LEGISLATIVE ACTION ITEM

SPONSOR: Council Member Jennifer Brahier

SUBJECT:

PUBLIC HEARING - DISPOSITION OF REAL PROPERTY - 2305 WEST CERVANTES STREET

RECOMMENDATION:

That City Council conduct a public hearing on August 8, 2024 regarding the disposition of real property located at 2305 West Cervantes Street to provide for affordable multifamily rental housing in accordance with the adopted Westside Redevelopment Plan and Chapter 163, Part III, Florida Statutes.

HEARING REQUIRED: Public Hearing Required

SUMMARY:

Pursuant to Chapter 163, Part III, Florida Statutes, disposition of property located within a community redevelopment area below market value may only occur after a public hearing held by City Council. The property was appraised on April 21, 2023 and is valued between \$835,000-855,000. A copy of this appraisal is attached.

On June 12, 2023 and June 15, 2023, the City of Pensacola Community Redevelopment Agency (CRA) and City Council, respectively, adopted resolutions approving and authorizing the expenditure of City and CRA funds to acquire 2305 W Cervantes Street in furtherance of Chapter 163, Part III and the 2007 Westside Redevelopment Plan. The CRA authorized staff to proceed with issuance of a Request for Letters of Interest (RLOI) for reuse or redevelopment of the former Pensacola Motor Lodge for attainable rental multifamily housing on January 16, 2024. The RLOI was released on February 23, 2024 and closed on April 24, 2024. Two responses were received from Smith & Henzy Affordable Group, Inc. and Bluestone Developers, LLC. In accordance with Chapter 163, Part III, the CRA subsequently issued a Notice of Intent to Dispose of the property on April 4, 2024. The NID closed on May 24, 2024. An updated response from Bluestone Developers, LLC was received and an incomplete response from Wurm Environmental.

Following review of the proposals, an invitation to negotiate was issued to Smith & Henzy Affordable Group, Inc. The final detail required by the NID was received by the deadline of

June 23, 2024. The proposal includes a 4-story multifamily building containing a minimum of 84 units with restricted rents ranging from 30-80% of the Area Median Income (AMI) for Escambia County as follows:

- Min. 15 units at 30% AMI
- Min. 26 units at 60% AMI
- Min. 43 units at 80% AMI

In the event the total number of units exceeds the minimum, additional units will be added pro-rata to the above-mentioned categories. At least 50% of the units will serve veterans as defined in the RFA described below, with the greater of 5 units or 5% of the total units serving homeless veterans. The lease is contingent upon the developer's successful application and award of funding under Request for Applications (RFA) # 2024-215: SAIL Funding for development near Military Installations pursuant to The Live Local Act; 420.50871, F.S. and the ability of the City to secure twenty-five (25) Veteran Affairs Supportive Housing (VASH) vouchers from the Office of Veterans Affairs. On or before the date that is 17 years following the Commencement Date, the Company shall deliver to the City a lump sum payment in the amount of \$1,050,000 in the form of a wire transfer or otherwise immediately available funds, subject to a lease provision requiring that if development costs materially decrease by 15% or more, at construction completion, the realized value accrues to the City. The lease is for a term of 99 years with a 99-year affordability period which coincides with the term of the tax exemption that the developer will apply for under the Live Local Act.

Letter of Transmittal
RE: An Appraisal Report of the existing
Pensacola Motor Lodge located at 2305 West
Cervantes Street in Pensacola, FL 32505.

Dear Ms. Stallworth:

At your request, information was obtained and reviewed of the above referenced property for the purpose of estimating the Current market value of the Fee Simple estate of the existing Pensacola Motor Lodge. In compliance with the "Uniform Standards of Professional Appraisal Practice", this letter of transmittal is followed by an appraisal report in which all applicable approaches to value are used and with the value conclusion reflecting all known information about the subject property, current and projected market conditions, and other available data. This report contains to the fullest extent possible and practical, explanations of the data, reasoning and analysis used to develop the opinion of value. It also includes thorough descriptions of the subject property, the property's locale, the market for the property type, and my opinion of highest and best use.

Market value will be defined in the appraisal report, but basically assumes a willing buyer-seller, both knowledgeable of the subject real estate market and with the valuation at the property's highest and best use. Both exposure and marketing time periods are estimated to be between 6-12 Months. In accordance with USPAP, I am informing the client that I have performed no other services regarding the subject property within the past three years prior to the engagement of these services.

The subject property consists of a 1.56-acre parcel of land located in Pensacola, Escambia County, Florida. The subject site contains approximately 67,800 square feet with 180 feet of frontage along the south side of West Cervantes Street, 240 feet of frontage along the north side of West Gadsden Street and 215 feet of frontage along the west side of North Q Street. The property is approximately two blocks west of the Pace Boulevard/Cervantes Street intersection. The parcel is zoned C-3, Commercial Zoning District (Wholesale and Limited Industry) allowing for numerous commercial uses. The parcel is also CDBG (Community Development Block Grant) eligible and is located in the Urban Design Overlay District designed to enable and encourage mixed-use development.

The improvements to the site consist of eleven buildings containing approximately 11,774 square feet of building area with 30 motel rooms and an office/manager apartment. The improvements were originally constructed in 1932 being stucco over concrete block on concrete slabs and have been renovated over the years. The improvements reflect an effective age of approximately 40 years. The rooms are reportedly rented nightly for \$60 or weekly for \$300.

This appraisal is based upon extraordinary assumptions or hypothetical conditions, that, if found to be incorrect or false, could have an effect on the value reported. The assumptions and/or conditions are noted below.

1. This appraisal is based upon the extraordinary assumption that there are no structural deficiencies, roof leaks, etc. that may adversely affect value. I inspected numerous units as noted in the photographs and this appraisal is based upon the assumption that all units are in similar condition.
2. It is an extraordinary assumption of this report that there are no long-term leases in place for the property. No income and expense information was provided by the owner with the exception being the daily rent of \$60 per unit or weekly rental of \$300 per unit. The owner's representative indicated most units are rented weekly.
3. It is an extraordinary assumption of this report that the calculations for building square footages on the Escambia County Property Appraiser's website are correct. I was unable to measure the improvements and an as-built survey was not provided.,

In valuing the subject, I search for similar types of motel properties in the Pensacola area that had sold with the four included in the sales comparison approach being the best and most recent that I could locate. I could only verify one of the comps income and expense information as the property owners (sellers and buyers) are reluctant to disclose information. The same problem exists in verifying the rental comp information. Due to this, the valuation of the subject was based upon the best information available.

In addition to the sales comparison and income approaches to value, I searched for recent land sales in the vicinity of the subject to determine the value of the land as vacant. This also added support for highest and best use of the property as vacant and as improved. Based upon

the recent land sales located in the area of the intersection of Pace Boulevard and Cervantes Street, values ranged from \$3.78 to \$10.69 per square foot with active listings ranging from \$6.77 to \$10.25 per square foot. Given the size and location of the subject, I estimate the vacant land value between \$7 and \$8 per square foot or \$474,600 to \$542,400 or approximately \$510,000. Assuming a cost new of \$112/SF for the improvements based upon Marshall Valuation Service cost for Fair quality, Class C Motel, the cost new would be approximately \$1,318,688. With an effective age of 40 years based upon an economic life of 50 years, the overall depreciation is estimated to be 80% or \$1,054,950. Subtracting this from the cost new indicates a depreciated cost new of \$263,738. Adding this to the land value of \$510,000 would indicate a value via the cost approach of \$773,738 or approximately \$775,000.

As will be noted in the following report, the sales comparison approach reflects a value of \$835,000 with the income approach reflecting a value of \$875,000. With about equal weight to these two approaches, a value of \$855,000 is estimated reflecting a contributory value of approximately \$80,000 over the depreciated cost of the improvement plus land value. This supports the reasoning of the buyers purchasing the older motels that are included in the sales comparison approach such as comp three located five blocks east of the subject. Further discussion of the subject and valuation approaches is included in the following report.

Subject to the above and the limiting conditions and certification as set forth herein, it is my opinion that the current market value of the Fee Simple estate as of the last date of inspection, April 21, 2023, was:

CURRENT MARKET VALUE

EIGHT HUNDRED FIFTY FIVE THOUSAND DOLLARS

\$855,000

I hereby certify I have no interest, present or contemplated, in the appraised property. This appraisal has been prepared utilizing all of the requirements set forth as Standards for Real Estate Appraisals as established for federally related transactions and the State of Florida. The appraisal conforms to the Uniform Standards of Professional Appraisal Practice (USPAP) and the requirements of the Financial Institutions Reform, Recovery and Enforcement Act (FIRREA). The fee for this appraisal was not based on a minimum value nor was the assignment undertaken based on a pre-determined value or guaranteed loan amount.

SCOPE OF THE APPRAISAL PROCESS

The client for this appraisal report is the City of Pensacola which is also the intended user of this report. The intended use of this appraisal is for purchased negotiations by the client. The type of value opinion being provided is the market value of the fee simple estate. The current date of value is the date of the last inspection of the property of April 21, 2023.

In an effort to meet your requirements, as well as conforming to the Uniform Standards of Professional Appraisal Practice (USPAP) and FIRREA requirements, a visual inspection was made of the subject property. I photographed the interior of several of the units and the exterior of all of the buildings. The manager provided limited income information and no expense information was provided.

In addition to the physical inspection, research was conducted on a regional and neighborhood basis in an effort to identify trends and factors, which have an effect on area property values. A search was conducted to find recent improved sales and comparable motel rents similar to the subject's existing improvements. The sales were extracted from public records information, confirmed with one of the parties to the sale, and then written up in detail. They were then adjusted for various differences and reconciled into a value indication via the sales comparison approach. Comparable rentals were also researched to determine market rent for the subject. Once completed, a reconciliation of approaches will be discussed and the final market value will be concluded for the Current as-is value.

MARKET VALUE DEFINITION AND IMPLICATIONS

The definition of market value as currently stated by The Office of the Comptroller of the Currency is as follows:

"The most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller each acting prudently and knowledgeably, and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby:

- A. Buyer and seller are typically motivated;
- B. Both parties are well informed or well advised and each acting in what they consider their own best interest;
- C. A reasonable time is allowed for exposure in the open market;
- D. Payment is made in terms of cash in U.S. dollars or in terms of financial arrangements comparable thereto;
- E. The price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions granted by anyone associated with the sale.”⁴

PART TWO: DESCRIPTIONS, ANALYSIS AND VALUE CONCLUSIONS

NEIGHBORHOOD AREA ANALYSIS

NEIGHBORHOOD ANALYSIS

A neighborhood is defined in *The Dictionary of Real Estate Appraisal*, Fifth Edition 2010, as "A group of complementary land uses; a congruous grouping of inhabitants, buildings, or business enterprises."⁵ Neighborhood boundaries are defined because properties within neighborhoods tend to be similar in characteristics with regard to land use and desirability, and are affected by similar physical, economic, governmental, and social forces.

The subject neighborhood is considered to be the portion of the Pensacola area within the Pensacola City limits. This area's boundaries are considered to be, but are not limited to, Pace Boulevard to the west, Pensacola Bay to the south, Escambia Bay to the east, and I-10 to the north.

Major north/south arterials within this area include I-110, Palafox Street, Pace Boulevard, Fairfield Drive, 9th Avenue, and Scenic Highway. Major east/west arterials include Bayou Boulevard, Cervantes Street, Garden Street, Main Street, Brent Lane, Fairfield Drive, Airport Road and Bayfront Parkway. These arterials provide convenient and quick access within the subject neighborhood as well as other portions of the Pensacola MSA.

The downtown Business District of Pensacola includes typical private office buildings, government office buildings, courthouses, restaurants, shops and bars. There is also an historic district that includes a variety of residential and commercial buildings constructed around 200 years ago around several public parks. The majority of the buildings have been completely renovated and act as a historic tourist draw for the community. UWF is proposing to take greater advantage of the area's historic treasures by re-bricking the streets, creating a walking friendly environment and starting an advertising campaign aimed at the historic tourism industry. Festivals are held throughout the year in the many downtown parks. The current main tourist draw is Pensacola Beach, found about four miles to the south and provides white sand beaches, clear water and numerous hotels, shops, condominiums and homes but the new historic tourism industry is projected to increase annual tourism numbers by more than one million visitors per year.

NEIGHBORHOOD ANALYSIS

Neighborhood Analysis (Cont'd.)

The area residential markets are considered to be strong due to the increasing populations. At the present time, the City of Pensacola has a population within the city limits of 55,961 (2019), which is up 7.5% from the 2010 population estimate of 52,017. This growth is expected to continue with the 2024 population estimate expected to be 58,243. The expected growth rate is about 456 new people to the city per year for the next five years. The average household size is 2.19 people, so this growth would translate into the need for 208 new homes within the city limits per year for the next five years.

Sales among single family detached homes, single family attached, and condos have been strong in recent years and has continued to remain strong through the pandemic. The rapidly increasing values are continuing in 2021, as compared to 2020 and 2019 as can be seen on the following grid.

One of the hottest markets in the Pensacola area is the downtown urban area found in zip code 32502. This market has realized rapid value increases and prices continue to increase due to the demand for this neighborhood. Again, the Covid19 virus did not appears to adversely affect the demand for this area. The sales from the downtown urban market can be seen on the following grid.

*As of 9/2020

There have been a number of new developments in the Downtown area of Pensacola, and a summary of the most significant of them follows. The Community Maritime Park is located between Main Street and Pensacola Bay, at the south end of Baylen Street. It includes numerous vacant land sites for future commercial and/or residential development. The project features an expansive public waterfront park, a community multi-use stadium facility suitable for baseball, football and other athletic events, festivals and other community activities. There is also a waterfront pavilion for music and entertaining events. The waterfront grassed and walkway areas on the south end of the property were designed for festivals. The other vacant land areas found on the north side of the property can be developed with commercial; office; retail; residential; restaurant and entertainment uses.

Quint Studer recently completed construction on a \$15 million four-story office building directly north of the Maritime Park Stadium and the building is fully leased. He has also optioned the remaining property around the stadium for future development of a mixed-use project. Beck Property Company completed construction on its \$4 million-plus, three-story, 26,715 square foot mixed-use building at the corner of Port Royal Way and Main Street, which is now fully occupied and includes retail on the ground floor, Beck office space on the second floor and luxury condominiums on the third floor. Just east of the Maritime Park, the Bank of Pensacola's new branch at Palafox and Main Street was completed.

NEIGHBORHOOD ANALYSIS

Neighborhood Analysis (Cont'd.)

Located at 701 South Palafox Street is a newly completed condominium project that was constructed by Ray Russenberger. This development includes 9 luxury condo units that are all sold with prices exceeding \$1,000,000 each. All of the units were pre-sold and have since closed.

701 South Palafox

A new YMCA building located at the southwest corner of Taragona Street and Intendencia Street. The building was recently completed and offers an open floor plan with 52,000 square feet, nearly doubling the size of their old downtown building. This building is creating additional demand for new living quarters in the downtown area and will greatly add to the quality of life.

New Downtown YMCA

NEIGHBORHOOD ANALYSIS

Neighborhood Analysis (Cont'd.)

Located to the northwest of the Maritime Park property is the old sewage treatment facility. The ECUA constructed a new state of the art treatment facility in the northern end of Escambia County and completed the demolition of the old sewer facility. The 18.5 acre cleared site is now grassed and available to be re-developed, which should further enhance the desirability of the downtown area. The owner of this site is now in the planning stages of a mixed-use development that will include a variety of uses including a hotel, apartments, residential condos and retail.

The Palafox Pier Restoration Project is a mixed-use development located at the southern end of Palafox Street. This project includes a 92-slip marina, a 7,200 square foot Harbormaster Building that is leased, the Icehouse Building with 21,000 square feet of office space currently leased and occupied by Merrill Lynch and EmCare. The City was said to have invested \$1.2 million in public infrastructure improvements with the mixed-use development being a combination of public and private funds.

The Palafox Pier & Yacht Harbour condominium development built in 2002 consists of two 35,206 square foot, four story buildings and a pedestrian plaza (park). Each building includes 7,500 square feet of retail/office space on the ground floor with four parking garages, 10,606 square feet of office space on the second floor and one-story and two-story condo units on the third and fourth floors.

Located immediately south of the Pensacola Bay Center is the Technology Park development constructed by the City of Pensacola. The streets and all infrastructure necessary for high tech developments are in place and this property is ready for new vertical development. The City of Pensacola, along with Escambia County has provided the land and will sell the land to private individuals who plan to develop the area with buildings designed for companies requiring the latest in technology and the needed infrastructure. In connection with this development, the City of Pensacola created a large regional storm water retention lake located on the north side of Bayfront Parkway and on the east side of 9th Avenue at Admiral Mason Park. This allows for vacant properties to the north to be fully developed without the

Neighborhood Analysis (Cont'd.)

requirement of storm water run-off on site. The overall water retention design is a public park with the storm water retention lake landscaped and designed for public appeal and there is a walking path surrounding the lake and tasteful landscaping. A vacant site located across 9th Avenue from the Technology park was purchased and is proposed to be improved with two new hotels. The property directly north of the Admiral Mason Park was recently purchased for the development of a mixed-use project that will include retail and residential condo units.

In addition to the new development or redevelopment of this area downtown, several of the older building's downtown were completely gutted and renovated. All of these renovated buildings are historic structures that are largely found along and nearby Palafox Street, which is the main north/south downtown arterial and the center of much of the new activity. Recently renovated buildings have been converted for restaurants, bars, offices, shops and entertainment venues creating one of the most desirable areas in the MSA. The Studer Group purchased the old Pensacola News Journal building found directly north of the new YMCA building and demolished it to make way for a new upscale mixed use rental building that includes commercial uses on the ground floor and rental apartments on the upper floors. In association with the mixed-use building is a new 7 level parking garage. This building is now fully occupied and was sold to an investment group. The old Rex Theatre building, constructed in 1910, was purchased by Harvest Church and went through a \$1.7 million dollar renovation. Now completed, this building hosts live theater events, movies, concerts and other special events. The old YMCA building was purchased by a private developer who has demolished parts of the old building to create new residential lots and other parts of the building were renovated for office uses.

The Blount-Brent Building Complex located at the southwest corner of Palafox Street and Garden Street also had a massive renovation. This 100,000+ Square foot structure was recently completely renovated with boutique retail and restaurant uses on the ground floor and the upper floors were renovated into a 34-suite boutique hotel and newly renovated office space. A new 110 room Holiday Inn was recently completed on the south side of Main Street just two blocks east of Palafox Street.

Neighborhood Analysis (Cont'd.)

Located on the South side of Garden Street is a site that was once improved with a motel, but the motel was removed so the site could be re-developed. The western portion of this site was re-developed with a new bank building and the eastern portion was purchased in 2017 by the Florida Institute for Human and Machine Cognition. Similarly, an older liquor store located on the south side of Gregory Street was demolished to make way for a condo development that has yet to be constructed.

There are four large multi-story office buildings in the downtown area. These buildings include the Studer Community Institute Building containing approximately 103,955 square feet, Harborview containing approximately 74,240 square feet, Southtrust Bank building containing approximately 77,400 square feet and One Pensacola Plaza containing approximately 108,997 square feet. Average occupancy in three of these buildings is above 90%. The Studer Building was recently vacated by SunTrust and was purchased by the Studer Group for a \$4 million renovation. There are also several other multi-tenant office buildings in the neighborhood that are reflecting occupancies from 80% to 90%. There are numerous other smaller condos, townhouse and single family developments in the area that are being developed and rapidly absorbed.

The Pensacola Community Redevelopment Agency has been working to promote Pensacola and bring people into the downtown area daily. Among the initiatives recently introduced, are tax incentives that will entice new redevelopment projects. The City also closes Palafox Street one Friday night per month to vehicular traffic and opens it to pedestrian traffic for “Gallery Night”. Gallery Night attracts many thousands of people who enjoy the new shops, restaurants and bars which are showcased along Palafox. In addition, there are bands found on some of the balconies as well as street performers and musicians found on the street. Open alcohol containers are also allowed creating a festive walkable community.

NEIGHBORHOOD ANALYSIS

Neighborhood Analysis (Cont'd.)

Photos of a Typical Gallery Night

There is a clean air industrial park area found to the north along the east and west sides of Palafox Street south of Brent Lane and north of Fairfield Drive. Another one is found south of Brent lane between I-110 and Palafox Highway that will be redeveloped with the new \$550 million Baptist Hospital. Located on the west side of Palafox Street north of Fairfield Drive is a super fund site that has been cleaned and capped by the EPA and they indicated that this land is now suitable for additional industrial development. The City of Pensacola is working with the State of Florida and the EPA to create an additional industrial park on the super fund land site. Located north of Brent Lane on Palafox Street is what is known as “Car City”, which is an area with many of the area’s new and used car dealerships. The growing Pensacola Christian College and Pensacola Christian School is found north of Brent Lane between I-110 and Palafox Street and they are actively buying properties to their south in an effort to grow their campus and population and they are constructing new student housing.

Neighborhood Analysis (Cont'd.)

The Cordova Mall and surrounding areas are also seeing good commercial growth and new development and redevelopment efforts are under way. ST Aerospace Pensacola, Inc. completed a new \$46 million aerospace facility at Pensacola International Airport. They are a Singapore-based company that does maintenance repairs and overhauls for large commercial aircraft. The maintenance and repair facility was constructed on 19 acres at Pensacola International Airport's commerce park and ST was said to have brought in about 163 high-skill, high-wage jobs. The company began their second construction project adjacent to the existing facility that will encompass 655,000 SF of Maintenance, Repair and Overhaul (MRO) complex reflecting a total cost of \$210 million. Combined with the existing two wide-bay hangar, the facility will employ 1,700 persons. Construction on the \$85 million expansion of the Studer Family Children's Hospital at Sacred Heart Hospital found on 9th Avenue was recently completed. West Florida Hospital had a \$7 to \$10 million expansion to open a new pediatric wing in 2018 as part of a new partnership between Nemours Children's Specialty Care and West Florida Healthcare that will bring in about 40 new staffers.

Overall, the subject's neighborhood is following the path of other downtown locations around the country, which have been revitalized and now project a positive image for the community. These past trends are expected to continue with the help of private developers and the City of Pensacola resulting in the new life cycle of the neighborhood. There are several condominium and apartment buildings planned and under construction in the downtown area, which will aid in the need for additional commercial support facilities. Continued revitalization efforts and increasing populations should place upward pressure on area property values and rents as the national economy recovers. With the past trends expected to continue, the subject neighborhood is considered to have a bright future for commercial and residential properties.

TAXES AND ASSESSMENT ANALYSIS

The subject property is assessed by the Escambia County Property Appraiser. The current assessment is allocated as \$111,870 for the land and \$234,304 for the improvements for a combined assessment of \$346,174. The annual taxes total \$6,563.91 and are paid in full with no taxes in arrears.

It is noted that the sale of the property would likely trigger a reassessment of the property with property taxes possibly increasing.

PUBLIC AND PRIVATE RESTRICTIONS

The only known public and private restrictions are those imposed by the zoning ordinance for City of Pensacola. I am unaware of any other public or private restrictions regarding the subject property.

ENVIRONMENTAL CONCERNS

I am unaware of any environment conditions that would adversely affect the marketability or value of the subject property.

The above is a very important assumption and limiting condition to the appraisal. From the viewing of the site, no evidence of hazardous substances “obvious to the untrained person” were observed, and no communication “through a reasonably reliable person” indicating possible contamination was received; however, I am not an expert in the environmental field and this information should be confirmed by an expert.

DESCRIPTION OF IMPROVEMENTS

COMMENTS: The improvements to the site consist of eleven buildings containing approximately 11,774 square feet of building area with 30 motel rooms and an office/manager apartment. HIGHEST AND BEST USE

A brief definition of the term "highest and best use" would be:

"The reasonably probable and legal use of vacant land or an improved property, which is physically possible, appropriately supported, financially feasible, and that results in the highest value. The four criteria the highest and best use must meet are legal permissibility, physical possibility, financial feasibility, and maximum profitability."⁶

Implied within this definition is recognition of the contribution of that specific use to community environment or to community development goals in addition to wealth maximization. Also implied is that the determination of highest and best use results from the appraiser's judgment and analytical skills, i.e., that the use determined represents an opinion, not a fact.

The Highest and Best Use section of this report is the pivotal point in the appraisal process. All previous data is used to test the four criteria of: (1) legally permitted, (2) physically possible, (3) economically feasible, and (4) maximally productive.

LAND AS THOUGH VACANT

Legally Permissible - All legally permissible uses should be analyzed when considering a site's highest and best use. The zoning maps indicate the subject property is zoned "C-3", Wholesale and Light Industry zoning district allowing for a variety of residential and commercial uses. Numerous uses would be considered a legally permissible use assuming all setback and parking requirements are met. The subject is a parcel that is Community Development Block Grant eligible and is located in the Urban Design Overlay district.

Physically Possible - Of the legally permissible adaptations of the site, those physically possible uses require consideration and analysis. The size and location of the parcel are important aspects of value. The subject property consists of an approximate 67,800- square foot site with approximately 180 feet of frontage along the south side of West Cervantes Street, 240 feet of frontage along the north side of West Gadsden Street and 215 feet of frontage along the west side of North Q Street. This site is located approximately two-blocks west of the Pace Boulevard Cervantes Street intersection in the Brownsville area of Pensacola. Given the size

⁶ Appraisal Institute, *The Dictionary of Real Estate Appraisal*, 6th Edition, 2015, pg. 109.

HIGHEST AND BEST USE

and location of the site, as well as the extensive road frontage, numerous uses would be considered physically possible uses of the site.

Financial Feasibility - Of the legally permissible and physically possible adaptations of the site, only those uses which are financially feasible should be considered. Assuming the property were vacant land, the only feasible use would appear to be a mixed-use project with retail along the Cervantes Street frontage and housing along the remaining two roadways. I have researched vacant land sales in the immediate area of the subject resulting in land values ranging from \$3.78 to \$10.69 per square foot with current listings ranging from \$6.77 to \$10.25 per square foot. Many of the land sales in the area have been purchased for redevelopment as single-family detached and attached residential housing with properties along the main corridors purchased for assemblage or commercial use. Based upon the current cost for construction in the Pensacola area and the rents achievable in the neighborhood, assuming the property were vacant it is my opinion the only financially feasible use of the site would be to hold for future development with a mixed-use development having retail and residential uses.

Maximally Productive - The financially feasible use which results in the greatest return to the land is the one which is considered to be the highest and best use of the land. Based upon the location of the subject near the intersection of West Cervantes Street and Pace Boulevard and given the current construction climate, the most productive use of the site as vacant would be to hold for future development when development is financially feasible. This is the most productive use of the vacant land.

AS IMPROVED

The improvements to the site consist of eleven buildings containing approximately 11,774 square feet of building area with 30 motel rooms and an office/manager apartment. The improvements were originally constructed in 1932 being stucco over concrete block on concrete slabs and have been renovated over the years. The improvements reflect an effective age of approximately 40 years. The rooms are reportedly rented nightly for \$60 or weekly for \$300.

In determining the highest and best use as improved, the four test are leaving the improvements in the current condition, renovating the improvements, converting the improvements to an alternative use or razing the improvements for redevelopment. Given the current cost of construction, razing the improvements for redevelopment does not appear

HIGHEST AND BEST USE

feasible as the current value exceeds the depreciated cost value of the property and the cost to constructed new improvements would not attract an adequate return to support feasibility. Converting the property to an alternative use other than housing or lodging does not appear feasible given the current design and layout. This leaves the two uses of continued use as is or renovating the existing improvements. While some renovations can continue as the operation of the motel continues, given the current income to the property these renovations will maintain at a minimum. Considering this, it is my opinion that the highest and best use as improved is the continued use as an extended stay motel with renovations or repairs completed as needed.

Conclusion – Highest and Best Use

Probable Use: The highest and best use as improved is the renovation of the existing improvements for affordable housing.

Timing for use: Immediately

Probable Buyer/User: The probable buyer/investor would be an individual investor/owner.

EXPOSURE TIME

According to the *2020-2021 USPAP*, the definition of the term “exposure time” would be:

“The estimated length of time that the property interest being appraised would have been offered on the market prior to the hypothetical consummation of a sale at market value on the effective date of the appraisal.”;⁷

In other words, this is a retrospective estimate based upon an analysis of past events assuming a competitive and open market. Based on the sales found within this report and conversations with local market participants, the subject’s exposure time is estimated to be 6-12 Months. This exposure time assumes the sale to have been handled by a knowledgeable real estate broker familiar with the subject real estate market.

⁷ USPAP 2020-2021 Edition. (The Appraisal Foundation, 2020-2021), pg. 4.

MARKETING TIME

A brief definition of the term “marketing time” would be:

“The time it takes an interest in real property to sell on the market subsequent to the date of an appraisal.”⁸

Based on the sales found within this report, current listings and conversations with local market participants, the subject’s marketing time is estimated to be 6-12 Months. This marketing time assumes the sale to be handled by a knowledgeable real estate broker familiar with the subject real estate market. It also assumes aggressive real estate sales tactics and readily available contacts active in the subject real estate market. The subject’s marketing time is considered to be reflective of the exposure time as little change is expected in the market.

⁸ Appraisal Institute, *The Dictionary of Real Estate Appraisal*, 6th ed. (Chicago: Appraisal Institute, 2015), pg. 140.

THE VALUATION PROCESS

There are three (3) commonly accepted approaches to value: The Cost Approach, Income Approach, and Sales Comparison Approach. All three utilize market derived information and are “market driven” approaches, as will be shown in the analysis.

The Cost Approach is a summation of land value and improvement value. The land is valued as though vacant and available for its highest and best use. The improvement is valued by first estimating the reproduction costs new from which all forms of depreciation are deducted. Depreciation can be both from deterioration and obsolescence. Obsolescence is further categorized as functional or external. The analysis of obsolescence, based on the highest and best use analysis, accounts for deductions necessary if the improvement is not adequate for the site.

The steps for the Income approach are to first estimate an economic rent for the subject. This analysis is made even if the property is owner occupied. From the gross potential income there is first deducted allowance for vacancy and collection loss with further deductions then made for the expenses applicable to the type of property being valued. This net operating income is then capitalized into an indication of value through the use of an appropriate capitalization rate.

The Sales Comparison Approach is an estimation of the property value by comparison with recent sales of similar or competitive properties extracted from the subject’s market. The “market”, rather than being the immediate proximity to the subject, is considered that area, local, regional or even national that would be considered by a prospective buyer of the subject property.

These approaches do not make value. They are merely tools in the hands of the appraiser who must carefully weigh each value indication, give appropriate weight to the approach and reconcile into a final value conclusion. Given this is the valuation of an older motel property, only the sales comparison approach and income approach to value will be employed. Market participants would place little to no weight on the cost approach and the estimation of overall depreciation is questionable. The elimination of this approach has no affect on the value reported.

SALES COMPARISON APPROACH

The sales comparison approach involves direct comparisons to the subject property of similar properties that have sold in the marketplace. The approach consists of searching the market for sales, qualifying the sales prices and terms with one of the participants in the sale, comparing the sales to the subject property for differences, adjusting the sales for those differences and formulating an opinion of value from the adjusted value indications. The improved sales which are utilized will be compared on a cost per unit basis depending on the “typical” unit used by market participants.

The market derived adjustments follow a specific, logical order so as not to skew the results. The adjustments listed in order include Property rights, financing, condition of sale, date of sale or market conditions, location and various physical adjustments which can be considered together. While an adjustment for each may not be required, they are considered resulting in a comparable unit of measure.

The units of comparison may be physical, such as dollars per square foot of area, or they may be economic, such as gross rent multipliers. These units of comparison yield a pattern which is reconciled and converted to a value indication for the subject via the sales comparison approach.

This is the purchase of a 26 room motel located along the north side of West Cervantes Street between North K and L Street. The improvements were originally constructed in 1940 and renovated over the years. Each unit has a bedroom and bathroom. The property also includes a large two-bedroom managers apartment with an office/lobby. The parcel contains approximately 300 feet of frontage along the north side of Cervantes Street with 155 feet along each of the two side streets and just east of the Pace Boulevard intersection. The property contains approximately 46,344 square feet and is zoned C-3, Wholesale and Light Industry district. The property had been listed for sale at \$765,000 with the listing being withdrawn June 10, 2016. The listing agent indicated he could not get income and expense information from the owner/seller. The property sold in August 2019 for \$725,000.

SALES COMPARISON APPROACH

The improvements to the site consist of eleven buildings containing approximately 11,774 square feet of building area with 30 motel rooms and an office/manager apartment. The improvements were originally constructed in 1932 being stucco over concrete block on concrete slabs and have been renovated over the years. The improvements reflect an effective age of approximately 40 years. The rooms are reportedly rented nightly for \$60 or weekly for \$300.

Given the subject is an older motel property, I searched the Pensacola area for similar properties resulting in the previous four sales. These types of properties are typically purchased by investors and the purchases are based upon the price per room or unit, which can be compared to the subject's improvements. The four sales occurred between January 2019 and August 2022 reflecting overall prices ranging from \$625,000 to \$2,500,000 or \$27,885 to \$53,571 per room. With the properties compared on a "value per room" basis, the adjustments considered follow.

PROPERTY RIGHTS SOLD – The property rights being considered are those of the fee simple estate. The property rights transferred in the comparable sales were also those of the fee simple estate. As the interests sold are similar to the interest being appraised, no property rights adjustments are considered to be necessary.

FINANCING - The comparable properties also sold for cash or terms considered similar to a cash sale requiring no financing adjustments.

CONDITIONS OF SALE - All of the sales were arms-length transactions requiring no conditions of sale adjustments. Sale two included approximately one acre of surplus land available for the development of additional units. The site was previously marketed separately but was included in the purchase. Given the additional land, I apply a downward conditions of sale adjustment of 5% to sale two.

EXPENDITURES IMMEDIATELY AFTER PURCHASE – None of the sales noted any expenditures immediately after the sale so no adjustments are necessary.

MARKET CONDITIONS ADJUSTMENT – The sale dates ranged from January 2019 to August 2022. Although the market conditions took somewhat of a hit in early 2020, they have stabilized, and prices are continuing to increase for most commercial properties. However, for older motels similar to the subject and the four comps, the income has not changed much, if any, and no market conditions adjustment is applied.

SALES COMPARISON APPROACH

LOCATION & PHYSICAL CHARACTERISTIC CONSIDERATIONS – The comparable sales are located in Pensacola with sales one, two and four in superior locations, three comps being superior for condition and two requiring age adjustments. These adjustments are discussed as follows.

