Defendant's share.

2. The Remnant Defendants shall pay into the Settlement Fund by wire transfer their respective portion of the Pooled Settlement Amount within forty-five (45) days of the later of (1) receipt of a fully executed copy of this Settlement Agreement, or (2) the Remnant Defendants' receipt of the information and instructions required to effectuate the wire transfer.

3. The Settlement Funds will be held in escrow in the Settlement Fund until the Effective Date. If the Effective Date does not occur as to one or more Remnant Defendants, the Settlement Fund Administrator will return to each Remnant Defendant for which the Effective Date did not occur, its portion of the Pooled Settlement Amount with accrued interest less that Remnant Defendant's portion of (1) any Notice and Administrative Costs incurred, and (2) any Taxes and Tax Expense due or becoming due.

4. Upon the occurrence of the Effective Date, the Pooled Settlement Amount shall not be subject to reduction and no funds may be returned to any Remnant Defendant, except as otherwise provided in this Agreement.

B. **Nature of Payment.** Each of the Remnant Defendants and Participating Subdivisions acknowledges and agrees that notwithstanding anything to the contrary in this Agreement, including but not limited to, the scope of the Released Claims:

1. It has entered into this Agreement to avoid the delay, expense, inconvenience, and uncertainty of further litigation;

2. (a) The Participating Subdivisions sought compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) as damages for the Alleged Harms allegedly suffered by the Participating Subdivisions; (b) the Compensatory Restitution Amount is no greater than the amount, in the aggregate, of the Alleged Harms allegedly suffered by the Participating Subdivisions; and (c) the portion of the Compensatory Restitution Amount received by each Participating Subdivision is no greater than the amount

of the Alleged Harms allegedly suffered by such Participating Subdivision;

3. The payment of the Compensatory Restitution Amount by the Remnant Defendants constitutes, and is paid for, compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) for alleged damage or harm (as compensation for alleged damage or harm arising out of and/or because of alleged bodily injury) allegedly caused by the Remnant Defendants;

4. The Compensatory Restitution Amount is being paid as compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) in order to restore, in whole or in part, the Participating Subdivisions to the same position or condition that they would be in had the Participating Subdivisions not suffered the Alleged Harms; and

5. For the avoidance of doubt: (a) no portion of the Compensatory Restitution Amount represents reimbursement to any Participating Subdivision or other person or entity for the costs of any investigation or litigation, (b) the entire Compensatory Restitution Amount is properly characterized as described in Section III.B., and (c) no portion of the Compensatory Restitution Amount constitutes disgorgement or is properly characterized as the payment of statutory or other fines, penalties, multiple or treble damages, punitive damages, or other punitive assessments.

C. **No Other Payments.** Other than payment under Section III.A. of this Agreement, the Remnant Defendants shall have no obligations to make any further or additional payment of any sort or kind in connection with this Agreement or the Settlement.

D. **The Settlement Fund and Administrator.**

1. Plaintiffs' Settlement Counsel shall arrange for the Settlement Fund to be established at Huntington Bank, with Law Office of Joseph C. Tann, PLLC and Winbridge Partners, LLC serving as the Settlement Fund Administrator subject to an escrow agreement mutually acceptable to Plaintiffs' Settlement Counsel and Remnant Defendants, and such escrow to be administered under the MDL Court's continuing supervision and control. The Settlement Fund Administrator will act as an independent and neutral third party in the performance of its functions including administering and disbursing funds from the Settlement Fund and the Opioid Remediation Fund. To the extent that there is any ambiguity or inconsistency when this Agreement and the escrow agreement are read together, the terms of this Agreement shall control.

2. The Settlement Fund Administrator shall invest the Pooled Settlement Amount deposited pursuant to Section III.A. in U.S. agency or treasury securities or other instruments backed by the full faith and credit of the U.S. government or an agency thereof, or fully insured by the U.S.

government or an agency thereof and shall reinvest the proceeds of these instruments as they mature in similar instruments at their then-current market rates; *provided*, *however*, that the Settlement Fund Administrator will not invest in any instruments that a "*qualified settlement fund*," within the meaning of Treas. Reg. § 1.468B-1, *et seq.*, is not permitted to invest in, pursuant to the Treasury regulations, or any modification in Internal Revenue Service ("*IRS*") guidelines, whether set forth in IRS rulings, other IRS pronouncements or otherwise. All risks related to the investment of the Settlement Funds shall be borne by the Settlement Fund, and any losses in the Settlement Fund shall be borne by the Settlement Fund and shall not be recoverable from the Remnant Defendants. The Remnant Defendants shall have no responsibility for, interest in, or liability whatsoever with respect to the investment decisions or the actions of the Settlement Fund Administrator or any transactions executed by the Settlement Fund Administrator related to the investment of the Settlement Funds.

3. The Settlement Fund Administrator shall not, and Plaintiffs' Settlement Counsel shall not instruct the Settlement Fund Administrator to, disburse the Settlement Funds, except as provided in this Agreement or by order of the MDL Court. For the avoidance of doubt, the Settlement Fund Administrator is authorized, and Plaintiffs' Settlement Counsel is authorized to instruct the Settlement Fund Administrator, to execute such transactions as are consistent with the terms of this Agreement or as directed by the MDL Court, including but not limited to execute transactions prior to the Effective Date to enable payment of Notice and Administrative Costs as incurred.

4. All funds held in the Settlement Fund shall be deemed and considered to be *in custodia legis* of the MDL Court, and shall remain subject to the jurisdiction of the MDL Court, until such time as such funds are distributed pursuant to this Agreement and/or further order(s) of the MDL Court.

E. **Taxes.**

1. The Settlement Fund shall be, and shall be treated by the Settling Parties and the Settlement Fund Administrator as being at all times, a "qualified settlement fund" within the meaning of Treas. Reg. § 1.468B-1 (and corresponding or similar provisions of state, local, or foreign law, as applicable), and the MDL Court shall have continuing jurisdiction over the Settlement Fund, pursuant to Treas. Reg. § 1.468B-1(c)(1), and over the Settlement Fund Administrator as its administrator. The Settlement Fund Administrator shall not take any action or tax position inconsistent with such treatment. In addition, the Settlement Fund Administrator shall timely make such elections as necessary or advisable and do all things necessary to carry out the provisions of this Section III., and shall, in any

event, make any available "*relation-back election*" (as defined in Treas. Reg. § 1.468B-1(j)(2) (and corresponding or similar elections under state, local, or foreign law, as applicable)), back to the earliest permitted date. Such elections shall be made in compliance with the procedures and requirements contained in such regulations. It shall be the responsibility of the Settlement Fund Administrator to timely and properly prepare and deliver the necessary documentation for signature by all necessary parties, and thereafter to cause the appropriate filing to occur. The Settling Parties agree to take any other reasonable actions as shall be necessary to ensure that the Settlement Fund qualifies as a qualified settlement fund for federal and state income tax purposes including but not limited to requesting the MDL Court to formally (i) approve the Settlement Fund as a "qualified settlement fund" within the meaning of Treas. Reg. § 1.468B-1, and (ii) confirm its continuing jurisdiction over the Settlement Fund and the Opioid Remediation Fund. Notwithstanding anything in this Agreement to the contrary, the Settlement Fund Administrator shall not on behalf of or in connection with the Settlement Fund request a private letter ruling, technical advice memorandum or any other ruling or guidance from the Internal Revenue Service or any other taxing authority on any matter without consulting with and obtaining the prior written consent of each Remnant Defendant.

2. For the purpose of § 468B of the Internal Revenue Code of 1986, as amended, and Treas. Reg. § 1.468B-2(k)(3) (and any corresponding or similar provisions of state, local or foreign law, as applicable), the qualified settlement fund "administrator" shall be the Law Office of Joseph C. Tann, PLLC and Winbridge Partners, LLC. Plaintiffs' Settlement Counsel shall cooperate with and cause the Settlement Fund Administrator to, and the Settlement Fund Administrator shall satisfy the administrative requirements imposed by Treas. Reg. § 1.468B-2 (and any similar provisions of state, local or foreign law, as applicable) by, for example: (i) obtaining employer identification numbers and providing the same in an IRS Form W-9 to the Remnant Defendants; (ii) satisfying any information reporting or withholding requirements imposed with respect to the Settlement Fund, including with respect to any distributions from the Settlement Fund; (iii) timely and properly filing or causing to be filed all informational and other tax returns or filings necessary or advisable with respect to the Settlement Fund (including, without limitation, the returns described in Treas. Reg. § 1.468B-2(k)) and paying any taxes reported thereon; (iv) sending copies of all such tax returns and filings to the Remnant Defendants; and (v) providing instructions for the release of sufficient funds from the Settlement Fund to pay all Taxes owed by the Settlement Fund in accordance with Section III. and Treas. Reg. § 1.468B-2 and any applicable state, local or other tax laws. Such returns, as well as the relation-back election described in Section III.E.1., shall be consistent with the provisions of this Section III.E.2. and in all events shall reflect that all Taxes as defined in Section I.YY. on the income earned by the

Settlement Fund shall be paid out of the Settlement Funds as provided in Section III.E.3. Each Released Entity shall provide to the administrator and the IRS the statement described in Treas. Reg. § 1.468B-3(e)(2) no later than February 15th of the year following each calendar year in which such Released Entity made its transfer to the Settlement Fund. The Released Entities shall have no responsibility or liability for the Settlement Fund's tax returns or other filings.

3. The following shall be paid out of the Settlement Funds: (i) all Taxes (including any estimated taxes, interest, or penalties) arising with respect to the income earned by the Settlement Fund, including, without limitation, any taxes or tax detriments that may be imposed upon the Remnant Defendants, their counsel, or any Released Entity with respect to any income earned by the Settlement Fund for any period during which the Settlement Fund does not qualify as a qualified settlement fund for federal or state income tax purposes (collectively, "*Taxes*"), and (ii) all Tax Expenses. In all events, neither the Remnant Defendants nor any other Released Entity nor their counsel shall have any liability or responsibility for any Taxes or Tax Expenses. With funds from the Settlement Fund, the Settlement Fund Administrator shall indemnify and hold harmless the Remnant Defendants and any other Released Entity and their counsel for all Taxes and Tax Expenses (including, without limitation, Taxes payable by reason of any such indemnification). Further, all Taxes and Tax Expenses shall be treated as, and considered to be, a cost of administration of the Settlement Fund and shall timely be paid by the Settlement Fund Administrator out of the Settlement Funds without prior order from the MDL Court. The Settlement Fund Administrator shall be obligated (notwithstanding anything herein to the contrary) to withhold from any funds necessary to pay such amounts, including the establishment of adequate reserves for any Taxes and Tax Expenses (as well as any amounts that may be required to be withheld under Treas. Reg. § 1.468B-2(1)(2)) (and any corresponding or similar provisions of state, local or foreign law, as applicable). Neither the Remnant Defendants nor any Released Entity nor their counsel is responsible therefor, nor shall they have any liability therefor. The Settling Parties agree to cooperate with the Settlement Fund Administrator, each other, their tax attorneys, and their accountants to the extent reasonably necessary to carry out the provisions of this Section III.E.3. and with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement.