LOCATION ADJUSTMENT – The subject is located along West Cervantes Street in the Brownsville area of Pensacola and approximately five blocks west of comp three. Comp one is located along Mobile Highway near the Pensacola Interstate Fairgrounds with comp two located along University Parkway across from West Florida Hospital and in close proximity to UWF and comp four is located along Pensacola Boulevard, just south of Interstate 10. All three of these comps are superior for location with comp two being the better location. Based upon a comparison of the locations of comps one, two and four to the subject and comp three, I apply a downward adjustment of 15% to comp one, 20% to comp two and 10% to comp four for the superior locations.

CONDITION ADJUSTMENT – The subject property is considered to be in fair condition being most similar to comp three. Comps one, two and four are considered to be in average condition requiring a downward adjustment. Based upon a comparison of comps one, two and four to the subject and comp three, I apply a downward condition adjustment of 15% to comps one, two and four for superior condition.

AGE ADJUSTMENT – The subject improvements were originally constructed in 1932 and renovated over the years. The age and effective age are similar to comps one and three constructed in 1951 and 1940. Comp two was constructed in 1984 and comp four was constructed in 2000, both being superior for age as compared to the subject and comps one and three. Using a comparison of comps two and four to the subject and comps one and three, I apply a downward effective age adjustment of 10% to comp two and 20% to comp four.

SIZE ADJUSTMENT – The subject improvements contain a total of 9,924 square feet of rentable area with 30 rentable units with an average of 331 SF per unit. This is bracketed by the four comps which range from 3,508 SF to 24,128 SF and 16 to 50 units with an average unit range from 219 SF to 483 SF. Once the prior adjustments are applied, there does not appear to be a supported size adjustment for the four comps, and none is applied.

Once the previous adjustments have been applied, no other adjustments appear warranted. These adjustments are shown in the previous adjustment grid.

SALES COMPARISON APPROACH

Reconciliation – The four comparable sales adjust to a range from \$27,344 to \$27,991 per No. of Units averaging \$27,680/Unit. With about equal weight to each adjusted sale, I reconcile at a value via the sales comparison approach of \$27,900/Unit. Applying this to the subjects 30 rentable units indicates a current market value of \$837,000, rounded to \$835,000 as of April 21, 2023.

INDICATED MARKET VALUE, SALES COMPARISON APPROACH

INCOME APPROACH

The income approach utilizes the principle of anticipation, which states the value is the present worth of all expected future benefits accruing to ownership. These future benefits are generally in the form of income streams.

There are several basic steps involved in this approach. First, the gross market rent for the property is estimated through a comparison of other similar property leases. Next, an allowance for vacancy and collection losses is deducted resulting in the effective gross rent (E.G.R.). From the E.G.R. is deducted fixed expenses such as taxes and insurance, along with variable expenses such as management, maintenance and reserves for replacement of short-lived items such as the roof and floor coverings (when necessary). The resulting figure is the net operating income (N.O.I.). The N.O.I. is then converted into a present dollar estimate, which is the property's market value estimate. Converting the N.O.I. into a present dollar estimate is called capitalization.

Capitalization techniques include the direct capitalization analysis and the discounted cash flow analysis. The direct capitalization analysis is typically used on single tenant properties, which have very little change in income and expense ratios. This analysis assumes the income stream extends into perpetuity. The discounted cash flow analysis is typically used on more dynamic, multi-tenant properties, which have continually changing incomes and expenses. This analysis assumes the property will be held for a specific time period and then sold at the end of the holding period. The property value is based on the net income streams over the holding period, discounted to the present through the use of a present value factor plus the present value of the net reversion or sale of the property at the end of the holding period. The comparable rents and analysis used in this approach follow:

The improvements to the site consist of eleven buildings containing approximately 11,774 square feet of building area with 30 motel rooms and an office/manager apartment. The improvements were originally constructed in 1932 being stucco over concrete block on concrete slabs and have been renovated over the years. The improvements reflect an effective age of approximately 40 years. The rooms are reportedly rented nightly for \$60 or weekly for \$300.

As previously discussed, I was not provided with any income and expense information regarding the subject with the exception being the units rent for \$60 per night or \$300 per week.

INCOME APPROACH

Based upon my research of other similar motels such as the Budget Inn on Cervantes Street, the American Inn on Mobile Highway and Civic Inn on University Parkway, these older motels are typically leased on a weekly basis with some units rented nightly. When contacted, the Budget Inn had one room available, and it was considered their larger room with a bedroom, bathroom and kitchenette area for \$425 per week. The American Inn has a standard weekly rental rate of \$425 per room with the advertised nightly rate of \$98 per night. The Civic Inn indicated a weekly rental of \$384 inclusive of tax or \$355 per week. All three comps require a standard \$100 deposit.

In comparison with the subject property, the three comps are the best available for rental comparison purposes. The Budget Inn unit was a larger suite and would demand a higher price but has not been rented indicating resistance from the market. Both the American Inn and Civic Inn are in better condition and are better locations. Based upon a comparison of the subject units to the three comps, I estimate the average weekly rental at \$300 per week. Applying this to the subject's 30 units indicates a weekly potential gross income of \$9,000. Applied to 52 weeks indicates an annual Potential Gross Income of \$468,000.

Vacancy and Collection Losses

Vacancy and Collection Loss Allowance – Typically, motel and hotel properties will reflect vacancies ranging from 30% to 50%. The manager indicated the subject stays close to 80% occupied, however during my inspection of the property numerous units were vacant. The Budget Inn indicated they only had one unit available for weekly rental, however this appears as an anomaly compared to the other motels in the area. Based upon my inspection of the property and my knowledge of the typical hospitality vacancy rates, I estimate the annual vacancy allowance at 50%. Considering this, I apply a vacancy allowance of 50% to the subject's potential gross income or \$234,000 annually. Subtracting this from the potential gross income of \$468,000 indicates an effective gross income of \$234,000.

Expenses

Expenses for motels include fixed expenses such as property taxes, property insurance and maintenance and variable expenses such as housekeeping and utilities. Again, I was not provided with any expense information and the expenses will be estimated based upon a

INCOME APPROACH

comparison with other properties. The only comparable that I was able to obtain income and expense information was comp two, Civic Inn. This comp reflected expenses totaling 55% of the effective gross income. This is very much in line with the typical expenses for motels and hotels typically ranging from 45% to 60%. Considering this, I estimate the annual expenses for the subject at 55% of the effective gross income or \$128,700. Subtracting these expenses from the effective gross income of \$234,000 indicates a net operating income of \$105,300 annually.

A summary of the subject's income and expenses is noted in the following summary chart.

CAPITALIZATION ANALYSIS

Market Extraction Method – Of the comparable sales noted in the Sales Comparison Approach, only comp two reflected an overall rate at 9.9% with this comp being superior for location, condition and age. Of the 19 comps I have in our database that have sold since January 2019, the comps reflect a range from 7.5% to 10.84%. Given the subject's location, condition and age, I estimate an overall rate higher than the range or 12% for the subject due to the risk involved in ownership. Applying this to the subject's net operating income of \$105,300 indicates a value via the income approach of \$877,500, rounded to \$875,000.

RECONCILIATION OF APPROACHES

The valuation approaches reveal the following values:

Summary of Values	
Value Premise	As Is
	4/21/2023
Sales	\$835,000
Income Capitalization	\$875,000
Value Conclusion:	\$855,000

If the appraiser had available sufficient factual data and correctly made the analysis, all approaches to value would be the same. This is seldom the case with the necessity for reconciliation of value. The two approaches utilized in the valuation indicated a value range from \$835,000 via the sales comparison approach and \$875,000 via the income approach. As previously discussed, in addition to the sales comparison and income approaches to value I searched for recent land sales in the vicinity of the subject to determine the value of the land as vacant. Based upon the sales researched, I estimate the vacant land value between \$7 and \$8 per square foot or \$474,600 to \$542,400 or approximately \$510,000. Assuming a cost new of \$112/SF for the improvements based upon Marshall Valuation Service cost for Fair quality, Class C Motel, the cost new would be approximately \$1,318,688. With an effective age of 40 years based upon an economic life of 50 years, the overall depreciation is estimated to be 80% or \$1,054,950. Subtracting this from the cost new indicates a depreciated cost new of \$263,738. Adding this to the land value of \$510,000 would indicate a value via the cost approach of \$773,738 or approximately \$775,000. Based upon this analysis, the improvements contribute value over and above the depreciated cost value indicating value with the continued use. With about equal weight to the sales comparison and income approaches, I reconcile a value as of April 21, 2023 at \$855,000.

Extraordinary Assumption:

An extraordinary assumption is an assumption, directly related to a specific assignment, as of the effective date of the assignment results, which, if found to be false, could alter the appraiser's opinions or conclusions.⁹

1. This appraisal is based upon the extraordinary assumption that there are no structural deficiencies, roof leaks, etc. that may adversely affect value. I inspected numerous units as noted in the photographs and this appraisal is based upon the assumption that all units are in similar condition.
2. It is an extraordinary assumption of this report that there are no long-term leases in place for the property. No income and expense information was provided by the owner with the exception being the daily rent of \$60 per unit or weekly rental of \$300 per unit. The owner's representative indicated most units are rented weekly.
3. It is an extraordinary assumption of this report that the calculations for building square footages on the Escambia County Property Appraiser's website are correct. I was unable to measure the improvements and an as-built survey was not provided.,

Hypothetical Conditions:

A hypothetical condition is a condition, directly related to a specific assignment, which is contrary to what is known by the appraiser to exist on the effective date of the assignment results but is used for the purpose of analysis.¹⁰

The City shall have no obligations related to said maintenance and repair. The Company shall coordinate any required maintenance and repair with the appropriate utility company.

Section 11.07 UTILITIES SUPPLY OR CHARACTER

The City shall not be liable in any way to the Company for any failure or defect in the supply or character of electrical energy, internet service, cable service, gas, water, sewer, or other utility service furnished to the Leased Premises by reason of any requirement, act, or omission of the City in its capacity as a utility provider or of any public utility providing such service or for any other reason. The City shall have the right to shut down electrical and other utility services to the Leased Premises when necessitated by fire, safety or emergency exigencies, and in advancement of and consistent with the provisions of Section 11.07 herein above. Whenever reasonable under the circumstances, the City shall give the Company not less than five (5) days' prior notice of any such utility shutdown. In no event shall the planned loss of utility services occur during normal manufacturing hours without the express knowledge and written consent of the Company. The City shall not be liable to the Company for any losses, including the loss of income or business interruption, resulting from any interruptions or failure in the supply of any utility to the Leased Premises whether said utility supply is controlled by the City or by a public utility provider.

The Company shall not, directly or indirectly, allow the disposal or discharge of Hazardous Substances on the Leased Premises, but in no way does this prohibit material to be properly stored in the Leased Premises consistent with the proposed use thereof and consistent with all applicable laws governing storage of same.

The Company shall be solely responsible for the payment of any and all fines, fees, penalties, assessments or citations issued as a result of the Company's failure to comply with applicable Environmental Laws whether such fine, fee, penalty, assessment or citation be issued to the Company directly or the City as the property owner.

ARTICLE 14. EVENTS OF DEFAULT; REMEDIES; TERMINATION

Section 14.01 COMPANY EVENTS OF DEFAULT

The occurrence of any one or more of the following events (each such event being referred to in this Lease as an “Event of Default”) shall constitute a material default and breach of this Lease by the Company:

(a) The Company fails to make any monetary payment required to be made by the Company hereunder within ten (10) days after such payment is due.

(b) The Company fails to observe or perform any covenant, condition or provision of this Lease to be observed or performed by the Company, other than as described in subparagraph (a) above or subparagraphs (d) or (e) below, and such failure shall continue for a period of thirty (30) days after written notice thereof by the City to the Company; provided, however, that if the nature of such failure is such that more than thirty (30) days are reasonably required for its remedy or cure, then such 30-day period shall be extended for up to sixty (60) additional days provided that the Company begins such remedy or cure within such 30-day period and thereafter diligently and continuously prosecutes such remedy or cure to completion within such additional 60-day period. Notwithstanding the forgoing, an Event of Default shall be deemed to exist if Company (i) fails to meet any deadline specified in Section 4.05 (Development Milestones) and such failure continues following five days’ written notice from City, (ii) is in breach in the timely performance of its obligations under Section 7 (Insurance), or (iii) is in breach of Article 16 (Assignment and Sublease), in the case of (ii) and (iii) without any requirement that City provide notice of or opportunity to cure any such breaches.

(c) The Company files a voluntary petition in bankruptcy or any petition or answer seeking or acquiescing in any reorganization, rehabilitation, arrangement, composition, readjustment, liquidation, dissolution or other relief under any present or future federal, state or other statute, law or regulation relating to bankruptcy, insolvency or other relief for debtors; or an order for relief is entered in an involuntary bankruptcy case filed against the Company and such order is not reversed within ninety (90) days thereafter; or the Company seeks or consents to or acquiesces in the appointment of any trustee, custodian, receiver or liquidator of itself or of all or any part of its assets or any interest therein; or the Company shall make a general assignment for the benefit of its creditors.

(e) The Company abandons all or any material part of the Company’s business on the Leased Premises permitted under Article 5 above or ceases to conduct all or any material part of the Company’s business at the Leased Premises permitted under Article 5 above for forty-five (45) days during any period of ninety (90) consecutive days.

Section 14.02 **REMEDIES.**

Upon the occurrence of any Event of Default, the City may at any time thereafter, with or without notice or demand (except as expressly specified in Section 14.01 above or elsewhere in this Lease), and without limiting the City in the exercise of any right or remedy that the City may have by reason of such Event of Default:

(a) Terminate the Company's right to possession of the Leased Premises by any lawful means, in which case this Lease shall terminate and the Company shall surrender possession of the Leased Premises to the City within the provisions of the lease termination. In such event the City shall be entitled to recover from the Company all damages incurred by the City by reason of the Company's default, including but not limited to the cost of recovering possession of the Leased Premises; cost of repairs for any and all damages to the Leased Premises, ordinary wear and tear excepted; cost of any repairs or improvements required to bring the Leased Premises up to code and obtain an certificate of occupancy, if said Leased Premises is left in an untenable state by the Company; and the worth at the time of award by the court having jurisdiction thereof of (i) the amount of unpaid Rent and other unpaid amounts under this Lease which had been earned at the time of termination, (ii) the unpaid Rent and other amounts under this Lease which would have been earned after termination until the time of award. The worth at the time of award of the sums referred to in clauses (i) and (ii) above shall be computed by allowing interest from the due date at the greater of five percent (5%) per annum or the legal rate applicable to money judgments entered by the courts of the State of Florida.

(b) Without terminating this Lease, enter and repossess the Leased Premises, remove the Company's property and signs therefrom, and re-let the same for such rent and upon such terms as shall be satisfactory to the City without such re-entry and repossession working a forfeiture of the Rent and other amounts to be paid and prior to the lease termination, the covenants to be performed by the Company during the remaining Lease Term. For the purpose of such re-letting, the City shall be entitled to make any repairs, changes, alterations or additions in or to the Leased Premises that may be necessary or convenient, and the City shall be entitled to recover from the Company the cost of repairs for any and all damages to the Leased Premises, ordinary wear and tear excepted; and, cost of any repairs or improvements required to bring the Leased Premises up to code and obtain an Certificate of Occupancy, if said Leased Premises is left in an untenable state by the Company.

(c) Maintain the Company's right to possession, in which case this Lease shall continue in effect whether or not the Company shall have abandoned the Leased Premises. (d) Pursue any other remedy now or hereafter available to the City at law or in equity under the laws or judicial decisions of the State of Florida, including without limitation any right or remedy available to a creditor under the Uniform Commercial Code.

Section 14.03 **RIGHTS AND REMEDIES OF THE CITY CUMULATIVE**

All rights and remedies of the City herein created or otherwise existing or arising at law or in equity by reason of any Event of Default are cumulative, and the exercise of one or more rights or remedies shall not operate to exclude or waive the right to the exercise of any other. All such rights and remedies may be exercised and enforced concurrently. Further, failure by the City to take any authorized action upon the occurrence of an Event of Default shall not be construed to be or act as a waiver of said Event of Default or of any subsequent Event of Default. The City's acceptance of Base Rent, Additional Rent or other amounts or payments by the Company for any period or periods after the occurrence of an Event of Default shall not be deemed a waiver of such Event of Default or a waiver of or estoppel to enforce any right or remedy on the part of the City arising or existing by reason of such Event of Default.

END OF ARTICLE

ARTICLE 15. HOLDING OVER

It is agreed and understood that any holding over by the Company, with the City's written consent, after the termination of this Lease, shall not serve to renew and extend same, but shall operate and be construed as a tenancy from month-to-month, subject to all terms and conditions of this Lease, including without limitation all Rent provisions.

Should the Company hold over without the City's written consent, the Company agrees to pay to the City, as monthly Rent during such period of holding over, for such Leased Premises for each month until the Company completely vacates the Leased Premises, two hundred percent (200%) of the sum of (i) Base Rent payable for the last month of the Lease Term, including without limitation applicable taxes and (ii) all Additional Rent and other fees and charges required by this Lease or by City ordinance to be paid by the Company.

The Company shall be liable to the City for all loss or damage resulting from such holding over against the City's will after the termination of this Lease, whether such loss or damage may be contemplated at this time or not. It is expressly agreed that acceptance of the foregoing rental by the City, in the event that the Company fails or refuses to surrender possession, shall not serve to grant the Company any right to remain in possession beyond the period for which such amount has been paid nor shall it constitute a waiver by the City of its right to immediate possession thereafter.

END OF ARTICLE

ARTICLE 16. ASSIGNMENT AND SUBLEASE

Section 16.01 **LEASE ASSIGNMENT**

The Company shall have the right to assign this Lease to its Affiliate identified as the tax credit applicant under the RFA, without any further approval from the City. Except as permitted in the foregoing sentence, the Company shall not assign this Lease or the Company's interest in or to the Leased Premises, or any part thereof, without first having obtained the City's prior written consent which consent shall be in the City's sole and absolute discretion (except for leasing of residential units and granting licenses or other rights of entry upon the Leased Premises for maintenance and upkeep of the Leased Premises or to provide standard services to the residential sublessee (for example providers of internet services and cable television), subject at all times, none of which shall require the prior written consent of City). Without limiting the foregoing, it is a precondition to City review and approval of a requested assignment of this Lease that there shall then exist no uncured Event of Default nor any event or state of facts which with notice or the lapse of time, or both, would constitute an Event of Default. Any transfer of more than fifty percent (50%) of the equity ownership of the Company, whether such transfer of equity ownership occurs pursuant to a single transaction or a series of related transactions, shall be deemed to be an assignment of this Lease for purposes of this Section 16.01.

In the event that the Company requests permission to assign this Lease in whole or in part, the request shall be submitted to the City not less than thirty (30) days prior to the proposed effective date of the assignment requested, and shall be accompanied by a copy of the proposed assignment agreement(s) and of all agreement(s) collateral thereto, together with the following information and any other reasonable and pertinent information requested by the City: the identity and contact information of the assignee, whether the requested assignment is a full or partial assignment of this Lease, details of the proposed assignee's experience in development and operation of multifamily housing projects, and reasonable financial history and financial information of the assignee.

Section 16.02 **LEASED PREMISES SUBLEASE**

The Company shall not sublet the Leased Premises or any part thereof, regardless of the time period, without having first obtained the City's prior written consent, which consent shall be in the City's sole and absolute discretion. Without limiting the generality of the foregoing, it is a precondition to City review and approval of a proposed sublease of the Leased Premises that there shall then exist no uncured Event of Default nor any event or state of facts that with notice or the lapse of time, or both, would constitute an Event of Default.

In the event that the Company requests permission to sublet the Leased Premises in whole or in part to any person or entity other than a resident of a Unit, the request shall be submitted to the City not less than sixty (60) days prior to the proposed effective date of the sublease requested, and shall be accompanied by a copy of the proposed sublease agreement(s) and of all agreement(s) collateral thereto, together with the following information and any other information requested by the City: the identity and contact information of the sublessee, a description of the part of the Leased Premises to be subleased, a statement of the entire consideration to be received by the Company by reason of such sublease (including but not limited to sublease rent and other fees and

charges payable by the sublessee), the type of business to be conducted on subleased premises by the sublessee, and reasonable financial history and financial information of the sublessee.

For purposes of this Section 16.02 and Section 16.03 below, “sublease” and related terms shall include, without limitation, any sublease, license, or agreement, regardless of how denominated, that permits a third party to occupy or use all or any part of the Leased Premises other than those persons who use the Leased Premises in the ordinary course of Company’s business for the use permitted under Article 5 above.

Section 16.03 CONSUMMATION OF ASSIGNMENT OR SUBLEASE

The City’s consent for the assignment or sublease for which the City’s consent is required and for which such consent has been given shall be by written instrument, in form and substance reasonably satisfactory to the City, and shall be executed by the assignee or sublessee who shall agree, in writing, for the benefit of the City, to be bound by and to perform all the terms, covenants, and conditions of this Lease. Failure either to obtain the City’s prior written consent or to comply with the provisions of this Lease shall serve to prevent any such transfer, assignment, or sublease from becoming effective and shall constitute an Event of Default by the Company.

The Company agrees and acknowledges that it shall remain fully and primarily liable for all obligations of Company under this Lease, notwithstanding any full or partial assignment of this Lease or any sublease of all or any portion of the Leased Premises.

ARTICLE 17. DAMAGE OR DESTRUCTION OF LEASED PREMISES; TAKING BY EMINENT DOMAIN

Section 17.01 **LEASED PREMISES -- DAMAGE OR DESTRUCTION**

If at any time during the continuance of this Lease, the Leased Premises shall be so destroyed or so injured by fire or other casualty as to be unfit for full occupancy and use by the Company, and such destruction or injury could reasonably be repaired within three hundred sixty-five (365) days from the date of such destruction or injury, then the Company shall not be entitled to surrender possession of the Leased Premises; provided, however, that the Company's obligation to pay Rent shall be equitably reduced to the extent of the diminution in use to the Company resulting from such destruction or injury until full use and occupancy is restored to the Company. The Company shall repair the damage with all reasonable speed at least to the extent of the value and as nearly as possible to the character and quality of the building and improvements existing immediately prior to such occurrence. In no event shall the abatement or diminution of rent extend beyond a period of three hundred sixty-five (365) days from the date of destruction or injury.

If the Leased Premises shall be so destroyed or injured by fire or other casualty that such destruction or injury could not reasonably be repaired within three hundred sixty-five (365) days from the date of such destruction or injury, the Company shall have the option, upon written notice given to the City within thirty (30) days from the date of such destruction or injury, to terminate this Lease, and upon giving of such notice this Lease shall be terminated as of the date of such destruction or injury. In such event, the City shall be entitled to use any and all insurance proceeds for the purpose of removing the damaged structure from the property and bringing the property into the same condition as existed at the commencement of the Lease. In the event the Company elects not to terminate this Lease in accordance with the foregoing options, the Company shall repair the damage and restore or rebuild the building and improvements as promptly as reasonably possible after the three hundred sixty-five (365) day period, in which case the period of rent abatement or diminution shall be extended until full use and occupancy is restored to the Company. In no event, shall the prior of abatement or diminution of rent extend beyond a period of twelve (12) months from the date of destruction or injury, unless otherwise mutually agreed by the parties.

Notwithstanding the foregoing provisions of this Article, in the event of damage or destruction, as aforesaid, such that fifty percent (50%) or more of the total floor area of the buildings included as part of the Leased Premises is rendered unfit for occupancy and use by the Company during the last three (3) years of the Lease Term, then either Party shall have the option, upon written notice given to the other Party within thirty (30) days from the date of such destruction or injury, to terminate this Lease, and upon the giving of such notice this Lease shall be terminated as of the date of such destruction or injury.

Section 17.02 **TAKING BY EMINENT DOMAIN**

In the event the Leased Premises or any portion thereof shall be taken for public or quasi-public use or condemned under eminent domain, then if and when there is an actual taking which shall render the Leased Premises unfit for the use and occupancy by the Company substantially as used and occupied prior to such taking, the Company may terminate this Lease. The Leased Premises shall be deemed to be unfit for use by the Company if the area of the portion thereof remaining after such taking is less than sufficient to accommodate the operations carried on by the Company

just prior to such taking. If the Company elects to terminate this Lease as provided above, it shall give written notice to the City within thirty (30) days after the later of (a) the entry of the final order of court authorizing the taking or appropriation or the date of settlement, as the case may be, or (b) the taking of physical possession by the condemner.

END OF ARTICLE

ARTICLE 18. TAXES

Section 18.01 **PAYMENT OF TAXES**

The Company shall pay all taxes that may be levied upon, assessed, or charged the Company or its property located on the Leased Premises by the United States, the State of Florida or any of its political subdivisions, or Escambia County or the City, or any other taxing authority not otherwise exempted pursuant to applicable law, and shall obtain and pay for all licenses and permits required by law. It is understood that Company will seek a property tax exemption pursuant to the Live Local Act.

Section 18.02 **REAL PROPERTY TAXES**

The Company shall be responsible for all real property taxes applicable to the Leased Premises during the Lease Term. If any such taxes paid by the Company shall cover any period of time prior to or after the expiration of the Lease Term, the Company's share of such taxes shall be equitably prorated to cover only the period of time within the tax year during which this Lease shall be in effect, and the City shall reimburse the Company to the extent required. If the Company shall fail to pay any such taxes, the City shall have the right, but not the obligation, to pay the same, in which case the Company shall repay such amount to the City upon demand, together with interest at the highest rate allowed by law.

Section 18.03 **DEFINITION**

As used herein the term "real property tax" shall mean all ad valorem and non-ad valorem taxes and assessments (including interest and penalties thereon) which are imposed against any legal or equitable interest of the City or the Company in the Leased Premises or any portion thereof by the City, Escambia County or the State of Florida or by any school, agricultural, lighting, fire, mosquito control, water, drainage or other improvement, benefits or tax district thereof, and which are collected by the Escambia County, Florida, Tax Collector, together with any tax imposed in substitution, partially or totally, of any tax previously included within the definition of "real property tax" and any additional tax the nature of which was previously included within the definition of "real property tax".

Section 18.04 **CONTEST**

The Company may contest the legal validity or amount of any taxes, assessment, or charges for which the Company is responsible under this Lease, and may institute such proceedings as the Company considers necessary. If the Company protests any such tax, assessment or charge, the Company may withhold or defer payment or pay under protest but shall indemnify and hold the City and the Leased Premises harmless from and against any claim or lien against the City or the Leased Premises arising out of the Company's failure to pay the contested taxes, assessments or charges. City agrees to reasonably cooperate, at no cost to City, with any effort on the part of Company to appeal any tax assessment.

Section 18.05 **PERSONAL PROPERTY TAXES**

The Company shall pay prior to delinquency all taxes assessed against and levied upon trade fixtures, furnishings, equipment and all other personal property of the Company contained in the Leased Premises. When possible, the Company shall cause said trade fixtures, furnishings, equipment and all other personal property to be assessed and billed separately from the Land and

Leased Premises. If any of the Company's said personal property shall be assessed with the Land or Leased Premises, the Company shall pay the taxes attributable to the Company within ten (10) days prior to the delinquency date for payment of such taxes.

ARTICLE 19. ENCUMBRANCE OF LEASEHOLD ESTATE; LEASEHOLD FINANCING;
AND NOTICE TO MORTGAGEES AND INVESTOR

Section 19.01 **RIGHT TO MORTGAGE**

The Company shall have the right to grant such mortgages of its interest in the Lease and the Leased Premises (each a “Leasehold Mortgage” and collectively, the “Leasehold Mortgages”) to those lenders identified in any credit underwriting report issued in connection with an allocation of Housing Credits for the Project (each a “Leasehold Mortgagee” and collectively, the “Leasehold Mortgagees”), and, in connection therewith, to pledge or assign its interest in this Lease to such Leasehold Mortgagees. Company shall deliver to City a written notification containing the name and the address(es) to which notices to the Leasehold Mortgagee are to be sent. Neither the Company nor any of the Company’s permitted successor(s) in interest to the Project or any part thereof shall, without the prior written consent of City, engage in any financing or other transaction creating any mortgage or other encumbrances or lien upon the Project, whether by express agreement or operation of law, or suffer any encumbrance or lien to be made on or attach to the Project, except for (i) the Leasehold Mortgages to a Leasehold Mortgagee, and (ii) for the refinancing, replacement or substitution of a loan secured by a Leasehold Mortgage for a new or modified loan (or a portion thereof) secured by a then existing Leasehold Mortgage, as the same may then be modified or amended or by a new or leasehold mortgage granted to a new or existing lender, and in such case, such new or modified leasehold mortgage shall be deemed a Leasehold Mortgage for purposes hereof and such new or existing lender shall be deemed a Leasehold Mortgagee.

(a) Leasehold Mortgagees shall have the right:

1. To do any act or thing required of Company hereunder and all such acts or things done and performed shall be as effective to prevent a forfeiture of Company’s rights hereunder as if done by the Company; and
2. To realize on the security afforded by the leasehold estate by exercising foreclosure proceedings or power of sale or other remedy afforded in law or in equity or by the security documents (hereinafter sometimes collectively referred to as “foreclosure sale”) or to acquire by deed-in-lieu, and to transfer, convey, or assign the title of Company to the leasehold estate created hereby to any purchaser at any such foreclosure sale or transfer from Lender if Lender acquires by a deed-in-lieu and to acquire and succeed to the interest of Company hereunder by virtue of any such foreclosure sale or deed-in-lieu.

(b) In the event of a default by the Company under this Lease, the rights of City may not be exercised until written notice of such default is delivered to Lender, or to the person or firm designated by any such Lender, by written notice to City, to accept such notices, and any applicable cure period has expired. Lender shall have the same notice and cure rights as are provided to Company under this Lease, except that Lender shall have the right to cure a monetary default as described in Section 14.01(a) within ten (10) days from delivery of said notice.

(c) Lender shall not be liable to the City as an assignee of this Lease unless and until such time as such Lender shall acquire the rights of Company hereunder through foreclosure or other appropriate proceedings in the nature thereof, or by deed-in-lieu, or as a result of any other action or remedy provided for by such mortgage, or which may otherwise be provided by law.

(d) No modification or voluntary surrender by the Company of this Lease shall be made without the consent of Lender if Lender has requested such authority to consent by written notice delivered to City.

(e) The City agrees to provide an estoppel certificate upon written request of Lender acknowledging that (to the extent true and noting any exceptions) this Lease is in full force and effect; that there are no defaults that exist under the Lease; that the Rent is current; and such other matters as Lender may reasonably require.

Section 19.02 CONSENT REQUIRED FOR TERMINATION AND AMENDMENTS

No cancellation, termination, surrender or modification of this Lease for any reason (whether by reason of a default on the part of either City or Company, by agreement between City and Company or otherwise) shall be effective as to any Leasehold Mortgagee without its prior written consent, which may be withheld or granted in such Leasehold Mortgagee's sole and absolute discretion. Notice of any such consent by Leasehold Mortgagee shall be delivered to City pursuant to the provisions hereof.

Section 19.03 DEFAULT NOTICE

City, upon providing Company with any notice of default under this Lease, shall at the same time provide a copy of such notice to every Leasehold Mortgagee of whom it has knowledge pursuant to notice from Company provided in accordance with Section 19.01 hereof. City's failure to give notice to every Leasehold Mortgagee shall not however affect the validity of the notice provided to Company or allow Company additional time to cure a default. Notice to any Leasehold Mortgagee shall be given in the manner herein. Any Leasehold Mortgagee shall have the same period, after the giving of such notice to the Company, for remedying any default or causing the same to be remedied, as is given Company after the giving of such notice to Company, plus, in each instance, the additional periods of time specified in Section 19.01 to remedy, commence remedying or cause to be remedied the defaults specified in any such notice. City shall accept such payment or performance by or at the instigation of such Leasehold Mortgagee as if the same had been done by Company. Subject to the terms of this Lease, Company authorizes any and each Leasehold Mortgagee to take any such action at such Leasehold Mortgagee's option and does hereby authorize entry upon the Leased Premises by the Leasehold Mortgagee for such purpose.

Section 19.04 NO OTHER ENCUMBRANCES

Company shall not encumber by mortgage or other security instrument, by way of collateral assignment, or otherwise, Company's interest in this leasehold estate without the prior written consent of City, which consent shall not be unreasonably withheld, conditioned or delayed, except that Company may, without City's consent: (i) assign or mortgage this Lease to any Leasehold Mortgagee; (ii) create or suffer to exist (a) any inchoate lien for taxes or municipal obligations, or (b) other transfers or encumbrances expressly permitted herein..

(b) The Company fails to observe or perform any covenant, condition or provision of this Lease to be observed or performed by the Company, other than as described in subparagraph (a) above or subparagraphs (d) or (e) below, and such failure shall continue for a period of thirty (30) days after written notice thereof by the City to the Company; provided, however, that if the nature of such failure is such that more than thirty (30) days are reasonably required for its remedy or cure, then such 30-day period shall be extended for up to sixty (60) additional days provided that the Company begins such remedy or cure within such 30-day period and thereafter diligently and continuously prosecutes such remedy or cure to completion within such additional 60-day period. Notwithstanding the forgoing, an Event of Default shall be deemed to exist if Company (i) fails to meet any deadline specified in Section 4.05 (Development Milestones) and such failure continues following five days’ written notice from City, (ii) is in breach in the timely performance of its obligations under Section 7 (Insurance), or (iii) is in breach of Article 16 (Assignment and Sublease), in the case of (ii) and (iii) without any requirement that City provide notice of or opportunity to cure any such breaches.

Section 14.02 **REMEDIES.**

Upon the occurrence of any Event of Default, the City may at any time thereafter, with or without notice or demand (except as expressly specified in Section 14.01 above or elsewhere in this Lease), and without limiting the City in the exercise of any right or remedy that the City may have by reason of such Event of Default:

(a) Terminate the Company's right to possession of the Leased Premises by any lawful means, in which case this Lease shall terminate and the Company shall surrender possession of the Leased Premises to the City within the provisions of the lease termination. In such event the City shall be entitled to recover from the Company all damages incurred by the City by reason of the Company's default, including but not limited to the cost of recovering possession of the Leased Premises; cost of repairs for any and all damages to the Leased Premises, ordinary wear and tear excepted; cost of any repairs or improvements required to bring the Leased Premises up to code and obtain an certificate of occupancy, if said Leased Premises is left in an untenable state by the Company; and the worth at the time of award by the court having jurisdiction thereof of (i) the amount of unpaid Rent and other unpaid amounts under this Lease which had been earned at the time of termination, (ii) the unpaid Rent and other amounts under this Lease which would have been earned after termination until the time of award. (b) Without terminating this Lease, enter and repossess the Leased Premises, remove the Company's property and signs therefrom, and re-let the same for such rent and upon such terms as shall be satisfactory to the City without such re-entry and repossession working a forfeiture of the Rent and other amounts to be paid and prior to the lease termination, the covenants to be performed by the Company during the remaining Lease Term. For the purpose of such re-letting, the City shall be entitled to make any repairs, changes, alterations or additions in or to the Leased Premises that may be necessary or convenient, and the City shall be entitled to recover from the Company the cost of repairs for any and all damages to the Leased Premises, ordinary wear and tear excepted; and, cost of any repairs or improvements required to bring the Leased Premises up to code and obtain an Certificate of Occupancy, if said Leased Premises is left in an untenable state by the Company.

All such rights and remedies may be exercised and enforced concurrently. Further, failure by the City to take any authorized action upon the occurrence of an Event of Default shall not be construed to be or act as a waiver of said Event of Default or of any subsequent Event of Default. The City's acceptance of Base Rent, Additional Rent or other amounts or payments by the Company for any period or periods after the occurrence of an Event of Default shall not be deemed a waiver of such Event of Default or a waiver of or estoppel to enforce any right or remedy on the part of the City arising or existing by reason of such Event of Default.

END OF ARTICLE

ARTICLE 15. HOLDING OVER

It is agreed and understood that any holding over by the Company, with the City's written consent, after the termination of this Lease, shall not serve to renew and extend same, but shall operate and be construed as a tenancy from month-to-month, subject to all terms and conditions of this Lease, including without limitation all Rent provisions.

Should the Company hold over without the City's written consent, the Company agrees to pay to the City, as monthly Rent during such period of holding over, for such Leased Premises for each month until the Company completely vacates the Leased Premises, two hundred percent (200%) of the sum of (i) Base Rent payable for the last month of the Lease Term, including without limitation applicable taxes and (ii) all Additional Rent and other fees and charges required by this Lease or by City ordinance to be paid by the Company.

The Company shall be liable to the City for all loss or damage resulting from such holding over against the City's will after the termination of this Lease, whether such loss or damage may be contemplated at this time or not. It is expressly agreed that acceptance of the foregoing rental by the City, in the event that the Company fails or refuses to surrender possession, shall not serve to grant the Company any right to remain in possession beyond the period for which such amount has been paid nor shall it constitute a waiver by the City of its right to immediate possession thereafter.

END OF ARTICLE

ARTICLE 16. ASSIGNMENT AND SUBLEASE

Section 16.01 **LEASE ASSIGNMENT**

The Company shall have the right to assign this Lease to its Affiliate identified as the tax credit applicant under the RFA, without any further approval from the City. Except as permitted in the foregoing sentence, the Company shall not assign this Lease or the Company's interest in or to the Leased Premises, or any part thereof, without first having obtained the City's prior written consent which consent shall be in the City's sole and absolute discretion (except for leasing of residential units and granting licenses or other rights of entry upon the Leased Premises for maintenance and upkeep of the Leased Premises or to provide standard services to the residential sublessee (for example providers of internet services and cable television), subject at all times, none of which shall require the prior written consent of City). Without limiting the foregoing, it is a precondition to City review and approval of a requested assignment of this Lease that there shall then exist no uncured Event of Default nor any event or state of facts which with notice or the lapse of time, or both, would constitute an Event of Default. Any transfer of more than fifty percent (50%) of the equity ownership of the Company, whether such transfer of equity ownership occurs pursuant to a single transaction or a series of related transactions, shall be deemed to be an assignment of this Lease for purposes of this Section 16.01.

In the event that the Company requests permission to assign this Lease in whole or in part, the request shall be submitted to the City not less than thirty (30) days prior to the proposed effective date of the assignment requested, and shall be accompanied by a copy of the proposed assignment agreement(s) and of all agreement(s) collateral thereto, together with the following information and any other reasonable and pertinent information requested by the City: the identity and contact information of the assignee, whether the requested assignment is a full or partial assignment of this Lease, details of the proposed assignee's experience in development and operation of multifamily housing projects, and reasonable financial history and financial information of the assignee.

Section 16.02 **LEASED PREMISES SUBLEASE**

The Company shall not sublet the Leased Premises or any part thereof, regardless of the time period, without having first obtained the City's prior written consent, which consent shall be in the City's sole and absolute discretion. Without limiting the generality of the foregoing, it is a precondition to City review and approval of a proposed sublease of the Leased Premises that there shall then exist no uncured Event of Default nor any event or state of facts that with notice or the lapse of time, or both, would constitute an Event of Default.

In the event that the Company requests permission to sublet the Leased Premises in whole or in part to any person or entity other than a resident of a Unit, the request shall be submitted to the City not less than sixty (60) days prior to the proposed effective date of the sublease requested, and shall be accompanied by a copy of the proposed sublease agreement(s) and of all agreement(s) collateral thereto, together with the following information and any other information requested by the City: the identity and contact information of the sublessee, a description of the part of the Leased Premises to be subleased, a statement of the entire consideration to be received by the Company by reason of such sublease (including but not limited to sublease rent and other fees and

charges payable by the sublessee), the type of business to be conducted on subleased premises by the sublessee, and reasonable financial history and financial information of the sublessee.

For purposes of this Section 16.02 and Section 16.03 below, “sublease” and related terms shall include, without limitation, any sublease, license, or agreement, regardless of how denominated, that permits a third party to occupy or use all or any part of the Leased Premises other than those persons who use the Leased Premises in the ordinary course of Company’s business for the use permitted under Article 5 above.

Section 16.03 CONSUMMATION OF ASSIGNMENT OR SUBLEASE

The City’s consent for the assignment or sublease for which the City’s consent is required and for which such consent has been given shall be by written instrument, in form and substance reasonably satisfactory to the City, and shall be executed by the assignee or sublessee who shall agree, in writing, for the benefit of the City, to be bound by and to perform all the terms, covenants, and conditions of this Lease. Failure either to obtain the City’s prior written consent or to comply with the provisions of this Lease shall serve to prevent any such transfer, assignment, or sublease from becoming effective and shall constitute an Event of Default by the Company.

The Company agrees and acknowledges that it shall remain fully and primarily liable for all obligations of Company under this Lease, notwithstanding any full or partial assignment of this Lease or any sublease of all or any portion of the Leased Premises.

ARTICLE 17. DAMAGE OR DESTRUCTION OF LEASED PREMISES; TAKING BY EMINENT DOMAIN

Section 17.01 **LEASED PREMISES -- DAMAGE OR DESTRUCTION**

If at any time during the continuance of this Lease, the Leased Premises shall be so destroyed or so injured by fire or other casualty as to be unfit for full occupancy and use by the Company, and such destruction or injury could reasonably be repaired within three hundred sixty-five (365) days from the date of such destruction or injury, then the Company shall not be entitled to surrender possession of the Leased Premises; provided, however, that the Company's obligation to pay Rent shall be equitably reduced to the extent of the diminution in use to the Company resulting from such destruction or injury until full use and occupancy is restored to the Company. The Company shall repair the damage with all reasonable speed at least to the extent of the value and as nearly as possible to the character and quality of the building and improvements existing immediately prior to such occurrence. In no event shall the abatement or diminution of rent extend beyond a period of three hundred sixty-five (365) days from the date of destruction or injury.

If the Leased Premises shall be so destroyed or injured by fire or other casualty that such destruction or injury could not reasonably be repaired within three hundred sixty-five (365) days from the date of such destruction or injury, the Company shall have the option, upon written notice given to the City within thirty (30) days from the date of such destruction or injury, to terminate this Lease, and upon giving of such notice this Lease shall be terminated as of the date of such destruction or injury. In such event, the City shall be entitled to use any and all insurance proceeds for the purpose of removing the damaged structure from the property and bringing the property into the same condition as existed at the commencement of the Lease. In the event the Company elects not to terminate this Lease in accordance with the foregoing options, the Company shall repair the damage and restore or rebuild the building and improvements as promptly as reasonably possible after the three hundred sixty-five (365) day period, in which case the period of rent abatement or diminution shall be extended until full use and occupancy is restored to the Company. In no event, shall the prior of abatement or diminution of rent extend beyond a period of twelve (12) months from the date of destruction or injury, unless otherwise mutually agreed by the parties.

Notwithstanding the foregoing provisions of this Article, in the event of damage or destruction, as aforesaid, such that fifty percent (50%) or more of the total floor area of the buildings included as part of the Leased Premises is rendered unfit for occupancy and use by the Company during the last three (3) years of the Lease Term, then either Party shall have the option, upon written notice given to the other Party within thirty (30) days from the date of such destruction or injury, to terminate this Lease, and upon the giving of such notice this Lease shall be terminated as of the date of such destruction or injury.

Section 17.02 **TAKING BY EMINENT DOMAIN**

In the event the Leased Premises or any portion thereof shall be taken for public or quasi-public use or condemned under eminent domain, then if and when there is an actual taking which shall render the Leased Premises unfit for the use and occupancy by the Company substantially as used and occupied prior to such taking, the Company may terminate this Lease. The Leased Premises shall be deemed to be unfit for use by the Company if the area of the portion thereof remaining after such taking is less than sufficient to accommodate the operations carried on by the Company

just prior to such taking. If the Company elects to terminate this Lease as provided above, it shall give written notice to the City within thirty (30) days after the later of (a) the entry of the final order of court authorizing the taking or appropriation or the date of settlement, as the case may be, or (b) the taking of physical possession by the condemner.

ARTICLE 18. TAXES

Section 18.01 **PAYMENT OF TAXES**

The Company shall pay all taxes that may be levied upon, assessed, or charged the Company or its property located on the Leased Premises by the United States, the State of Florida or any of its political subdivisions, or Escambia County or the City, or any other taxing authority not otherwise exempted pursuant to applicable law, and shall obtain and pay for all licenses and permits required by law. It is understood that Company will seek a property tax exemption pursuant to the Live Local Act.

Section 18.02 **REAL PROPERTY TAXES**

If any such taxes paid by the Company shall cover any period of time prior to or after the expiration of the Lease Term, the Company's share of such taxes shall be equitably prorated to cover only the period of time within the tax year during which this Lease shall be in effect, and the City shall reimburse the Company to the extent required. If the Company shall fail to pay any such taxes, the City shall have the right, but not the obligation, to pay the same, in which case the Company shall repay such amount to the City upon demand, together with interest at the highest rate allowed by law.

Section 18.03 **DEFINITION**

As used herein the term "real property tax" shall mean all ad valorem and non-ad valorem taxes and assessments (including interest and penalties thereon) which are imposed against any legal or equitable interest of the City or the Company in the Leased Premises or any portion thereof by the City, Escambia County or the State of Florida or by any school, agricultural, lighting, fire, mosquito control, water, drainage or other improvement, benefits or tax district thereof, and which are collected by the Escambia County, Florida, Tax Collector, together with any tax imposed in substitution, partially or totally, of any tax previously included within the definition of "real property tax" and any additional tax the nature of which was previously included within the definition of "real property tax".

Section 18.04 **CONTEST**

The Company may contest the legal validity or amount of any taxes, assessment, or charges for which the Company is responsible under this Lease, and may institute such proceedings as the Company considers necessary. If the Company protests any such tax, assessment or charge, the Company may withhold or defer payment or pay under protest but shall indemnify and hold the City and the Leased Premises harmless from and against any claim or lien against the City or the Leased Premises arising out of the Company's failure to pay the contested taxes, assessments or charges. City agrees to reasonably cooperate, at no cost to City, with any effort on the part of Company to appeal any tax assessment.

Section 18.05 **PERSONAL PROPERTY TAXES**

The Company shall pay prior to delinquency all taxes assessed against and levied upon trade fixtures, furnishings, equipment and all other personal property of the Company contained in the Leased Premises. When possible, the Company shall cause said trade fixtures, furnishings, equipment and all other personal property to be assessed and billed separately from the Land and

Leased Premises. If any of the Company's said personal property shall be assessed with the Land or Leased Premises, the Company shall pay the taxes attributable to the Company within ten (10) days prior to the delinquency date for payment of such taxes.

ARTICLE 19. ENCUMBRANCE OF LEASEHOLD ESTATE; LEASEHOLD FINANCING;
AND NOTICE TO MORTGAGEES AND INVESTOR

Section 19.01 RIGHT TO MORTGAGE

The Company shall have the right to grant such mortgages of its interest in the Lease and the Leased Premises (each a “Leasehold Mortgage” and collectively, the “Leasehold Mortgages”) to those lenders identified in any credit underwriting report issued in connection with an allocation of Housing Credits for the Project (each a “Leasehold Mortgagee” and collectively, the “Leasehold Mortgagees”), and, in connection therewith, to pledge or assign its interest in this Lease to such Leasehold Mortgagees. Company shall deliver to City a written notification containing the name and the address(es) to which notices to the Leasehold Mortgagee are to be sent. Neither the Company nor any of the Company’s permitted successor(s) in interest to the Project or any part thereof shall, without the prior written consent of City, engage in any financing or other transaction creating any mortgage or other encumbrances or lien upon the Project, whether by express agreement or operation of law, or suffer any encumbrance or lien to be made on or attach to the Project, except for (i) the Leasehold Mortgages to a Leasehold Mortgagee, and (ii) for the refinancing, replacement or substitution of a loan secured by a Leasehold Mortgage for a new or modified loan (or a portion thereof) secured by a then existing Leasehold Mortgage, as the same may then be modified or amended or by a new or leasehold mortgage granted to a new or existing lender, and in such case, such new or modified leasehold mortgage shall be deemed a Leasehold Mortgage for purposes hereof and such new or existing lender shall be deemed a Leasehold Mortgagee.

(a) Leasehold Mortgagees shall have the right:

1. To do any act or thing required of Company hereunder and all such acts or things done and performed shall be as effective to prevent a forfeiture of Company’s rights hereunder as if done by the Company; and
2. To realize on the security afforded by the leasehold estate by exercising foreclosure proceedings or power of sale or other remedy afforded in law or in equity or by the security documents (hereinafter sometimes collectively referred to as “foreclosure sale”) or to acquire by deed-in-lieu, and to transfer, convey, or assign the title of Company to the leasehold estate created hereby to any purchaser at any such foreclosure sale or transfer from Lender if Lender acquires by a deed-in-lieu and to acquire and succeed to the interest of Company hereunder by virtue of any such foreclosure sale or deed-in-lieu.

(b) In the event of a default by the Company under this Lease, the rights of City may not be exercised until written notice of such default is delivered to Lender, or to the person or firm designated by any such Lender, by written notice to City, to accept such notices, and any applicable cure period has expired. Lender shall have the same notice and cure rights as are provided to Company under this Lease, except that Lender shall have the right to cure a monetary default as described in Section 14.01(a) within ten (10) days from delivery of said notice.

(c) Lender shall not be liable to the City as an assignee of this Lease unless and until such time as such Lender shall acquire the rights of Company hereunder through foreclosure or other appropriate proceedings in the nature thereof, or by deed-in-lieu, or as a result of any other action or remedy provided for by such mortgage, or which may otherwise be provided by law.

(d) No modification or voluntary surrender by the Company of this Lease shall be made without the consent of Lender if Lender has requested such authority to consent by written notice delivered to City.

(e) The City agrees to provide an estoppel certificate upon written request of Lender acknowledging that (to the extent true and noting any exceptions) this Lease is in full force and effect; that there are no defaults that exist under the Lease; that the Rent is current; and such other matters as Lender may reasonably require.

Section 19.02 CONSENT REQUIRED FOR TERMINATION AND AMENDMENTS

No cancellation, termination, surrender or modification of this Lease for any reason (whether by reason of a default on the part of either City or Company, by agreement between City and Company or otherwise) shall be effective as to any Leasehold Mortgagee without its prior written consent, which may be withheld or granted in such Leasehold Mortgagee's sole and absolute discretion. Notice of any such consent by Leasehold Mortgagee shall be delivered to City pursuant to the provisions hereof.

Section 19.03 DEFAULT NOTICE

City, upon providing Company with any notice of default under this Lease, shall at the same time provide a copy of such notice to every Leasehold Mortgagee of whom it has knowledge pursuant to notice from Company provided in accordance with Section 19.01 hereof. City's failure to give notice to every Leasehold Mortgagee shall not however affect the validity of the notice provided to Company or allow Company additional time to cure a default. Notice to any Leasehold Mortgagee shall be given in the manner herein. Any Leasehold Mortgagee shall have the same period, after the giving of such notice to the Company, for remedying any default or causing the same to be remedied, as is given Company after the giving of such notice to Company, plus, in each instance, the additional periods of time specified in Section 19.01 to remedy, commence remedying or cause to be remedied the defaults specified in any such notice. City shall accept such payment or performance by or at the instigation of such Leasehold Mortgagee as if the same had been done by Company. Subject to the terms of this Lease, Company authorizes any and each Leasehold Mortgagee to take any such action at such Leasehold Mortgagee's option and does hereby authorize entry upon the Leased Premises by the Leasehold Mortgagee for such purpose.

Section 19.04 NO OTHER ENCUMBRANCES

Company shall not encumber by mortgage or other security instrument, by way of collateral assignment, or otherwise, Company's interest in this leasehold estate without the prior written consent of City, which consent shall not be unreasonably withheld, conditioned or delayed, except that Company may, without City's consent: (i) assign or mortgage this Lease to any Leasehold Mortgagee; (ii) create or suffer to exist (a) any inchoate lien for taxes or municipal obligations, or (b) other transfers or encumbrances expressly permitted herein..

The Parties hereto incorporate herein by this reference all applicable provisions lawfully required to be contained herein by any governmental body or agency.

Section 20.11 INVALID PROVISIONS

In the event that any covenant, condition, or provision herein contained is held to be invalid by a court of competent jurisdiction, the invalidity of any such covenant, condition, or provision shall in no way affect any other covenant, condition, or provision herein contained, provided that the invalidity of any such covenant, condition, or provision does not materially prejudice either the City or the Company in its respective rights and obligations contained in the valid covenants, conditions, and provisions of this Lease.

Section 20.12 NONLIABILITY OF INDIVIDUALS

No director, officer, agent, elected official, or employee of either Party shall be charged personally or held contractually liable by or to the other Party under any term or provision of this Lease or because of any breach hereof or because of its or their execution or attempted execution.

Section 20.13 NOTICE OR CONSENT

In any event, the City shall not be required or expected to provide its consent until the item for decision has been reviewed and approved by the Community Redevelopment Agency of the City of Pensacola. Consent of the Company when required herein shall not be unreasonably withheld, delayed, or conditioned.

Section 20.14 NONWAIVER

The acceptance of rentals, fees, and charges by the City for any period or periods after a default of any of the terms, covenants, and conditions contained herein to be performed, kept, and observed

by the Company shall not be deemed a waiver of the event of the default cured by payments made by the Company to the City, and any right on the part of the City to terminate this Lease after the default is cured and payment is received by the City is waived by the City's acceptance of the money that may be the basis of the event of the default.

Section 20.15 PUBLIC RECORDS LAWS

The Florida public records law, as contained in Chapter 119, Florida Statutes, is very broad. As a result, any written communication created or received by the City will be made available to the public and media, upon request, unless a statutory exemption from such disclosure exists. The Company is a private Company and is not ordinarily subject to Public Records Laws, but shall comply with the Florida Public Records Law in effect from time to time if and to the extent that the Florida Public Records Law is applicable to the Company.

Section 20.16 REMEDIES TO BE NONEXCLUSIVE

All remedies provided in this Lease shall be deemed cumulative and additional and not in lieu of or exclusive of each other or of any other remedy available to the City at law or in equity (to the extent not inconsistent with the express provisions hereof) and the exercise of any remedy or the existence herein of other remedies or indemnities shall not prevent the exercise of any other remedy.

Section 20.17 SUCCESSORS AND ASSIGNS

The provisions of this Lease shall be binding upon and inure to the benefit of the successors and assigns of the Parties hereto; provided, however, that this provision shall in no way whatsoever alter the restriction herein regarding assignment and sublease by the Company.

Section 20.18 NO PARTNERSHIP

Nothing in this agreement constitutes a partnership or joint venture between the Parties. It is the express intention of the Parties to deny any such relationship.

Section 20.19 THIRD PARTIES

Nothing in this Lease, express or implied, is intended to or shall confer upon any person, other than the Parties and their respective permitted successors and assigns, any right, benefit or remedy of any nature whatsoever under or by reason of this Lease.

Section 20.20 TIME IS OF THE ESSENCE

Time is of the essence of this Lease.

Section 20.21 RADON

In accordance with Florida law, the following disclosure is hereby made:

RADON GAS: Radon gas is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risk to persons who are exposed over time. Levels of radon that exceed Federal and State Guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county public health unit.

Section 20.22 OPTION EXPANSION

In the event that the City acquires title to that certain parcel of real property located at 2301 W. Cervantes Street, Pensacola, Florida, as more particularly described in Exhibit B (the “Additional Land”) attached hereto, then the City shall deliver written notice to the Company notifying it of such acquisition within 90 days following closing (“Acquisition Notice”). The Company may thereafter elect to expand the Land to additionally include such property (“Expansion Option”). Any such election to exercise the Expansion Option shall be by written notice to the Company within 30 days following delivery of the Acquisition Notice.

Section 20.23 RIGHT TO CANCEL

Notwithstanding anything in this Lease to the contrary, there shall exist the following rights to terminate this Lease, and, in the event of such termination, the parties shall be discharged from any and all liabilities and obligations arising under this Lease except for those which expressly survive termination.

(a) The Company may terminate this Lease for any reason or no reason in the Company’s discretion upon written notice delivered to the City within 60 days following the Effective Date.

(b) In the event the Company fails to be awarded funds in response to its application to the RFA by the Award Deadline, then (i) the Company may terminate this Lease upon written notice delivered to the City within 30 days of the date of the Award Deadline, and (ii) the City may terminate this Lease upon written notice delivered to the Company within 60 days of the Award Deadline.

Section 20.24 MEMORANDUM OF LEASE

Concurrently with the execution of this Lease, the Parties shall execute a short-form memorandum of this Lease in form and substance satisfactory to the City. The Company shall cause such memorandum of Lease to be recorded in the public records of Escambia County, Florida.

Section 20.25 COOPERATION

City and Company recognize that the redevelopment process and the varied sources of Project funding make it extremely difficult to anticipate every potential provision which may be required in this Lease. From time to time, Company may request modifications to the Lease to satisfy the requirements of financing sources including, without limitation, government agencies and private lenders and equity sources. Upon receipt of such written request and supporting documents and information as may be reasonably requested by the City, the City will use reasonable efforts to accommodate such requests and will not unreasonably withhold or condition its approval and execution of modifications to this Lease which (a) are reasonably required to secure financing for the Project, and (b) do not materially and adversely alter the basic terms hereof or materially increase the risk profile to the City. Nothing herein shall impose upon City any requirement to approve any modification or amendment to the Lease which would violate or contravene any applicable laws or any contract or agreement to which City is a party or which is binding on City.

Section 20.26 LIMITATION ON COMPANY INDEMNITEES

With respect to the indemnitees provided by the Company in this Lease, liability thereunder shall not extend to any costs, claims, liens, damages, losses, expenses, fees, fines, penalties, arbitration awards, regulatory actions, administrative actions, proceedings, actions, demands, causes of action, liability and suits of any kind and nature which are caused by the gross negligence or willful misconduct of the City or any other indemnitee

~~Article 18.~~ **ARTICLE 14.** EVENTS OF DEFAULT; REMEDIES; TERMINATION

~~Section 18.01~~ **Section 14.01** COMPANY EVENTS OF DEFAULT

The occurrence of any one or more of the following events (each such event being referred to in this Lease as an “Event of Default”) shall constitute a material default and breach of this Lease by the Company:

(a) The Company fails to make any monetary payment required to be made by the Company hereunder within ten (10) days after such payment is due.

(b) The Company fails to observe or perform any covenant, condition or provision of this Lease to be observed or performed by the Company, other than as described in subparagraph (a) above or subparagraphs (d) or (e) below, and such failure shall continue for a period of thirty (30) days after written notice thereof by the City to the Company; provided, however, that if the nature of such failure is such that more than thirty (30) days are reasonably required for its remedy or cure, then such 30-day period shall be extended for up to sixty (60) additional days provided that the Company begins such remedy or cure within such 30-day period and thereafter diligently and continuously prosecutes such remedy or cure to completion within such additional 60-day period. Notwithstanding the forgoing, an Event of Default shall be deemed to exist if Company (i) fails to meet any deadline specified in Section 4.05 (Development Milestones) and such failure continues following five days’ written notice from City, (ii) is in breach in the timely performance of its obligations under Section 7 (Insurance), or (iii) is in breach of Article 16 (Assignment and Sublease), in the case of (ii) and (iii) without any requirement that City provide notice of or opportunity to cure any such breaches.

(c) The Company files a voluntary petition in bankruptcy or any petition or answer seeking or acquiescing in any reorganization, rehabilitation, arrangement, composition, readjustment, liquidation, dissolution or other relief under any present or future federal, state or other statute, law or regulation relating to bankruptcy, insolvency or other relief for debtors; or an order for relief is entered in an involuntary bankruptcy case filed against the Company and such order is not reversed within ninety (90) days thereafter; or the Company seeks or consents to or acquiesces in the appointment of any trustee, custodian, receiver or liquidator of itself or of all or any part of its assets or any interest therein; or the Company shall make a general assignment for the benefit of its creditors.

(e) The Company abandons all or any material part of the Company’s business on the Leased Premises permitted under Article 5 above or ceases to conduct all or any material part of the Company’s business at the Leased Premises permitted under Article 5 above for forty-five (45) days during any period of ninety (90) consecutive days.

~~Section 18.02~~Section 14.02 **REMEDIES.**

Upon the occurrence of any Event of Default, the City may at any time thereafter, with or without notice or demand (except as expressly specified in Section 14.01 above or elsewhere in this Lease), and without limiting the City in the exercise of any right or remedy that the City may have by reason of such Event of Default:

(a) Terminate the Company's right to possession of the Leased Premises by any lawful means, in which case this Lease shall terminate and the Company shall surrender possession of the Leased Premises to the City within the provisions of the lease termination. In such event the City shall be entitled to recover from the Company all damages incurred by the City by reason of the Company's default, including but not limited to the cost of recovering possession of the Leased Premises; cost of repairs for any and all damages to the Leased Premises, ordinary wear and tear excepted; cost of any repairs or improvements required to bring the Leased Premises up to code and obtain an certificate of occupancy, if said Leased Premises is left in an untenable state by the Company; and the worth at the time of award by the court having jurisdiction thereof of (i) the amount of unpaid Rent and other unpaid amounts under this Lease which had been earned at the time of termination, (ii) the unpaid Rent and other amounts under this Lease which would have been earned after termination until the time of award. The worth at the time of award of the sums referred to in clauses (i) and (ii) above shall be computed by allowing interest from the due date at the greater of five percent (5%) per annum or the legal rate applicable to money judgments entered by the courts of the State of Florida.

(b) Without terminating this Lease, enter and repossess the Leased Premises, remove the Company's property and signs therefrom, and re-let the same for such rent and upon such terms as shall be satisfactory to the City without such re-entry and repossession working a forfeiture of the Rent and other amounts to be paid and prior to the lease termination, the covenants to be performed by the Company during the remaining Lease Term. For the purpose of such re-letting, the City shall be entitled to make any repairs, changes, alterations or additions in or to the Leased Premises that may be necessary or convenient, and the City shall be entitled to recover from the Company the cost of repairs for any and all damages to the Leased Premises, ordinary wear and tear excepted; and, cost of any repairs or improvements required to bring the Leased Premises up to code and obtain an Certificate of Occupancy, if said Leased Premises is left in an untenable state by the Company.

(c) Maintain the Company's right to possession, in which case this Lease shall continue in effect whether or not the Company shall have abandoned the Leased Premises. (d) Pursue any other remedy now or hereafter available to the City at law or in equity under the laws or judicial decisions of the State of Florida, including without limitation any right or remedy available to a creditor under the Uniform Commercial Code.

~~Section 18.03~~Section 14.03 **RIGHTS AND REMEDIES OF THE CITY CUMULATIVE**

All rights and remedies of the City herein created or otherwise existing or arising at law or in equity by reason of any Event of Default are cumulative, and the exercise of one or more rights or remedies shall not operate to exclude or waive the right to the exercise of any other. All such rights and remedies may be exercised and enforced concurrently. Further, failure by the City to take any authorized action upon the occurrence of an Event of Default shall not be construed to be or act as a waiver of said Event of Default or of any subsequent Event of Default. The City's acceptance of Base Rent, Additional Rent or other amounts or payments by the Company for any period or periods after the occurrence of an Event of Default shall not be deemed a waiver of such Event of Default or a waiver of or estoppel to enforce any right or remedy on the part of the City arising or existing by reason of such Event of Default.

END OF ARTICLE

~~Article 19.~~ARTICLE 15. HOLDING OVER

It is agreed and understood that any holding over by the Company, with the City's written consent, after the termination of this Lease, shall not serve to renew and extend same, but shall operate and be construed as a tenancy from month-to-month, subject to all terms and conditions of this Lease, including without limitation all Rent provisions.

Should the Company hold over without the City's written consent, the Company agrees to pay to the City, as monthly Rent during such period of holding over, for such Leased Premises for each month until the Company completely vacates the Leased Premises, two hundred percent (200%) of the sum of (i) Base Rent payable for the last month of the Lease Term, including without limitation applicable taxes and (ii) all Additional Rent and other fees and charges required by this Lease or by City ordinance to be paid by the Company.

The Company shall be liable to the City for all loss or damage resulting from such holding over against the City's will after the termination of this Lease, whether such loss or damage may be contemplated at this time or not. It is expressly agreed that acceptance of the foregoing rental by the City, in the event that the Company fails or refuses to surrender possession, shall not serve to grant the Company any right to remain in possession beyond the period for which such amount has been paid nor shall it constitute a waiver by the City of its right to immediate possession thereafter.

END OF ARTICLE

~~Article 20.~~**ARTICLE 16.** ASSIGNMENT AND SUBLEASE

~~Section 20.01~~**Section 16.01** LEASE ASSIGNMENT

The Company shall have the right to assign this Lease to its Affiliate identified as the tax credit applicant under the RFA, without any further approval from the City. Except as permitted in the foregoing sentence, the Company shall not assign this Lease or the Company's interest in or to the Leased Premises, or any part thereof, without first having obtained the City's prior written consent which consent shall be in the City's sole and absolute discretion (except for leasing of residential units and granting licenses or other rights of entry upon the Leased Premises for maintenance and upkeep of the Leased Premises or to provide standard services to the residential sublessee (for example providers of internet services and cable television), subject at all times, none of which shall require the prior written consent of City). Without limiting the foregoing, it is a precondition to City review and approval of a requested assignment of this Lease that there shall then exist no uncured Event of Default nor any event or state of facts which with notice or the lapse of time, or both, would constitute an Event of Default. Any transfer of more than fifty percent (50%) of the equity ownership of the Company, whether such transfer of equity ownership occurs pursuant to a single transaction or a series of related transactions, shall be deemed to be an assignment of this Lease for purposes of this Section 16.01.

In the event that the Company requests permission to assign this Lease in whole or in part, the request shall be submitted to the City not less than thirty (30) days prior to the proposed effective date of the assignment requested, and shall be accompanied by a copy of the proposed assignment agreement(s) and of all agreement(s) collateral thereto, together with the following information and any other reasonable and pertinent information requested by the City: the identity and contact information of the assignee, whether the requested assignment is a full or partial assignment of this Lease, details of the proposed assignee's experience in development and operation of multifamily housing projects, and reasonable financial history and financial information of the assignee.

~~Section 20.02~~**Section 16.02** LEASED PREMISES SUBLEASE

The Company shall not sublet the Leased Premises or any part thereof, regardless of the time period, without having first obtained the City's prior written consent, which consent shall be in the City's sole and absolute discretion. Without limiting the generality of the foregoing, it is a precondition to City review and approval of a proposed sublease of the Leased Premises that there shall then exist no uncured Event of Default nor any event or state of facts that with notice or the lapse of time, or both, would constitute an Event of Default.

In the event that the Company requests permission to sublet the Leased Premises in whole or in part to any person or entity other than a resident of a Unit, the request shall be submitted to the City not less than sixty (60) days prior to the proposed effective date of the sublease requested, and shall be accompanied by a copy of the proposed sublease agreement(s) and of all agreement(s) collateral thereto, together with the following information and any other information requested by the City: the identity and contact information of the sublessee, a description of the part of the Leased Premises to be subleased, a statement of the entire consideration to be received by the Company by reason of such sublease (including but not limited to sublease rent and other fees and

charges payable by the sublessee), the type of business to be conducted on subleased premises by the sublessee, and reasonable financial history and financial information of the sublessee.

For purposes of this Section 16.02 and Section 16.03 below, “sublease” and related terms shall include, without limitation, any sublease, license, or agreement, regardless of how denominated, that permits a third party to occupy or use all or any part of the Leased Premises other than those persons who use the Leased Premises in the ordinary course of Company’s business for the use permitted under Article 5 above.

~~Section 20.03~~Section 16.03 **CONSUMMATION OF ASSIGNMENT OR SUBLEASE**

The City’s consent for the assignment or sublease for which the City’s consent is required and for which such consent has been given shall be by written instrument, in form and substance reasonably satisfactory to the City, and shall be executed by the assignee or sublessee who shall agree, in writing, for the benefit of the City, to be bound by and to perform all the terms, covenants, and conditions of this Lease. Failure either to obtain the City’s prior written consent or to comply with the provisions of this Lease shall serve to prevent any such transfer, assignment, or sublease from becoming effective and shall constitute an Event of Default by the Company.

The Company agrees and acknowledges that it shall remain fully and primarily liable for all obligations of Company under this Lease, notwithstanding any full or partial assignment of this Lease or any sublease of all or any portion of the Leased Premises.