IV. Implementing the Agreement

A. **Stay.** Following the Preliminary Agreement Date, Plaintiffs' Settlement Counsel and Remnant Defendants shall promptly jointly inform the MDL Court and jointly undertake reasonable best efforts to stay the Actions as to the Remnant Defendants.

B. **Notice to the Subdivisions.** No later than seven (7) calendar days after the Preliminary Agreement Date, the Notice and Claims Administrator shall send individual written Notice of the opportunity to participate in this Agreement and the requirements of participation to all Subdivisions. The form and manner of Notice agreed upon by the Parties shall be provided by the Notice and Claims Administrator to the Subdivisions. The notice shall include a Subdivision Settlement Participation Form and shall provide prominent notice of the Subdivision Settlement Participation Form Submission Deadline. Nothing contained herein shall preclude Plaintiffs' Settlement Counsel from providing further notice to or otherwise contacting any Subdivision about becoming a Participating Subdivision, including beginning any of the activities described in this paragraph prior to the Preliminary Agreement Date.

C. **Participation by Subdivisions.**

1. A Subdivision may become a Participating Subdivision by returning an executed Subdivision Settlement Participation Form to the Notice and Claims Administrator specifying (1) that the Subdivision agrees to the terms of this Agreement, (2) that the Subdivision releases all Released Claims against all Released Entities, (3) that the Subdivision agrees to use monies it receives from the Opioid Remediation Fund, if any, pursuant to the applicable requirements of Section VII., *provided, however,* that Non-Litigating Subdivisions may only use monies originating from the Opioid Remediation Fund for purposes that qualify as Opioid Remediation, and (4) the Subdivision submits to the jurisdiction of the MDL Court for purposes limited to the MDL Court's role under this Agreement. The required Subdivision Settlement Participation Form is attached as **Exhibit G**.

2. The eligibility of entities that submit Subdivision Settlement Participation Forms to participate in the Settlement as Participating Subdivisions will be subject to confirmation by the Notice and Claims Administrator.

3. Subdivision Settlement Participation Forms shall be deemed valid only for the entity named in the request.

4. Subdivision Settlement Participation Forms shall be deemed timely if received by the Notice and Claims Administrator no later than the Subdivision Settlement Participation Form Submission Deadline, or otherwise as agreed in writing by Plaintiffs' Settlement Counsel and the Remnant Defendants.

5. A Subdivision that has not submitted a Settlement Participation Form, and is thus a Non-Participating Subdivision, shall not directly receive any portion of the Opioid Remediation Funds. The Remnant Defendants reserve all of their legal rights and defenses with respect to Non-Participating Subdivisions.

6. Within ten (10) calendar days of the Subdivision Settlement Participation Form Submission Deadline, as extended by written agreement, the Notice and Claims Administrator shall deliver to Plaintiffs' Settlement Counsel and Remnant Defendants the Participation Report.

7. Within fifteen (15) calendar days of delivering the Participation Report, the Notice and Claims Administrator shall deliver to Remnant Defendants copies of all Subdivision Settlement Participation Forms.

D. **Notice by Remnant Defendants.**

1. After receiving the Participation Report, each Remnant Defendant will individually determine on or before the Reference Date whether there is sufficient Subdivision participation and sufficient resolution or dismissal of the Claims of the Litigating Subdivisions to proceed with this Agreement. The determination shall be in the sole discretion of the Remnant Defendant and may be based on any criteria or factors deemed relevant by the Remnant Defendant.

2. On or before the Reference Date, each Remnant Defendant shall inform Plaintiffs' Settlement Counsel of its determination pursuant to Section IV.D.1. If one or more Remnant Defendants determine to proceed, those Parties will proceed to file the motion for a Consent Judgment and the obligations in the Subdivision Settlement Participation Form will become effective and binding as of the Effective Date. If one or more Remnant Defendants determine not to proceed, those Remnant Defendants shall serve notice of their decision to terminate this Agreement as to them only in accordance with Section V.C.

E. **Entry of Consent Judgment.**

1. Within fourteen (14) days after the Reference Date (or the next business day thereafter), the Settling Parties shall submit an appropriate motion to the MDL Court reporting upon the Settlement as specified herein, including the Participation Report, and jointly requesting that the MDL Court:

   a. enter a final consent judgment dismissing the Actions coordinated under MDL No. 2804 with prejudice as to the Remnant Defendants and, except as provided for in this Agreement, without costs or attorneys' fees;

   b. direct Participating Subdivisions to dismiss the other Actions not coordinated under MDL No. 2804 with prejudice as to the Remnant Defendants and, except as provided for in this Agreement, without costs or attorneys' fees;

c. discharge and release the Released Entities from all Released Claims;

d. permanently bar and enjoin the institution and prosecution by Participating Subdivisions of any other action against the Released Entities in any forum asserting any claims related in any way to the Released Claims;

e. reserve and continue exclusive jurisdiction over the Settlement, including the Settlement Fund, Opioid Remediation Fund, the Settlement Fund Administrator, the Notice and Claims Administrator, and all future proceedings concerning the administration, consummation, and enforcement of this Agreement;

f. determine pursuant to Federal Rule of Civil Procedure 54(b) that there is no just reason for delay and direct entry of a final judgment as to the Participating Subdivisions and the Remnant Defendants; and

g. confirm such other and further provisions consistent with the terms of this Agreement to which the Settling Parties expressly consent in writing.

2. In connection with the filing of the motion for a Consent Judgment, Plaintiffs' Settlement Counsel will also request that the MDL Court approve the proposed Plan of Allocation, as altered by subsequent agreement, if any, pursuant to Section VII.B.3, and apply the MDL Court's prior common benefit Orders to the Settlement Funds.

3. Participating Subdivisions shall be subject to and bound by the provisions of this Agreement, the releases contained herein, and the Final Judgment.

V. Conditions of Settlement; Effect of Disapproval, Cancellation, or Termination

A. Occurrence of Effective Date.

1. Upon the Effective Date, any and all remaining interest or right of the Remnant Defendants that have elected to proceed with the Settlement, in or to the Settlement Funds, if any, shall be absolutely and forever extinguished except as provided by this Agreement, and the Settlement Funds (less any Notice and Administrative Costs, Taxes, Tax Expenses, or Attorneys' Fees and Expenses paid) shall be transferred from the Settlement Fund to the Opioid Remediation Fund, and from the Settlement Fund Administrator to the Notice and Claims Administrator as successor Settlement Fund Administrator, within ten (10) business days of the Notice and Claims Administrator notifying Plaintiffs' Settlement Counsel

it is ready to distribute the Opioid Remediation Funds, which must be after the Effective Date.

2. Upon the Effective Date, the Participating Subdivisions shall dismiss the Actions with prejudice as to the Released Entities, including all Actions listed on **Exhibit A**, as provided for in the Consent Judgment.

B. **Failure of Effective Date to Occur.** In the event that the Effective Date does not occur for any reason as to one or more Remnant Defendants, including for the reasons set forth in Sections IV.C., then this Agreement shall be cancelled and terminated as to those Remnant Defendants for which the Effective Date does not occur only, unless the affected Settling Parties mutually agree in writing to proceed with this Agreement.

C. **Termination**.

1. Prior to the Effective Date, this Agreement may be terminated by a Remnant Defendant as to it (but not as to any other Remnant Defendant) by serving on Plaintiffs' Settlement Counsel and counsel for the other Remnant Defendants a written notice of termination within ten (10) calendar days (or such longer time as may be agreed between Remnant Defendants and Plaintiffs' Settlement Counsel) after any of the following occurrences:

   a. the Remnant Defendant provides written notice of its election not to proceed under Section IV.D.2.;

   b. a Consent Judgment approving this Agreement without modification of any of this Agreement's terms has not been entered by the MDL Court on or before one hundred eighty (180) calendar days after the Preliminary Agreement Date;

   c. this Agreement or the Consent Judgment has been disapproved by the MDL Court (or, in the event of an appeal from or review of a decision of the MDL Court to approve this Agreement and the Consent Judgment, by the court hearing such appeal or conducting such review), and the time to appeal from such disapproval has expired, or, in the event of an appeal from such disapproval, the appeal has been dismissed or the disapproval has been affirmed by the court of last resort to which such appeal has been taken and such dismissal or disapproval has become no longer subject to further appeal (including, without limitation, review by the United States Supreme Court); or

   d. the Effective Date does not otherwise occur within one hundred eighty (180) calendar days after the Preliminary Agreement Date.

2. If this Agreement is terminated by one or more Remnant Defendants pursuant to Section V.C.1.:

a. Plaintiffs' Settlement Counsel must notify the Settlement Fund Administrator and/or the Notice and Claims Administrator of those Remnant Defendants' decision to terminate this Agreement within seven (7) days of receiving written notice of such termination and instructions from those Remnant Defendants required to effectuate the wire transfer for the Termination Refund;

b. the Settlement Fund Administrator and/or the Notice and Claims Administrator shall transfer the Termination Refund to those Remnant Defendants within seven (7) days of receiving written notice from Plaintiffs' Settlement Counsel; and

c. upon receipt of the Termination Refund, this Agreement and all of its terms (except Section X.L. and any other non-admissibility provisions, which shall continue in full force and effect) shall be canceled and terminated, and this Agreement and all orders issued pursuant to this Agreement shall become null and void and of no effect as between the Participating Subdivisions and the terminating Remnant Defendants only. The Participating Subdivisions and those Remnant Defendants shall be returned to the status quo that existed in the Actions immediately prior to their entry into this Settlement Agreement (subject to appropriate extensions of deadlines to enable the Actions to proceed), and the Participating Subdivisions and the terminating Remnant Defendants shall retain all of their respective rights and defenses as of immediately prior to their entry into this Settlement Agreement. The Participating Subdivisions and those Remnant Defendants shall then proceed in all respects as if this Agreement and any related orders had not been executed.

VI. Notice and Claims Administrator

A. **Selection of Notice and Claims Administrator.** Plaintiffs' Settlement Counsel shall nominate, subject to the consent of the Remnant Defendants, an entity to serve as Notice and Claims Administrator that meets the following requirements:

1. The Notice and Claims Administrator will be bound by an agreement mutually acceptable to Plaintiffs' Settlement Counsel and Remnant Defendants.

2. The Notice and Claims Administrator will act as an independent and neutral third party in the performance of its functions including administering and disbursing funds from the Settlement Fund and the Opioid Remediation Fund.

3. The Notice and Claims Administrator may not be an entity that has acted as counsel for, or otherwise represented, a party in claims relating to Products.

4. The Notice and Claims Administrator shall have the authority to perform all actions consistent with the terms of this Agreement that the Notice and Claims Administrator deems to be reasonably necessary to effectuate the notice. Subject to the Parties' approval, the Notice and Claims Administrator may retain any entity that the Notice and Claims Administrator deems to be reasonably necessary to provide assistance in effectuating Notice to the Participating Subdivisions.