~~Article 21.~~**ARTICLE 17. DAMAGE OR DESTRUCTION OF LEASED PREMISES;
TAKING BY EMINENT DOMAIN**

~~Section 21.01~~**Section 17.01 LEASED PREMISES -- DAMAGE OR DESTRUCTION**

If at any time during the continuance of this Lease, the Leased Premises shall be so destroyed or so injured by fire or other casualty as to be unfit for full occupancy and use by the Company, and such destruction or injury could reasonably be repaired within three hundred sixty-five (365) days from the date of such destruction or injury, then the Company shall not be entitled to surrender possession of the Leased Premises; provided, however, that the Company's obligation to pay Rent shall be equitably reduced to the extent of the diminution in use to the Company resulting from such destruction or injury until full use and occupancy is restored to the Company. The Company shall repair the damage with all reasonable speed at least to the extent of the value and as nearly as possible to the character and quality of the building and improvements existing immediately prior to such occurrence. In no event shall the abatement or diminution of rent extend beyond a period of three hundred sixty-five (365) days from the date of destruction or injury.

If the Leased Premises shall be so destroyed or injured by fire or other casualty that such destruction or injury could not reasonably be repaired within three hundred sixty-five (365) days from the date of such destruction or injury, the Company shall have the option, upon written notice given to the City within thirty (30) days from the date of such destruction or injury, to terminate this Lease, and upon giving of such notice this Lease shall be terminated as of the date of such destruction or injury. In such event, the City shall be entitled to use any and all insurance proceeds for the purpose of removing the damaged structure from the property and brining the property into the same condition as existed at the commencement of the Lease. In the event the Company elects not to terminate this Lease in accordance with the foregoing options, the Company shall repair the damage and restore or rebuild the building and improvements as promptly as reasonably possible after the three hundred sixty-five (365) day period, in which case the period of rent abatement or diminution shall be extended until full use and occupancy is restored to the Company. In no event, shall the prior of abatement or diminution of rent extend beyond a period of twelve (12) months from the date of destruction or injury, unless otherwise mutually agreed by the parties.

Notwithstanding the foregoing provisions of this Article, in the event of damage or destruction, as aforesaid, such that fifty percent (50%) or more of the total floor area of the buildings included as part of the Leased Premises is rendered unfit for occupancy and use by the Company during the last three (3) years of the Lease Term, then either Party shall have the option, upon written notice given to the other Party within thirty (30) days from the date of such destruction or injury, to terminate this Lease, and upon the giving of such notice this Lease shall be terminated as of the date of such destruction or injury.

~~Section 21.02~~**Section 17.02 TAKING BY EMINENT DOMAIN**

In the event the Leased Premises or any portion thereof shall be taken for public or quasi-public use or condemned under eminent domain, then if and when there is an actual taking which shall render the Leased Premises unfit for the use and occupancy by the Company substantially as used and occupied prior to such taking, the Company may terminate this Lease. The Leased Premises shall be deemed to be unfit for use by the Company if the area of the portion thereof remaining after such taking is less than sufficient to accommodate the operations carried on by the Company

just prior to such taking. If the Company elects to terminate this Lease as provided above, it shall give written notice to the City within thirty (30) days after the later of (a) the entry of the final order of court authorizing the taking or appropriation or the date of settlement, as the case may be, or (b) the taking of physical possession by the condemner.

Article 22-ARTICLE 18. TAXES

Section 22.01Section 18.01 **PAYMENT OF TAXES**

The Company shall pay all taxes that may be levied upon, assessed, or charged the Company or its property located on the Leased Premises by the United States, the State of Florida or any of its political subdivisions, or Escambia County or the City, or any other taxing authority not otherwise exempted pursuant to applicable law, and shall obtain and pay for all licenses and permits required by law. It is understood that Company will seek a property tax exemption pursuant to the Live Local Act.

Section 22.02Section 18.02 **REAL PROPERTY TAXES**

The Company shall be responsible for all real property taxes applicable to the Leased Premises during the Lease Term. If any such taxes paid by the Company shall cover any period of time prior to or after the expiration of the Lease Term, the Company's share of such taxes shall be equitably prorated to cover only the period of time within the tax year during which this Lease shall be in effect, and the City shall reimburse the Company to the extent required. If the Company shall fail to pay any such taxes, the City shall have the right, but not the obligation, to pay the same, in which case the Company shall repay such amount to the City upon demand, together with interest at the highest rate allowed by law.

Section 22.03Section 18.03 **DEFINITION**

As used herein the term "real property tax" shall mean all ad valorem and non-ad valorem taxes and assessments (including interest and penalties thereon) which are imposed against any legal or equitable interest of the City or the Company in the Leased Premises or any portion thereof by the City, Escambia County or the State of Florida or by any school, agricultural, lighting, fire, mosquito control, water, drainage or other improvement, benefits or tax district thereof, and which are collected by the Escambia County, Florida, Tax Collector, together with any tax imposed in substitution, partially or totally, of any tax previously included within the definition of "real property tax" and any additional tax the nature of which was previously included within the definition of "real property tax".

Section 22.04Section 18.04 **CONTEST**

The Company may contest the legal validity or amount of any taxes, assessment, or charges for which the Company is responsible under this Lease, and may institute such proceedings as the Company considers necessary. If the Company protests any such tax, assessment or charge, the Company may withhold or defer payment or pay under protest but shall indemnify and hold the City and the Leased Premises harmless from and against any claim or lien against the City or the Leased Premises arising out of the Company's failure to pay the contested taxes, assessments or charges. City agrees to reasonably cooperate, at no cost to City, with any effort on the part of Company to appeal any tax assessment.

Section 22.05Section 18.05 **PERSONAL PROPERTY TAXES**

The Company shall pay prior to delinquency all taxes assessed against and levied upon trade fixtures, furnishings, equipment and all other personal property of the Company contained in the Leased Premises. When possible, the Company shall cause said trade fixtures, furnishings, equipment and all other personal property to be assessed and billed separately from the Land and

Leased Premises. If any of the Company's said personal property shall be assessed with the Land or Leased Premises, the Company shall pay the taxes attributable to the Company within ten (10) days prior to the delinquency date for payment of such taxes.

~~Article 23.~~**ARTICLE 19.** ENCUMBRANCE OF LEASEHOLD ESTATE; LEASEHOLD FINANCING; AND NOTICE TO MORTGAGEES AND INVESTOR

~~Section 23.01~~**Section 19.01** **RIGHT TO MORTGAGE**

The Company shall have the right to grant such mortgages of its interest in the Lease and the Leased Premises (each a “Leasehold Mortgage” and collectively, the “Leasehold Mortgages”) to those lenders identified in any credit underwriting report issued in connection with an allocation of Housing Credits for the Project (each a “Leasehold Mortgagee” and collectively, the “Leasehold Mortgagees”), and, in connection therewith, to pledge or assign its interest in this Lease to such Leasehold Mortgagees. Company shall deliver to City a written notification containing the name and the address(es) to which notices to the Leasehold Mortgagee are to be sent. Neither the Company nor any of the Company’s permitted successor(s) in interest to the Project or any part thereof shall, without the prior written consent of City, engage in any financing or other transaction creating any mortgage or other encumbrances or lien upon the Project, whether by express agreement or operation of law, or suffer any encumbrance or lien to be made on or attach to the Project, except for (i) the Leasehold Mortgages to a Leasehold Mortgagee, and (ii) for the refinancing, replacement or substitution of a loan secured by a Leasehold Mortgage for a new or modified loan (or a portion thereof) secured by a then existing Leasehold Mortgage, as the same may then be modified or amended or by a new or leasehold mortgage granted to a new or existing lender, and in such case, such new or modified leasehold mortgage shall be deemed a Leasehold Mortgage for purposes hereof and such new or existing lender shall be deemed a Leasehold Mortgagee.

(a) Leasehold Mortgagees shall have the right:

1. To do any act or thing required of Company hereunder and all such acts or things done and performed shall be as effective to prevent a forfeiture of Company’s rights hereunder as if done by the Company; and
2. To realize on the security afforded by the leasehold estate by exercising foreclosure proceedings or power of sale or other remedy afforded in law or in equity or by the security documents (hereinafter sometimes collectively referred to as “foreclosure sale”) or to acquire by deed-in-lieu, and to transfer, convey, or assign the title of Company to the leasehold estate created hereby to any purchaser at any such foreclosure sale or transfer from Lender if Lender acquires by a deed-in-lieu and to acquire and succeed to the interest of Company hereunder by virtue of any such foreclosure sale or deed-in-lieu.

(b) In the event of a default by the Company under this Lease, the rights of City may not be exercised until written notice of such default is delivered to Lender, or to the person or firm designated by any such Lender, by written notice to City, to accept such notices, and any applicable cure period has expired. Lender shall have the same notice and cure rights as are provided to Company under this Lease, except that Lender shall have the right to cure a monetary default as described in Section 14.01(a) within ten (10) days from delivery of said notice.

(c) Lender shall not be liable to the City as an assignee of this Lease unless and until such time as such Lender shall acquire the rights of Company hereunder through foreclosure or other appropriate proceedings in the nature thereof, or by deed-in-lieu, or as a result of any other action or remedy provided for by such mortgage, or which may otherwise be provided by law.

(d) No modification or voluntary surrender by the Company of this Lease shall be made without the consent of Lender if Lender has requested such authority to consent by written notice delivered to City.

(e) The City agrees to provide an estoppel certificate upon written request of Lender acknowledging that (to the extent true and noting any exceptions) this Lease is in full force and effect; that there are no defaults that exist under the Lease; that the Rent is current; and such other matters as Lender may reasonably require.

~~Section 23.02~~**Section 19.02** **CONSENT REQUIRED FOR TERMINATION AND AMENDMENTS**

No cancellation, termination, surrender or modification of this Lease for any reason (whether by reason of a default on the part of either City or Company, by agreement between City and Company or otherwise) shall be effective as to any Leasehold Mortgagee without its prior written consent, which may be withheld or granted in such Leasehold Mortgagee's sole and absolute discretion. Notice of any such consent by Leasehold Mortgagee shall be delivered to City pursuant to the provisions hereof.

~~Section 23.03~~**Section 19.03** **DEFAULT NOTICE**

City, upon providing Company with any notice of default under this Lease, shall at the same time provide a copy of such notice to every Leasehold Mortgagee of whom it has knowledge pursuant to notice from Company provided in accordance with Section 19.01 hereof. City's failure to give notice to every Leasehold Mortgagee shall not however affect the validity of the notice provided to Company or allow Company additional time to cure a default. Notice to any Leasehold Mortgagee shall be given in the manner herein. Any Leasehold Mortgagee shall have the same period, after the giving of such notice to the Company, for remedying any default or causing the same to be remedied, as is given Company after the giving of such notice to Company, plus, in each instance, the additional periods of time specified in Section 19.01 to remedy, commence remedying or cause to be remedied the defaults specified in any such notice. City shall accept such payment or performance by or at the instigation of such Leasehold Mortgagee as if the same had been done by Company. Subject to the terms of this Lease, Company authorizes any and each Leasehold Mortgagee to take any such action at such Leasehold Mortgagee's option and does hereby authorize entry upon the Leased Premises by the Leasehold Mortgagee for such purpose.

~~Section 23.04~~**Section 19.04** **NO OTHER ENCUMBRANCES**

Company shall not encumber by mortgage or other security instrument, by way of collateral assignment, or otherwise, Company's interest in this leasehold estate without the prior written consent of City, which consent shall not be unreasonably withheld, conditioned or delayed, except that Company may, without City's consent: (i) assign or mortgage this Lease to any Leasehold Mortgagee; (ii) create or suffer to exist (a) any inchoate lien for taxes or municipal obligations, or (b) other transfers or encumbrances expressly permitted herein..

The CRA authorized staff to proceed with issuance of a Request for Letters of Interest (RLOI) for reuse or redevelopment of the former Pensacola Motor Lodge for attainable rental multifamily housing on January 16, 2024. The RLOI was released on February 23, 2024, and closed on April 24, 2024. Two responses were received from Smith & Henzy Affordable Group, Inc. and Bluestone Developers, LLC. In accordance with Chapter 163, Part III, the CRA subsequently issued a Notice of Intent to Dispose of the property on April 4, 2024. The NID closed on May 24, 2024. An updated response from Bluestone Developers, LLC was received and an incomplete response from Wurm Environmental. The proposals are attached.

Following review of the proposals, an invitation to negotiate was issued to Smith & Henzy Affordable Group, Inc. The final details required by the NID were received by the deadline of June 23, 2024. At least 50% of the units will serve veterans as defined in the RFA described below, with the greater of 5 units or 5% of the total units serving homeless veterans. The lease is contingent upon the developer's successful application and award of funding under Request for Applications (RFA) # 2024-215: SAIL Funding for development near Military Installations pursuant to The Live Local Act; 420.50871, F.S.. On or before the date that is 17 years following the Commencement Date, the Company shall deliver to the City a lump sum payment in the amount of \$1,050,000 in the form of a wire transfer or otherwise immediately available funds, subject to a lease provision requiring that if development costs materially decrease by 15% or more, at construction completion, the realized value accrues to the City. The lease is for a term of 99 years with a 99-year affordability period which coincides with the term of the tax exemption that the developer will apply for under the Live Local Act.

INTRODUCTION

The City of Pensacola and its Community Redevelopment Agency (jointly and separately referred to as “City”) is soliciting Letters of Interest (LOI) from interested developers specializing and/or experienced in developing attainable, affordable and/or workforce multi-family rental housing for the rehabilitation and/or redevelopment of the former Pensacola Motor Lodge at 2305 West Cervantes Street.

The City is requesting letters of interest from qualified developers to:

- Gauge the type and extent of interest in the redevelopment of the property in line with the objectives described in this RLOI
- Provide opportunities for interested parties to identify other entities that may be interested in participating as co-developers, and to
- Inform the preparation and issuance of a formal solicitation for selection of a development partner.

Qualified developers must have the experience and financial and technical capability to design, construct, finance, operate, maintain, and manage the development and to remain operational and compliant for the life of the project.

The CRA is vested by the State of Florida pursuant to its powers under Florida Statutes, Chapter 163, Part III, the Community Redevelopment Act of 1969 as amended, with the authority to request proposals for the redevelopment of any

area within its District in order to effectuate redevelopment pursuant to the goals and objectives of the [Westside Community Redevelopment Plan](#) (the “Redevelopment Plan”).

The City will acknowledge the receipt of all LOIs. The City will notify all interested respondents of any pertinent actions taken

Depending on the number and contents of the LOIs received; the City will determine the appropriate process to proceed. Although, it is the intention of the City to issue a formal solicitation following receipt of the LOIs, the City may also take an alternative action determined by the City to be in its best interest or take no action. SUBJECT PROPERTY DESCRIPTION

The subject parcel at 2305 W CERVANTES ST (Parcel 000S009060010173) consists of a 1.56+/- acre parcel of land. The subject site contains approximately 67,800 square feet with 180 feet of frontage along the south side of West Cervantes Street, 240 feet of frontage along the north side of West Gadsden Street and 215 feet of frontage along the west side of North Q Street. The property is approximately two blocks west of the Pace Boulevard/Cervantes Street intersection.

The improvements to the site consist of eleven buildings containing approximately 11,774 square feet of building area with 30 motel rooms and an office/manager apartment. The improvements were originally constructed in 1932 using stucco over concrete block on concrete slabs and have been renovated over the years.

The site was historically operated as a motor lodge when West Cervantes Street functioned as a route to the west. The lodge dates back to 1932 and is the only example of Tudor Revival style architecture in the Brownsville area based on architectural survey.

The architectural survey may be accessed via the following link:
<https://myescambia.com/our-services/neighborhood-human-services/community-redevelopment-agencies/community-redevelopment-areas/brownsville-redevelopment-district> See *"Brownsville Architectural Survey and Historic Evaluation (2003)*.

Historic images of the site are attached in Appendix G.

***A Site Map, Site Survey and Property Condition Assessment are included as Appendices A, B and C, respectively. The site has also been assessed by an environmental management firm. Assessments are attached as Appendix D.

ZONING AND SITE DEVELOPMENT STANDARDS

The parcel is zoned C-3, Commercial Zoning District (Wholesale and Limited Industry) allowing for numerous uses including multi-family residential. The parcel is located in the Urban Design Overlay District (UDOD) ([LDC Sec. 12-3-31](#))

designed to preserve and maintain the urban pattern and architectural character of Pensacola's redevelopment areas.

Associated land development regulations for this zoning district and additional information is attached as Appendix E.

Density: The density for this parcel is 35 du/acre. However, several mechanisms exist to allow for greater density up to 35% as follows:

- Voluntary green building incentive ([Sec. 14-2-296](#)) – 25%
- Residential density bonuses ([LDC Sec. 12-3-109](#)) – Up to 35%. *To maximize the use of the Property the City may consider sponsoring density bonuses for affordable housing from its donor sites as described in LDC Sec. 12-3-109.*

Height: The height limit for this parcel is between one hundred (100) to one hundred fifty (150) feet, depending on the form of the building (See [LDC Sec. 12-3-8](#), Table 12-3.7, Note 1), and a maximum of 10 stories per the UDOD standards.

***It is important to note that two potential opportunities exist for added flexibility in height as follows:

- **Height Bonus:** In January 2024 the Pensacola City Council added a **height bonus** provision to the Land Development Code to allow height to reach up to 150 feet at the property or setback line for this site, subject to Planning Board review and approval. Full details on the height bonus regulation is attached as Appendix E.
- **UDOD Standard Modification Process** – See Section 12-3-31(6) LDC.

Expedited permitting for affordable housing is available. Details are available on the City website via the following link:

<https://www.cityofpensacola.com/DocumentCenter/View/23263/Affordable-Housing-Expedited-Permitting-Policy-Website-Form>

Projects including demolition will require review by the City's Architectural Review Board (ARB) pursuant to [Sec. 12-11-5\(5\)](#). A historic structure demolition application was submitted by the CRA to determine whether projects proposing demolition would require review by the full ARB. One of the reviewers did determine the buildings to be historically significant and referred the application to the full board. For projects proposing demolition, it is important to note, that should the board determine the buildings to be historically significant, demolition cannot be prohibited but only delayed sixty (60) days pursuant to Sec. 12-11-5(5)e.5.i.(a)-(b) of the city code.

DEVELOPMENT TEAM REQUIREMENTS

Respondents may include one entity or a team of several entities, including any of the following: for-profit or non-profit housing developers, joint ventures, resident services providers, or other services agency. Development teams must include the developer, architect, engineer, and property management company.

The City anticipates the following requirements of the development team:

- **Lead entity** must have demonstrated experience and capacity in the development and management of affordable housing and have successfully completed no less than three (3) affordable housing projects, of similar size and complexity as the proposed project, within the past ten (10) years.
- **The property management company** must demonstrate experience in the management of at least two affordable housing projects, at least one of which consists of a total number of units no less than 50 percent of the total number of units in the proposed development, for at least 2 years each.
- **Team** must have demonstrated experience in:
 - Site preparation and infrastructure development on similarly situated sites;
 - Successfully applying and closing on low-income housing tax credit, SAIL, SHIP, HOME, CDBG or other local, state and federal housing finance programs administered by the Florida Housing Finance Corporation or local government or similar agency; and
 - Real estate development and financing strategies that maximize utilization of scarce affordable housing funding resources.

COMMUNITY REDEVELOPMENT PLAN

In accordance with Chapter 163, Part III, Florida Statutes, (the “Community Redevelopment Act”), the property must be utilized to further the goals and objectives of the [Westside Community Redevelopment Plan](#). The goals include, but not limited to, attainable housing redevelopment, with or without non-residential uses, preservation and conservation of the district and remediation of blight.

A copy of the Westside Community Redevelopment Area Map is accessible via the City website:

<https://www.cityofpensacola.com/DocumentCenter/View/172/Westside-Community-Redevelopment-Area-CRA-Plan-PDF?bidId=>

The [Redevelopment Plan](#) details the following objectives potentially related to projects proposed to take place on the property and includes action strategies for implementing the objectives:

- Westside Neighborhoods Town Center: Redefine the functional and visual character of Cervantes Street to provide for a focal space in the neighborhood's center for public gathering and reduce the negative image and undesired activities from the neighborhood.
- Neighborhood Activity Corridor: Cervantes Street: Transform the functional and visual character of the street as a primary neighborhood corridor and establish the neighborhood center to stimulate quality development in the Westside Redevelopment Area. Capitalization on the location and economic development opportunities to integrate the redevelopment area at a scale that is pedestrian friendly and compatible with the residential neighborhoods is desired.
- Residential Preservation and Enhancement: Preserve and enhance the residential character of the neighborhood to maintain the affordable housing stock within the neighborhood through investment in public infrastructure and by establishing or promoting programs that support investment in residential renovations and redevelopment of existing housing stock.
- Multi-Family Residential: Development to promote utilization of new urbanism design and site planning principles to upgrade the architectural character and to ensure integration of community planning principles in future residential development and in-fill housing efforts.
- Residential Neighborhood Commercial: Ensure the integration of future development patterns with the proposed campus-oriented layout to deviate from the existing commercial development. Accommodate transitions in land use through appropriate zoning regulations, investment in pedestrian improvement and incentives for private sector investment in the adaptive reuse of existing residential structures.

PROJECT DESCRIPTION

The City seeks impactful proposals that produce attainable housing with an emphasis on low income and special needs housing as defined at [Section 420.0004, Florida Statutes](#). Projects containing housing for persons/households with special needs must include supportive services. Minimum criteria for supportive service provider must be consistent with requirements and definitions as part of the Florida Housing Finance Corporation's competitive Request for Applications (RFA) solicitation process. Mixed income models with varied income levels up to 100% AMI are most desirable. The City may consider rehabilitation and new construction projects or a mixture of the two.

Site design must be cohesive, have good connectivity, ease of access, and incorporate, as applicable, CRA plan objectives and action items.

Other project preferences include:

- A mixture of special needs and non-special needs housing.
- The following income-mix model:
 - At least 50% of the rental dwelling units are affordable to individuals with a median household income of 60% AMI or less. 30% of the 50% total to be available at 30% AMI or less.
 - Up to 30% of the rental dwelling units are affordable to individuals with a median household income of 60%-80% AMI or less.
 - Up to 20% of the rental dwelling units are affordable to individuals with a median household income of 80%-100% AMI or less
- On-site resident programs such as after school program for children, adult literacy, employment assistance program, family support coordinator, financial management program, or homeownership opportunity program.
- Ground floor retail, restaurant, entertainment, art gallery, grocery store, business incubator and/or maker space components that may include subsidized space for a small, locally owned business(s) made available first to Minority and Women-owned Business Enterprises (MWBE).
- Projects that preserve, reflect and/or pay tribute to the historic Tudor vernacular of the site.
- Inclusion of Minority and Women- owned Business Enterprises (MWBE) vendors.
- Unit Features:
 - Variations in Floor Plans – must provide studio, 1 bedroom (New construction only) 2 bedrooms and 3 bedrooms
 - Impact Glass Windows included for each model
 - Appliance Package included for each model
 - Tile or Vinyl Plank Flooring (or comparable material) in at least the Kitchen and Bathrooms included for each model
 - Recessed Lighting in all common areas included for each model
- Streetscape and Public Art: A site plan design including landscaping and hardscape and public art.
- Landscaping: Skilled landscape architect on development team to incorporate Complete Street designs into the site plan. A high-quality project that incorporates sidewalks, street trees, and an urban environment that is conducive to walking and bicycling for all generations.

- Application of green building standards as specified in the City of Pensacola Code of Ordinances Section 14-2-295 “Green Building Standards”.

SITE CONTROL

In June 2023, the City and its CRA authorized the purchase of the site. The City has conducted its due diligence and close the purchase on February 16, 2023 using proceeds of tax-exempt bonds issued by the City. Upon acquisition, it is the City's intent to retain ownership of the parcel and engage in a long-term lease with the selected developer. The City intends to incentivize development of the site by not charging recurring ground lease fees until at least April 1, 2037 which is the date upon which the City bonds will mature. The terms of any lease payments after that date shall be negotiated between the parties and shall be subject to federal regulations governing the tax-exempt bonds used by the City to purchase the site. Lessee will be responsible for payment of all applicable property taxes. The minimum lease term and minimum term of affordability are anticipated to be 30 years. The City anticipates that development terms and restrictions, including maintenance of affordability requirements, will be established and enforced pursuant to a redevelopment agreement, long-term ground lease and a restrictive covenant agreement.

*Note: The property was appraised on April 21, 2023 and is valued between \$835,000-855,000. A copy of this appraisal is attached in Appendix F.

COMMUNITY ENGAGEMENT & MARKETING

The City anticipates the following requirements for community engagement and marketing of the project:

- An engagement and marketing plan providing:
 - Greatest level of access provided as a preference to current residents of the City of Pensacola.
 - Outreach campaigns aimed to reach the existing residents (BIPOC focused) through local groups, community organizations, social media channels, schools, churches, and social clubs to ensure a wide distribution of the announcement of housing availability in the neighborhood.
- Public participation strategy to include public meetings, beyond required Boards and Council, at critical junctures in coordination with City staff, demonstrating expertise in synthesizing public input and incorporating key components into site design and property amenities.

- A website, along with regular public information releases, to ensure full public access to project information throughout the development review, approval, construction, and leasing phases.

ADDITIONAL INCENTIVES

The City intends to incentivize development of the project through provision of its no-payment ground lease. Awards for additional incentives will be subject to negotiation and may only be made at the discretion of the Mayor and the Community Redevelopment Agency and/or City Council.

The City may consider offering one or more of the following additional incentives at its discretion:

- Affordable housing property tax exemption subject to the criteria, procedures and other applicable provisions of Section 196.1979, Florida Statutes.
- In conjunction with the selected developer, the City of Pensacola may support applications to procure federal, state and or local government subsidy for economic development activities and rental units for this project.
- The Affordable Housing Rebate is available, subject to CRA approval, for development projects that are located within the City of Pensacola TIF District. The TIF Rebate must serve to meet a gap in funding and projects must include at least 10% of affordable housing. For the terms of this incentive see the Affordable Housing Area Reinvestment Policy available on the City website: <https://www.cityofpensacola.com/2894/CRA-Programs>
- Other financing options subject to funding availability, gap analysis, and return on investment considerations.

COMPLIANCE & MONITORING REQUIREMENTS

All projects must follow the rules and regulations of 24 CFR Part 5 (Income Limits, Annual Income, Rent, and Examinations for the Public Housing and Section 8 Programs) and the State Housing Initiatives Partnership Program as authorized by Florida Statutes, Chapter 420.907 and the City's Agreement and the Florida Administrative Code 67-37, and in particular related to:

- a. Income limits
- b. Definition of Affordability
- c. Maximum rent
- d. Non-discrimination

The manager of the property must remain in contact with the City's Office during the affordability period and must remain in compliance with state and federal requirements. The manager must stay updated on income qualification training by completing re-training at least once every three years.

Once annually on the date specified by the City, the City or its representative, will conduct a monitoring visit to review income compliance and affordability of rent/housing costs, as well as complete an inspection of the physical condition of the assisted units and the overall property.

30 Days prior to this monitoring visit, the DEVELOPER will provide the following:

- A completed annual re-certification of income eligibility for each assisted rental unit using the attached residential income certification form and including required verification of household income and assets.
- Proof of Affordability of Units
- Certificate of Hazard Insurance naming the City Office as co-insured

SUBMITTAL COMPONENTS

The principal intention of this RLOI is to gauge the type and extent of interest in the redevelopment of the property as outlined herein. The process is deliberately intended to be flexible and inviting to all interested developers. It is important to the City that letters submitted provide as much detail as possible to allow the city gauge the anticipated features and timeline of the project, the feasibility and the qualifications of the respondent. At minimum, letters submitted must enable the City to discern these elements. The following submittal components are requested:

- **Identification** – Identify the lead entity and any anticipated development team members. Specify the business type for lead entity and any anticipated development team members (ex. for-profit or non-profit housing developers, joint ventures, resident services providers, or other services agency.)
- **Contact information** – Provide the contact name, address, telephone number and email address for the responding entity.
- **Degree of Interest** – A narrative description of the responding entities' degree of interest in the project. Please provide any feedback as to any particular components described within this RLOI that would increase or decrease your level of interest in the project.
- **Project Description(s)** – A narrative description of the project that the responding entity would anticipate proposing in response to a formal solicitation for this site. - **Affordability Term:** Describe the maximum term of affordability that the responding entity anticipates providing for the development or the development options. Provide feedback on any further considerations pertaining to affordability term.
- **Development Plan & Design Features:** Please describe how the project would meet any development plan and design preferences described in the “Project Description” section of this RLOI. Include a conceptual plan and/or narrative illustrating the proposed building placement, orientation and massing, including square footages by use type, building height and stories, and any landscaping, streetscape and/or public art features. Specify anticipated number of units by bedroom count and architectural style. Indicate any demolition proposed.
- **Land Development Regulatory Compliance** - Indicate whether the responding entity anticipates that the land development requirements for height, density, parking and any other applicable land development regulations will be met. If not, outline the responding entity’s intended approach to achieving approval.
- **Timeline:** General timeframe for pre-development, construction and occupancy.

▪ **Financial Information –**

- **Preliminary development budget:** The preliminary development budget includes the following: proposed rental unit mix that includes the number of units set aside for the specific AMI range, associated maximum rents according to bedroom size, and anticipated fixed expenses to determine the estimated annual rent revenue; the development budget that includes cost estimates of land and buildings, rehabilitation, hard construction, construction contingency, soft costs, reserves, developer fees, and other associated costs.

Respondents are asked to utilize the [“Operating Budget Template”](#) as the basis for their response.

- **Preliminary Financing Plan:** Include a preliminary financing plan with the anticipated funding sources to be utilized and any financing details, including timelines and subsidy requirements for the development or each development option.

Respondents are asked to utilize the [“Financing Plan Template”](#) as the basis for their response.

- **Subsidy:** Describe any additional subsidy, including type and amount, that the responding entity may anticipate requesting from the City to support the development or the development options.
- **Relevant Experience –**
 - Provide a narrative summary describing how the responding entity anticipates meeting the “Development Team Requirements” described in this RLOI. Please explain any requirements that the responding entity does not anticipate being able to meet.
 - Provide no less than three (3) examples of completed projects of similar size and scope performed by the lead entity, including the name of the project, picture documentation, total cost, date completed, timeframe from award through occupancy and project reference, including reference name, organizational affiliation and contact information. Also list any anticipated development teams members’ involvement in the project.
- **Additional Feedback –** Provide any additional feedback that you believe the City should consider regarding the solicitation of this project.

PROPOSED
ORDINANCE NO. 22-23

ORDINANCE NO. 1-24

AN ORDINANCE
TO BE ENTITLED:

AN ORDINANCE AMENDING SECTION 12-3-121 OF THE CODE OF THE CITY OF PENSACOLA, FLORIDA, DEVELOPMENT STANDARDS AND GUIDELINES, CREATING SECTION 12-3-121(D)(9), BUILDING HEIGHT BONUSES; PROVIDING FOR SEVERABILITY; REPEALING CLAUSE; PROVIDING AN EFFECTIVE DATE.

BE IT ORDAINED BY THE CITY OF PENSACOLA, FLORIDA:

SECTION 1. Section 12-3-121 of the Code of the City of Pensacola, Florida, is hereby amended to read as follows:

- (a) *Purpose.* The requirements set forth in this section are intended to coordinate land development in accordance with orderly physical patterns; to implement goals, objectives and policies of the comprehensive plan; to provide for adequate access to building sites for ingress and egress; to improve the physical appearance of the city; and to preserve the environmental character of the city.
- (b) *Applicability.* This section shall be applicable to all new construction, additions to existing structures or additional structures on a developed site. For the purposes of this section, the term "shall" indicates a regulatory requirement or standard, and the term "should" indicates a suggested guideline that is not considered a regulatory requirement.
- (c) *Design standards.* Except where specific approval is granted by the city engineer and planning services department due to unique and peculiar circumstances or needs resulting from the size, configuration or location of a site requiring a modification of the standards as set forth below, the minimum standards shall be as follows:
 - (1) *Streets and rights-of-way.* Whenever public or private streets, rights-of-way, pedestrian ways, bikeways or driveway approaches are to be constructed as part of any development after the effective date of this chapter, they shall be designed in accordance with the requirements of this subsection. Whenever existing public or private streets, rights-of-way, pedestrian ways, bikeways or driveway approaches abutting a development do not meet the requirements of this subsection, the city engineer may require that they be improved to conform to these requirements.
 - a. *Driveway approaches and curb cuts.*

1. *Width (residential except multifamily).* In properties developed for residential use (except multifamily), curb cuts and driveway approach shall conform to the following requirements:

	Minimum Driveway	Maximum Driveway
Driveway	12 feet	24 feet
Joint-use driveway	20 feet	24 feet

2. *Width (residential multifamily).* Properties developed for residential multifamily use shall have curb cuts for driveways not less than 24 feet wide and not more than 40 feet wide.
3. *Width (nonresidential).* Properties developed for commercial use shall have curb cuts for driveways not less than 12 feet nor more than 40 feet wide.
4. *Distance from drainage inlet.* No curb cut shall be made within three feet of a drainage inlet.
5. *Spacing.* Where more than one curb cut is to be located on any single property, the minimum distance between such curb cuts on local streets shall be 42 feet, and on all arterial and collector streets shall be in accordance with the requirements set forth in subsection (c)(2) of this section.
6. *Number and location on midblock properties.* Except where specific approval is granted as provided above, there shall be no more than two curb cuts for the use of any single property fronting any single local street, and no more than one curb cut for the use of any single property fronting on any single arterial or collector.
7. *Number and location on corner properties.* Where property is located on a corner lot fronting more than one street, not more than one curb cut for the benefit of such property shall be made on each street except where specific approval is granted as provided above. Corner safety islands shall be provided at all corners and no curb cuts or driveway shall be constructed or maintained on the radius of any curved curbing nor closer to the point of curvature than 15 feet on a local street and not within 30 feet on the point of curvature of an intersecting arterial or collector street.
8. *Sidewalk section.* All driveway approaches constructed in areas of the city with existing or required sidewalks shall contain a sidewalk section of the width and grade and minimum construction standards established by the city engineer for sidewalks in such areas.
9. *Pavers.* Any new pavers to be set in the City right-of-way shall be underlain with six (6) inches of concrete.
10. *Removal.* All existing driveways or aprons not being reused shall be removed from the site.
11. *Joint use driveways.* No curb cut for a driveway approach shall be made within one foot of the extended side property line of the property to be serviced by the driveway unless a joint-use driveway for the two adjoining properties shall be located on the common property line by written

agreement running with the land, recorded in the public records of the county and signed by all the owners of the adjoining property using the common driveway. The execution of the said agreement must be notarized. The city engineer shall be authorized to require the establishment of joint-use driveways in connection with the reduction of the driveway spacing requirements of subsection (c)(1)a.5 of this section and of subsection (c)(2) of this section.