5. The Notice and Claims Administrator's role generally shall include, consistent with the terms of this Agreement, administration of the proposed Settlement, including receiving, preserving, reviewing, analyzing, and approving Participation Forms, including all supporting documentation, as well as distributing and overseeing distribution of the Opioid Remediation Fund according to the Plan of Allocation.

6. Any successor to the initial Notice and Claims Administrator shall be subject to the consent of all Settling Parties, shall fulfill the same functions from and after the date of succession, and shall be bound by the determinations made by the predecessor(s) to date.

7. The Notice and Claims Administrator shall have no authority to alter in any way the Settling Parties' or Participating Subdivisions' rights and obligations under this Agreement.

8. The Remnant Defendants and Released Entities shall have no involvement with or responsibility for supervising the Notice and Claims Administrator and are not subject to the authority of the Notice and Claims Administrator.

9. All fees, costs, and expenses incurred in the administration and/or work by the Notice and Claims Administrator, including fees, costs, and expenses of the Notice and Claims Administrator, as well as the costs of distributing the Notice, shall be paid from the Settlement Funds. Remnant Defendants shall have no obligation to pay any such fees, costs, and expenses other than the Pooled Settlement Amount.

B. **Distribution of Settlement Fund.**

1. The Notice and Claims Administrator shall administer the claims submitted by Participating Subdivisions and shall oversee distribution of the Settlement Funds, including distribution of amounts in the Opioid Remediation Fund to Participating Subdivisions pursuant to the Plan of Allocation. Subject to the terms of this Agreement and any order(s) of the

MDL Court, as may be necessary or as circumstances may require, the Settlement Funds shall be applied as follows:

a. to pay Taxes and Tax Expenses on the Settlement Funds (but not on any individual distributions to Participating Subdivisions made pursuant to the Plan of Allocation);

b. to pay Notice and Administrative Costs (including escrow fees and costs);

c. to pay the Attorneys' Fees and Expenses, as set forth in and pursuant to the provisions of Section VII. of this Agreement; and

d. to distribute the balance, which constitutes the "Opioid Remediation Funds," to Participating Subdivisions as allowed by this Agreement and the Plan of Allocation.

2. No amount may be disbursed from the Settlement Fund until the Effective Date, except that: (a) Notice and Administrative Costs (including escrow fees and costs) may be paid from the Settlement Fund as they become due, and (b) Taxes and Tax Expenses on the Settlement Funds may be paid from the Settlement Fund as they become due.

C. **Distribution of Opioid Remediation Fund.** Upon the Effective Date and thereafter, and in accordance with the terms of this Agreement, the Plan of Allocation, and any further order(s) of the MDL Court, the Opioid Remediation Funds shall be distributed to Participating Subdivisions as provided by Section VI.B.1.d.

VII. Use and Allocation of Opioid Remediation Fund.

A. Use of Opioid Remediation Funds.

1. It is the intent of the Parties that the payments disbursed from the Opioid Remediation Fund to Participating Subdivisions be for Opioid Remediation as set forth in **Exhibit D**: List of Opioid Remediation Uses, all of which are compensatory and remedial in nature consistent with the restitution characterization under 26 U.S.C. § 162(f)(2)(A). In no event may less than ninety-five percent (95%) of the Opioid Remediation Funds be spent on Opioid Remediation.

2. While disfavored by the Parties, a Participating Subdivision set forth on **Exhibit C** may use monies from the Opioid Remediation Fund (that have not been restricted by this Agreement solely to future Opioid Remediation) for purposes that do not qualify as Opioid Remediation. If, at any time, a Participating Subdivision set forth on **Exhibit C** uses any monies from the Opioid Remediation Fund for a purpose that does not qualify as Opioid Remediation, such Participating Subdivision set forth on **Exhibit C** shall identify such amounts and report to the Notice and

Claims Administrator and the Remnant Defendants how such funds were used, including if used to pay attorneys' fees, investigation costs, litigation costs, or costs related to the operation and enforcement of this Agreement, respectively. It is the intent of the Parties that the reporting under this Section VII.A.2. shall be available to the public. For the avoidance of doubt, (a) any amounts not identified under this Section VII.A.2. as used to pay attorneys' fees, investigation costs, or litigation costs shall be included in the Compensatory Restitution Amount for purposes of Section III.B., and (b) Participating Subdivisions not listed on **Exhibit C** may only use monies from the Opioid Remediation Fund for purposes that qualify as Opioid Remediation.

B. **Allocation of Opioid Remediation Fund.** The allocation of the Opioid Remediation Fund allows for different approaches to be taken in different states, such as through a State-Subdivision Agreement. The Notice and Claims Administrator will, for each Participating Subdivision, apply the terms of this Agreement and any relevant State-Subdivision Agreement or voluntary redistribution of funds as set out below before disbursing the funds.

1. A State-Subdivision Agreement may govern the operation and use of amounts allocated to the Participating Subdivisions of a particular State so long as the terms do not conflict with Section VII.A. and the funds are held in a segregated account until distributed for their intended purposes.

2. In the absence of an applicable State-Subdivision Agreement, the Opioid Remediation Fund will be used solely for future Opioid Remediation and the Opioid Remediation Funds will be distributed for their intended purposes by the Notice and Claims Administrator to Participating Subdivisions included on **Exhibit E** pursuant to the Plan of Allocation. Section VII.B.3. shall govern amounts that would otherwise be distributed to Non-Participating Subdivisions listed in **Exhibit E**. For the avoidance of doubt and notwithstanding any other provision in this Agreement, no Non-Participating Subdivision will receive any amount from the Opioid Remediation Fund, regardless of whether such Subdivision is included on **Exhibit E**. Also, no State will receive any amount from the Opioid Remediation Fund.

3. Any portion of the Opioid Remediation Fund allocated pursuant to Section VII.B. and the Plan of Allocation to a Subdivision that is a Non-Participating Subdivision will be re-allocated among Participating Subdivisions as later agreed between Plaintiffs' Settlement Counsel and Remnant Defendants. For avoidance of doubt, any amount allocated to a Participating Subdivision under this Section VII.B.3. must be used as provided by Section VII.A.

C. **No Liability for Distribution of Settlement Fund or Opioid Remediation Fund.** Neither the Released Entities nor their counsel shall have any responsibility for, or liability whatsoever with respect to, the distribution of the Settlement Fund or Opioid

Remediation Fund; administering the Plan of Allocation; the Settlement Fund's or Opioid Remediation Fund's qualification as a "qualified settlement fund"; the payment or withholding of Taxes or Tax Expenses; the distribution of Settlement Funds or Opioid Remediation Funds; or any losses incurred in connection with any such matters. The Releasors hereby fully, finally, and forever release, relinquish, and discharge the Released Entities and their counsel from any and all such liability. No entity shall have any claim against Plaintiffs' Settlement Counsel, the Notice and Claims Administrator, or any Released Entity based on the distributions made in accordance with this Agreement, the Plan of Allocation, or further orders of the MDL Court.

D. **Balance Remaining in Settlement Fund or Opioid Remediation Fund.** If there is any balance remaining in the Settlement Fund or Opioid Remediation Fund (whether by reason of tax refunds, uncashed checks, or otherwise), such balance shall be deemed as Opioid Remediation Funds and distributed in accordance with the Plan of Allocation and Section VII., and shall be used and expended solely for the purpose set forth in **Exhibit D**, or further order of the MDL Court (but not to the Remnant Defendants).

VIII. Attorneys' Fees and Expenses

The Agreement on Attorneys' Fees and Expenses is set forth in **Exhibit H** and incorporated herein by reference. The Released Entities shall have no responsibility for or liability whatsoever with respect to any payment for Attorneys' Fees and Expenses or to any other entity or person that may assert a claim for any attorneys' fee, expense, or costs, except as set forth in the Agreement on Attorneys' Fees and Expenses in **Exhibit H**.

IX. Releases and Dismissal

A. **No Future Actions Following Release.** As of the Effective Date, the Released Entities are fully, finally, and forever released and discharged from all of the Releasors' Released Claims. Each Releasor hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist in bringing or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever, whether on its own behalf, or as part of any putative, purported, or certified class. The releases provided for in this Agreement are intended by the Settling Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims. This Agreement shall be a complete bar to any Released Claim. Other than as set forth herein, this Agreement does not include any provisions for injunctive relief. Participating Subdivisions shall look solely to the Settlement Funds for settlement and satisfaction against the Released Entities of all claims that are released hereunder. The MDL Court shall have continuing and exclusive jurisdiction to enforce the terms and provisions of this Agreement and any and all of its Orders made in connection with Settlement approval, notice, administration, and implementation.

B. **Claim-Over and Non-Party Settlement.**

1. It is the intent of the Parties that:

a. Released Entities should not seek contribution or indemnification (other than pursuant to an insurance or other third-party contract), from other parties for their payment obligations under this Agreement;

b. The payments made under this Agreement shall be the sole payments made by the Released Entities to the Releasors involving, arising out of, or related to Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity);

c. Claims by Releasors against non-Parties should not result in additional payments by Released Entities, whether through contribution, indemnification or any other means; and

d. this Agreement meets the Uniform Contribution Among Tortfeasors Act and any similar state law or doctrine that reduces or discharges a released party's liability to pay other parties.

The provisions of this Section IX.B. are intended to be implemented consistent with these principles. This Agreement and the releases and dismissals provided for herein are made in good faith.

2. No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner; *provided that* a Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim-Over against it. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance or other third-party contracts.

3. To the extent that, on or after the Effective Date, any Releasor enters into a Non-Party Settlement, including in any bankruptcy case or through any plan of reorganization (whether individually or as a class of creditors), the Releasor will seek to include (or in the case of a Non-Party Settlement made in connection with a bankruptcy case, will cause the debtor to include), unless prohibited from doing so under applicable law, in the Non-Party Settlement a prohibition on contribution or indemnity of any kind substantially equivalent to that required from Remnant Defendants in Section IX.B.2. or a release from such Non-Released Entity in favor of the Released Entities (in a form equivalent to the releases contained in this Agreement) of any Claim-Over. The obligation to obtain the prohibition and/or release required by this subsection is a material term of this Agreement.