12. *Authority to alter curb cuts.* Where the use, convenience and necessity of the public require, the city engineer shall have the authority to order the owners or agents in charge of property adjacent to which curb cuts are maintained, to alter the curb cut in such manner as he or she shall find reasonably necessary under the circumstances. The notice required by this section shall require compliance by permittee within 30 days of such notice; be in writing; and be served upon permittee as required by law.
 13. *Right-of-way construction.* Nothing shall be constructed in the city's right-of-way without first obtaining either a right-of-way permit or a License-to-Use permit (LTU). Any work done in the city's right-of-way must meet the specifications of the city engineer and the city's standard details. It is the responsibility of the individual to ensure that they have the most recent city standard detail.
 14. *Duty to repair and replace.* Any existing curb or sidewalk, along the frontage of a parcel, which was damaged before or during construction shall be the responsibility of the property owner to repair or replace during construction.
- b. *Vehicular access for multifamily, office, commercial or industrial developments.* Direct or indirect vehicular access to local residential streets shall not be permitted, other than from corner lots, for the uses described above when adequate access is available from either collector or arterial streets.
 - c. *Dedication of streets and rights-of-way.* No site plan shall be approved unless it is accompanied by a dedication of all streets and rights-of-way that are required to be dedicated under this section. The exception to this is private streets, which shall be provided for by the developer in accordance with the requirements of section 12-3-61. Any land lying within a proposed development that is necessary to widen or extend local streets, arterials or collectors as required to meet city standards shall be dedicated.
 - d. *Street improvements.* All streets and public ways shall be paved and curbed in accordance with standards established by the city engineer and the following requirements:
 1. *Additional improvements for existing thoroughfares.* Where any existing arterial or collector lying within or abutting a proposed development requires construction of additional lanes or other improvements to meet the standards of the city engineer, the amount of construction required (or money escrowed) for such improvements shall be commensurate with the impact of the proposed development.

2. *Missing arterial or collector links.* Where there are missing segments in the arterial or collector system or new arterials or collectors are to be constructed that are designated in the comprehensive plan, such segments lying within or abutting the proposed development shall be improved (or money escrowed in an appropriate manner) by the developer along with other required improvements. Where such construction creates an undue hardship in a particular case, appeals are available in accordance with chapter 12-12.
 3. *Traffic control devices.* Intersection improvements and traffic control devices such as acceleration, deceleration, and turning lanes, signalization devices, and other traffic control devices required by the development shall be installed at the developer's expense in accordance with the State of Florida Manual for Uniform Traffic Control Devices.
 4. *Improvements required to nearest acceptable paved public street.* Each development shall abut, or have as its primary access, a street improved to the minimum requirements of the city engineer. Wherever the abutting street does not meet these requirements, the developer shall construct the street where it abuts the development and to the nearest structurally acceptable paved public street as determined by the city engineer.
 5. *Street cut and patch.* The cut and patch of city streets shall comply with the city standard cut and patch detail. Should there be multiple adjacent patches, the entire road (width and length) shall be milled and overlaid in accordance with the city standard cut and patch detail. The contractor shall provide density testing results from a certified geotechnical laboratory for each cut and patch inspection prior to final approval.
- e. *Sidewalks.* For any new nonresidential, commercial, and industrial developments, all street frontages are required to have five feet (minimum) wide sidewalks with handicap ramps in the right-of-way adjacent to the proposed project. Proposed sidewalks shall be designed and constructed in accordance with the Florida Accessibility Code, City Standards, and any other state laws applicable to sidewalk design and construction. In addition, the physical location of the proposed sidewalks shall be depicted on the site plans submitted to the city.
- (2) *Driveway and curb cut design along arterial and collector streets.* Recognizing that the traffic movement function of arterial and collector streets can be compromised by the provision of unlimited access to individual properties. Whenever any building site will require vehicular access from an arterial or collector street as designated on the city's adopted Future Traffic Circulation Map, the development shall be designed in accordance with the requirements of this subsection.
- a. *Driveways and curb cuts.* In addition to any applicable driveway approach and curb cut requirements of subsection (c)(1) of this section, the following standards shall apply:

1. *Curb cut spacing.* The minimum distance between curb cuts on any one block face, whether or not such curb cuts are located on the same property, shall be based upon the posted speed of the thoroughfare, in accordance with the following schedule:

Posted Speed	Minimum Spacing
30 mph	125 ft.
30 mph	125 ft.
30 mph	125 ft.
45 mph	200 ft.
50+ mph	200 ft.

2. *Spacing reductions and joint-use driveways.* Where the existing configuration of properties and curb cuts in the vicinity of the building site precludes spacing of a curb cut access in accordance with the schedule above, the city engineer shall be authorized to reduce the spacing requirement if he or she finds that all of the following conditions have been met: wherever feasible, the city engineer shall require the establishment of a joint-use driveway serving two abutting building sites, with cross-access easements provided; the property owner shall agree to close and eliminate any pre-existing curb cuts on the building site after the construction of both sides of the joint-use driveway; and where feasible, the building site shall incorporate unified access and circulation in accordance with the requirements of subsection (c)(2)a.3 of this section.
 3. *Unified access and circulation.* The planning services director, in coordination with the city engineer, shall be authorized to designate cross-access corridors on properties adjacent to arterial or collector streets. Such designation may be made in connection with the approval of any site plan within the affected area, or as part of an overall planning program. The planning services director, in coordination with the city engineer, shall be authorized to modify the requirements of this subsection where he or she finds that abutting properties have been so developed that it is clearly impractical to create a unified access and circulation system within part or all of the affected area.
- (3) *Public facilities.* All developments shall be provided with sufficient utility easements including potable water, sanitary sewer, electric power and light, telephone, natural gas, cable television, and any other franchised utilities, including access for maintenance. Sufficient easements shall be provided for stormwater management facilities, including access for maintenance. All public and private street networks and parking lots shall be designed to allow easy access for solid waste disposal and emergency service vehicles. In addition to new development, any remodeling, enlargement, reconstruction or redesign of

any existing building site for specific uses and within the gateway redevelopment district and the resource protection overlay districts shall require submittal of a drainage plan to ensure that stormwater management requirements are met pursuant to chapter 12-8.

- (4) *Private recreation and open space facilities for multifamily residential developments.* Multifamily residential developments, with the exception of those located within the boundaries of the city's dense business area, are required to reserve five percent of the total lot area for recreation and open space facilities. This land area requirement shall be provided in addition to the 20 percent landscaping area requirement established in section 12-6-4. In the event a buffer yard is required between the multifamily development and an adjacent single-family land use or zoning district, the buffer yard land area requirements may be credited toward the recreation/open space land area requirement.
- (5) *Solid waste disposal facilities for multifamily residential, nonresidential, office, commercial or industrial developments.*
 - a. Dumpsters, centralized garbage storage areas, compactors and similar solid waste disposal facilities associated with the land uses described above shall not be allowed any closer than ten feet to either the property line or zoning district boundary line of a single-family or duplex residential development or zoning district.
 - b. Solid waste disposal facilities shall not be located within public street rights-of-way of arterial or collector streets in any zoning district, and they shall not be located within local street rights-of-way in mixed residential/office, residential/commercial or redevelopment zoning districts without the mayor's approval.
 - c. Solid waste facilities must be screened from adjoining property and from public view.
- (6) *Mechanical equipment.* Mechanical equipment for multifamily residential, nonresidential, office, commercial or industrial developments shall not be allowed any closer than ten feet to either the property line or zoning district boundary line of a single-family or duplex residential development or zoning district; and shall be screened from adjoining property and from public view. Roof-mounted electrical, mechanical, air conditioning and communications equipment shall be completely screened from adjacent properties and public view from the public right-of-way. The equipment screening shall be such that the equipment is not visible within a 200-foot radius. The radius shall be measured from the exterior side of the screen to a point ten feet above finished grade.
- (7) *Parking.*
 - a. The city discourages construction of more than the minimum number of parking spaces required by this title, in order that more natural vegetation may be preserved and in order to control stormwater runoff in a more natural manner. Parking in excess of more than ten spaces or ten percent (whichever

is greater) above the parking total dictated by chapter 12-4 will require an administrative waiver as described in this subsection (c).

- b. The use of permeable paving materials is encouraged for use in parking lots, especially for "overflow" parking or parking spaces in excess of the requirements of this title.

Site design should minimize the impact of automobile parking and driveways on the pedestrian environment, adjacent properties and pedestrian safety.

- c. The following are some examples of techniques used to minimize the impacts of driveways and parking lots:

1. Locate surface parking at the rear or side of the zoning lot.
2. Break large parking lots into multiple smaller ones.
3. Minimize the number and width of driveways and curb cuts.
4. Share driveways with abutting zoning lots.
5. Locate parking in less visible areas of the site.
6. Locate driveways so they are visually less dominant.
7. Provide special pavers or other surface treatments to enhance and separate pedestrian areas from vehicle maneuvering and parking areas.
8. Parking located along a commercial street front where pedestrian traffic is desirable lessens the attractiveness of the area to pedestrians and compromises the safety of pedestrians along the street. On-site surface parking on a commercial street front should be minimized and where possible should be located behind a building.

- (8) *Building facade finish.* Metal curtain walls shall be limited to a maximum of 30 percent per elevation of a building in the R-2 and R-NC districts, 40 percent per elevation in the remaining commercial districts (with the exception of historic and special aesthetic districts which have their own guidelines for review), and 75 percent per elevation of a building in industrial districts. The remaining percentage of each facade elevation shall have a finish treatment. Planning board may grant requests to exceed this maximum standard on a case-by-case basis with consideration being given to developments that incorporate design guidelines suggested in this section and exhibit superior site design.

- (9) *Nonresidential site lighting.* Nonresidential and multiple-family developments shall be designed to provide safe and efficient lighting for pedestrians and vehicles. Lighting shall be designed in a consistent and coordinated manner for the entire site (including outparcels). Lighting shall be designed so as to enhance the visual impact of the project and/or should be designed to blend into the surrounding landscape. Lighting design and installation shall ensure that lighting accomplishes on-site lighting needs without intrusion on adjacent properties and shall meet the following design requirements:

- a. *Fixture (luminaire).* When feasible, the light source shall be completely concealed within an opaque housing and shall not be visible from any street right-of-way or adjacent properties.

- b. *Light source (lamp).* Only florescent, LED, metal halide, or color corrected high-pressure sodium may be used. The same light source type must be used for the same or similar types of lighting on any one site throughout any development.
 - c. *Mounting.* Fixtures shall be mounted in such a manner that the maximum candela from each fixture is contained on-site and does not cross any property line of the site.
 - d. *Limit lighting to periods of activity.* The use of controls such as, but not limited to, photocells, occupancy sensors or timers to activate lighting during times when it will be needed may be required by the planning services department to conserve energy, provide safety, and promote compatibility between different land uses.
 - e. *Illumination levels.*
 - 1. All site lighting levels shall be designed per the most recent IESNA (Illumination Engineering Society of North America) recommended standards and guidelines.
 - 2. Minimum and maximum levels are measured on the pavement within the lighted area. Average level is the overall, generalized ambient light level, and is measured as a not-to-exceed value calculated using only the area of the site intended to receive illumination.
 - 3. Lighting for automated teller machines shall be required to meet the standards of F.S. § 655.962.
 - f. *Excessive illumination.*
 - 1. Lighting unnecessarily illuminates another lot if it clearly exceeds the requirements of this section.
 - 2. All outdoor lighting shall be designed and located such that the maximum illumination measured in footcandles at the property line does not exceed 0.2 on adjacent residential sites, and 0.5 on adjacent commercial sites and public rights-of-way. These values may be adjusted based on unique and/or unusual needs of specific projects.
 - 3. Lighting shall not be oriented so as to direct glare or excessive illumination onto streets in a manner that may distract or interfere with the vision of drivers on such streets.
 - 4. Fixtures used to accent architectural features, landscaping or art shall be located, aimed or shielded to minimize light spill into the night sky.
 - 5. Reflectors and/or refractors within fixtures or fixtures with a top shield shall be utilized to assist in eliminating "sky glow."
- (d) *Design guidelines.* Most development in the city is located on infill or redevelopment sites; therefore, projects should take their surroundings into account. These recommended design guidelines are intended as suggested methods to improve the character and fit of new development and to encourage respect for how architecture, landscape features, and public improvements help establish context, and steadily improve the quality of the city's residential and commercial neighborhoods. These guidelines are intended for designers and developers to look closely at the area surrounding their specific project and create

developments that enhance and complement the built and natural environment. The design guidelines are flexible in their application and may be applied to specific projects during review by city staff and any applicable review boards. The intent is to create the highest level of design quality while providing the needed flexibility for creative site design. Use of the following design guidelines is a means for addressing aesthetic and environmental concerns in the development process:

(1) Site planning.

- a. The construction of roads across isolated wetlands shall be limited, and any roads that are built should be constructed on pilings or with adequate culverts to allow the passage of flood waters.
- b. Runoff shall not be discharged directly into open waters. Vegetated buffers, swales, vegetated watercourses, wetlands, underground drains, catch basins, ponds, porous pavements and similar systems for the detention, retention, treatment and percolation of runoff should be used as appropriate to increase time of concentration, decrease velocity, increase infiltration, allow suspended solids to settle and remove pollutants.
- c. Natural watercourses shall not be filled, dredged, cleared, deepened, widened, straightened, stabilized or otherwise altered.
- d. The use of drainage facilities and vegetated buffer zones as open space, recreation and conservation areas is encouraged.

(2) Building design and architectural elements. The placement of buildings should respond to specific site conditions and opportunities such as irregular-shaped lots, location on prominent intersections, views, or other natural features. On-site surface parking should be visually minimized and where possible should be located behind a building. Site characteristics to consider in building design include, but are not limited to, the following:

- a. Site buildings to avoid or lessen the impact of development on environmentally sensitive and critical areas such as wetlands, stream corridors, fragile vegetation and wildlife areas, etc.
- b. The design and placement of a structure and its massing on the site should enhance solar exposure for the project and consider the shadow impacts on adjacent buildings and public areas.
- c. The placement of buildings and other development features should enable the preservation of significant or important trees or other vegetation.
- d. Where a new structure shares a site with an existing structure, or a major addition to an existing structure is proposed, the design of the new should be designed to be compatible with the original structure. This is particularly important if the original structure has historical or architectural merit to the community.
- e. The placement and massing of a building should preserve desirable public views that would otherwise be blocked by the new development.
- f. The placement and orientation of buildings should acknowledge and reinforce the existing desirable spatial characteristics of the public right-of-way. For example, a multi-story mixed-use building proposed for a downtown corner zoning lot should reinforce the existing streetscape by utilizing the ground

- level for pedestrian oriented retail and restaurants and maintaining a consistent building edge abutting the sidewalk.
- g. Building entrances should be clearly visible from the street. Using entries that are visible from the street makes a project more approachable and creates a sense of association with neighboring structures.
 - h. New development should be sited and designed to encourage human activity on the street. To accomplish this end, entrances, porches, balconies, decks, seating and other elements can be designed to promote use of the street front and provide places for human interaction. For example, for commercial developments such elements can include shop front windows, outdoor seating/dining, rooftop decks, balconies, and canopies that protect pedestrians from the elements.
 - i. Development projects that are adjacent to a less-intensive zoning district with differing development standards, may create substantial adverse impacts that result from inappropriate height, bulk and scale relative to their neighbors. Careful siting and design treatments can help mitigate some height, bulk and scale impacts; in other cases, actual reduction in the height, bulk and scale of a project are advisable to adequately mitigate adverse effects. In some instances, careful siting and design treatment may be sufficient to achieve reasonable transition and mitigation of height, bulk and scale differences. Some techniques for achieving compatibility are:
 - 1. Use of architectural style, details (such as rooflines or fenestration), exterior colors or materials that derive from the less intensive zone district.
 - 2. Creative use of landscaping or other screening.
 - 3. Location of features on-site to facilitate transition, such as locating required open space on the zone district edge so the building is located farther from the lesser intensity zone district.
 - 4. In a mixed-use project, siting the more compatible uses near the zone district edge.
 - j. The exterior architectural elements of buildings and structures (i.e., components which define the appearance of a building, such as roofs, windows, porches, modulations, entries, materials, balconies and details). New buildings developed in an established neighborhood with an identifiable character may be viewed as undesirable intrusions unless they respond positively to the architectural characteristic of existing buildings. Therefore, guidelines for architectural elements encourage new development in established neighborhoods to complement neighboring buildings and consider how design gives a neighborhood its identity. This does not mean that new buildings must excessively mimic older existing buildings. Rather, the guidelines suggest that new buildings use some traditional building concepts or elements. New buildings can successfully relate to older buildings while still looking contemporary, not stifling the designer's creativity and responding to changing societal needs and design opportunities.
 - k. Architectural context. New buildings proposed for existing neighborhoods with a well-defined and desirable character should be compatible with or

complement the architectural character and siting pattern of neighboring buildings.

1. Architectural features. Taking note of the architectural characteristics of surrounding buildings can help new buildings be compatible with their neighbors when a consistent pattern is already established by similar building articulation; building scale and proportions; architectural styles; roof forms, building details and fenestration patterns; or materials. Even when there is no consistent architectural pattern, building design and massing can be used to complement and enhance certain physical conditions of existing surrounding development.
 2. In cases where an existing context is either not well defined, or may be undesirable, a well-designed new project has the opportunity to establish a pattern or identity that future redevelopment can build on.
- (3) Human scale. The design of new buildings should incorporate architectural features, elements and details that achieve a desirable human scale through the use of human-proportioned architectural features and site design elements clearly oriented to human activity. Building elements that may be used to achieve human scale are as follows:
- a. Pedestrian-oriented storefront windows and doors directly facing the street or publicly accessible open space such as courtyards, gardens, patios, or other unified landscaped areas.
 - b. Window patterns, building articulation and other exterior treatments that help identify individual units in a multifamily building or mixed-use building.
 - c. Stepping back upper stories (generally above the third or fourth floor).
 - d. Porches or covered entries that offer pedestrian weather protection such as canopies, awnings, arcades, or other similar elements wide enough to protect at least one person.
- (4) Structured parking garages.
- a. The presence and appearance of structured parking garages and their entrances should be minimized so they do not dominate the street frontage. Ramps should be visually screened from streets and adjacent residential zoning districts and oriented towards the interior of the lot within a project where possible. Ramps profiles should be hidden on the exterior elevations. Roof top parking should be visually screened with articulated parapet walls or other architectural treatment. Exterior lighting should utilize fixtures provided with cut off shielding in order to eliminate glare and spillage onto adjacent properties and roadways. The openings of the garage should be designed in a manner that obscures parked vehicles. Decorative architectural elements on the ground floor level should be designed to accommodate the pedestrian scale. Parking levels above the ground floor should maintain the same vertical and horizontal articulation or rhythm and incremental appearance established on the ground floor.
 - b. Due to the requirements of a particular land use or structural needs, parking garages or the garage portion of the building may request an increase from

the building frontage requirements (to a maximum of 100 percent for all floors) or a waiver from the setback requirements for portions of the structure subject to the following: The garage or garage portion of the building elevation provides unified design elements with the main building through the use of similar materials and color, vertical and horizontal elements, and architectural style.

- c. Architectural features should be incorporated into the facade to mitigate the building's mass and bulk and along portions of the building adjacent to street rights-of-way.
- (5) Rooftop mechanical equipment. All rooftop mechanical equipment should be screened from public view from both above and below by integrating it into building and roof design.
 - (6) Blank walls. Buildings should avoid large blank walls facing the street, especially near sidewalks. Where blank walls are unavoidable, due to the requirements of a particular land use or structural needs, they shall not exceed a length of 50 feet, or 20 percent of the length of the building facing the street, whichever is less, and should receive design treatment to increase pedestrian comfort and interest.
 - (7) Utilities and service areas. Building sites should locate service elements like trash dumpsters, loading docks and mechanical equipment away from the street front wherever possible. When elements such as dumpsters, utility meters, mechanical units and service areas cannot be located away from the street front, they should be situated and screened from view and should not be located near pedestrian routes.
 - (8) All telephones, vending machines, or any facilities dispensing merchandise, or a service on private property, should be confined to a space built into the building or buildings or enclosed in a separate structure compatible with the main building. All exterior forms, attached or not to buildings should be in conformity to and secondary to the building. They should be an asset to the aesthetics of the site and to the neighborhood.
 - (9) Building height bonuses. Building height bonuses above the limit otherwise established by a zoning district may be approved, so long as the overall height of the building does not exceed 150 feet, in exchange for the construction of affordable housing or as an incentive to achieve superior building and site design, preserve environmentally sensitive lands and open space, or provide public benefit uses. Standards for approval shall be as follows:
 - a. Building height bonuses for superior building and site design, preservation of environmentally sensitive lands and open space, or provision of public benefit uses shall be based upon clear and convincing evidence that the proposed design will result in a superior product that is compatible with the surrounding land uses and produce a more desirable product than the same development without the bonus: and shall be in accordance with section 12-3-121(9)(c).

b. Building height bonuses for the provision of affordable housing shall be based upon ratios of the amount of affordable housing to market rate housing within a proposed residential development; provided, however, that this bonus is contingent upon approval by the City Council of a development agreement that includes mechanisms to assure that the units remain affordable for a minimum of ten years as well as provisions such as resale and rental restrictions and rights of first refusal as appropriate considering the project and shall be in accordance with section 12-3-121(9)(c).

c. All height bonus applications shall be submitted for review and approval by the City Planning Board- and shall be subject to the following review criteria:

1. The construction of roads across isolated wetlands shall be limited, and any roads that are built shall be constructed on pilings or with adequate culverts to allow the passage of flood waters.
2. Runoff shall not be discharged directly into open waters. Vegetated buffers, swales, vegetated watercourses, wetlands, underground drains, catch basins, ponds, porous pavements and similar systems for the detention, retention, treatment and percolation of runoff shall be used as appropriate to increase time of concentration, decrease velocity, increase infiltration, allow suspended solids to settle and remove pollutants.
3. Natural watercourses shall not be filled, dredged, cleared, deepened, widened, straightened, stabilized or otherwise altered.
4. Drainage facilities and vegetated buffer zones shall be used as open space, recreation or conservation areas.
5. Buildings shall be sited to avoid or lessen the impact of development on environmentally sensitive and critical areas such as wetlands, stream corridors, fragile vegetation and wildlife areas, etc.
6. The design and placement of a structure and its massing on the site shall enhance solar exposure for the project and shall consider the shadow impacts on adjacent buildings and public areas.
7. The placement of buildings and other development features shall enable the preservation of significant or important trees or other vegetation.
8. Where a new structure shares a site with an existing structure, or a major addition to an existing structure is proposed, the design of the new shall be designed to be compatible with the original structure. This is particularly important if the original structure has historical or architectural merit to the community.
9. The placement and massing of a building shall preserve desirable public views that would otherwise be blocked by the new development.
10. The placement and orientation of buildings shall acknowledge and reinforce the existing desirable spatial characteristics of the public right-of-way. For example, a multi-story mixed-use building proposed for a downtown corner zoning lot shall reinforce the existing streetscape by utilizing the ground level for pedestrian oriented retail and restaurants and maintaining a consistent building edge abutting the sidewalk.

11. Building entrances shall be clearly visible from the street. Using entries that are visible from the street makes a project more approachable and creates a sense of association with neighboring structures.
12. New development shall be sited and designed to encourage human activity on the street. To accomplish this end, entrances, porches, balconies, decks, seating and other elements shall be designed to promote use of the street front and provide places for human interaction. For example, for commercial developments such elements can include shop front windows, outdoor seating/dining, rooftop decks, balconies, and canopies that protect pedestrians from the elements

Development projects that are adjacent to a less-intensive zoning district with differing development standards, may create substantial adverse impacts that result from inappropriate height, bulk and scale relative to their neighbors. Careful siting and design treatments shall help mitigate some height, bulk and scale impacts; in other cases, actual reduction in the height, bulk and scale of a project may be required to adequately mitigate adverse effects. In some instances, careful siting and design treatment may be sufficient to achieve reasonable transition and mitigation of height, bulk and scale differences. Some techniques for achieving compatibility are:

The exterior architectural elements of buildings and structures (i.e., components which define the appearance of a building, such as roofs, windows, porches, modulations, entries, materials, balconies and details). New buildings developed in an established neighborhood with an identifiable character may be viewed as undesirable intrusions unless they respond positively to the architectural characteristic of existing buildings. Therefore, guidelines for architectural elements shall encourage new development in established neighborhoods to complement neighboring buildings and shall consider how design gives a neighborhood its identity. This does not mean that new buildings must excessively mimic older existing buildings. Rather, the guidelines shall require that new buildings use some traditional building concepts or elements. New buildings can successfully relate to older buildings while still looking contemporary, not stifling the designer's creativity and responding to changing societal needs and design opportunities.

SECTION 2. If any word, phrase, clause, paragraph, section or provision of this ordinance or the application thereof to any person or circumstance is held invalid or unconstitutional, such finding shall not affect the other provision or applications of the ordinance which can be given effect without the invalid or unconstitutional provisions or application, and to this end the provisions of this ordinance are declared severable.

To Whom it May Concern:

Considering the current housing market conditions across the State of Florida, specifically in the Pensacola-area, we are pleased to see that the Pensacola CRA is thinking outside of the box by gauging interest in utilizing the existing Motor Lodge site for the creation of affordable housing units. This request comes at a time of immense opportunity. This development uniquely qualifies for potentially **four** different funding opportunities available from the Florida Housing Finance Corporation. These opportunities consist of: RFA **2024-305** (Hurricane Sally funds) due on 5/21/2024, RFA **2024-215** (Live Local funding for Military Installations), due date to be announced later, RFA **2024-201** (Small & Medium County funding), likely due in the summer, and lastly, RFA **2024-204** (SAIL funding), likely due in the summer. For this reason, we are highly interested in this development and are eager to work with the CRA to bring their vision to fruition.

Smith & Henzy Affordable Group has a long history of working with CRAs and knows the importance of collaborating with local stakeholders. We believe it is important to get the community involved early in the development stage to ensure that all parties have their say in the creation of this life-changing development. In addition, we also seek partnerships with local housing authorities and government agencies to provide maximum benefit to the residents that will soon call this project 'home'. Due to the site's strategic location, we want to ensure we are creating a development that will continue to be a resource to the community for the next hundred years. As a firm, we have currently developed and own over 4,000 affordable housing units nationwide. We are based in South Florida and our expertise is in developing affordable housing across the State of Florida. We are well-versed in the local rules and regulations and are confident that we will be able to quickly deliver our vision for the Motor Lodge site. Darren Smith, a Principal of Smith & Henzy, grew up in public housing and knows all too well about the effects lackluster affordable housing can create. This is why we strive to create high-quality affordable housing developments that the residents can feel proud of.

To ensure that we are following local regulations, we have joined forces with Gallo Herbert Architects, a Florida-based design firm that we have worked with on many projects in the past. Gallo Herbert Architects is currently working on a development in Pensacola, and has relationships with city staff and is well versed in the local code. We look forward to building the rest of our development team should we be successful in being awarded the rights to develop the Motor Lodge.

Depending on which funding path we take, we envision forming either an LLC or an LLP as the owner for this development. Given the CRA's request for housing for those with special needs, we envision partnering with a non-profit that can deliver the care these residents will need. In accordance, we believe the best potential for funding is RFA **2024-215**. This deals specifically with housing for veterans at risk of homelessness and providing affordable housing for active-duty military. We believe this specific type of housing falls most in line with the CRA's goals and will fulfill an immense need for the community. We look forward to discussing our proposed development in further detail.

Project Description

 San Marcos Heights, St. Augustine

Project Description:

In accordance with the Westside Community Redevelopment Plan and the CRA's goals, we envision creating a development that will be a beacon of hope and opportunity for the neighborhood. We believe the best way to accomplish this and maximize space is by demolishing the existing structures and creating a new mid-rise development. In all of our developments, we aim to construct a product that naturally blends in, and builds off the character of the neighborhood. We will work hand in hand with local stakeholders to ensure our development achieves these goals.

Given the development's proximity within 5 miles from NAS Pensacola, we believe the best opportunity for funding is through RFA 2024-215 Live Local Act Funding for Multifamily Developments near Military Installations. This RFA will be released later this year, and should we be successful in receiving funding, we expect to break ground on this project in 2026. Nonetheless, we will have other opportunities for funding should we fail to be awarded in this RFA. FHFC allows you to request up to \$9.5 Million in SAIL funds (low-interest loan) in conjunction with Tax-Exempt bonds and 4% LIHTC in return for the construction of at least 50% of the units designated for housing active-duty veterans, homeless individuals, veterans experiencing homelessness, and veterans that were honorably discharged. It is rare to see such a specific RFA designated for veterans, but this is proof of the need for high-quality units for these individuals. We envision partnering with a non-profit specialized in dealing with veterans and those at risk of homelessness. This group would be able to provide the much-needed supportive services for these individuals, following the CRA's request to have supportive services provided on-site. We understand and appreciate the CRA's request to have market-rate units, supporting those to the 80-100% AMI's. We aim to meet this request by using income-averaging so that we can have units at 80% AMI, while still meeting the goal of 60% AMI project-wide, thus deeming the project 100% affordable. We believe there is ample need for fully affordable units and believe we need to maximize the tax-credit equity provided from those units. Please see a brief timeline that will be fine-tuned once FHFC releases a schedule:

Event	Date	Notes
Effective Date	5/15/2024	Signed Contract
FHFC Submission	TBD 2024	Due Date
Review Committee	3 Months Later	Initial Scoring
Board Meeting	One Month Later	Final Scoring
Closing	2026	Assuming One Year after Funding

Assuming we pursue military funding, we envision developing up to 120 units, but currently feel 115 units is the sweet spot. Given the demographic this is catering too, we believe the building should be made up of all one-bedroom units to maximize the number

of residents we can accommodate. We envision using an income-averaging approach so that active-duty members can potentially income-qualify. Please see the unit mix below:

Unit Mix & Stabilized Rental Revenue Assumptions:				
30% AMI:	Total Units	Weighted Avg. Unit Size (SF)	Total Net Rentable SF	Unit Mix
One Bedroom/One Bathroom - HAP	18	600	10,800	100.0%
Total 33% AMI Rent	18	600	10,800	100%
60% AMI:	Total Units	Weighted Avg. Unit Size (SF)	Total Net Rentable SF	Unit Mix
One Bedroom/One Bathroom - HAP	11	600	6,600	14.9%
One Bedroom/One Bathroom	63	600	37,800	85.1%
Total 60% AMI Rent	74	600	44,400	100%
80% AMI:	Total Units	Weighted Avg. Unit Size (SF)	Total Net Rentable SF	Unit Mix
One Bedroom/One Bathroom	23	600	13,800	100%
Total 80% AMI Rent	23	600	13,800	100%
All Units:	Total Units	Weighted Avg. Unit Size (SF)	Total Net Rentable SF	Unit Mix
One Bedroom/One Bathroom	115	600	69,000	100.0%
Total Rent	115	600	69,000	100%

Our development would house 18 individuals, at or below 30% AMI, 74 individuals at 60% AMI, and 23 individuals at 80% AMI. In order to make up for the lower rents received from the lower-income units, we will plan to work with the Pensacola Housing Authority to ensure that we are utilizing their VASH (Veterans Affairs Supportive Housing) vouchers, which would both provide affordable rents for the veterans, while also maximizing the rental income the project can generate as the government pays fair market rent for developments that accept these vouchers. The tax credit rents are as follows: \$460/month for the 30% AMI units, \$921/month for the 60% AMI units, and \$1,228/month for the 80% AMI units. We are willing to keep these rents affordable as long as the CRA wishes, and in accordance with FHFC. Unlike other developers, we are solely focused on affordable housing development and would rather re-syndicate our developments at year 15, instead of bringing the units to market-rate.

We propose developing a single, 5-story L-shaped building, thus maximizing green space and parking capacity. We believe our proposed development conveniently blends in with the area and is designed in a way that seamlessly connects the development to the nearby transportation routes on Gadsden and Cervantes Street. Our development will provide a range of services for the residents, including employment assistance and financial management programs. We are open to working with the CRA to provide access to other services as well. We are well-versed in incorporating MWBE firms in the construction of our developments. Given our experience in dealing with housing

authorities, we typically are required to reach a certain percentage of MWBE firms and have a large database of local subcontractors that can be used for this development. We understand that the CRA prefers variation in floor plans, however this specific RFA would make it difficult to lease up given the demographic. That said, we are open to working with the CRA should they rule out all one-bedroom units. Our development is compliant with the potential land use of the site and are confident this project will be welcomed with open arms from the city given the mission this development serves. In addition, we will design a development that complies with the city's green building standards. Please see our conceptual plans:

Development Budget:

Please see the Operating Budget Template on the following page. In addition, below is an operating pro forma and detailed sources and uses. In addition to the FHFC Sail Loan, Tax-Exempt Bonds, and Tax-Credit Equity, we envision partnering with a well-funded non-profit that in addition to providing services for the residents, would also provide a grant to the project. We often team up with non-profits on most of our projects and can secure funding due to the developments shared goals with the non-profits we partner with. We have provided a detailed run-down of our assumptions in the Operating Budget Template. We wanted to note that we anticipate receiving 25 vouchers, likely VASH vouchers, from the Pensacola Housing Authority which would provide rental income of \$1,208 per month, per unit. In addition, we are assuming \$228/square foot, about \$195,000 per unit, for our construction costs.

Relevant Experience:

Smith & Henzy Affordable Group is qualified to lead this development effort. Having taken part in over 40 affordable housing developments, Smith & Henzy is one of the fastest growing firms in the nation. We take pride in delivering high quality apartments, with market-rate finishes, at affordable rents. We have ample experience in dealing with developments of this scope and have successfully applied for, and received SAIL, SHIP, HOME, CDBG, and other funding.

When it comes to property management, we aim to partner with the groups that are best fit to deal with each demographic. Across the state, we predominantly partner with SPM, LLC and NDC Asset Management to manage our properties. We also have worked with housing authorities. For this specific development, we would look to partner with a non-profit that specializes in managing developments that deal with veterans and the homeless demographic. These groups best know the needs of the residents and can be a pivotal resource in ensuring the success of the development.

Please see information on Smith & Henzy Affordable Group and our previously completed developments of similar scope on the following pages.

To City of Pensacola CRA Board:

In response to the City of Pensacola and its Community Redevelopment Agency's solicitation for Letters of Interest (LOI), we are excited to present our comprehensive redevelopment plan for the former Pensacola Motor Lodge located at 2305 West Cervantes Street. Our proposal is designed to meet the City's goals for attainable, affordable, and work-force, multi-family rental housing, contributing to the objectives outlined in the Westside Community Redevelopment Plan.

Bluestone Developers, LLC is a real estate developer with its headquarters in Kissimmee, Florida. It has been in business since 2021 and is owned and managed by Ricardo Rangel, a disabled veteran and licensed Florida Real Estate agent. Ricardo is a former elected official in the Florida House of Representative. With over 55 years of combined experience in real estate development and master planning, we bring a wealth of knowledge to any project.

We have worked on many mixed-used developments. We specialize in Public-Private Partnerships and collaboration with a government agency and private-sector companies or investors to finance, build, and operate projects, such as affordable housing, hotels, townhomes, condos, parks, convention centers. Financing a project through a public private partnership can allow a project to be completed sooner or make it a possibility in the first place and making it a win for the government, community and investor.

Bluestone is doing a joint venture with the Osceola Council on Aging. The Osceola Council on Aging is a 501(c)3 non-profit that provides a wide variety of services that especially empower seniors for an independent and self-sufficient lifestyle. Despite its name, the Osceola Council on Aging also provides services for disadvantaged citizens and families of any age. The Osceola Council on Aging administers its services to those who need it the most through compassion, love, and never-ending support of our community. OCCOA provides a calendar on-line featuring events for the community, including virtual culinary classes, March for Meals, Meals for Moms, Dinners for Dads, Senior Santa, Mercedes Car Raffle, and more.

Bluestone Developers LLC

LOI Continue

Degree of Interest – Bluestone is looking to play a big role in building affordable housing and creating lasting partnership with the city of Pensacola. On the second phase of this project, we are looking to see if the city will be able to acquire the following parcels Parcel ID: 000S009060030173 and ParcelID:000S009060006160 to continue the development of mixed-used affordable housing. The idea is to have first floor retail and the next 3 or 4 floors as residential units. During this phase of our development, we will look to request the 35% affordable housing bonus units to get the biggest and best use of the property.

Affordability Term: Bluestone believe that this project will be very affordable for at least 30 years. Our main mission is to create affordable housing throughout Florida, and we are not focuses on profit. In the worst-case Bluestone will sacrifice profit in order keep everything affordable to the community.

Preliminary Financing Plan: Bluestone is being proactive with the LOI and is looking forward to working on a direct negotiation with the City of Pensacola and for this reason we have received a preapproval to start work immediately after going into contract with the city. Bluestone has an inhouse team of designers and architects, which will allow us to start the process a lot quicker. We will be applying for the 4% tax LIHTC as well and looking to work with the Escambia Housing Authority.

Subsidy: Bluestone will be requesting the following subsidy

- Request \$10,000 per unit to keep the cost low (90 total units) for both rehab and new construction
- Request the land be granted to the Bluestone, so that we may obtain the funding needed to make the project feasible. In return we will offer in our contract to keep the units affordable for 35 years.
- We will request for Property tax emptions
- Request permit waiver or reimbursements
- Request affordable housing rebate

1. MISSION COMES FIRST.

As a threshold matter, Osceola Council on Aging will inventory and retain the most qualified professionals in their respective fields of real estate development and related industries to deploy to the Motor Lodge site. Bluestone and Osceola Council on Aging also knows that its mission comes first. As such, during professional services bidding process, OCCOA will ensure that company missions and work cultures of any retained professionals are complementary and worthy to OCCOA's mission and community culture of placing a priority on service to the most vulnerable low-income populations and citizens.

2. MOTOR LODGE PROPERTY LOI SUBMISSION TO CITY OF PENSACOLA.

Bluestone will submit this LOI on the extended deadline date of MARCH 24 at 5 pm and will pivot its focus on next steps to assemble its A-team of professionals in a transparent bidding process with shortlisted, handpicked candidates that have a proven track record.

3. TRANSPARENT BIDDING AND DESIGN TEAM SELECTION.

After Bluestone submits its response to the city, it will pivot its focus to bidding and retention of worthy candidates to provide a design build acumen and capacity Bluestone expects for the Motor Lodge site. As a 50-year old nonprofit, OCCOA adheres to stringent corporate fiduciary duties and adopts best practices to procure external professional services. Bluestone and OCCOA has shortlisted a few candidates with a proven track record and cultural fit, but we continues to build upon its retained professionals and vendors list.

4. DESIGN TEAM SELECTION AND DUE DILIGENCE.

Once Bluestone is awarded the Motor Lodge project, Bluestone will carefully handpick and select its design team architect and GC, as well as relevant transactional professionals, environmental professionals, engineers, and other experts needed for the Motor Lodge project's success.

5. PREDEVELOPMENT + SHOVEL READINESS.

Bluestone will phase into predevelopment activities and transactional stages of seeking additional 4% tax credit equity sourcing through the Florida Housing Finance Corporation (FHFC). Bluestone and OCCOA will submit a 4% tax credit application to FHFC in summer 2024. Around the same time, Bluestone will also deploy its environmental experts to conduct proper soil borings and other due diligence needed to ensure the Motor Lodge property site conditions are conducive to its vision and delivery of 90 units of affordable housing units. HUD requires the HEROS platform for environmental testing and reports, and Bluestone will ensure its environmental professionals have requisite understanding of HUD's HEROS platform to ensure compliance with the HOME funding program. Bluestone will prepare the site into a shovel-ready condition with proper environmental and topography review, as well as finalize its site plan to conform to the site conditions. Construction pricing and budgets will be finalized, and building permits will be pulled after final site plan approval with the city.

6. CLOSING + CONSTRUCTION.

After source origination and taking down the land, the GC will be given the Notice to Proceed (NTP) for an 18-month construction schedule. Bluestone anticipates to break ground approximately August 2024 for project delivery in December 2025.

7. PUNCHLIST, CofO + AFHMP LEASEUP.

Before project delivery, Bluestone will engage City of Pensacola and work together in tandem with OCCOA's in-house supportive services and management team to begin an Affirmative Fair Housing Marketing Plan (AFHMP) in close coordination with City of Pensacola. OCCOA's management and support team will begin to market leaseup opportunities to qualifying residents and senior residents.

8. MANAGEMENT + QUALITY ASSURANCE.

While aggressive, OCCOA maintains conservative project assumptions for an under-promise-over-deliver approach to manage expectations and set up the Motor Lodge project for success. As with other properties in its portfolio, OCCOA anticipates a seamless leaseup within 4-6 weeks to reach 100% occupancy of the 90 units. OCCOA's in-house facilities management team will be on site routinely and frequently to monitor the newly-delivered project and ensure resident comfort. OCCOA will work closely with City of Pensacola to ensure its programming at Motor Lodge is approved by the City, and OCCOA will work with the City on a schedule and routine status meetings to ensure the City has satisfactorily met its goals with Bluestone's turnkey development services at Motor Lodge property.

9. WRAP-AROUND SERVICES.

As with all of OCCOA's residents, The Motor Lodge's residents will have frequent visitation and easy access to Osceola Council on Aging's robust calendar of activities for socializing and companionship, as well as a full suite of Wrap-Around supportive services for nutrition, health screenings, and transportation services.

10. OPERATION + SUPPORT.

Bluestone and City of Pensacola will continue the development partnership at Motor Lodge to ensure its longevity, preservation of affordability with a 50-year covenant, and Motor Lodge Housing will become a treasured community for OCCOA and a high-impact successful project for the City of Pensacola to use as a case study and template for more future projects in partnership with Osceola Council on Aging!

Project Concept

Our redevelopment plan encompasses three main interventions, thoughtfully designed to revitalize the area while preserving green spaces and providing much-needed housing solutions:

Retrofit of Existing Motel Units: We propose to transform the existing 30 motel units at the northern part of the building site into modern studio apartments. This intervention will repurpose the existing structures, minimizing environmental impact while providing affordable living spaces.

New Construction of Residential Blocks: On the southern part of the site, we plan to construct three new blocks with three floors each, offering a mix of studio (48 units) and two-bedroom apartments (12 units). This development is aimed at diversifying housing options to cater to a broader demographic, promoting inclusivity and community living. **Community Building and Green Spaces:** To foster community engagement and provide leisure spaces for tenants, we will add a small building dedicated to social events and interactions. Complementing this, the addition of native trees and vegetation will ensure the preservation of green areas, aligning with the project's sustainability goals.

Project Proposal for the Redevelopment of the Former Pensacola Motor Lodge

In response to the City of Pensacola and its Community Redevelopment Agency's solicitation for Letters of Interest (LOI), we are excited to present our comprehensive redevelopment plan for the former Pensacola Motor Lodge located at 2305 West Cervantes Street. Our proposal is designed to meet the City's goals for attainable, affordable, and workforce multi-family rental housing, contributing to the objectives outlined in the Westside Community Redevelopment Plan.

Project Overview:

Our redevelopment plan encompasses three main interventions, thoughtfully designed to revitalize the area while preserving green spaces and providing much-needed housing solutions:

Retrofit of Existing Motel Units: We propose to transform the existing 30 motel units at the northern part of the building site into modern studio apartments. This intervention will repurpose the existing structures, minimizing environmental impact while providing affordable living spaces.

New Construction of Residential Blocks: On the southern part of the site, we plan to construct three new blocks with three floors each, offering a mix of studio (48 units) and two-bedroom apartments (12 units). This development is aimed at diversifying housing options to cater to a broader demographic, promoting inclusivity and community living.

Community Building and Green Spaces: To foster community engagement and provide leisure spaces for tenants, we will add a small building dedicated to social events and interactions. Complementing this, the addition of native trees and vegetation will ensure the preservation of green areas, aligning with the project's sustainability goals.t

MOTOR LODGE PROJECT DEVELOPMENT TIMELINE

Futurue Concept

Bluestone is looking to play a big role in building affordable housing in Pensacola. On the second phase of this project, we are looking to see if the city will be able to acquire the following parcels in order to continue the development of mixed-used affordable housing. The idea is to have first floor retail and the next 3 or 4 floors as residential units. During this phase of our developement we will look to request the 35% affordable housing bonus units to get the biggest and best use of the property.

EVALUATION CRITERIA AND PROCESS

A. Evaluation Criteria

For qualified parties invited for further negotiation, the City will evaluate the merits of each proposed development program and its respective development team relative to each other, as well as, relative to alternate means of fulfilling its objectives for the Property.

A technical review will be performed and submittals evaluated using the following criteria. The review will be referred to City administration for further consideration. The City administration will recommend a development partner to the City of Pensacola Community Redevelopment Agency and/or City Council for final approval. As noted below, adequate experience and capability, which shall be determined at the sole discretion of the City, to successfully undertake the proposed project is a minimum standard which shall be met before any other criterion is considered:

- **Capability of the Proposer and Development Team and Readiness to Proceed.** Primary focus shall be on the experience, qualifications, and financial capability of the proposer (and financial partner, if any is identified and to the extent firmly committed) considering: track record of securing financing for (or itself financing) and developing projects of comparable nature and comparable or greater scale and of high quality in terms of their use and architecture; evidence of management and operating experience of affordable housing and/or mixed income properties; evidence of financing relationships and interest in the proposed project; other information indicating the proposer's financial capacity which it chooses to provide at this stage; reputation in the industry for competence and integrity; and successful public-private development experience, if any. The capability and track record for high quality design of the architect/design team will also be considered. Note that a proposer whose qualifications and financial capacity are not considered adequate to successfully undertake the project will not be considered regardless of its merits on other criteria. Assuming adequacy of qualifications, relative qualifications and capacity will be considered a comparative criterion weighed along with the other criterion.
- **Extent to which the Proposed PML Development Concept Meets the City's Goals.** This would include the proposed project's ability to: 1.) provide the desired percentage of affordable housing units for households of varying income levels as described in the RLOI; establish design criteria that is compatible with existing PML neighborhood uses; 2.) be feasible and delivered in a timely manner, considering likelihood and timing of securing approvals and being financially feasible; and, 3.) generate any other direct or clearly identifiable revenues to the City from the project.
- **Experience Leasing, Managing and Operating Uses Similar to Those Proposed.** This demonstrates the Proposer's ability to lease, manage and operate affordable and/or mixed income properties comparable to the proposed development, including: marketing strategies; residential property leasing and management experience; and, commercial property operation and maintenance as applicable.

- **Financial Return to City.** This would include the revenue and/or fiscal benefits accruing to the City (and CRA) as a result of the project, including but not limited to, proposed land lease fees and property tax generation.

Contact Info: Erick Puma – CFO | 407-353-8956 | Email: Erick@bluestonedeveloper.com

To City of Pensacola CRA Board:

This letter of interest confirms our ongoing interest in the City of Pensacola and its Community Redevelopment Agency's comprehensive redevelopment plan for the former Pensacola Motor Lodge at 2305 West Cervantes Street. We would like to revisit some of the questions that were raised during our video conference.

Possible Consideration – After reviewing the plans, we are contemplating the idea of developing a mixed-use building along the frontage of West Cervantes St. This proposed development could potentially accommodate four retail spaces to cater to the local community's needs. An investor has expressed interest in establishing a mini mart at the site, offering convenient access to essential goods for residents without the need to travel elsewhere. In addition to the mini mart, there is flexibility to include restaurants, boutique stores, or a barber/hair salon within the development. Bluestone is also receptive to the notion of completely demolishing the existing structures and constructing a new building featuring ample parking, green spaces, retail areas, and community spaces equipped with various amenities.

County Funds - In our initial proposal, we requested \$10,000 per unit, amounting to a total of \$900,000, to contribute towards the construction costs of the project. This request was made to assess the city's willingness to support the construction expenses, and if the city decides not to grant the full \$900,000, it will not jeopardize the continuation of our project. For this reason, we are deciding to remove this request from our proposal, it will be reflected on our updated budget.

Parking - There was a parking concern raised regarding our proposal, and upon thorough examination of the parking regulations, it was confirmed that the parking requirement for multifamily residential buildings is 1 space per unit. Initially, our proposal included 62 parking spots, resulting in a shortage of 28 parking spots. After reviewing our plans, we are highly confident that we can address this issue by providing 1 parking spot per unit, thereby meeting the city's code with a total of 90 parking spaces.

The development will comply with the CRA Urban Design Overlay District standards and complement the urban form and traditional character of the CRA districts.

Pensacola Community Redevelopment Agency
222 West Main Street, 3rd Floor, Pensacola, FL 32502

To Whom it May Concern:

Smith & Henzy Affordable Group is thrilled to hear that the Pensacola Community Redevelopment Agency is open to further negotiation regarding our plans to develop affordable housing on the site of the former Pensacola Motor Lodge. This pivotal project aligns perfectly with our mission to provide high-quality, affordable housing and to contribute positively to the communities we serve. Given the upcoming Florida Housing Finance Corporation (FHFC) funding opportunities, we are confident that this development will qualify for multiple funding sources, furthering the CRA's goal of creating much-needed affordable housing while revitalizing the neighborhood.

The first opportunity for funding that we aim to pursue is Live Local Funding for Multifamily Developments near Military Installations. This is a truly special opportunity to demonstrate our support for active-duty military personnel, homeless veterans, and those honorably discharged. Our development is committed to reserving at least 50% of the units for individuals meeting this criterion. Pensacola, being home to NAS Pensacola, is uniquely positioned to benefit from this funding opportunity. We believe this initiative will not only provide housing but also foster a sense of community and stability for those who have served our country.

In addition to Live Local Funding, we are exploring several other funding avenues to ensure the project's success. Our strategic location, coupled with a robust funding plan, will enable us to create a development that stands as a pillar of the community for the next century. We envision this project as more than just housing; it will be a cornerstone for community engagement and growth, offering amenities and services that cater to the needs of its residents.

Our firm has a proven track record of success in the affordable housing sector. We have developed and currently own over 5,000 affordable housing units nationwide, the majority

of which are in Florida. Our deep understanding of local regulations and our commitment to excellence ensures that we can swiftly and effectively deliver our vision for the Motor Lodge site. Our team is adept at navigating the complexities of affordable housing development, from securing funding to managing construction and ensuring compliance with all local, state, and federal regulations.

Moreover, our approach to development is holistic. We don't just build homes; we build communities. Our developments often include community centers, green spaces, and social services that enhance the quality of life for our residents. We believe that affordable housing should not equate to a compromise in quality or amenities, and our projects reflect this belief.

We are excited about the potential of this project to make a lasting impact on the Pensacola community. By creating a vibrant, supportive environment for our residents, we aim to foster economic growth, improve social outcomes, and contribute to the overall well-being of the neighborhood.

We look forward to continuing our collaboration with the Pensacola Community Redevelopment Agency and are eager to bring this transformative project to fruition. Thank you for considering our proposal, and we are available to discuss any aspects of our plan in further detail at your convenience.

Sincerely,

Development Team

Smith & Henzy Affordable Group ("Smith & Henzy") was founded in 2014 by Darren Smith and Timothy Henzy. Darren Smith, a former banker at Citi Community Capital, brought extensive experience in financing affordable housing developments. Timothy Henzy, previously working as a developer's consultant on a project funded by Citi Community Capital, complemented this expertise with his practical development experience. Since its inception, Smith & Henzy has developed and now owns over 5,000 units across Florida, New York, Connecticut, and Michigan, specializing in securing low-income housing tax credits (LIHTC).

Acquisition and Development Expertise

Smith & Henzy excels in the acquisition and development of new affordable, workforce, and attainable housing projects. Our comprehensive approach includes identifying strategic locations, securing necessary funding, and engaging with community stakeholders to ensure each project meets the needs of its residents and the broader community.

Key Projects

1. **Island Cove, Delray Beach, FL:** This 60-unit property provides housing for low- and middle-income residents, including teachers, firefighters, and other essential workers. Island Cove features community amenities designed to support and enhance the lives of its residents, such as a pool, basketball court, community center, playground, and green spaces. We worked closely with the local Community Redevelopment Agency (CRA) to secure \$1 million in funding assistance for this project, demonstrating our ability to leverage local resources to benefit the community. This project underscores our commitment to providing affordable housing for those who serve and support our communities.
2. **Lofts on Lemon, Sarasota, FL:** A 128-unit affordable housing project located in downtown Sarasota, with 76 units designated for tax credit housing and 52 units for workforce housing. This development houses many teachers and is designed to address the housing needs of educators and other essential workers. We collaborated with multiple non-profits and the Sarasota Housing Authority (SHA) to bring this project to fruition. The development includes on-site professional development facilities and community spaces, fostering a supportive community environment.
3. **Amaryllis Park Place, Sarasota, FL:** This 84-unit property provides independent living for senior residents. The development includes amenities and services that

cater specifically to seniors, with management providing activities and support to enhance the residents' quality of life. This project highlights our dedication to creating communities that support the well-being and independence of senior citizens.

Securing Funding and Partnerships

Smith & Henzy specializes in securing LIHTC, having participated in the creation of over 3,500 new-construction LIHTC units. Our expertise in this area ensures we can quickly secure the necessary funding for developments. Our success is also attributed to our strategic partnerships with non-profits and local governments, either through housing authorities or agreements on land and funding opportunities. These partnerships allow us to tailor our projects to the specific needs of the communities we serve.

Strategic Partnerships:

1. *Non-Profit Organizations:* We partner with various non-profit organizations to enhance the scope and impact of our projects. For instance, in the Lofts on Lemon project, we worked with multiple non-profits representing teachers who provided grant money to create affordable units for nearby teachers that were priced out of the downtown Sarasota area. Additionally, we are in conversations with multiple veteran and active military support groups to partner with on this development. These partnerships will enhance the support network for our development, providing specialized services and resources for veterans and active-duty military personnel.
2. *Local Governments and Housing Authorities:* Our partnerships with local governments and housing authorities are crucial in navigating the regulatory landscape and securing necessary approvals and funding. For example, in the Island Cove project, we worked closely with the Delray Beach CRA to secure \$1 million in funding assistance. These relationships ensure our projects align with local housing policies and community needs, facilitating smoother project implementation and greater community support. In addition, the ability to access project-based vouchers provides crucial support for the economics of the deal while enabling low-income residents the potential to live in high-quality apartments. We anticipate that homeless veterans will benefit most from this, as they would only need to pay 30% of their income for these units, as long as they make under 50% AMI.
3. *Community Engagement:* Engaging with the local community is a cornerstone of our development process. We conduct extensive outreach to gather input from residents, community leaders, and other stakeholders. This feedback informs our project designs and helps us create developments that truly meet the needs of the community. For the Amaryllis Park Place project, we involved senior residents in

the planning process to ensure the development provided the necessary amenities and support services.

Community Engagement and Collaboration

Understanding the importance of local input, Smith & Henzy prioritizes listening to the needs and requests of local governments and community members. Since our initial request for the Pensacola Motor Lodge site, we have engaged with numerous city officials, incorporating their valuable feedback into our proposal. This collaborative approach ensures our developments align with the city's goals and community aspirations. We look forward to hopefully having the opportunity to work hand in hand with the City of Pensacola to further their goals and provide a spark for the community.

Track Record of Success

Smith & Henzy has a proven track record of developing high-quality, affordable housing that serves diverse populations and enhances community well-being. Our projects are characterized by sustainable building practices, community-centric amenities, and long-term viability.

Smith & Henzy Affordable Group's extensive experience in the acquisition and development of affordable, workforce, and attainable housing projects positions us uniquely to deliver on the vision for the former Pensacola Motor Lodge site. Our commitment to quality, community engagement, and sustainable development ensures that our projects will serve as valuable community assets for decades to come.

We look forward to continuing our collaboration with the Pensacola Community Redevelopment Agency and are eager to bring this transformative project to fruition.

Amaryllis Park Place Phase I is a new construction senior affordable housing development in Sarasota's Newtown neighborhood. The 84 one- and two- bedroom units are affordable to seniors ages 62 and older with annual incomes from 35% to 60% of AMI. The Amaryllis Park Place development site totals 14 acres and originally, contained 100-units of public housing that were in disrepair. Smith & Henzy worked with the Sarasota Housing Authority to craft a phasing plan for the site and remove portions from the Declaration of Trust, through HUD's Section 18 Demolition and Disposition program for Amaryllis Park Place Phase I and Section 22 Voluntary Conversion program for Amaryllis Park Place Phase II. Smith & Henzy is one of the first developers in the country to utilize the Section 22 Voluntary Conversion program. Smith & Henzy and the Sarasota Housing Authority completed construction on Amaryllis Park Place Phase I in early 2022 and the community is fully leased; Amaryllis Park Place Phase II is currently under construction and slated for completion in 2023.

Development Program and Intent

Smith & Henzy Affordable Group is committed to creating a multifamily housing development that integrates seamlessly with the existing neighborhood context while prioritizing support for military personnel and veterans. Our proposed development will consist of a minimum of 84 units of new construction. The development will feature a 4-story, all one-bedroom mid-rise building with elevators, designed to serve a diverse community with varying income levels.

We understand the property is located in the Community Development District Urban Design Overlay District and has a C-3 Commercial Zoning Designation. As such, our proposal intends to include a 4-story building with 84 units and shall follow the design guidelines set forth in the CRA Urban Design Overlay District Ordinance. The project and building will be designed with an architectural character that is compatible with the heritage of the urban design area but also reflective of its time. We will work closely with staff on the architectural design, materials, and streetscape to ensure compatibility with these guidelines.

Our first priority is to fund this development utilizing 4% Low Income Housing Tax Credits in conjunction with a \$9.5 million SAIL loan from Florida Housing Finance Corporation, reserved for multifamily developments located near military installations. Should we be unsuccessful in securing Live Local Military Funding, we would continue our pursuit for tax credits by submitting applications for 9% tax credits, and 4% tax credits with SAIL.

Key aspects of the development include:

- ***Anticipated Housing Units:***

- o **Unit Type (Mix):** All one-bedroom units to accommodate singles and couples.
- o **Unit Square Footage:** All units will be 600 square feet, efficiently designed to maximize comfort and livability.
- o **Unit Features:** Each unit will be equipped with impact glass windows, luxury vinyl tile (LVT) flooring, Energy Star appliances, dishwashers, washer/dryer hookups, LED light fixtures, and stainless steel appliances, providing durability, energy efficiency, and enhanced aesthetic appeal.
- o **Reserved Units:** 50% of the units will be reserved for active duty military, those recently honorably discharged, and homeless veterans. Additionally, we are required to reserve 5% of the units specifically for homeless veterans. This commitment underscores our dedication to supporting those

who have served our country, providing them with stable, affordable housing options and a supportive community environment. We will collaborate closely with local military bases, veteran organizations, and social service providers to ensure these units are effectively allocated to those in need.

- o **Project-Based Vouchers:** We are requesting 25 project-based vouchers in this proposal. These vouchers are crucial for ensuring the affordability of units for the most vulnerable populations, including those making less than 50% of AMI.
- o **Households to be Served by Income Cohort (% of AMI):** The mix will include units for households at 30%, 60%, and 70% of AMI, averaging at 60% using income averaging. This allows for the inclusion of workforce housing. The breakdown is as follows:
 - o **30% AMI:**
 - Total Units: 15
 - Monthly Gross Rent per Unit: \$1,208
 - Utility Allowance: \$150
 - Monthly Net Rent per Unit: \$1,058
 - **Note:** We are requesting project-based vouchers for these 15 units. Residents making less than 50% of AMI will only pay 30% of their income, with HUD covering the remaining portion of the rent.
 - o **60% AMI:**
 - Total Units: 26
 - Monthly Gross Rent per Unit: \$1,087
 - Utility Allowance: \$150
 - Monthly Net Rent per Unit: \$937
 - **Note:** We are requesting project-based vouchers for 10 of these units. Residents making less than 50% of AMI will only pay 30% of their income, with HUD covering the remaining portion of the rent.
 - o **70% AMI:**
 - Total Units: 43

- Monthly Gross Rent per Unit: \$1,181
- Utility Allowance: \$150
- Monthly Net Rent per Unit: \$1,031

o *All Units:*

- Total Units: 84
- Weighted Avg. Monthly Gross Rent per Unit: \$1,157
- Utility Allowance: \$150
- Monthly Net Rent per Unit: \$1,007

Our team includes experienced architects who will ensure that the proposed site plans and architectural designs enhance the neighborhood's aesthetic and functional aspects.

Site Amenities and Enhancements

Narrative and Graphic Illustration: We envision a community-oriented development with amenities that enrich resident experiences and promote a vibrant, active lifestyle. Key features include:

- **Community Center:** A central hub for social activities and events, fostering community engagement.
- **Fitness Area:** Modern fitness facilities to support healthy living.
- **Facilities for Social Services:** Spaces dedicated to providing essential services and support to residents, including assistance tailored to veterans and active duty military personnel.
- **Dining and Recreational Spaces:** Anticipated community spaces such as dining areas and recreational activity rooms to cater to the veteran and active duty population who may wish to congregate and socialize.
- **Pedestrian Plaza and Park:** A pedestrian plaza and adjacent parks, including a veterans park, enhance the community feel and provide ample outdoor space for relaxation and socializing.

Proposed Improvements:

- Mobility Enhancements:
 - *Building Orientation:* Structures oriented to front Cervantes Street, enhancing street activity and accessibility.
 - *Massing:* Thoughtful building massing to create a harmonious streetscape.

Parking Solutions:

- *Surface Parking:* 78 strategically located surface parking spots to meet the needs of residents and visitors while minimizing impact on the neighborhood.

Compliance with CRA Urban Design Overlay Standards

Our development plan adheres to the CRA Urban Design Overlay Standards, ensuring that the project contributes positively to the urban fabric of the neighborhood. The design integrates well with the existing context, enhances mobility, and activates street-fronts to create a lively, welcoming environment.

Affordability Period

To ensure long-term affordability, our development will include a required minimum affordability period of 50 years. This commitment guarantees that the housing units remain accessible and affordable to low and moderate-income households over the long term, supporting the city's goals of providing stable and inclusive housing options.

Commitment to WMBE/Section 3 Participation

We are committed to promoting diversity and inclusion in our project by aiming for WMBE (Women and Minority Business Enterprise) and Section 3 participation of 20% of total costs. While this goal is based on best efforts and cannot be guaranteed, we have consistently exceeded this percentage in other jurisdictions by prioritizing the hiring of these firms. We will make our best effort to achieve this goal contingent on pricing and timing, reinforcing our dedication to creating equitable opportunities within the community.

Marketing and Management Approach

Smith & Henzy Affordable Group is dedicated to delivering high-quality, affordable multifamily rental housing through strategic marketing and exceptional management practices. Our approach integrates market analysis, targeted outreach, and comprehensive property management to ensure high occupancy rates and resident satisfaction.

Marketing Approach: Our marketing strategy is built on understanding the local market dynamics and leveraging a combination of digital and traditional marketing channels to reach our target audience. Key components include:

1. **Market Analysis:** Conducting thorough market research to identify the demand for affordable and workforce housing in the area, and to understand the demographic and economic characteristics of potential residents. We will cap rents at 70% AMI to ensure the ability to lease up quickly and attract a broad range of tenants.
2. **Digital Marketing:** Utilizing online platforms such as Apartments.com, AffordableHousing.com, social media, and online news outlets to reach prospective tenants. This includes maintaining a user-friendly website with online application processes and active engagement on social media channels.
3. **Community Outreach:** Partnering with local organizations, employers, and community groups to promote the housing development and attract residents. This includes hosting informational sessions and participating in community events.
4. **Traditional Marketing:** Using print media, flyers, and signage to raise awareness about the development. We also collaborate with local media outlets to feature stories about the project.
5. **Referral Programs:** Since 50% of the units will be reserved for active duty military, recently honorably discharged, and homeless veterans, we will sign a Memorandum of Understanding (MOU) with NAS Pensacola housing and other Supportive Services for Veteran Families (SSVF) groups to establish a pipeline for residents. This partnership will streamline the process of finding and placing eligible residents in these units.

Management Approach: Our property management approach, facilitated by NDC Asset Management, focuses on creating a safe, supportive, and vibrant community for residents. Key aspects include:

1. **Resident Services:** Offering a range of services and amenities that cater to the needs of residents, including social services, fitness facilities, and community

events. We are actively speaking with a number of homeless veterans groups to establish a framework of thorough supportive services to assist the homeless veterans that will be moving into the property.

2. **Maintenance and Upkeep:** Ensuring timely and efficient maintenance of the property to provide a high standard of living. This includes regular inspections, prompt repairs, and maintaining common areas.
3. **Tenant Engagement:** Fostering a sense of community through regular communication and engagement with residents. This includes feedback surveys, community meetings, and a dedicated property management team on-site.
4. **Compliance and Reporting:** Adhering to all local, state, and federal regulations regarding affordable housing. We ensure all reporting requirements are met and maintain transparency with stakeholders.
5. **Project-Based Vouchers:** We request 25 project-based vouchers to support the economic viability of the project while providing financial assistance to homeless veterans. These vouchers will ensure that residents do not pay more than 30% of their income on housing, making it more accessible and affordable for those in need.

Demonstrated Experience

Smith & Henzy Affordable Group and NDC Asset Management have a proven track record in the marketing and management of affordable, workforce, and attainable multifamily rental housing developments of comparable size and scale. Key projects include:

1. ***Lofts on Lemon, Sarasota, FL:*** Managed the leasing and operations of a 128-unit development, including 76 tax credit and 52 workforce housing units. This project was particularly complex due to its mixed-income nature, but we successfully navigated these challenges to achieve a balanced and thriving community.
2. ***Amaryllis Park Place, Sarasota, FL:*** Oversees the management of 84 senior housing units, providing a range of resident services and community activities.
3. ***Manchester Apartments, Tampa, FL:*** Managed by NDC Asset Management, this 36-unit development is solely made up of formerly homeless veterans.

Ladies and Gentlemen,

Citibank, N.A. ("Citi") is providing this letter in support of Smith & Henzy Affordable Group Inc.'s ("Smith & Henzy" or "Sponsor") response to submit an application to Escambia County for Live Local Military Funds to be used in conjunction with a \$14,000,000 construction to \$4,200,000 permanent loan to fund the new construction of a minimum 80-unit development named "Redevelopment of Pensacola Motor Lodge" ("The Project"). Based on Citi's preliminary review and discussions with the Sponsor, Citi supports its submission and may be interested in providing debt financing to the project (the "Project"), subject to Citi's internal loan review, underwriting, and credit approval process.

Citi Community Capital ("CCC"), a line of business within Citi, finances both flow project finance and highly structured transactions for non-profit and for-profit affordable housing developers, Community Development Financial Institutions, and state and local government agencies. CCC has been ranked #1 among affordable housing lenders in the U.S. the last 14 years. In 2023 alone, CCC closed approximately 228 transactions consisting of over 35,000 units all through the United States. These transactions financed new construction or rehabilitation of both affordable and mixed-income multifamily developments as well as mixed-use projects. CCC has closed 2 deals with Smith & Henzy as the sponsor since 2021 totaling more than \$30 million in construction and permanent financing.

This letter is not intended to be, and shall not constitute, a commitment to lend, syndicate a financing, underwrite, or purchase securities, commit capital, or provide or arrange any portion of the financing for the Project. Such obligations would arise only under separate written agreements acceptable to Citi in its sole discretion. Furthermore, any such commitment would be subject to, among other things, (a) the satisfactory completion of Citi's customary due diligence review; (b) approval by Citi internal committees; (c) the receipt of any necessary governmental, contractual and regulatory consents or approvals in connection with the Project and the related financing; (d) the negotiation and documentation of the financing referred to above, including the terms and conditions of the financing, in form and substance satisfactory to Citi and its counsel; and (e) there not having occurred any disruption of or change in financial, banking or capital market conditions that, in Citi's judgment, could make it inadvisable or impractical to proceed with any portion of the financing of the Project.

Neither Citi nor any of its affiliates shall have any liability (whether direct or indirect, or in contract, tort or otherwise) to the Sponsor, the Project, or any other person, claiming through the Sponsor or the Project, as the case may be, for or in connection with the delivery of this letter.

In connection with this transaction, Citi will be acting solely as a principal and not as your agent, advisor or fiduciary. Citi has not assumed a fiduciary responsibility with respect to this transaction, and nothing in this transaction or in any prior relationship between you and Citi will be deemed to create an advisory, fiduciary or agency relationship between us in respect of the Project. Construction and Permanent Financing Assumptions:

We estimate that the total construction cost will be \$15 million, which will be financed using tax-exempt bonds from the Escambia County Housing Finance Authority. Additionally, we anticipate generating just under \$12 million of tax-credit equity by utilizing 4% tax-credits.