4. In the event that any Releasor obtains a judgment against a Non-Released Entity that does not contain a prohibition like that described in Section

IX.B.2., or any Releasor files a Non-Party Covered Conduct Claim against a Non-Released Entity in bankruptcy or a Releasor is prevented for any reason from obtaining a prohibition/release in a Non-Party Settlement as provided in Section IX.B.2., and such Non-Released Entity asserts a Claim-Over against a Released Entity, the Released Entity shall be relieved of the prohibition in Section IX.B.2. with respect to that Non-Released Entity and that Releasor and the Remnant Defendants shall take the following actions to ensure that the Released Entities do not pay more with respect to the Covered Conduct to Releasors or to Non-Released Entities than the amounts owed under this Agreement by the Remnant Defendants:

a. The Remnant Defendants shall notify that Releasor of the Claim-Over within sixty (60) days of the assertion of the Claim-Over or within sixty (60) days of the Effective Date, whichever is later.

b. The Remnant Defendants and that Releasor shall meet and confer concerning the means to hold the Released Entities harmless from the Claim-Over and ensure that the Released Entities are not required to pay more with respect to the Released Claims than the amounts owed by Remnant Defendants under this Agreement.

c. That Releasor and the Remnant Defendants shall take steps sufficient and permissible under applicable law to hold the Released Entities harmless from the Claim-Over and ensure the Released Entities are not required to pay more with respect to the Covered Conduct than the amounts owed by Remnant Defendants under this Agreement. Such steps may include, where permissible:

    (i) The Releasor supporting a motion to dismiss or such other appropriate motion as may be filed by the Released Entities in response to any Claim filed in litigation or arbitration;

    (ii) Reduction of that Releasors' Claim and any judgment it has obtained or may obtain against such Non-Released Entity by whatever amount or percentage is necessary to extinguish such Claim-Over under applicable law, up to the amount that releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

    (iii) Placement into escrow of funds paid by the Non-Released Entities such that those funds are available to satisfy the Claim-Over;

    (iv) Return of monies paid by Remnant Defendants to that Releasor under this Agreement to permit satisfaction of a

judgment against or settlement with the Non-Released Entity to satisfy the Claim-Over;

(v) Payment of monies to Remnant Defendants by that Releasor to ensure they are held harmless from such Claim-Over, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(vi) Credit to the Remnant Defendants under this Agreement to reduce the overall amounts to be paid under this Agreement such that they are held harmless from the Claim-Over; and

(vii) Such other actions as that Releasor and the Remnant Defendants may devise to hold the Released Entities harmless from the Claim-Over.

d. The actions of that Releasor and Remnant Defendants taken pursuant to paragraph (c) must in combination, ensure Remnant Defendants are not required to pay more with respect to Covered Conduct than the amounts owed by Remnant Defendants under this Agreement.

5. To the extent that the Claim-Over is based on a contractual indemnity, the obligations under Section IX.B.3. shall extend solely to a Non-Party Covered Conduct Claim against a pharmacy, distributor, clinic, hospital or other purchaser or dispenser of Products, a manufacturer that sold Products, a consultant, and/or a pharmacy benefit manager or other third-party payor. Each Remnant Defendant shall notify the Participating Subdivisions, to the extent permitted by applicable law, in the event that any of these types of Non-Released Entity assert a Claim-Over arising out of contractual indemnity against it.

C. **Litigation Bar.** The Settling Parties contemplate and agree that this Agreement may be pleaded as a bar to a lawsuit, and an injunction may be obtained, preventing any action from being initiated or maintained in any case sought to be prosecuted on behalf of any Releasors with respect to the Released Claims.

D. **General Release.** The Releasors acknowledge that, by executing this Agreement, and for the consideration received hereunder, it is their intention to release, and they are releasing, all Released Claims, even Unknown Claims. In connection with the releases provided for in this Agreement, each Releasor expressly, knowingly, and voluntarily waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to Section 1542 of the California Civil Code, which reads:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS
THAT THE CREDITOR OR RELEASING PARTY DOES NOT

> KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Releasors likewise expressly, knowingly, and voluntarily waive any rights under Section 20-7-11 of the South Dakota Codified Laws, which provides:

> A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR.

The Releasors acknowledge that they have been advised by Plaintiffs' Settlement Counsel of the contents and effects of California Civil Code § 1542, and hereby expressly waive and release with respect to the Released Claims any and all provisions, rights, and benefits conferred by California Civil Code § 1542 or by any equivalent, similar, or comparable law or principle of law in any jurisdiction, including, but not limited to Section 20-7-11 of the South Dakota Codified Laws. A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Releasor hereby expressly waives, and fully, finally, and forever settles, releases, and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Releasors' decision to enter into or participate in this Agreement.

E. **Assigned Interest Waiver.** To the extent that any Releasor has any direct or indirect interest in any rights of a third party that is a debtor under the Bankruptcy Code as a result of a claim arising out of Covered Conduct by way of assignment or otherwise, including as a result of being the beneficiary of a trust or other distribution entity, to assert claims against a Remnant Defendant (whether derivatively or otherwise), under any legal or equitable theory, including for indemnification, contribution, or subrogation, such Releasor waives the right to assert any such claim, or to receive a distribution or any benefit on account of such claim and such claim, distribution, or benefit shall be deemed assigned to such Remnant Defendant.

F. ***Res Judicata*.** Nothing in this Agreement shall be deemed to reduce the scope of the *res judicata* or claim preclusive effect that the Settlement gives rise to under applicable law.

G. **Effectiveness.** The releases set forth in this Agreement shall not be impacted in any way by any dispute that exists, has existed, or may later exist between or among the Releasors. Nor shall such releases be impacted in any way by any current or future law, regulation, ordinance, or court or agency order limiting, seizing, or controlling the distribution or use of the Settlement Funds or any portion thereof, by the enactment of future laws or the reinterpretation of existing law, or by any seizure of the Settlement Funds or any portion thereof.

H. **Cooperation.** The Settling Parties agree to use their best efforts and to cooperate to cause this Agreement and the Consent Judgment to become effective, to obtain all necessary approvals, consents and authorizations, if any, and to execute all documents and to take such other action as may be appropriate in connection herewith. Consistent with the foregoing, the Settling Parties agree that they will not directly or indirectly assist or encourage any challenge to this Agreement or the Consent Judgment by any other person, and will support the integrity and enforcement of the terms of this Agreement and the Consent Judgment. Upon the Effective Date, Plaintiffs' Settlement Counsel will also reasonably cooperate with the Remnant Defendants to secure the prompt dismissal of any and all Released Claims in the Actions and in any later-filed litigation implicated by the releases, covenants not to sue, and/or claim bars set forth herein.

I. **Liens.** Each Participating Subdivision agrees to be responsible for any liens, interests, actions, or claims asserted by any third party, in a derivative manner, for or against the portion of Opioid Remediation Funds allocated to that Participating Subdivision, including, without limitation, any derivative actions or claims asserted by any financial institutions, lenders, insurers, agents, representatives, successors, predecessors, assigns, attorneys, bankruptcy trustees, and any and all other entities that may claim through them in a derivative manner.

J. **Claims Excluded from Release**. Notwithstanding the foregoing, the releases provided herein shall not release claims of governmental entities that do not participate in the Settlement; claims arising solely from conduct by the Remnant Defendants that occurs after the Effective Date; claims against the Remnant Defendants other than the Released Claims; or claims alleging a breach of this Agreement or seeking to enforce this Agreement.

X. Miscellaneous Provisions

A. **Population of Subdivisions.** The population figures for Subdivisions shall be the published U.S. Census Bureau's population estimates for July 1, 2019, released May 2020. These population figures shall remain unchanged during the term of this Agreement.

B. **No Admission of Liability or Wrongdoing.** The Parties agree to settle the Released Claims and to execute this Agreement solely to compromise and settle protracted, complicated, and expensive litigation. The Remnant Defendants do not admit liability or wrongdoing. Neither this Agreement nor the Consent Judgment shall be considered, construed or represented to be (1) an admission, concession or evidence of liability or wrongdoing or (2) a waiver or any limitation of any defense otherwise available to the Remnant Defendants.

C. **Voluntary Settlement.** Each Settling Party warrants and represents that it negotiated the terms of this Agreement in good faith, without any degree or duress or compulsion, and after consultation with competent legal counsel. The Settling Parties agree that throughout the course of the litigation of the Action, the Settling Parties and their counsel vigorously prosecuted their claims and/or defenses consistent with the applicable rules of procedure.

D. **Authorization to Enter Settlement Agreement.** The undersigned representatives of Remnant Defendants represent they are fully authorized to enter into and execute this Agreement on behalf of Remnant Defendants. Plaintiffs' Settlement Counsel represent that they

are, pursuant to MDL Court appointment, expressly authorized to take all action required or permitted to be taken pursuant to this Agreement to effectuate its terms and enter into and execute this Agreement and any modifications or amendments to this Agreement, on behalf of the Participating Subdivisions, that they deem appropriate.

E. **Integrated Agreement.** Except for any amendments, alterations, or modifications provided for under Section X.G., this Agreement, including its exhibits and any other attachments, and the Related Agreements, embodies the entire agreement and understanding between and among the Settling Parties relating to the subject matter hereof and supersedes (1) all prior agreements and understandings relating to such subject matter, whether written or oral, and (2) all purportedly contemporaneous oral agreements and understandings relating to such subject matter. It is understood by the Settling Parties that, except for the matters expressly represented herein, the facts or law with respect to which this Agreement is entered into may turn out to be other than or different from the facts now known to each party or believed by such party to be true. Each Settling Party therefore expressly assumes the risk of the facts or law turning out to be so different, and agrees that this Agreement shall be in all respects effective and not subject to termination by reason of any such different facts or law.

F. **Exhibits.** The exhibits to this Agreement are as follows all of which are incorporated by reference, *provided that* the descriptions of the exhibits below are for reference only and do not alter any other term of this Agreement:

G. **Amendment.** The terms and provisions of this Agreement may not be altered, amended, or modified except in writing signed by all Settling Parties.

H. **Execution in Counterparts.** This Agreement may be executed in one or more counterparts and by different signatories on separate counterparts, each of which shall be deemed an original, but all of which shall together be one and the same agreement. One or more counterparts of this Agreement may be delivered by facsimile or electronic transmission with the intent that it or they shall constitute an original counterpart hereof. One or more counterparts of this Agreement may be signed by electronic signature. Counsel for the Settling Parties to this Agreement shall exchange among themselves original or scanned counterparts and a complete, assembled executed counterpart shall be filed with the MDL Court.

I. **Construction.** None of the Settling Parties shall be considered to be the drafter of this Agreement or of any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement. The headings of the provisions of this Agreement are not binding and are for reference only and do not limit, expand, or otherwise affect the contents or meaning of this Agreement.

J. **Each Party to Bear Its Own Costs and Fees.** Except as otherwise provided herein, each Settling Party shall bear its own attorneys' fees and other litigation expenses and costs.

K. **Federal Rule of Evidence 408.** The Settling Parties agree that this Agreement, its terms and the negotiations surrounding this Agreement shall be governed by Federal Rule of Evidence 408 and shall not be admissible or offered or received into evidence in any suit, action, or other proceeding, except as provided in this Agreement, upon the written agreement of the Settling Parties hereto, pursuant to an order of a court of competent jurisdiction, or as shall be necessary to give effect to, or to declare or enforce the rights of the Settling Parties with respect to, any provision of this Agreement.

L. **Use of Agreement as Evidence.** Neither this Agreement nor the Settlement, nor any act performed, statement made, or document executed pursuant to or in furtherance of this Agreement or the Settlement: (a) is, may be deemed to be, or may be used as an admission or evidence of the validity of any Released Claims, any allegation made in any Action, or any wrongdoing or liability of Remnant Defendants; or (b) is, may be deemed to be, or may be used as an admission or evidence of any liability, fault, or omission of the Released Entities in any civil, criminal, or administrative proceeding in any court, administrative agency, or other tribunal. Neither this Agreement nor the Settlement, nor any act performed, statement made, or document executed pursuant to or in furtherance of this Agreement or the Settlement shall be admissible in any proceeding for any purpose except to enforce the terms of the Settlement, and except that the Released Parties may file this Agreement and/or the Consent Judgment in any

action for any purpose, including, but not limited to, in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion, issue preclusion, or similar defense or counterclaim. Notwithstanding anything to the contrary in this Agreement or otherwise, Remnant Defendants may file or use this Agreement and related materials in any action: (i) involving a determination regarding insurance coverage; (ii) involving a determination of the taxable income or tax liability of any Remnant Defendants; (iii) to support a claim for contribution and/or indemnification; or (iv) to support any argument or defense by a Remnant Defendant that the Pooled Settlement Amount provides a measure of compensation for asserted harms or otherwise satisfies the relief sought.

M. **Preservation of Records.** For five years following the Effective Date, (i) the Notice and Claims Administrator shall be required to keep, maintain, preserve, and otherwise refrain from altering, modifying, spoiling, deleting, removing, or destroying all records and data submitted in connection with any Participation Form; and (ii) each Participating Subdivision shall keep, maintain, preserve, and otherwise refrain from altering, modifying, spoiling, deleting, removing, or destroying all records and data supporting its Participation Form.

N. **Binding Effect.** This Agreement shall be binding upon, and inure to the benefit of, the successors and assigns of the Settling Parties.

O. **Notices.** All notices from or between the Settling Parties shall be in writing. Each such notice shall be given by: (a) email; (b) hand delivery; (c) registered or certified mail, return receipt requested, postage pre-paid; or (d) FedEx or similar overnight courier, to their representatives at the addresses set forth below or such other addresses as Plaintiffs' Settlement Counsel or the Remnant Defendants may designate, from time to time, by giving notice to all Settling Parties in the manner described in this paragraph.

Any Settling Party may change or add the contact information of the persons designated to receive notice on its behalf by notice given (effective upon the giving of such notice) as provided in this Section X.O.

P. **Consent to Jurisdiction.** The Remnant Defendants, the Plaintiffs' Settlement Counsel, and Participating Subdivisions (including all Releasors) hereby irrevocably submit to the exclusive jurisdiction of the MDL Court only for the specific purpose of any suit, action, proceeding, or dispute arising out of or relating to the enforcement of this Agreement or the applicability of this Agreement. Solely for purposes of such suit, action, or proceeding, to the fullest extent that they may effectively do so under applicable law, the Remnant Defendants, the Plaintiffs' Settlement Counsel, and the Participating Subdivisions and the Participating Subdivisions' Counsel irrevocably waive and agree not to assert, by way of motion, as a defense or otherwise, any claim or objection that they are not subject to the jurisdiction of the MDL Court or that the MDL Court is in any way an improper venue or an inconvenient forum. Nothing herein shall be construed as a submission to jurisdiction for any purpose other than any

suit, action, proceeding, or dispute arising out of or relating to enforcement of this Agreement or the applicability of this Agreement. For the avoidance of doubt, nothing herein shall be construed as a submission to jurisdiction in any action involving a determination regarding insurance coverage.

Q. **Resolution of Disputes; Retention of Exclusive Jurisdiction.** Any disputes between or among the Remnant Defendants and any Participating Subdivision concerning matters contained in this Agreement, including the Plan of Allocation, shall, if they cannot be resolved by negotiation and agreement, be submitted to the MDL Court. The MDL Court shall retain exclusive jurisdiction over the implementation and enforcement of the Settlement.

R. **Choice of Law.** This Agreement shall be construed and enforced in accordance with, and governed by, the applicable provisions of the Federal Rules of Civil Procedure and Evidence, and the internal, substantive laws of the State of Ohio without giving effect to that State's choice of law principles.

S. **No Waiver.** No delay or omission by any Settling Party in exercising any rights under this Agreement will operate as a waiver of that or any other right. The waiver of any rights conferred hereunder shall be effective only if made by written instrument executed by the waiving Party or Parties. The waiver by any Party of any breach of this Agreement shall not be deemed to be or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, nor shall such waiver be deemed to be or construed as a waiver by any other Party.

T. **Preservation of Privilege**. Nothing contained in this Agreement or any Consent Judgment, and no act required to be performed pursuant to this Agreement or any Consent Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, or common interest/joint defense privilege, and each Party and Participating Subdivision agrees that it shall not make or cause to be made in any forum any assertion to the contrary.

U. **Duty Not to Encourage Non-Participation.** Plaintiffs' Settlement Counsel agrees not to in any way encourage, promote, or solicit any Subdivision, or their counsel, to decline to participate in this Settlement, or seek any relief inconsistent with this Settlement.

V. **Tax Cooperation and Reporting.**

1. Upon request by any Remnant Defendant, the Participating Subdivisions agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for the Remnant Defendant to establish the statements set forth in Section III.B. to the satisfaction of their tax advisors, their independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by Treasury Regulations Section 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance.

2. Without limiting the generality of Section X.V.1., each Participating Subdivision shall cooperate in good faith with any Remnant Defendant with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement. The Settling Parties agree to cooperate in good faith to provide documentation and perform such further acts, reporting, or allocation to achieve maximum deductibility under the terms of this Agreement.

3. The Designated Subdivision, as defined in Section I.K., on behalf of all Participating Subdivisions, shall designate one of its officers or employees to act as the "appropriate official" within the meaning of Treasury Regulations Section 1.6050X-1(f)(1)(ii)(B) (the "*Appropriate Official*"). The Designated Subdivision shall direct and ensure that the Appropriate Official timely (a) files (i) at the time this Agreement becomes binding on the Settling Parties, an IRS Form 1098-F with respect to each of the Remnant Defendants and (ii) any legally required returns or amended returns with any applicable governmental authority, or any returns requested by the respective Remnant Defendant, and (b) provides to each of the Remnant Defendants a copy of (i) the IRS Form 1098-F filed with respect to such Remnant Defendant and (ii) any legally required written statement pursuant to any applicable law and any other document referred to in clause (a)(ii) above. Any such form, return, or statement shall be prepared and filed in a manner fully consistent with Section III.B.

4. The Participating Subdivisions agree that any return, amended return, or written statement filed or provided pursuant to Section X.V.3., and any similar document, shall be prepared and filed in a manner consistent with reporting each Remnant Defendant's portion of the Pooled Settlement Amount as the "Total amount to be paid" pursuant to this Agreement in Box 1 of IRS Form 1098-F and each Remnant Defendant's portion of the Compensatory Restitution Amount as "Restitution/remediation amount" in Box 2 of IRS Form 1098-F. If the Designated Subdivision or Appropriate Official shall be required to file any return, amended return, or written statement contemplated by this Section X.V. other than an IRS Form 1098-F, the Designated Subdivision shall direct and ensure that the Appropriate Official provides to each Remnant Defendant a draft of such return, amended return, or written statement in respect of such Remnant Defendant no later than sixty (60) calendar days prior to the due date thereof and shall accept and reflect any reasonable comments of such Remnant Defendant on the return, amended return, or written statement in respect of such Remnant Defendant.

5. For the avoidance of doubt, neither the Remnant Defendants nor the Participating Subdivisions make any warranty or representation to any Participating Subdivision or Releasor as to the tax consequences of any aspect of the Settlement or this Agreement.

W. **No Third-Party Beneficiaries**. Except as expressly provided in this Agreement, no portion of this Agreement shall provide any rights to, or be enforceable by, any person or entity that is not a Released Entity. No Participating Subdivision may assign or otherwise convey any right to enforce any provision of this Agreement.

X. **Confidentiality.** The terms of this Agreement shall remain confidential until Subdivision Settlement Participation Forms are submitted to Subdivisions pursuant to the terms of this Agreement, or the proposed order to establish qualified settlement funds is submitted to the MDL Court, whichever occurs first; *provided that*, prior to then the Settling Parties may disclose the terms of this Settlement to accountants, lenders, auditors, legal counsel, tax advisors, insurers, or consultants; or as part of any security or other disclosure required by law (as determined by a Settling Party and its counsel); or in response to a request by any governmental, judicial, or regulatory authority or otherwise required by applicable law or court order; and Participating Subdivisions may disclose the terms of the Settlement to any entity that has applied to serve as Notice and Claims Administrator, or Settlement Fund Administrator, who shall abide by the terms of this paragraph. Any formal press release by a Settling Party regarding this Settlement prior to entry of the Final Judgment shall be shared in advance with the other Settling Party, with a reasonable opportunity for comments and suggested changes.

The governmental entity identified above ("Governmental Entity"), in order to obtain and in consideration for the benefits provided to the Governmental Entity pursuant to the six (6) Remnant Defendants' Settlement Agreement ("RDSA"), dated February 23, 2026, and described further in Paragraph 1, and acting through the undersigned authorized official, hereby elects to participate in the RDSA, release all Released Claims against all Released Entities, and agrees as follows:

1. The Governmental Entity hereby elects to participate in the RDSA as a Participating Subdivision with each of the following six (6) Remnant Defendants that are parties to the RDSA: (1) Associated Pharmacies, Inc. (and American Associated Pharmacies), (2) J M Smith Corporation, (3) Morris and Dickson Co., L.L.C., (4) Louisiana Wholesale Drug Company, Inc., (5) North Carolina Mutual Wholesale Drug Company, Inc., and (6) United Natural Foods, Inc. (and SuperValu).

2. The Governmental Entity is aware of and has reviewed the RDSA, understands that all capitalized terms not defined in this Combined Participation Form have the meanings defined in the RDSA, and agrees that by executing this Combined Participation Form, the Governmental Entity elects to participate in the RDSA and become a Participating Subdivision as provided in the RDSAs.

3. The Governmental Entity shall promptly, and in any event no later than 14 days after the Reference Date and prior to the filing of the Consent Judgment, dismiss with prejudice any Released Claims that it has filed against any Released Entity in the RDSA. With respect to any Released Claims pending in *In Re National Prescription Opiate Litigation*, MDL No. 2804, the Governmental Entity authorizes the Plaintiffs' Executive Committee to execute and file on behalf of the Governmental Entity a Stipulation of Dismissal with Prejudice for each of six (6) Remnant Defendants listed in Paragraph 1 above substantially in the form found at *https://nationalopioidsettlement.com/additional-settlements/.*

4. The Governmental Entity agrees to the terms of each of the RDSA pertaining to Participating Subdivisions as defined therein.

5. By agreeing to the terms of the RDSA settlements and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.

6. The Governmental Entity agrees to use any monies it receives through the RDSA solely for the purposes provided therein.

7. The Governmental Entity submits to the jurisdiction of the MDL Court and agrees to follow the process for resolving any disputes described in the RDSA.

8. The Governmental Entity has the right to enforce the RDSA as provided therein.

9. The Governmental Entity, as a Participating Subdivision, hereby becomes a Releasor for all purposes of the RDSA, including without limitation all provisions related to release of any claims, and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in his or her official capacity whether elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in the RDSA in any forum whatsoever. The release provided for in the RDSA is intended by the Parties to be broad and shall be interpreted so as to give the Released Entities in the RDSA the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Governmental Entity to release claims. The RDSA shall be a complete bar to any Released Claim against the Released Entities.