To acquire the land, we intend to structure a capitalized lease payment over 35 years, thus utilizing a seller note as a source that matches our acquisition price of \$1,050,000. We also plan to receive \$9.5 million in SAIL money should we be successful in securing funding in the RFA.

Smith & Henzy Affordable Group proposes to enter into a long-term 35-year ground lease with the CRA. At the financial closing, a capitalized lease payment based on the as-is appraised value, currently estimated to be \$1,050,000, will be made. A seller's note will be provided by the CRA and utilized to pay for the capitalized lease payment. The terms of the seller's note will be as follows: interest at the Applicable Federal Rate (AFR), currently 3.92%, and paid from 10% of available cash flow. This structure ensures that the financing aligns with the long-term viability and affordability goals of the project while providing a feasible financial plan.

Lastly, we will use deferred development fees as an additional financing source.

- **Utilities (Electricity, Water & Sewer, Trash Removal):** Total utility costs are estimated at \$37,800 annually. Residents will have a utility allowance subtracted from their rent, and thus, we are only covering common area utilities.
- **Maintenance and Repairs:** Including pest control, building maintenance, and supplies, the total maintenance and repair costs are projected at \$59,722 annually.
- **Payroll and Management:** Total payroll costs, including taxes and benefits, are projected at \$153,600 annually. Non-resident management fees are estimated at \$48,416 annually.
- **Other Operating Expenses:** These include legal and audit fees, general and administrative costs, advertising, and compliance monitoring fees, totaling \$71,932 annually.
- **Support Services/Amenities:** Estimated at \$25,200 annually.

Summary:

- **Total Operating Expenses (including Replacement Reserves):** The total annual operating expenses, including replacement reserves, are projected at \$565,570.

- Net Operating Income (NOI): After accounting for all operating expenses, the projected net operating income is \$402,751 annually.

Summary

The detailed operating pro forma demonstrates that the proposed development is financially sound, with a robust income stream and carefully managed expenses. The projected net operating income indicates the potential for a stable and profitable operation, ensuring the long-term viability of the project. The pro forma also highlights our commitment to maintaining high-quality living conditions through adequate allocation for maintenance, repairs, and support services. Additionally, residents will have a utility allowance subtracted from their rent, meaning the project will only cover common area utilities, further optimizing operating costs. By qualifying for the removal of real property taxes, we ensure the financial sustainability and success of the development without making significant sacrifices that would impact the viability and quality of the housing provided.

Property Tax Exemption Necessity

Due to the affordability set-asides, we qualify for the removal of real property taxes. While we understand that the city would prefer property tax income, it is crucial to recognize that the development cannot support these taxes without significant sacrifices that would undermine the project's goals and long-term sustainability.

Incorporating property taxes into the financial model would necessitate a shift away from the mixed-income approach that aligns with the city's objectives. Specifically:

1. *Reduced Unit Count:*

- o To balance the additional financial burden of property taxes, we would need to reduce the total number of units. This reduction directly impacts the number of affordable housing units available to the community. We estimate we would need to cut a minimum of 6 units.

2. *Limiting to Low-Income Housing:*

- o The development would need to shift focus solely to low-income housing, capping rents at 60% AMI. This change, although necessary to qualify for additional state funding, would contradict the city's desire for mixed-income housing. It would exclude vital workforce housing (70% AMI units) and disrupt the intended mixed-income community that fosters economic diversity and resilience.

3. *Economic Instability:*

- o With the inclusion of property taxes, the development would face an annual decline in cash flow, jeopardizing the project's financial health. This

instability could lead to deferred maintenance, reduced services, and an overall decline in the quality and sustainability of the housing provided.

By prioritizing the exemption from property taxes, the project can maintain its intended unit count, support a mixed-income community, and ensure long-term financial stability. This approach aligns with the city's goals of providing diverse and sustainable housing options while fostering a stable economic environment.

Financial Analysis

To illustrate the impact of property taxes on the project's viability, we will present two 20-year cash flow charts:

1. *Without Property Taxes:*

- o This chart demonstrates a financially healthy development with positive cash flow, supporting the project's long-term economic stability and the ability to provide high-quality affordable housing.

2. *With Property Taxes:*

- o This chart reveals the negative economic impact of including property taxes, showing a development with negative cash flow after debt service coverage. The added financial burden leads to significant economic strain, making the project unsustainable.

All City property damaged by or as a result of removal of the Company's property by the Company shall promptly be restored at the Company's expense to substantially the same condition as it was prior to such damage.

Notwithstanding the foregoing, any and all property not removed by the Company prior to the expiration of the Lease Term or the earlier termination of this Lease shall become a part of the Land upon which it is located and title thereto shall automatically vest in the City with prior written notice to the Company within ten (10) days of suggested transfer of ownership. The City reserves the right to remove and dispose of any or all of such property not removed by the Company prior to the expiration of the Lease Term or earlier termination of this Lease, without any liability or obligation to the Company.

ARTICLE 14. EVENTS OF DEFAULT; REMEDIES; TERMINATION

Section 14.01 COMPANY EVENTS OF DEFAULT

The occurrence of any one or more of the following events (each such event being referred to in this Lease as an “Event of Default”) shall constitute a material default and breach of this Lease by the Company:

(a) The Company fails to make any monetary payment required to be made by the Company hereunder within ten (10) days after such payment is due.

(b) The Company fails to observe or perform any covenant, condition or provision of this Lease to be observed or performed by the Company, other than as described in subparagraph (a) above or subparagraphs (d) or (e) below, and such failure shall continue for a period of thirty (30) days after written notice thereof by the City to the Company; provided, however, that if the nature of such failure is such that more than thirty (30) days are reasonably required for its remedy or cure, then such 30-day period shall be extended for up to sixty (60) additional days provided that the Company begins such remedy or cure within such 30-day period and thereafter diligently and continuously prosecutes such remedy or cure to completion within such additional 60-day period. Notwithstanding the forgoing, an Event of Default shall be deemed to exist if Company (i) fails to meet any deadline specified in Section 4.05 (Development Milestones) and such failure continues following five days’ written notice from City, (ii) is in breach in the timely performance of its obligations under Section 7 (Insurance), or (iii) is in breach of Article 16 (Assignment and Sublease), in the case of (ii) and (iii) without any requirement that City provide notice of or opportunity to cure any such breaches.

(e) The Company abandons all or any material part of the Company’s business on the Leased Premises permitted under Article 5 above or ceases to conduct all or any material part of the Company’s business at the Leased Premises permitted under Article 5 above for forty-five (45) days during any period of ninety (90) consecutive days.

Section 14.02 **REMEDIES.**

Upon the occurrence of any Event of Default, the City may at any time thereafter, with or without notice or demand (except as expressly specified in Section 14.01 above or elsewhere in this Lease), and without limiting the City in the exercise of any right or remedy that the City may have by reason of such Event of Default:

(a) Terminate the Company's right to possession of the Leased Premises by any lawful means, in which case this Lease shall terminate and the Company shall surrender possession of the Leased Premises to the City within the provisions of the lease termination. In such event the City shall be entitled to recover from the Company all damages incurred by the City by reason of the Company's default, including but not limited to the cost of recovering possession of the Leased Premises; cost of repairs for any and all damages to the Leased Premises, ordinary wear and tear excepted; cost of any repairs or improvements required to bring the Leased Premises up to code and obtain an certificate of occupancy, if said Leased Premises is left in an untenable state by the Company; and the worth at the time of award by the court having jurisdiction thereof of (i) the amount of unpaid Rent and other unpaid amounts under this Lease which had been earned at the time of termination, (ii) the unpaid Rent and other amounts under this Lease which would have been earned after termination until the time of award. The worth at the time of award of the sums referred to in clauses (i) and (ii) above shall be computed by allowing interest from the due date at the greater of five percent (5%) per annum or the legal rate applicable to money judgments entered by the courts of the State of Florida.

(b) Without terminating this Lease, enter and repossess the Leased Premises, remove the Company's property and signs therefrom, and re-let the same for such rent and upon such terms as shall be satisfactory to the City without such re-entry and repossession working a forfeiture of the Rent and other amounts to be paid and prior to the lease termination, the covenants to be performed by the Company during the remaining Lease Term. For the purpose of such re-letting, the City shall be entitled to make any repairs, changes, alterations or additions in or to the Leased Premises that may be necessary or convenient, and the City shall be entitled to recover from the Company the cost of repairs for any and all damages to the Leased Premises, ordinary wear and tear excepted; and, cost of any repairs or improvements required to bring the Leased Premises up to code and obtain an Certificate of Occupancy, if said Leased Premises is left in an untenable state by the Company.

(c) Maintain the Company's right to possession, in which case this Lease shall continue in effect whether or not the Company shall have abandoned the Leased Premises. (d) Pursue any other remedy now or hereafter available to the City at law or in equity under the laws or judicial decisions of the State of Florida, including without limitation any right or remedy available to a creditor under the Uniform Commercial Code.

Section 14.03 **RIGHTS AND REMEDIES OF THE CITY CUMULATIVE**

All rights and remedies of the City herein created or otherwise existing or arising at law or in equity by reason of any Event of Default are cumulative, and the exercise of one or more rights or remedies shall not operate to exclude or waive the right to the exercise of any other. All such rights and remedies may be exercised and enforced concurrently. Further, failure by the City to take any authorized action upon the occurrence of an Event of Default shall not be construed to be or act as a waiver of said Event of Default or of any subsequent Event of Default. The City's acceptance of Base Rent, Additional Rent or other amounts or payments by the Company for any period or periods after the occurrence of an Event of Default shall not be deemed a waiver of such Event of Default or a waiver of or estoppel to enforce any right or remedy on the part of the City arising or existing by reason of such Event of Default.

END OF ARTICLE

ARTICLE 15. HOLDING OVER

It is agreed and understood that any holding over by the Company, with the City's written consent, after the termination of this Lease, shall not serve to renew and extend same, but shall operate and be construed as a tenancy from month-to-month, subject to all terms and conditions of this Lease, including without limitation all Rent provisions.

Should the Company hold over without the City's written consent, the Company agrees to pay to the City, as monthly Rent during such period of holding over, for such Leased Premises for each month until the Company completely vacates the Leased Premises, two hundred percent (200%) of the sum of (i) Base Rent payable for the last month of the Lease Term, including without limitation applicable taxes and (ii) all Additional Rent and other fees and charges required by this Lease or by City ordinance to be paid by the Company.

The Company shall be liable to the City for all loss or damage resulting from such holding over against the City's will after the termination of this Lease, whether such loss or damage may be contemplated at this time or not. It is expressly agreed that acceptance of the foregoing rental by the City, in the event that the Company fails or refuses to surrender possession, shall not serve to grant the Company any right to remain in possession beyond the period for which such amount has been paid nor shall it constitute a waiver by the City of its right to immediate possession thereafter.

END OF ARTICLE

ARTICLE 16. ASSIGNMENT AND SUBLEASE

Section 16.01 **LEASE ASSIGNMENT**

The Company shall have the right to assign this Lease to its Affiliate identified as the tax credit applicant under the RFA, without any further approval from the City. Except as permitted in the foregoing sentence, the Company shall not assign this Lease or the Company's interest in or to the Leased Premises, or any part thereof, without first having obtained the City's prior written consent which consent shall be in the City's sole and absolute discretion (except for leasing of residential units and granting licenses or other rights of entry upon the Leased Premises for maintenance and upkeep of the Leased Premises or to provide standard services to the residential sublessee (for example providers of internet services and cable television), subject at all times, none of which shall require the prior written consent of City). Without limiting the foregoing, it is a precondition to City review and approval of a requested assignment of this Lease that there shall then exist no uncured Event of Default nor any event or state of facts which with notice or the lapse of time, or both, would constitute an Event of Default. Any transfer of more than fifty percent (50%) of the equity ownership of the Company, whether such transfer of equity ownership occurs pursuant to a single transaction or a series of related transactions, shall be deemed to be an assignment of this Lease for purposes of this Section 16.01.

In the event that the Company requests permission to assign this Lease in whole or in part, the request shall be submitted to the City not less than thirty (30) days prior to the proposed effective date of the assignment requested, and shall be accompanied by a copy of the proposed assignment agreement(s) and of all agreement(s) collateral thereto, together with the following information and any other reasonable and pertinent information requested by the City: the identity and contact information of the assignee, whether the requested assignment is a full or partial assignment of this Lease, details of the proposed assignee's experience in development and operation of multifamily housing projects, and reasonable financial history and financial information of the assignee.

Section 16.02 **LEASED PREMISES SUBLEASE**

The Company shall not sublet the Leased Premises or any part thereof, regardless of the time period, without having first obtained the City's prior written consent, which consent shall be in the City's sole and absolute discretion. Without limiting the generality of the foregoing, it is a precondition to City review and approval of a proposed sublease of the Leased Premises that there shall then exist no uncured Event of Default nor any event or state of facts that with notice or the lapse of time, or both, would constitute an Event of Default.

In the event that the Company requests permission to sublet the Leased Premises in whole or in part to any person or entity other than a resident of a Unit, the request shall be submitted to the City not less than sixty (60) days prior to the proposed effective date of the sublease requested, and shall be accompanied by a copy of the proposed sublease agreement(s) and of all agreement(s) collateral thereto, together with the following information and any other information requested by the City: the identity and contact information of the sublessee, a description of the part of the Leased Premises to be subleased, a statement of the entire consideration to be received by the Company by reason of such sublease (including but not limited to sublease rent and other fees and

charges payable by the sublessee), the type of business to be conducted on subleased premises by the sublessee, and reasonable financial history and financial information of the sublessee.

For purposes of this Section 16.02 and Section 16.03 below, “sublease” and related terms shall include, without limitation, any sublease, license, or agreement, regardless of how denominated, that permits a third party to occupy or use all or any part of the Leased Premises other than those persons who use the Leased Premises in the ordinary course of Company’s business for the use permitted under Article 5 above.

Section 16.03 CONSUMMATION OF ASSIGNMENT OR SUBLEASE

The City’s consent for the assignment or sublease for which the City’s consent is required and for which such consent has been given shall be by written instrument, in form and substance reasonably satisfactory to the City, and shall be executed by the assignee or sublessee who shall agree, in writing, for the benefit of the City, to be bound by and to perform all the terms, covenants, and conditions of this Lease. Failure either to obtain the City’s prior written consent or to comply with the provisions of this Lease shall serve to prevent any such transfer, assignment, or sublease from becoming effective and shall constitute an Event of Default by the Company.

The Company agrees and acknowledges that it shall remain fully and primarily liable for all obligations of Company under this Lease, notwithstanding any full or partial assignment of this Lease or any sublease of all or any portion of the Leased Premises.

ARTICLE 17. DAMAGE OR DESTRUCTION OF LEASED PREMISES; TAKING BY EMINENT DOMAIN

Section 17.01 **LEASED PREMISES -- DAMAGE OR DESTRUCTION**

If at any time during the continuance of this Lease, the Leased Premises shall be so destroyed or so injured by fire or other casualty as to be unfit for full occupancy and use by the Company, and such destruction or injury could reasonably be repaired within three hundred sixty-five (365) days from the date of such destruction or injury, then the Company shall not be entitled to surrender possession of the Leased Premises; provided, however, that the Company's obligation to pay Rent shall be equitably reduced to the extent of the diminution in use to the Company resulting from such destruction or injury until full use and occupancy is restored to the Company. The Company shall repair the damage with all reasonable speed at least to the extent of the value and as nearly as possible to the character and quality of the building and improvements existing immediately prior to such occurrence. In no event shall the abatement or diminution of rent extend beyond a period of three hundred sixty-five (365) days from the date of destruction or injury.

If the Leased Premises shall be so destroyed or injured by fire or other casualty that such destruction or injury could not reasonably be repaired within three hundred sixty-five (365) days from the date of such destruction or injury, the Company shall have the option, upon written notice given to the City within thirty (30) days from the date of such destruction or injury, to terminate this Lease, and upon giving of such notice this Lease shall be terminated as of the date of such destruction or injury. In such event, the City shall be entitled to use any and all insurance proceeds for the purpose of removing the damaged structure from the property and bringing the property into the same condition as existed at the commencement of the Lease. In the event the Company elects not to terminate this Lease in accordance with the foregoing options, the Company shall repair the damage and restore or rebuild the building and improvements as promptly as reasonably possible after the three hundred sixty-five (365) day period, in which case the period of rent abatement or diminution shall be extended until full use and occupancy is restored to the Company. In no event, shall the prior of abatement or diminution of rent extend beyond a period of twelve (12) months from the date of destruction or injury, unless otherwise mutually agreed by the parties.

Notwithstanding the foregoing provisions of this Article, in the event of damage or destruction, as aforesaid, such that fifty percent (50%) or more of the total floor area of the buildings included as part of the Leased Premises is rendered unfit for occupancy and use by the Company during the last three (3) years of the Lease Term, then either Party shall have the option, upon written notice given to the other Party within thirty (30) days from the date of such destruction or injury, to terminate this Lease, and upon the giving of such notice this Lease shall be terminated as of the date of such destruction or injury.

Section 17.02 **TAKING BY EMINENT DOMAIN**

In the event the Leased Premises or any portion thereof shall be taken for public or quasi-public use or condemned under eminent domain, then if and when there is an actual taking which shall render the Leased Premises unfit for the use and occupancy by the Company substantially as used and occupied prior to such taking, the Company may terminate this Lease. The Leased Premises shall be deemed to be unfit for use by the Company if the area of the portion thereof remaining after such taking is less than sufficient to accommodate the operations carried on by the Company

just prior to such taking. If the Company elects to terminate this Lease as provided above, it shall give written notice to the City within thirty (30) days after the later of (a) the entry of the final order of court authorizing the taking or appropriation or the date of settlement, as the case may be, or (b) the taking of physical possession by the condemner.

END OF ARTICLE

ARTICLE 18. TAXES

Section 18.01 **PAYMENT OF TAXES**

The Company shall pay all taxes that may be levied upon, assessed, or charged the Company or its property located on the Leased Premises by the United States, the State of Florida or any of its political subdivisions, or Escambia County or the City, or any other taxing authority not otherwise exempted pursuant to applicable law, and shall obtain and pay for all licenses and permits required by law. It is understood that Company will seek a property tax exemption pursuant to the Live Local Act.

Section 18.02 **REAL PROPERTY TAXES**

The Company shall be responsible for all real property taxes applicable to the Leased Premises during the Lease Term. If any such taxes paid by the Company shall cover any period of time prior to or after the expiration of the Lease Term, the Company's share of such taxes shall be equitably prorated to cover only the period of time within the tax year during which this Lease shall be in effect, and the City shall reimburse the Company to the extent required. If the Company shall fail to pay any such taxes, the City shall have the right, but not the obligation, to pay the same, in which case the Company shall repay such amount to the City upon demand, together with interest at the highest rate allowed by law.

Section 18.03 **DEFINITION**

As used herein the term "real property tax" shall mean all ad valorem and non-ad valorem taxes and assessments (including interest and penalties thereon) which are imposed against any legal or equitable interest of the City or the Company in the Leased Premises or any portion thereof by the City, Escambia County or the State of Florida or by any school, agricultural, lighting, fire, mosquito control, water, drainage or other improvement, benefits or tax district thereof, and which are collected by the Escambia County, Florida, Tax Collector, together with any tax imposed in substitution, partially or totally, of any tax previously included within the definition of "real property tax" and any additional tax the nature of which was previously included within the definition of "real property tax".

Section 18.04 **CONTEST**

The Company may contest the legal validity or amount of any taxes, assessment, or charges for which the Company is responsible under this Lease, and may institute such proceedings as the Company considers necessary. If the Company protests any such tax, assessment or charge, the Company may withhold or defer payment or pay under protest but shall indemnify and hold the City and the Leased Premises harmless from and against any claim or lien against the City or the Leased Premises arising out of the Company's failure to pay the contested taxes, assessments or charges. City agrees to reasonably cooperate, at no cost to City, with any effort on the part of Company to appeal any tax assessment.

Section 18.05 **PERSONAL PROPERTY TAXES**

The Company shall pay prior to delinquency all taxes assessed against and levied upon trade fixtures, furnishings, equipment and all other personal property of the Company contained in the Leased Premises. When possible, the Company shall cause said trade fixtures, furnishings, equipment and all other personal property to be assessed and billed separately from the Land and

Leased Premises. If any of the Company's said personal property shall be assessed with the Land or Leased Premises, the Company shall pay the taxes attributable to the Company within ten (10) days prior to the delinquency date for payment of such taxes.

ARTICLE 19. ENCUMBRANCE OF LEASEHOLD ESTATE; LEASEHOLD FINANCING;
AND NOTICE TO MORTGAGEES AND INVESTOR

Section 19.01 **RIGHT TO MORTGAGE**

The Company shall have the right to grant such mortgages of its interest in the Lease and the Leased Premises (each a “Leasehold Mortgage” and collectively, the “Leasehold Mortgages”) to those lenders identified in any credit underwriting report issued in connection with an allocation of Housing Credits for the Project (each a “Leasehold Mortgagee” and collectively, the “Leasehold Mortgagees”), and, in connection therewith, to pledge or assign its interest in this Lease to such Leasehold Mortgagees. Company shall deliver to City a written notification containing the name and the address(es) to which notices to the Leasehold Mortgagee are to be sent. Neither the Company nor any of the Company’s permitted successor(s) in interest to the Project or any part thereof shall, without the prior written consent of City, engage in any financing or other transaction creating any mortgage or other encumbrances or lien upon the Project, whether by express agreement or operation of law, or suffer any encumbrance or lien to be made on or attach to the Project, except for (i) the Leasehold Mortgages to a Leasehold Mortgagee, and (ii) for the refinancing, replacement or substitution of a loan secured by a Leasehold Mortgage for a new or modified loan (or a portion thereof) secured by a then existing Leasehold Mortgage, as the same may then be modified or amended or by a new or leasehold mortgage granted to a new or existing lender, and in such case, such new or modified leasehold mortgage shall be deemed a Leasehold Mortgage for purposes hereof and such new or existing lender shall be deemed a Leasehold Mortgagee.

(a) Leasehold Mortgagees shall have the right:

1. To do any act or thing required of Company hereunder and all such acts or things done and performed shall be as effective to prevent a forfeiture of Company’s rights hereunder as if done by the Company; and
2. To realize on the security afforded by the leasehold estate by exercising foreclosure proceedings or power of sale or other remedy afforded in law or in equity or by the security documents (hereinafter sometimes collectively referred to as “foreclosure sale”) or to acquire by deed-in-lieu, and to transfer, convey, or assign the title of Company to the leasehold estate created hereby to any purchaser at any such foreclosure sale or transfer from Lender if Lender acquires by a deed-in-lieu and to acquire and succeed to the interest of Company hereunder by virtue of any such foreclosure sale or deed-in-lieu.

(b) In the event of a default by the Company under this Lease, the rights of City may not be exercised until written notice of such default is delivered to Lender, or to the person or firm designated by any such Lender, by written notice to City, to accept such notices, and any applicable cure period has expired. Lender shall have the same notice and cure rights as are provided to Company under this Lease, except that Lender shall have the right to cure a monetary default as described in Section 14.01(a) within ten (10) days from delivery of said notice.

(c) Lender shall not be liable to the City as an assignee of this Lease unless and until such time as such Lender shall acquire the rights of Company hereunder through foreclosure or other appropriate proceedings in the nature thereof, or by deed-in-lieu, or as a result of any other action or remedy provided for by such mortgage, or which may otherwise be provided by law.

(d) No modification or voluntary surrender by the Company of this Lease shall be made without the consent of Lender if Lender has requested such authority to consent by written notice delivered to City.

(e) The City agrees to provide an estoppel certificate upon written request of Lender acknowledging that (to the extent true and noting any exceptions) this Lease is in full force and effect; that there are no defaults that exist under the Lease; that the Rent is current; and such other matters as Lender may reasonably require.

Section 19.02 CONSENT REQUIRED FOR TERMINATION AND AMENDMENTS

No cancellation, termination, surrender or modification of this Lease for any reason (whether by reason of a default on the part of either City or Company, by agreement between City and Company or otherwise) shall be effective as to any Leasehold Mortgagee without its prior written consent, which may be withheld or granted in such Leasehold Mortgagee's sole and absolute discretion. Notice of any such consent by Leasehold Mortgagee shall be delivered to City pursuant to the provisions hereof.

Section 19.03 DEFAULT NOTICE

City, upon providing Company with any notice of default under this Lease, shall at the same time provide a copy of such notice to every Leasehold Mortgagee of whom it has knowledge pursuant to notice from Company provided in accordance with Section 19.01 hereof. City's failure to give notice to every Leasehold Mortgagee shall not however affect the validity of the notice provided to Company or allow Company additional time to cure a default. Notice to any Leasehold Mortgagee shall be given in the manner herein. Any Leasehold Mortgagee shall have the same period, after the giving of such notice to the Company, for remedying any default or causing the same to be remedied, as is given Company after the giving of such notice to Company, plus, in each instance, the additional periods of time specified in Section 19.01 to remedy, commence remedying or cause to be remedied the defaults specified in any such notice. City shall accept such payment or performance by or at the instigation of such Leasehold Mortgagee as if the same had been done by Company. Subject to the terms of this Lease, Company authorizes any and each Leasehold Mortgagee to take any such action at such Leasehold Mortgagee's option and does hereby authorize entry upon the Leased Premises by the Leasehold Mortgagee for such purpose.

Section 19.04 NO OTHER ENCUMBRANCES

Company shall not encumber by mortgage or other security instrument, by way of collateral assignment, or otherwise, Company's interest in this leasehold estate without the prior written consent of City, which consent shall not be unreasonably withheld, conditioned or delayed, except that Company may, without City's consent: (i) assign or mortgage this Lease to any Leasehold Mortgagee; (ii) create or suffer to exist (a) any inchoate lien for taxes or municipal obligations, or (b) other transfers or encumbrances expressly permitted herein..

In addition to complying with all requirements of Article 10 above, before commencing any work of any kind on or to the Leased Premises, the Company shall give the City at least ten (10) business days' written notice of the proposed work and proposed commencement date in order to afford the City an opportunity to post appropriate notices of non-responsibility. The forgoing indemnity shall survive expiration or termination of this Lease.

Section 11.05 PERFORMANCE

In the event that the Company refuses or fails to undertake and complete any maintenance, repair or replacements within thirty (30) days after written notice from the City or, in the event of exigent circumstances, such lesser time as the City specifies in such written notice, then and in any such event the City shall have the right, but not the obligation, to perform such maintenance, repair or replacement on behalf of and for the Company. The costs of such maintenance, repair or replacement, plus twenty-five (25.0%) percent for administration, shall be reimbursed by the Company to the City no later than 30 days following receipt by the Company of written demand from the City for same.

Section 11.06 UTILITIES

The Company shall, at no cost to the City, arrange for all utilities necessary to serve the Leased Premises and promptly pay when due all the utilities costs incurred with respect to the Leased Premises. The Company shall pay or cause to be paid any and all charges for water, heat, gas, electricity, sewer, telephone, internet, cable, and any and all other utilities used on the Leased Premises throughout the Lease Term, including, but not limited to, any connection fees and any and all additional third party costs related to utility connection, metering, maintenance, repair, and usage, but not including any amounts which are the responsibility of Project tenants.

The Company shall be responsible for the maintenance and repair of all exterior telephone, internet, cable, water, gas, sewer, and electrical utility lines required for the Leased Premises commencing at the point(s) where said utilities enter upon the Leased Premises. The City shall have no obligations related to said maintenance and repair. The Company shall coordinate any required maintenance and repair with the appropriate utility company.

Section 11.07 UTILITIES SUPPLY OR CHARACTER

At the expiration or termination of the Lease and any extensions, ownership and control of the Leased Premises (including the Project) shall be and remain with the City.

Section 12.02 **TITLE TO PERSONAL PROPERTY**

The Company shall not, directly or indirectly, allow the disposal or discharge of Hazardous Substances on the Leased Premises, but in no way does this prohibit material to be properly stored in the Leased Premises consistent with the proposed use thereof and consistent with all applicable laws governing storage of same.

The Company shall be solely responsible for the payment of any and all fines, fees, penalties, assessments or citations issued as a result of the Company's failure to comply with applicable Environmental Laws whether such fine, fee, penalty, assessment or citation be issued to the Company directly or the City as the property owner.

ARTICLE 14. EVENTS OF DEFAULT; REMEDIES; TERMINATION

Section 14.01 COMPANY EVENTS OF DEFAULT

The occurrence of any one or more of the following events (each such event being referred to in this Lease as an “Event of Default”) shall constitute a material default and breach of this Lease by the Company:

(a) The Company fails to make any monetary payment required to be made by the Company hereunder within ten (10) days after such payment is due.

(b) The Company fails to observe or perform any covenant, condition or provision of this Lease to be observed or performed by the Company, other than as described in subparagraph (a) above or subparagraphs (d) or (e) below, and such failure shall continue for a period of thirty (30) days after written notice thereof by the City to the Company; provided, however, that if the nature of such failure is such that more than thirty (30) days are reasonably required for its remedy or cure, then such 30-day period shall be extended for up to sixty (60) additional days provided that the Company begins such remedy or cure within such 30-day period and thereafter diligently and continuously prosecutes such remedy or cure to completion within such additional 60-day period. Notwithstanding the forgoing, an Event of Default shall be deemed to exist if Company (i) fails to meet any deadline specified in Section 4.05 (Development Milestones) and such failure continues following five days’ written notice from City, (ii) is in breach in the timely performance of its obligations under Section 7 (Insurance), or (iii) is in breach of Article 16 (Assignment and Sublease), in the case of (ii) and (iii) without any requirement that City provide notice of or opportunity to cure any such breaches.

(c) The Company files a voluntary petition in bankruptcy or any petition or answer seeking or acquiescing in any reorganization, rehabilitation, arrangement, composition, readjustment, liquidation, dissolution or other relief under any present or future federal, state or other statute, law or regulation relating to bankruptcy, insolvency or other relief for debtors; or an order for relief is entered in an involuntary bankruptcy case filed against the Company and such order is not reversed within ninety (90) days thereafter; or the Company seeks or consents to or acquiesces in the appointment of any trustee, custodian, receiver or liquidator of itself or of all or any part of its assets or any interest therein; or the Company shall make a general assignment for the benefit of its creditors.

(d) A petition or case is filed against the Company seeking any reorganization, rehabilitation, arrangement, composition, readjustment, liquidation, dissolution or other relief under any present or future federal, state or other statute, law or regulation relating to bankruptcy, insolvency or other relief for debtors, or the appointment of any trustee, custodian, receiver or liquidator of the Company or of all or any part of its assets or any interest therein, and such petition, case or appointment is not dismissed within ninety (90) days after such filing or appointment.

(e) The Company abandons all or any material part of the Company’s business on the Leased Premises permitted under Article 5 above or ceases to conduct all or any material part of the Company’s business at the Leased Premises permitted under Article 5 above for forty-five (45) days during any period of ninety (90) consecutive days.

Section 14.02 **REMEDIES.**

Upon the occurrence of any Event of Default, the City may at any time thereafter, with or without notice or demand (except as expressly specified in Section 14.01 above or elsewhere in this Lease), and without limiting the City in the exercise of any right or remedy that the City may have by reason of such Event of Default:

(a) Terminate the Company's right to possession of the Leased Premises by any lawful means, in which case this Lease shall terminate and the Company shall surrender possession of the Leased Premises to the City within the provisions of the lease termination. In such event the City shall be entitled to recover from the Company all damages incurred by the City by reason of the Company's default, including but not limited to the cost of recovering possession of the Leased Premises; cost of repairs for any and all damages to the Leased Premises, ordinary wear and tear excepted; cost of any repairs or improvements required to bring the Leased Premises up to code and obtain an certificate of occupancy, if said Leased Premises is left in an untenable state by the Company; and the worth at the time of award by the court having jurisdiction thereof of (i) the amount of unpaid Rent and other unpaid amounts under this Lease which had been earned at the time of termination, (ii) the unpaid Rent and other amounts under this Lease which would have been earned after termination until the time of award. The worth at the time of award of the sums referred to in clauses (i) and (ii) above shall be computed by allowing interest from the due date at the greater of five percent (5%) per annum or the legal rate applicable to money judgments entered by the courts of the State of Florida.

(b) Without terminating this Lease, enter and repossess the Leased Premises, remove the Company's property and signs therefrom, and re-let the same for such rent and upon such terms as shall be satisfactory to the City without such re-entry and repossession working a forfeiture of the Rent and other amounts to be paid and prior to the lease termination, the covenants to be performed by the Company during the remaining Lease Term. For the purpose of such re-letting, the City shall be entitled to make any repairs, changes, alterations or additions in or to the Leased Premises that may be necessary or convenient, and the City shall be entitled to recover from the Company the cost of repairs for any and all damages to the Leased Premises, ordinary wear and tear excepted; and, cost of any repairs or improvements required to bring the Leased Premises up to code and obtain an Certificate of Occupancy, if said Leased Premises is left in an untenable state by the Company.

(c) Maintain the Company's right to possession, in which case this Lease shall continue in effect whether or not the Company shall have abandoned the Leased Premises. In such event the City shall be entitled to enforce all of the City's rights and remedies under this Lease, including the right to recover Rent and other amounts as they become due hereunder.

(d) Pursue any other remedy now or hereafter available to the City at law or in equity under the laws or judicial decisions of the State of Florida, including without limitation any right or remedy available to a creditor under the Uniform Commercial Code.

Section 14.03 **RIGHTS AND REMEDIES OF THE CITY CUMULATIVE**

All rights and remedies of the City herein created or otherwise existing or arising at law or in equity by reason of any Event of Default are cumulative, and the exercise of one or more rights or remedies shall not operate to exclude or waive the right to the exercise of any other. All such rights and remedies may be exercised and enforced concurrently. Further, failure by the City to take any authorized action upon the occurrence of an Event of Default shall not be construed to be or act as a waiver of said Event of Default or of any subsequent Event of Default. The City's acceptance of Base Rent, Additional Rent or other amounts or payments by the Company for any period or periods after the occurrence of an Event of Default shall not be deemed a waiver of such Event of Default or a waiver of or estoppel to enforce any right or remedy on the part of the City arising or existing by reason of such Event of Default.