10. The Governmental Entity hereby takes on all rights and obligations of a Participating Subdivision as set forth in the RDSA.

11. In connection with the releases provided in the RDSA, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

> **General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims in the RDSA, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the RDSA.

12. The Governmental Entity understands and acknowledges that nothing herein is intended to modify in any way the terms of any of the RDSA, to which Governmental Entity hereby agrees. To the extent this Combined Participation Form is interpreted differently from the RDSA in any respect, the RDSA controls.

I have all necessary power and authorization to execute this Combined Participation Form on behalf of the Governmental Entity.

21. "*Qualifying Tribal Representation.*" Representation by an attorney of a Participating Tribal Government, whether their actions are filed in state or federal court against any opioid defendant as of December 1, 2025 and meet the eligibility criteria of Section IV.32.

22. "*State Back-Stop Agreement*." Any agreement by a Settling State and private counsel for Participating Subdivisions in that State (or legislation enacted in that State) to provide, adjust, or guarantee attorneys' fees and costs, whether from the Attorney Fee Fund or any other source recognized in the agreement or legislation.[5]

II. Total Exhibit H Attorney Fee and Cost Funds

23. Total attorneys' fees and costs to be paid by the Remnant Defendants under this Fee Agreement ("Private Attorney Fees" and/or "Exhibit H Attorneys Fee and Cost Funds") shall be Twelve point four percent (12.4%) of the total amount to be paid by the Remnant Defendants under the Pooled Settlement Agreement. This amount is to be divided between the MDL Direct Cost Fund and the Attorney Fee Fund in accordance with sections III and IV herein.[6] In no event shall the Remnant Defendants be required to pay any amount in connection with the Settlement in excess of the amount they respectively contributed to the Pooled Settlement Amount. Such payment shall be made from the Settlement Funds on a date after the Effective Date as set forth in the Pooled Settlement Agreement ("Payment Date").

24. Settlement of Non-Participating Subdivisions.

If any Remnant Defendant settles with any Non-Participating Subdivision after the Effective Date, that Remnant Defendant agrees to withhold from such settlement the same 7.5% Payment that would have been due if that Non-Litigating Subdivision had participated in the Pooled Settlement Agreement, to be divided, administered and utilized as set forth in Paragraph 30 below.

III. MDL Direct Cost Fund

25. Subject to any adjustments as set forth below, the total MDL Direct Cost Fund to be deducted from the Settlement Funds shall be $303,637.50 to cover all necessary MDL costs, including the costs of mediation and the administration of this Fee Agreement. The funds shall be paid by the Payment Date.

a. It is the intention of the Parties that the MDL Direct Cost Fund shall be administered by the Cost Fund and Expense Fund Administrator (MDL Docket No. 3828), who will be governed by the provisions of this Fee Agreement and

[5] Nothing herein shall be understood to indicate approval for additional State Back-Stop Agreements or modifications of existing State Back-Stop Agreements.

[6] The MDL Direct Cost Fund amount represents 2.5% of the Private Attorney Fees paid herein and amounts to $303,637.50 and the Attorney Fee Fund represents the remaining funds amounting to $11,801,862.50.

shall design the process and procedures for the allocation of costs pursuant to this Fee Agreement and the MDL Court's Order.

b. The costs of the Cost and Expense Fund Administrator shall be paid from the MDL Direct Cost Fund, including any interest or return therein, to fairly charge the fund the costs incurred in implementing and supervising the fund.

c. At the conclusion of the Pooled Settlement Agreement process, any funds not allocated by the Cost and Expense Fund Administrator in the MDL Direct Cost Fund (including any interest or return accrued therein) shall be transferred to the MDL Common Benefit Fund. Any shortfall in the MDL Direct Cost Fund may be transferred to the MDL Direct Cost Fund from the Attorney Fee Fund as the Cost and Expense Fund Administrator deems necessary. For the avoidance of doubt, the Remnant Defendants shall have no obligation to pay any amount in connection with the Settlement in excess of the amount they respectively contributed to the Pooled Settlement Amount.

IV. Attorney Fee Fund

26. The total Attorney Fee Fund to be deducted from the Settlement Funds shall be $11,801,862.50, subject to any adjustments as set forth above and below. The funds shall be paid by the Payment Date.

27. The Attorney Fee Fund shall consist of the Contingency Fee Fund and the Common Benefit Fund.

a. It is the intention of the Parties that the Contingency Fee Fund and the Common Benefit Fund shall be administered by the Fee Panel (MDL Docket No. 3828), which will be governed by the provisions of this Fee Agreement and shall design the process and procedures for the allocation of fees pursuant to this Fee Agreement and the MDL Court's Order.

28. The fees to be paid under this Fee Agreement are available for Attorneys engaged in Qualifying Representations and Qualified Tribal Representations only. Fees to be paid under this Fee Agreement are not available prior to the Effective Date of the Pooled Settlement Agreement and are not available from any Defendant that does not proceed with the Pooled Settlement Agreement through the Effective Date. Fees to be paid under this Fee Agreement are not available for representation of States, Non-Participating Subdivisions, or Non- Litigating Subdivisions, and are not available for representation of private hospitals, third-party payors, NAS claimants, personal injury/wrongful death claimants, or any entity other than Participating Litigating Subdivisions. In addition, fees under this Fee Agreement are not available for representation of any individual or entity in matters other than claims against Released Entities, but may include a reasonable share of representations that involve development of facts for pursuit of opioid-related claims against multiple defendants in the pharmacy, manufacturing, and distribution chain.

29. *Attorney Fee Fund and Sub Funds.*

a. There shall be a split of the Attorney Fee Fund into the Contingency Fee Fund and the Common Benefit Fund. The split shall be 40% to the Contingency Fee Fund and 60% to the Common Benefit Fund.

b. In no event shall any Remnant Defendant be required to pay more into the Attorney Fee Fund and MDL Direct Cost Fund than the amount specified in the Pooled Settlement Agreement. The amounts allocated to the Contingency Fund and the Common Benefit Fund shall be subject to the reductions and refunds set forth above and below.

c. Awards of fees from the Contingency Fee Fund shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Pooled Settlement Agreement, as set forth in Exhibit E to the Pooled Settlement Agreement, and shall be made applying the mathematical model implemented in previous global settlements with defendants named in the multidistrict litigation in the Northern District of Ohio, *In re National Prescription Opiate Litigation*, No. 1:17-MD-2804 and consistent with the terms of this Fee Agreement. The collection of the data and calculations for the mathematical model have been a cooperative effort among private counsel for a large number of Litigating Subdivisions. The analysis was spearheaded by Joseph Tann and Andrew Arnold. The Fee Panel is encouraged to continue working with those counsel in application of the model. The Fee Panel shall oversee the application of the model and resolve any questions or disputes concerning the eligibility of a Counsel to participate as required in Section IV.32. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculation.

d. As to awards from the Contingency Fee Fund, there shall be no right of appeal.

e. Any appeal of an award of the Fee Panel from the Common Benefit Fund will be made to the MDL Court and be reviewed under an abuse of discretion standard. The decision of the MDL Court is final and non-appealable.

30. *Common Benefit Fund (60% of the Attorney Fee Fund).*

a. Funds in the Attorney Fee Fund shall be allocated to the Common Benefit Fund in the amount of $7,081,117.50, subject to any adjustments as set forth above and below, and in no event shall it exceed that amount.

b. The Common Benefit Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions and Qualified Tribal Representation of Tribal Participating Governments who:

i. have performed work for the Common Benefit of all Participating Subdivisions and/or Tribal Nations consistent with the provisions to the guidelines established by Judge Polster set forth in MDL 2804 and the May 1, 2018 Order, under docket number 358, which is incorporated herein by reference; and

ii. satisfy the eligibility criteria set forth in subsection IV.G.

c. For purposes of Common Benefit Fund distribution, MDL Participating Counsel not engaged in Qualifying Representations of Participating Litigating Subdivisions but who performed work for the Common Benefit pursuant to authorization from the MDL Co-Leads and meet the eligibility criteria in Section IV.32. shall be eligible.

d. The Common Benefit Fund shall be overseen by the Fee Panel, which shall determine the allocation of funds to eligible Attorneys consistent with this Fee Agreement, and the May 1, 2018 Order (MDL Docket 358) and any other applicable Orders of the MDL Court.

e. In assessing the benefits that an Applicant has conferred to Participating Subdivisions (including non-Litigating Subdivisions) and/or Tribes for purposes of any compensation decision, the Fee Panel shall give significant weight to the extent to which the Applicant and his or her clients have contributed to increasing (or reducing) participation in the Pooled Settlement Agreement. The Fee Panel may also consider additional fee recoveries the Applicant may have obtained or potentially could obtain, including, but not limited to, from attorney fee funds under other settlement agreements, State Back-Stop Agreements, representations of States or Tribal Nations, representations of other clients in opioids-related matters, or through the representation of Subdivision clients, whether they participated in the Pooled Settlement Agreement or not. It is the intent of this provision to recognize that the goal of the Pooled Settlement Agreement is to provide for maximum participation by the Subdivisions, maximum abatement funding for all Subdivisions nationally, and the maximum peace for Released Entities. Therefore, representing one or more Non-Participating States or Non-Participating Subdivisions does not further the goal of the Pooled Settlement Agreement, and should not be considered Common Benefit because it does not increase funds available to Participating Subdivisions' abatement programs. Representing one or more Later Litigating States or Later Litigating Subdivisions is antithetical to the Pooled Settlement Agreement and detracts from Common Benefit. The Fee Panel shall consider this concept of "common detriment" set forth in this paragraph in all of its decision making with respect to the allocation of the Attorney Fee Fund among Applicants. The Fee Panel shall consider the totality of the Applicant's Participating Litigating Subdivisions as compared to the Applicant's Non- Participating Litigating Subdivisions; the Parties recognize that, although the goal is for 100% participation, Applicants with a greater number of clients have a greater probability of having one or more Non-Participating Litigating Subdivisions. As used in this paragraph, "client" or "representing" a Subdivision shall include any Litigating Subdivision as to which the Applicant has a Fee Entitlement.

f. As set forth in Section IV.33., the Fee Panel must consider the factors described in IV.33.f. to determine how to allocate funds among Applicants. They may also, at their discretion, consider other factors. Any reduction to an Applicant shall be allocated to attorneys whose Litigating Subdivision clients participated in the settlement.

g. The provisions for Common Benefit Fund payments under this Agreement satisfy any assessments or withholdings from the Pooled Settlement Agreement that are or could be required under the Ongoing Common Benefit Order of May 9, 2022 (MDL Docket 4428).

h. Pursuant to Ongoing Common Benefit Order of May 9, 2022, Docket 4428, the MDL PEC has established the Common Benefit Fee Order requiring an assessment of 7.5% on the gross recovery (by judgment or settlement) of any Non-Participating Subdivision that is subject to the federal court jurisdiction, represented by a MDL PEC firm, represented by any Attorney receiving fees from the Common Benefit Fund, represented by any Attorney that signed a Participation Agreement or had been paid in a case otherwise under the jurisdiction of the MDL Court. Pursuant to Section VII of that Order, as described in Section II.24. above, each Defendant named in any case pending in the MDL is required to hold back the 7.5% common benefit percentage from all applicable judgments and settlements entered after the date of that Order and to deposit such amounts into the Common Benefit Fund.

31. *Contingency Fee Fund (40% of the Attorney Fee Fund).*

a. Funds from the Attorney Fee Fund shall be allocated to the Contingency Fee Fund in the amount of $4,720,745.00 subject to any adjustments as set forth above and below, and in no event shall it exceed that amount.

b. The Contingency Fee Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions that meet the criteria set forth in subsection IV.32. For the avoidance of doubt, the Contingency Fee Fund shall be available to Attorneys who represent Subdivisions that are Participating Subdivisions who filed a lawsuit against any opioid defendant as of December 1, 2025, in state or federal court, and meet the eligibility criteria of Section IV.32.

c. Participation in the Contingency Fee Fund by counsel that have a case that is not subject to the jurisdiction of the MDL Court shall not create, provide, or waive the objection to jurisdiction of the MDL Court over that Litigating Subdivision, that case or Attorneys, other than to oversee the fairness of the distribution process, and enforcement of this Fee Agreement.

d. In the event that a Remnant Defendant, prior to the Effective Date of this Agreement, settles with any Litigating Subdivision that would have been eligible to participate in this Fee Agreement, and, under such settlement agreement pays attorneys' fees, the Fee Panel shall treat those Litigating

Subdivisions as Participating Litigating Subdivisions and, applying the same criteria applicable to all Attorneys for Participating Litigating Subdivisions, determine what amount they would have been paid from the Contingency Fee Fund if they had become Participating Subdivisions under the Pooled Settlement Agreement without such prior settlement. That sum, rather than being paid to the Attorney for the previously settling Litigating Subdivision, shall be credited and/or returned to that Remnant Defendant, except that the amount returned or credited shall not be greater than the amount paid to the Attorneys under the Litigating Subdivision's prior settlement agreement.

e. During the period between the Preliminary Agreement Date and the Effective Date, the MDL PEC, as well as Litigating Subdivisions' Attorneys, shall make best efforts to cease litigation activity against the Remnant Defendants, including by jointly seeking stays or severance of claims against the Remnant Defendants where feasible, or postponements if a motion to stay or sever is not feasible or is denied, so long as such actions are not otherwise detrimental to the Litigating Subdivision.

32. *Eligibility*.

a. It is the intention of all parties participating in the Fee Panel process that there should be total transparency to the Fee Panel and to all Attorney Fee Fund participants. In connection with the process to be developed by the Fee Panel, any and all monies in attorney's fees received or awarded, including prior or future Contingency Fees, Common Benefit Fees, referral fees, expenses paid, promises for payment, or any other Fee Entitlement, to any Applicant in any opioid litigation shall be disclosed to the Fee Panel as a condition of participating in the Attorney Fee Fund and prior to an award from the Fee Panel. Any payment, expectation of payment or perceived entitlement to participate in a State Back-Stop Agreement or any other agreement reached with a Settling State or any Subdivision or any other source regarding payment of fees must be disclosed to the Fee Panel. Similarly, any right to payment from any other fund, for example a fund for payment to lawyers representing Settling States or Tribal Nations or Subdivisions shall be disclosed to the Fee Panel. Because it is anticipated that there will be multiple firms listed on contingent fee agreements with Litigating Subdivisions, the Fee Panel shall establish procedures, with input from Attorneys for Participating Litigating Subdivisions, for who should petition for fees from such groups and to whom the fee shall be paid and thereafter distributed to co-counsel in accordance with applicable agreements. For the avoidance of doubt, all Attorneys that are part of such groups must meet the eligibility criteria in Section IV.32.c., must be subject to the criteria set forth in Section IV.28., and must be disclosed to the Fee Panel.

b. An Applicant may apply for and recover attorneys' fees from the Common Benefit Fund, the Contingency Fee Fund, and any fund created by a past or future State Back-Stop Agreement, provided the Applicant satisfies the

requirements relevant to each such fund and requirements for disclosure to the Fee Panel.

c. An Attorney may not receive any payment from the Attorney Fee Fund (which includes both the Contingency Fee Fund and the Common Benefit Fund) unless the following eligibility criteria are met and certified by the Attorney:

i. The Attorney must expressly waive the enforcement against the Litigating Subdivision client of all Fee Entitlements (other than under State Back-Stop Agreements) arising out of or related to any or all Qualifying Representations of any Participating Litigating Subdivision prior to applying for attorneys' fees from the Attorney Fee Fund. All applications for attorneys' fees under this Fee Agreement shall include an affirmation by the Attorney of such waiver and notice to the client(s) of such waiver. Such waiver shall not preclude the Attorney from submitting such Fee Entitlements to the Fee Panel as a factor for consideration in allocating payments from the Attorney Fee Fund or in connection with a State Back-Stop Agreement. For the avoidance of doubt, no Attorney may recover fees under this Fee Agreement unless the Attorney expressly agrees not to enforce Fee Entitlements as to each and every Participating Litigating Subdivision represented by that Attorney, but such Attorneys may participate in and receive funds from a State Back-Stop Agreement.

ii. The Attorney must represent whether s/he has a present intent to represent or participate in the representation of any Later Litigating Subdivision or Later Litigating State with respect to Released Claims against Released Entities.

iii. The Attorney must represent whether s/he will engage in any advertising or solicitation related to Released Claims against Released Entities where such advertising or solicitation relates to a representation of a Subdivision eligible to be a Participating Subdivision after the Preliminary Agreement Date, other than the Attorney recommending participation in this Agreement.

iv. The Attorney must represent whether s/he will charge or accept any referral fees for any Released Claims brought against Released Entities by Later Litigating Subdivisions or Later Litigating States.

v. The Attorney must represent whether s/he has a Fee Entitlement related to a Later Litigating Subdivision or Later Litigating State, other than a potential Common Benefit Fee.

vi. The Attorney must fully disclose the participation, or the anticipation of participation, in any agreement with a Settling State or Participating Subdivision concerning fees arising out of or related to

the Pooled Settlement Agreement, including any fees paid or anticipated to be paid or any State Back-Stop Agreement.

vii. The Attorney must identify for the Fee Panel whether s/he utilized state litigation work product or MDL work product, including but not limited to ARCOS data, document repositories, experts developed in the MDL, trial transcripts, or deposition transcripts. The Attorney must identify whether s/he signed the MDL Participation Agreement.

viii. Any Attorney who applies for fees from one or both Funds must represent that, having exercised his/her independent judgment, s/he believes the Pooled Settlement Agreement to be fair and will make or has made best efforts to recommend both Agreements to his or her Subdivision clients. For avoidance of doubt, each Attorney is expected to exercise his or her independent judgment in the best interest of each client individually before determining whether to recommend joining the settlement. All applications for attorneys' fees or costs under this subsection shall include an affirmation by the Attorney in compliance with the foregoing subparagraphs.

d. No Attorney receiving fees under this Fee Agreement may apply for or recover from the Attorney Fee Fund fees arising from representing a Non-Settling or Non-Participating Subdivision, provided, however, that this provision is not intended to prohibit Attorneys who do not represent or otherwise have a contractual agreement with such Non-Settling State or Non-Participating Subdivision from receiving allocated shares of any future Common Benefit assessments that arise out of settlements or judgments involving such Non-Settling State or Non-Participating Subdivision. All applications for attorneys' fees under this subsection shall include an affirmation by the Attorney of compliance with this Section.

e. An Attorney who has filed an application under this subsection and received an award of attorneys' fees shall provide a certification of compliance with the requirements of this Fee Agreement annually during the years upon which they are still entitled to receive attorneys' fee payments under this Agreement. This certification will be done as directed by the Fee Panel, which may be combined with certifications as to other settling opioid defendants for efficiency and at the Panel's discretion.

f. If, at any time, the Attorney is unable to make the representations set forth in this subsection, such representations become untrue, or the Attorney falsely represents compliance with the eligibility criteria, the Attorney shall cease to be eligible to receive funds from the Attorney Fee Fund until further review by the Fee Panel of the Attorney's eligibility under and compliance with this subsection.

g. If an Attorney has a Fee Entitlement with a Later Litigating Subdivision or Later Litigating State or becomes unable to affirm compliance with the eligibility

criteria set forth above, the Attorney shall notify the Fee Panel. If an Attorney fails to notify the Fee Panel of such Fee Entitlement with a Later Litigating Subdivision or Later Litigating State, the Attorney shall be required to refund amounts previously paid. The Fee Panel shall notify the Remnant Defendants when it receives notification.

h. In the event that an Attorney is deemed ineligible by the Fee Panel (whether based on its initial application or subsequent recertification), the Fee Panel shall provide notice to the Attorney and give the Attorney thirty (30) days to provide additional information such that the Fee Panel could re-consider the Attorney's eligibility.

i. To the extent that an Attorney has a Fee Entitlement with a Participating Subdivision and is authorized to bring Released Claims against Released Entities, but such authorization is, in scope, less broad than the category of Released Claims set forth in the Pooled Settlement Agreement, such Attorney may participate fully in both the Contingency Fee Fund and the Common Benefit Fund, without any reduction imposed by the Fee Panel due to the scope of the authorization, so long as the Participating Subdivision fully releases all Released Claims against Released Entities.

j. Attorneys applying to the Attorney Fee Fund knowingly and expressly agree to be bound by the decisions of the Fee Panel, subject to the limited appeal rights set forth in this Fee Agreement, and waive the ability to assert the lack of enforceability of the allocation reached through the procedures outlined herein.

k. Applicants are under an ongoing obligation to inform the Fee Panel in writing of any additional fees earned, expected, or received related to any Opioid litigation throughout the period of the Fee Panel's operation.

33. *Calculation of Amounts Due.*

a. The Fee Panel shall be solely responsible for determining the amount of fees to be paid to each Applicant. None of the Released Entities shall have any responsibility, obligation, or liability of any kind whatsoever with respect to how attorneys' fees are calculated under this subsection, except that the Fee Panel may receive information from the Remnant Defendants as to (a) the identity of Participating, Non-Participating, Litigating, Later Litigating, and Non- Litigating Subdivisions; (b) the impact of non-participation by a Litigating Subdivision as is relevant to the Fee Panel's determination in Section IV.30.e.; and (c) such other information as the Remnant Defendants may voluntarily elect to provide.

b. The Fee Panel shall establish procedures for making determinations under this Fee Agreement consistent with this Fee Agreement and orders of the MDL Court. Such procedures may include submission of documentary and/or other evidence, interviews with Applicants and/or other counsel (including counsel

for the Remnant Defendants) that the Fee Panel deems appropriate, and/or other means of creating a record upon which fee awards will be based.

c. In making determinations under this Fee Agreement, the Fee Panel must apply the eligibility criteria set forth in Section IV.32. of this Fee Agreement and the criteria set forth in Section IV.30.b. The Fee Panel shall ensure that payments are only made for Qualifying Representations of Participating Litigating Subdivisions. In addition, the Fee Panel will give consideration in regard to Common Benefit Fund awards to the *Johnson* factors, as well as the following factors (which factors may be applied and given relative weight in the Fee Panel's discretion):

    i. The Applicant's contemporaneously recorded time and labor dedicated to Qualifying Representations along with the Applicant's financial commitment to such Qualifying Representations. Claimed "time" will not be automatically accepted by the Fee Panel but will be critically reviewed and given substantially more weight and consideration if such time was subject to the audit process described in any Pretrial Order(s) governing the collection of common benefit time;

    ii. The novelty, time, and complexity of the Qualifying Representations;

    iii. The skill requisite to perform legal services properly and undesirability of the case;

    iv. The preclusion of other employment by the Applicant due to time dedicated to Qualifying Representations;

    v. The Common Benefit, if any, alleged to have been conferred by the Applicant and whether such Common Benefit work product by that Applicant was used by others in parallel litigations against Released Entities whether within or outside the MDL, provided that any Applicant claiming that s/he substantially benefited cases other than those in which s/he entered an appearance as counsel must substantiate such claims by proffering factual support, such as proper supporting affidavits or other documents as determined by the Fee Panel with input from Attorneys for Participating Litigating Subdivisions;

    vi. Any "common detriment," as set forth in Section IV.30.e.

    vii. Any contingent fee agreement or other Fee Entitlement with Participating Subdivisions, enforcement of which, except for State Back-Stop Agreements, are waived in conjunction with the application, the nature and extent of any work for those Participating Subdivisions, whether such Participating Subdivisions actively litigated and, if so, the nature and procedural history of such case(s);

viii. The experience, reputation, and ability of the Applicant;

ix. Whether the Applicant's clients brought Released Claims against Released Entities;

x. The status of discovery in cases primarily handled by the Applicant;

xi. The nature of any work by the Applicant on "bellwether" cases or cases that were similarly active in litigation;

xii. Any pressure points successfully asserted by the Applicant in cases against the Remnant Defendants or any risk for the Remnant Defendants created by the Applicant in cases against them;

xiii. Any risk for Remnant Defendants created by Applicants in cases against the Remnant Defendants;

xiv. Successful and unsuccessful motion practice in cases worked on by the Applicant;

xv. The date of filing of any cases filed by the Applicant;

xvi. Obtaining consolidation of the litigation in the Applicant's jurisdiction;

xvii. The number and population of entities represented by the Applicant and the fees that would have been awarded under extinguished contingent fee arrangements;

xviii. Whether the Applicant's clients brought claims against the Remnant Defendants;

xix. Whether the Applicant has had a leadership role in the litigation, whether in state or federal court;

xx. Whether the Applicant has had a leadership role in any negotiations aimed at resolving the litigation;

xxi. Whether the Applicant's cases have survived motions to dismiss;

xxii. The extent to which the Applicant contributed to the work product used for the common benefit of opioids litigants, including, without limitation, work on ARCOS data, Prescription Data Monitoring Programs, IQVIA data, depositions, document production and analysis experts, motions, briefs and pleadings, trial preparations, and trials;

xxiii. The extent to which litigation was done prior to and contributed to completion of settlement negotiations, as distinct from litigation that

was done litigating after the announcement of the Pooled Settlement Agreement, such latter litigation both being of less value and potentially resulting a common detriment to the settlement process;

xxiv. The extent to which an Applicant demonstrated a continued commitment of time and resources to MDL 2804 since July 1, 2023; and

xxv. Any other factors that the Fee Panel finds to be appropriate to consider after input from Applicants to the Attorney Fee Fund.

d. In the event that States and/or Political Subdivisions enter into an additional global settlement with a party or parties other than the Remnant Defendants participating in the Pooled Settlement Agreement that is (a) under the jurisdiction of the MDL Court in MDL No. 2804, and (b) creates a separate common benefit fund to be administered by the Fee Panel, the Fee Panel may:

i. Consolidate the Common Benefit approval process to include evaluation of all Common Benefit Applications for all settlements entered which were not previously subject to a final common benefit award by the MDL Court;

ii. Determine the fair and equitable allocation of the Aggregate Common Benefit Fees for such settlements, including consideration of beneficial or detrimental actions taken with respect to any Remnant Defendant contributing to the Common Benefit Attorney Fee Fund;

iii. Give consideration to the amount and timing of each settlement, including the amount and timing of Common Benefit Fees;

iv. The Fee Panel shall abide by the applicable Attorney Fee Agreement in each of the Settlements in Allocating the Common Benefit Fees provided for in the Settlement; and

v. Be guided in their work by the Orders of the Court related to Fees and Costs.

e. The Fee Panel shall develop procedures for receiving a single application, which may be updated or amended based on new information (such as participation by additional Litigating Subdivisions) from each Applicant seeking compensation from each sub fund of the Attorney Fee Fund pursuant to processes and procedures developed by the Fee Panel, which shall not be inconsistent with this Fee Agreement. Any request for attorneys' fees not included on the single application or through the updating/amendment process designed by the Fee Panel shall be deemed waived. For purposes of transparency and to permit the Fee Panel to conduct its work, the application from each Applicant shall, at a minimum, require each Applicant to:

i. Identify all Litigating Subdivisions for which s/he is seeking payment from the Attorney Fee Fund;

ii. Identify all Subdivisions (and, where applicable, Tribal Nations) with respect to which s/he has a Fee Entitlement with respect to Released Claims against Released Entities, and identify all co-counsel in such cases;

iii. Identify which of those Subdivisions are Participating Subdivisions and which are not (with similar information for Tribal Nations, where applicable);

iv. Specify the specific fund or funds within the Attorney Fee Fund from which the Attorney is seeking compensation;

v. Demonstrate his or her eligibility for compensation from the relevant sub funds within the Attorney Fee Fund pursuant to the criteria set forth for the relevant sub fund;

vi. Identify any and all Fee Entitlements from representations of States, Tribal Nations, or other plaintiffs related to Released Claims against Released Entities or in opioids-related matters;

vii. Notwithstanding "i.-vi." above, the Panel may consider a supplemental application if the Applicant shows good cause why circumstances exist that will lead to consideration for additional Common Benefit award. Examples would include, but are not limited to, an Applicant having Non-Participating Litigating Subdivision clients that subsequently become Participating Subdivisions.

f. With respect to the Common Benefit Fund, the Fee Panel shall (subject to any applicable MDL Court Order):

i. Review the applications of all Applicants seeking compensation from the Common Benefit Fund, including determining eligibility for each Applicant as set forth in Section IV.32.

ii. Using criteria set forth in Sections IV.30. and IV.33., allocate amounts from the Common Benefit Fund to eligible Applicants. In making such allocations, the Panel shall apply the principles set forth in Section IV.30.e. and shall apply the principles set forth in Section IV.30. to the amounts paid to Applicants with a Common Benefit Fee Entitlement and shall allocate any reduction in the payments specified in Section IV.30. to the amounts paid to Applicants with a Common Fee Entitlement.

g. With respect to the Contingency Fee Fund, the Fee Panel shall:

i. Review the applications of all Attorneys seeking compensation from the Litigating Subdivision Fee Fund, including determining eligibility for each Attorney as set forth in Section IV.32.

ii. Apply the mathematical model implemented in previous global settlements with defendants named in the multidistrict litigation in the Northern District of Ohio, *In re National Prescription Opiate Litigation*, No. 1:17-MD-2804 and consistent with the terms of this Fee Agreement.

h. To the extent that there is a dispute about the calculations of the Fee Panel such disputes shall be presented to the Fee Panel and any disputed funds be paid into/held in escrow. The Fee Panel shall resolve such disputes expeditiously, with either Party having the right to seek review from the MDL Court.

i. For purposes of determination of fee or cost awards, allocations, reductions, and possible reversions under this Fee Agreement, unless specified otherwise a Subdivision will be considered a Non-Participating Subdivision if it is not a Participating Subdivision as of the deadline for the application for the fee at issue (or, if the determination does not involve a specific application, the date on which the record for such determination closes).

34. *Miscellaneous*.

a. The Fee Panel shall charge an hourly rate approved by the Court. The pre-Effective Date costs associated with the Cost and Expense Fund Administrator shall be paid from funds in the MDL Direct Cost Fund, including any interest accrued therein. Post-Effective Date, the cost of the Fee Panel shall be charged against the applicable Fee Fund, and any interest accrued therein, based on allocation by the Fee Panel and shall not be otherwise funded by the Remnant Defendants.

b. The MDL PEC shall provide the Remnant Defendants information they have that identifies Attorneys who represent Litigating Subdivisions who are not Participating Subdivisions and who have an obligation to pay a common benefit assessment, either due to the MDL Court's orders or pursuant to a Participation Agreement.

c. Participating Subdivisions agree to instruct their counsel to treat information, work product and expert materials as confidential under Rule 1.6 of the ABA Model Rules of Professional Conduct. Accordingly, an Attorney shall not share information or work product with, or experts or materials to, non-participants (other than the Attorney's own current clients or their lawyers, consultants, experts or other representatives or agents). However, nothing herein shall prevent MDL Leadership or PEC Counsel from fulfilling their obligations in any MDL and the MDL Court Order.

V. Miscellaneous

35. *Termination*. If the Pooled Settlement Agreement does not proceed to the Effective Date as to a Remnant Defendant, this Fee Agreement shall be null and void as to that Remnant Defendant, and that Remnant Defendant shall not have any obligation under this Agreement other than for its ratable share of costs advanced with respect to administration of the notice and participation process as set forth in the Agreement, and that Remnant Defendant and the PEC shall take such steps as are necessary to restore the *status quo ante*.

36. *MDL Court Consideration.* This Fee Agreement shall be attached as Exhibit H to the Pooled Settlement Agreement. The MDL Court shall have no authority to increase the payments made by the Remnant Defendants beyond the amounts described in the Pooled Settlement Agreement.

37. *Amendment*. Once the MDL Court has entered an order implementing this Fee Agreement or otherwise becomes final, this Fee Agreement can only be amended by (1) written agreement of the Remnant Defendants and the MDL PEC and (2) approval by the MDL Court.

38. *Jurisdiction and Enforcement*. The MDL Court shall have exclusive and ongoing jurisdiction over the enforcement and implementation of this Fee Agreement as set forth herein. The MDL PEC shall be the Authorized Party to enforce this Fee Agreement, as to the payment obligations of the Remnant Defendants as set forth in this subsection and as to Attorneys making application to the Funds under this Fee Agreement. For purposes of enforcing the terms and provisions of the Pooled Settlement Agreement, and this Agreement, and for purposes of assessing or allocating common benefit fees, the MDL Court will continue to have jurisdiction over the Pooled Settlement Agreement and this Agreement, including but not limited to continuing jurisdiction over the work product developed in the MDL Court by and under the direction of the MDL PEC with respect to claims against the Remnant Defendants, including data and documents, depositions, expert reports, briefs and pleadings; and the MDL Court's protective orders, management orders, and other decisions regarding such discovery and other work product, including but not limited to, conditions on its use, will continue in full force and effect. Nothing in this subsection authorizes the MDL Court to act contrary to this Fee Agreement or the Pooled Settlement Agreement.