END OF ARTICLE

ARTICLE 15. HOLDING OVER

It is agreed and understood that any holding over by the Company, with the City's written consent, after the termination of this Lease, shall not serve to renew and extend same, but shall operate and be construed as a tenancy from month-to-month, subject to all terms and conditions of this Lease, including without limitation all Rent provisions.

Should the Company hold over without the City's written consent, the Company agrees to pay to the City, as monthly Rent during such period of holding over, for such Leased Premises for each month until the Company completely vacates the Leased Premises, two hundred percent (200%) of the sum of (i) Base Rent payable for the last month of the Lease Term, including without limitation applicable taxes and (ii) all Additional Rent and other fees and charges required by this Lease or by City ordinance to be paid by the Company.

The Company shall be liable to the City for all loss or damage resulting from such holding over against the City's will after the termination of this Lease, whether such loss or damage may be contemplated at this time or not. It is expressly agreed that acceptance of the foregoing rental by the City, in the event that the Company fails or refuses to surrender possession, shall not serve to grant the Company any right to remain in possession beyond the period for which such amount has been paid nor shall it constitute a waiver by the City of its right to immediate possession thereafter.

END OF ARTICLE

ARTICLE 16. ASSIGNMENT AND SUBLEASE

Section 16.01 **LEASE ASSIGNMENT**

The Company shall have the right to assign this Lease to its Affiliate identified as the tax credit applicant under the RFA, without any further approval from the City. Except as permitted in the foregoing sentence, the Company shall not assign this Lease or the Company's interest in or to the Leased Premises, or any part thereof, without first having obtained the City's prior written consent which consent shall be in the City's sole and absolute discretion (except for leasing of residential units and granting licenses or other rights of entry upon the Leased Premises for maintenance and upkeep of the Leased Premises or to provide standard services to the residential sublessee (for example providers of internet services and cable television), subject at all times, none of which shall require the prior written consent of City). Without limiting the foregoing, it is a precondition to City review and approval of a requested assignment of this Lease that there shall then exist no uncured Event of Default nor any event or state of facts which with notice or the lapse of time, or both, would constitute an Event of Default. Any transfer of more than fifty percent (50%) of the equity ownership of the Company, whether such transfer of equity ownership occurs pursuant to a single transaction or a series of related transactions, shall be deemed to be an assignment of this Lease for purposes of this Section 16.01.

In the event that the Company requests permission to assign this Lease in whole or in part, the request shall be submitted to the City not less than thirty (30) days prior to the proposed effective date of the assignment requested, and shall be accompanied by a copy of the proposed assignment agreement(s) and of all agreement(s) collateral thereto, together with the following information and any other reasonable and pertinent information requested by the City: the identity and contact information of the assignee, whether the requested assignment is a full or partial assignment of this Lease, details of the proposed assignee's experience in development and operation of multifamily housing projects, and reasonable financial history and financial information of the assignee.

Section 16.02 **LEASED PREMISES SUBLEASE**

The Company shall not sublet the Leased Premises or any part thereof, regardless of the time period, without having first obtained the City's prior written consent, which consent shall be in the City's sole and absolute discretion. Without limiting the generality of the foregoing, it is a precondition to City review and approval of a proposed sublease of the Leased Premises that there shall then exist no uncured Event of Default nor any event or state of facts that with notice or the lapse of time, or both, would constitute an Event of Default.

In the event that the Company requests permission to sublet the Leased Premises in whole or in part to any person or entity other than a resident of a Unit, the request shall be submitted to the City not less than sixty (60) days prior to the proposed effective date of the sublease requested, and shall be accompanied by a copy of the proposed sublease agreement(s) and of all agreement(s) collateral thereto, together with the following information and any other information requested by the City: the identity and contact information of the sublessee, a description of the part of the Leased Premises to be subleased, a statement of the entire consideration to be received by the Company by reason of such sublease (including but not limited to sublease rent and other fees and

charges payable by the sublessee), the type of business to be conducted on subleased premises by the sublessee, and reasonable financial history and financial information of the sublessee.

For purposes of this Section 16.02 and Section 16.03 below, “sublease” and related terms shall include, without limitation, any sublease, license, or agreement, regardless of how denominated, that permits a third party to occupy or use all or any part of the Leased Premises other than those persons who use the Leased Premises in the ordinary course of Company’s business for the use permitted under Article 5 above.

Section 16.03 CONSUMMATION OF ASSIGNMENT OR SUBLEASE

The City’s consent for the assignment or sublease for which the City’s consent is required and for which such consent has been given shall be by written instrument, in form and substance reasonably satisfactory to the City, and shall be executed by the assignee or sublessee who shall agree, in writing, for the benefit of the City, to be bound by and to perform all the terms, covenants, and conditions of this Lease. Failure either to obtain the City’s prior written consent or to comply with the provisions of this Lease shall serve to prevent any such transfer, assignment, or sublease from becoming effective and shall constitute an Event of Default by the Company.

The Company agrees and acknowledges that it shall remain fully and primarily liable for all obligations of Company under this Lease, notwithstanding any full or partial assignment of this Lease or any sublease of all or any portion of the Leased Premises.

END OF ARTICLE

ARTICLE 17. DAMAGE OR DESTRUCTION OF LEASED PREMISES; TAKING BY EMINENT DOMAIN

Section 17.01 **LEASED PREMISES -- DAMAGE OR DESTRUCTION**

If at any time during the continuance of this Lease, the Leased Premises shall be so destroyed or so injured by fire or other casualty as to be unfit for full occupancy and use by the Company, and such destruction or injury could reasonably be repaired within three hundred sixty-five (365) days from the date of such destruction or injury, then the Company shall not be entitled to surrender possession of the Leased Premises; provided, however, that the Company's obligation to pay Rent shall be equitably reduced to the extent of the diminution in use to the Company resulting from such destruction or injury until full use and occupancy is restored to the Company. The Company shall repair the damage with all reasonable speed at least to the extent of the value and as nearly as possible to the character and quality of the building and improvements existing immediately prior to such occurrence. In no event shall the abatement or diminution of rent extend beyond a period of three hundred sixty-five (365) days from the date of destruction or injury.

If the Leased Premises shall be so destroyed or injured by fire or other casualty that such destruction or injury could not reasonably be repaired within three hundred sixty-five (365) days from the date of such destruction or injury, the Company shall have the option, upon written notice given to the City within thirty (30) days from the date of such destruction or injury, to terminate this Lease, and upon giving of such notice this Lease shall be terminated as of the date of such destruction or injury. In such event, the City shall be entitled to use any and all insurance proceeds for the purpose of removing the damaged structure from the property and bringing the property into the same condition as existed at the commencement of the Lease. In the event the Company elects not to terminate this Lease in accordance with the foregoing options, the Company shall repair the damage and restore or rebuild the building and improvements as promptly as reasonably possible after the three hundred sixty-five (365) day period, in which case the period of rent abatement or diminution shall be extended until full use and occupancy is restored to the Company. In no event, shall the prior of abatement or diminution of rent extend beyond a period of twelve (12) months from the date of destruction or injury, unless otherwise mutually agreed by the parties.

Notwithstanding the foregoing provisions of this Article, in the event of damage or destruction, as aforesaid, such that fifty percent (50%) or more of the total floor area of the buildings included as part of the Leased Premises is rendered unfit for occupancy and use by the Company during the last three (3) years of the Lease Term, then either Party shall have the option, upon written notice given to the other Party within thirty (30) days from the date of such destruction or injury, to terminate this Lease, and upon the giving of such notice this Lease shall be terminated as of the date of such destruction or injury.

Section 17.02 **TAKING BY EMINENT DOMAIN**

In the event the Leased Premises or any portion thereof shall be taken for public or quasi-public use or condemned under eminent domain, then if and when there is an actual taking which shall render the Leased Premises unfit for the use and occupancy by the Company substantially as used and occupied prior to such taking, the Company may terminate this Lease. The Leased Premises shall be deemed to be unfit for use by the Company if the area of the portion thereof remaining after such taking is less than sufficient to accommodate the operations carried on by the Company

just prior to such taking. If the Company elects to terminate this Lease as provided above, it shall give written notice to the City within thirty (30) days after the later of (a) the entry of the final order of court authorizing the taking or appropriation or the date of settlement, as the case may be, or (b) the taking of physical possession by the condemner.

END OF ARTICLE

ARTICLE 18. TAXES

Section 18.01 **PAYMENT OF TAXES**

The Company shall pay all taxes that may be levied upon, assessed, or charged the Company or its property located on the Leased Premises by the United States, the State of Florida or any of its political subdivisions, or Escambia County or the City, or any other taxing authority not otherwise exempted pursuant to applicable law, and shall obtain and pay for all licenses and permits required by law. It is understood that Company will seek a property tax exemption pursuant to the Live Local Act.

Section 18.02 **REAL PROPERTY TAXES**

The Company shall be responsible for all real property taxes applicable to the Leased Premises during the Lease Term. If any such taxes paid by the Company shall cover any period of time prior to or after the expiration of the Lease Term, the Company's share of such taxes shall be equitably prorated to cover only the period of time within the tax year during which this Lease shall be in effect, and the City shall reimburse the Company to the extent required. If the Company shall fail to pay any such taxes, the City shall have the right, but not the obligation, to pay the same, in which case the Company shall repay such amount to the City upon demand, together with interest at the highest rate allowed by law.

Section 18.03 **DEFINITION**

As used herein the term "real property tax" shall mean all ad valorem and non-ad valorem taxes and assessments (including interest and penalties thereon) which are imposed against any legal or equitable interest of the City or the Company in the Leased Premises or any portion thereof by the City, Escambia County or the State of Florida or by any school, agricultural, lighting, fire, mosquito control, water, drainage or other improvement, benefits or tax district thereof, and which are collected by the Escambia County, Florida, Tax Collector, together with any tax imposed in substitution, partially or totally, of any tax previously included within the definition of "real property tax" and any additional tax the nature of which was previously included within the definition of "real property tax".

Section 18.04 **CONTEST**

The Company may contest the legal validity or amount of any taxes, assessment, or charges for which the Company is responsible under this Lease, and may institute such proceedings as the Company considers necessary. If the Company protests any such tax, assessment or charge, the Company may withhold or defer payment or pay under protest but shall indemnify and hold the City and the Leased Premises harmless from and against any claim or lien against the City or the Leased Premises arising out of the Company's failure to pay the contested taxes, assessments or charges. City agrees to reasonably cooperate, at no cost to City, with any effort on the part of Company to appeal any tax assessment.

Section 18.05 **PERSONAL PROPERTY TAXES**

The Company shall pay prior to delinquency all taxes assessed against and levied upon trade fixtures, furnishings, equipment and all other personal property of the Company contained in the Leased Premises. When possible, the Company shall cause said trade fixtures, furnishings, equipment and all other personal property to be assessed and billed separately from the Land and

Leased Premises. If any of the Company's said personal property shall be assessed with the Land or Leased Premises, the Company shall pay the taxes attributable to the Company within ten (10) days prior to the delinquency date for payment of such taxes.

ARTICLE 19. ENCUMBRANCE OF LEASEHOLD ESTATE; LEASEHOLD FINANCING;
AND NOTICE TO MORTGAGEES AND INVESTOR

Section 19.01 **RIGHT TO MORTGAGE**

The Company shall have the right to grant such mortgages of its interest in the Lease and the Leased Premises (each a “Leasehold Mortgage” and collectively, the “Leasehold Mortgages”) to those lenders identified in any credit underwriting report issued in connection with an allocation of Housing Credits for the Project (each a “Leasehold Mortgagee” and collectively, the “Leasehold Mortgagees”), and, in connection therewith, to pledge or assign its interest in this Lease to such Leasehold Mortgagees. Company shall deliver to City a written notification containing the name and the address(es) to which notices to the Leasehold Mortgagee are to be sent. Neither the Company nor any of the Company’s permitted successor(s) in interest to the Project or any part thereof shall, without the prior written consent of City, engage in any financing or other transaction creating any mortgage or other encumbrances or lien upon the Project, whether by express agreement or operation of law, or suffer any encumbrance or lien to be made on or attach to the Project, except for (i) the Leasehold Mortgages to a Leasehold Mortgagee, and (ii) for the refinancing, replacement or substitution of a loan secured by a Leasehold Mortgage for a new or modified loan (or a portion thereof) secured by a then existing Leasehold Mortgage, as the same may then be modified or amended or by a new or leasehold mortgage granted to a new or existing lender, and in such case, such new or modified leasehold mortgage shall be deemed a Leasehold Mortgage for purposes hereof and such new or existing lender shall be deemed a Leasehold Mortgagee.

(a) Leasehold Mortgagees shall have the right:

1. To do any act or thing required of Company hereunder and all such acts or things done and performed shall be as effective to prevent a forfeiture of Company’s rights hereunder as if done by the Company; and
2. To realize on the security afforded by the leasehold estate by exercising foreclosure proceedings or power of sale or other remedy afforded in law or in equity or by the security documents (hereinafter sometimes collectively referred to as “foreclosure sale”) or to acquire by deed-in-lieu, and to transfer, convey, or assign the title of Company to the leasehold estate created hereby to any purchaser at any such foreclosure sale or transfer from Lender if Lender acquires by a deed-in-lieu and to acquire and succeed to the interest of Company hereunder by virtue of any such foreclosure sale or deed-in-lieu.

(b) In the event of a default by the Company under this Lease, the rights of City may not be exercised until written notice of such default is delivered to Lender, or to the person or firm designated by any such Lender, by written notice to City, to accept such notices, and any applicable cure period has expired. Lender shall have the same notice and cure rights as are provided to Company under this Lease, except that Lender shall have the right to cure a monetary default as described in Section 14.01(a) within ten (10) days from delivery of said notice.

(c) Lender shall not be liable to the City as an assignee of this Lease unless and until such time as such Lender shall acquire the rights of Company hereunder through foreclosure or other appropriate proceedings in the nature thereof, or by deed-in-lieu, or as a result of any other action or remedy provided for by such mortgage, or which may otherwise be provided by law.

(d) No modification or voluntary surrender by the Company of this Lease shall be made without the consent of Lender if Lender has requested such authority to consent by written notice delivered to City.

No cancellation, termination, surrender or modification of this Lease for any reason (whether by reason of a default on the part of either City or Company, by agreement between City and Company or otherwise) shall be effective as to any Leasehold Mortgagee without its prior written consent, which may be withheld or granted in such Leasehold Mortgagee's sole and absolute discretion. Notice of any such consent by Leasehold Mortgagee shall be delivered to City pursuant to the provisions hereof.

Section 19.03 DEFAULT NOTICE

City, upon providing Company with any notice of default under this Lease, shall at the same time provide a copy of such notice to every Leasehold Mortgagee of whom it has knowledge pursuant to notice from Company provided in accordance with Section 19.01 hereof. City's failure to give notice to every Leasehold Mortgagee shall not however affect the validity of the notice provided to Company or allow Company additional time to cure a default. Notice to any Leasehold Mortgagee shall be given in the manner herein. Any Leasehold Mortgagee shall have the same period, after the giving of such notice to the Company, for remedying any default or causing the same to be remedied, as is given Company after the giving of such notice to Company, plus, in each instance, the additional periods of time specified in Section 19.01 to remedy, commence remedying or cause to be remedied the defaults specified in any such notice. City shall accept such payment or performance by or at the instigation of such Leasehold Mortgagee as if the same had been done by Company. Subject to the terms of this Lease, Company authorizes any and each Leasehold Mortgagee to take any such action at such Leasehold Mortgagee's option and does hereby authorize entry upon the Leased Premises by the Leasehold Mortgagee for such purpose.

Section 19.04 NO OTHER ENCUMBRANCES

Section 20.11 INVALID PROVISIONS

In the event that any covenant, condition, or provision herein contained is held to be invalid by a court of competent jurisdiction, the invalidity of any such covenant, condition, or provision shall in no way affect any other covenant, condition, or provision herein contained, provided that the invalidity of any such covenant, condition, or provision does not materially prejudice either the City or the Company in its respective rights and obligations contained in the valid covenants, conditions, and provisions of this Lease.

Section 20.12 NONLIABILITY OF INDIVIDUALS

No director, officer, agent, elected official, or employee of either Party shall be charged personally or held contractually liable by or to the other Party under any term or provision of this Lease or because of any breach hereof or because of its or their execution or attempted execution.

by the Company shall not be deemed a waiver of the event of the default cured by payments made by the Company to the City, and any right on the part of the City to terminate this Lease after the default is cured and payment is received by the City is waived by the City's acceptance of the money that may be the basis of the event of the default.

Section 20.15 PUBLIC RECORDS LAWS

As a result, any written communication created or received by the City will be made available to the public and media, upon request, unless a statutory exemption from such disclosure exists. The Company is a private Company and is not ordinarily subject to Public Records Laws, but shall comply with the Florida Public Records Law in effect from time to time if and to the extent that the Florida Public Records Law is applicable to the Company.

Section 20.17 SUCCESSORS AND ASSIGNS

The provisions of this Lease shall be binding upon and inure to the benefit of the successors and assigns of the Parties hereto; provided, however, that this provision shall in no way whatsoever alter the restriction herein regarding assignment and sublease by the Company.

Section 20.18 NO PARTNERSHIP

Nothing in this agreement constitutes a partnership or joint venture between the Parties. It is the express intention of the Parties to deny any such relationship.

Section 20.19 THIRD PARTIES

Nothing in this Lease, express or implied, is intended to or shall confer upon any person, other than the Parties and their respective permitted successors and assigns, any right, benefit or remedy of any nature whatsoever under or by reason of this Lease.

Section 20.20 TIME IS OF THE ESSENCE

Time is of the essence of this Lease.

Section 20.21 RADON

Levels of radon that exceed Federal and State Guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county public health unit.

Section 20.22 OPTION EXPANSION

In the event that the City acquires title to that certain parcel of real property located at 2301 W. Cervantes Street, Pensacola, Florida, as more particularly described in Exhibit B (the “Additional Land”) attached hereto, then the City shall deliver written notice to the Company notifying it of such acquisition within 90 days following closing (“Acquisition Notice”). The Company may thereafter elect to expand the Land to additionally include such property (“Expansion Option”). Any such election to exercise the Expansion Option shall be by written notice to the Company within 30 days following delivery of the Acquisition Notice.

Section 20.23 RIGHT TO CANCEL

Notwithstanding anything in this Lease to the contrary, there shall exist the following rights to terminate this Lease, and, in the event of such termination, the parties shall be discharged from any and all liabilities and obligations arising under this Lease except for those which expressly survive termination.

(a) The Company may terminate this Lease for any reason or no reason in the Company’s discretion upon written notice delivered to the City within 60 days following the Effective Date.

(b) In the event the Company fails to be awarded funds in response to its application to the RFA by the Award Deadline, then (i) the Company may terminate this Lease upon written notice delivered to the City within 30 days of the date of the Award Deadline, and (ii) the City may terminate this Lease upon written notice delivered to the Company within 60 days of the Award Deadline.

Section 20.24 MEMORANDUM OF LEASE

Concurrently with the execution of this Lease, the Parties shall execute a short-form memorandum of this Lease in form and substance satisfactory to the City. The Company shall cause such memorandum of Lease to be recorded in the public records of Escambia County, Florida.

Section 20.25 COOPERATION

City and Company recognize that the redevelopment process and the varied sources of Project funding make it extremely difficult to anticipate every potential provision which may be required in this Lease. From time to time, Company may request modifications to the Lease to satisfy the requirements of financing sources including, without limitation, government agencies and private lenders and equity sources. Upon receipt of such written request and supporting documents and information as may be reasonably requested by the City, the City will use reasonable efforts to accommodate such requests and will not unreasonably withhold or condition its approval and execution of modifications to this Lease which (a) are reasonably required to secure financing for the Project, and (b) do not materially and adversely alter the basic terms hereof or materially increase the risk profile to the City. Nothing herein shall impose upon City any requirement to approve any modification or amendment to the Lease which would violate or contravene any applicable laws or any contract or agreement to which City is a party or which is binding on City.

Section 20.26 LIMITATION ON COMPANY INDEMNITEES

With respect to the indemnitees provided by the Company in this Lease, liability thereunder shall not extend to any costs, claims, liens, damages, losses, expenses, fees, fines, penalties, arbitration awards, regulatory actions, administrative actions, proceedings, actions, demands, causes of action, liability and suits of any kind and nature which are caused by the gross negligence or willful misconduct of the City or any other indemnitee

Notwithstanding the forgoing, an Event of Default shall be deemed to exist if Company (i) fails to meet any deadline specified in Section 4.05 (Development Milestones) and such failure continues following five days’ written notice from City, (ii) is in breach in the timely performance of its obligations under Section 7 (Insurance), or (iii) is in breach of Article 16 (Assignment and Sublease), in the case of (ii) and (iii) without any requirement that City provide notice of or opportunity to cure any such breaches.

(c) The Company files a voluntary petition in bankruptcy or any petition or answer seeking or acquiescing in any reorganization, rehabilitation, arrangement, composition, readjustment, liquidation, dissolution or other relief under any present or future federal, state or other statute, law or regulation relating to bankruptcy, insolvency or other relief for debtors; or an order for relief is entered in an involuntary bankruptcy case filed against the Company and such order is not reversed within ninety (90) days thereafter; or the Company seeks or consents to or acquiesces in the appointment of any trustee, custodian, receiver or liquidator of itself or of all or any part of its assets or any interest therein; or the Company shall make a general assignment for the benefit of its creditors.

(d) A petition or case is filed against the Company seeking any reorganization, rehabilitation, arrangement, composition, readjustment, liquidation, dissolution or other relief under any present or future federal, state or other statute, law or regulation relating to bankruptcy, insolvency or other relief for debtors, or the appointment of any trustee, custodian, receiver or liquidator of the Company or of all or any part of its assets or any interest therein, and such petition, case or appointment is not dismissed within ninety (90) days after such filing or appointment.

(e) The Company abandons all or any material part of the Company’s business on the Leased Premises permitted under Article 5 above or ceases to conduct all or any material part of the Company’s business at the Leased Premises permitted under Article 5 above for forty-five (45) days during any period of ninety (90) consecutive days.

~~Section 18.02~~Section 14.02 **REMEDIES.**

Upon the occurrence of any Event of Default, the City may at any time thereafter, with or without notice or demand (except as expressly specified in Section 14.01 above or elsewhere in this Lease), and without limiting the City in the exercise of any right or remedy that the City may have by reason of such Event of Default:

(a) Terminate the Company's right to possession of the Leased Premises by any lawful means, in which case this Lease shall terminate and the Company shall surrender possession of the Leased Premises to the City within the provisions of the lease termination. In such event the City shall be entitled to recover from the Company all damages incurred by the City by reason of the Company's default, including but not limited to the cost of recovering possession of the Leased Premises; cost of repairs for any and all damages to the Leased Premises, ordinary wear and tear excepted; cost of any repairs or improvements required to bring the Leased Premises up to code and obtain an certificate of occupancy, if said Leased Premises is left in an untenable state by the Company; and the worth at the time of award by the court having jurisdiction thereof of (i) the amount of unpaid Rent and other unpaid amounts under this Lease which had been earned at the time of termination, (ii) the unpaid Rent and other amounts under this Lease which would have been earned after termination until the time of award. The worth at the time of award of the sums referred to in clauses (i) and (ii) above shall be computed by allowing interest from the due date at the greater of five percent (5%) per annum or the legal rate applicable to money judgments entered by the courts of the State of Florida.

(b) Without terminating this Lease, enter and repossess the Leased Premises, remove the Company's property and signs therefrom, and re-let the same for such rent and upon such terms as shall be satisfactory to the City without such re-entry and repossession working a forfeiture of the Rent and other amounts to be paid and prior to the lease termination, the covenants to be performed by the Company during the remaining Lease Term. For the purpose of such re-letting, the City shall be entitled to make any repairs, changes, alterations or additions in or to the Leased Premises that may be necessary or convenient, and the City shall be entitled to recover from the Company the cost of repairs for any and all damages to the Leased Premises, ordinary wear and tear excepted; and, cost of any repairs or improvements required to bring the Leased Premises up to code and obtain an Certificate of Occupancy, if said Leased Premises is left in an untenable state by the Company.

(c) Maintain the Company's right to possession, in which case this Lease shall continue in effect whether or not the Company shall have abandoned the Leased Premises. (d) Pursue any other remedy now or hereafter available to the City at law or in equity under the laws or judicial decisions of the State of Florida, including without limitation any right or remedy available to a creditor under the Uniform Commercial Code.

~~Section 18.03~~Section 14.03 **RIGHTS AND REMEDIES OF THE CITY CUMULATIVE**

All rights and remedies of the City herein created or otherwise existing or arising at law or in equity by reason of any Event of Default are cumulative, and the exercise of one or more rights or remedies shall not operate to exclude or waive the right to the exercise of any other. All such rights and remedies may be exercised and enforced concurrently. Further, failure by the City to take any authorized action upon the occurrence of an Event of Default shall not be construed to be or act as a waiver of said Event of Default or of any subsequent Event of Default. The City's acceptance of Base Rent, Additional Rent or other amounts or payments by the Company for any period or periods after the occurrence of an Event of Default shall not be deemed a waiver of such Event of Default or a waiver of or estoppel to enforce any right or remedy on the part of the City arising or existing by reason of such Event of Default.

END OF ARTICLE

~~Article 19.~~ARTICLE 15. HOLDING OVER

It is agreed and understood that any holding over by the Company, with the City's written consent, after the termination of this Lease, shall not serve to renew and extend same, but shall operate and be construed as a tenancy from month-to-month, subject to all terms and conditions of this Lease, including without limitation all Rent provisions.

Should the Company hold over without the City's written consent, the Company agrees to pay to the City, as monthly Rent during such period of holding over, for such Leased Premises for each month until the Company completely vacates the Leased Premises, two hundred percent (200%) of the sum of (i) Base Rent payable for the last month of the Lease Term, including without limitation applicable taxes and (ii) all Additional Rent and other fees and charges required by this Lease or by City ordinance to be paid by the Company.

The Company shall be liable to the City for all loss or damage resulting from such holding over against the City's will after the termination of this Lease, whether such loss or damage may be contemplated at this time or not. It is expressly agreed that acceptance of the foregoing rental by the City, in the event that the Company fails or refuses to surrender possession, shall not serve to grant the Company any right to remain in possession beyond the period for which such amount has been paid nor shall it constitute a waiver by the City of its right to immediate possession thereafter.

~~Article 20.~~**ARTICLE 16.** ASSIGNMENT AND SUBLEASE

~~Section 20.01~~**Section 16.01** LEASE ASSIGNMENT

The Company shall have the right to assign this Lease to its Affiliate identified as the tax credit applicant under the RFA, without any further approval from the City. Except as permitted in the foregoing sentence, the Company shall not assign this Lease or the Company's interest in or to the Leased Premises, or any part thereof, without first having obtained the City's prior written consent which consent shall be in the City's sole and absolute discretion (except for leasing of residential units and granting licenses or other rights of entry upon the Leased Premises for maintenance and upkeep of the Leased Premises or to provide standard services to the residential sublessee (for example providers of internet services and cable television), subject at all times, none of which shall require the prior written consent of City). Without limiting the foregoing, it is a precondition to City review and approval of a requested assignment of this Lease that there shall then exist no uncured Event of Default nor any event or state of facts which with notice or the lapse of time, or both, would constitute an Event of Default. Any transfer of more than fifty percent (50%) of the equity ownership of the Company, whether such transfer of equity ownership occurs pursuant to a single transaction or a series of related transactions, shall be deemed to be an assignment of this Lease for purposes of this Section 16.01.

In the event that the Company requests permission to assign this Lease in whole or in part, the request shall be submitted to the City not less than thirty (30) days prior to the proposed effective date of the assignment requested, and shall be accompanied by a copy of the proposed assignment agreement(s) and of all agreement(s) collateral thereto, together with the following information and any other reasonable and pertinent information requested by the City: the identity and contact information of the assignee, whether the requested assignment is a full or partial assignment of this Lease, details of the proposed assignee's experience in development and operation of multifamily housing projects, and reasonable financial history and financial information of the assignee.

~~Section 20.02~~**Section 16.02** LEASED PREMISES SUBLEASE

The Company shall not sublet the Leased Premises or any part thereof, regardless of the time period, without having first obtained the City's prior written consent, which consent shall be in the City's sole and absolute discretion. Without limiting the generality of the foregoing, it is a precondition to City review and approval of a proposed sublease of the Leased Premises that there shall then exist no uncured Event of Default nor any event or state of facts that with notice or the lapse of time, or both, would constitute an Event of Default.

In the event that the Company requests permission to sublet the Leased Premises in whole or in part to any person or entity other than a resident of a Unit, the request shall be submitted to the City not less than sixty (60) days prior to the proposed effective date of the sublease requested, and shall be accompanied by a copy of the proposed sublease agreement(s) and of all agreement(s) collateral thereto, together with the following information and any other information requested by the City: the identity and contact information of the sublessee, a description of the part of the Leased Premises to be subleased, a statement of the entire consideration to be received by the Company by reason of such sublease (including but not limited to sublease rent and other fees and

charges payable by the sublessee), the type of business to be conducted on subleased premises by the sublessee, and reasonable financial history and financial information of the sublessee.

For purposes of this Section 16.02 and Section 16.03 below, “sublease” and related terms shall include, without limitation, any sublease, license, or agreement, regardless of how denominated, that permits a third party to occupy or use all or any part of the Leased Premises other than those persons who use the Leased Premises in the ordinary course of Company’s business for the use permitted under Article 5 above.

~~Section 20.03~~Section 16.03 **CONSUMMATION OF ASSIGNMENT OR SUBLEASE**

The City’s consent for the assignment or sublease for which the City’s consent is required and for which such consent has been given shall be by written instrument, in form and substance reasonably satisfactory to the City, and shall be executed by the assignee or sublessee who shall agree, in writing, for the benefit of the City, to be bound by and to perform all the terms, covenants, and conditions of this Lease. Failure either to obtain the City’s prior written consent or to comply with the provisions of this Lease shall serve to prevent any such transfer, assignment, or sublease from becoming effective and shall constitute an Event of Default by the Company.

The Company agrees and acknowledges that it shall remain fully and primarily liable for all obligations of Company under this Lease, notwithstanding any full or partial assignment of this Lease or any sublease of all or any portion of the Leased Premises.

~~Article 21.~~**ARTICLE 17. DAMAGE OR DESTRUCTION OF LEASED PREMISES;
TAKING BY EMINENT DOMAIN**

~~Section 21.01~~**Section 17.01 LEASED PREMISES -- DAMAGE OR DESTRUCTION**

If at any time during the continuance of this Lease, the Leased Premises shall be so destroyed or so injured by fire or other casualty as to be unfit for full occupancy and use by the Company, and such destruction or injury could reasonably be repaired within three hundred sixty-five (365) days from the date of such destruction or injury, then the Company shall not be entitled to surrender possession of the Leased Premises; provided, however, that the Company's obligation to pay Rent shall be equitably reduced to the extent of the diminution in use to the Company resulting from such destruction or injury until full use and occupancy is restored to the Company. The Company shall repair the damage with all reasonable speed at least to the extent of the value and as nearly as possible to the character and quality of the building and improvements existing immediately prior to such occurrence. In no event shall the abatement or diminution of rent extend beyond a period of three hundred sixty-five (365) days from the date of destruction or injury.

If the Leased Premises shall be so destroyed or injured by fire or other casualty that such destruction or injury could not reasonably be repaired within three hundred sixty-five (365) days from the date of such destruction or injury, the Company shall have the option, upon written notice given to the City within thirty (30) days from the date of such destruction or injury, to terminate this Lease, and upon giving of such notice this Lease shall be terminated as of the date of such destruction or injury. In such event, the City shall be entitled to use any and all insurance proceeds for the purpose of removing the damaged structure from the property and brining the property into the same condition as existed at the commencement of the Lease. In the event the Company elects not to terminate this Lease in accordance with the foregoing options, the Company shall repair the damage and restore or rebuild the building and improvements as promptly as reasonably possible after the three hundred sixty-five (365) day period, in which case the period of rent abatement or diminution shall be extended until full use and occupancy is restored to the Company. In no event, shall the prior of abatement or diminution of rent extend beyond a period of twelve (12) months from the date of destruction or injury, unless otherwise mutually agreed by the parties.

Notwithstanding the foregoing provisions of this Article, in the event of damage or destruction, as aforesaid, such that fifty percent (50%) or more of the total floor area of the buildings included as part of the Leased Premises is rendered unfit for occupancy and use by the Company during the last three (3) years of the Lease Term, then either Party shall have the option, upon written notice given to the other Party within thirty (30) days from the date of such destruction or injury, to terminate this Lease, and upon the giving of such notice this Lease shall be terminated as of the date of such destruction or injury.

~~Section 21.02~~**Section 17.02 TAKING BY EMINENT DOMAIN**

In the event the Leased Premises or any portion thereof shall be taken for public or quasi-public use or condemned under eminent domain, then if and when there is an actual taking which shall render the Leased Premises unfit for the use and occupancy by the Company substantially as used and occupied prior to such taking, the Company may terminate this Lease. The Leased Premises shall be deemed to be unfit for use by the Company if the area of the portion thereof remaining after such taking is less than sufficient to accommodate the operations carried on by the Company

just prior to such taking. If the Company elects to terminate this Lease as provided above, it shall give written notice to the City within thirty (30) days after the later of (a) the entry of the final order of court authorizing the taking or appropriation or the date of settlement, as the case may be, or (b) the taking of physical possession by the condemner.

Article 22-ARTICLE 18. TAXES

Section 22.01Section 18.01 PAYMENT OF TAXES

The Company shall pay all taxes that may be levied upon, assessed, or charged the Company or its property located on the Leased Premises by the United States, the State of Florida or any of its political subdivisions, or Escambia County or the City, or any other taxing authority not otherwise exempted pursuant to applicable law, and shall obtain and pay for all licenses and permits required by law. It is understood that Company will seek a property tax exemption pursuant to the Live Local Act.

Section 22.02Section 18.02 REAL PROPERTY TAXES

The Company shall be responsible for all real property taxes applicable to the Leased Premises during the Lease Term. If any such taxes paid by the Company shall cover any period of time prior to or after the expiration of the Lease Term, the Company's share of such taxes shall be equitably prorated to cover only the period of time within the tax year during which this Lease shall be in effect, and the City shall reimburse the Company to the extent required. If the Company shall fail to pay any such taxes, the City shall have the right, but not the obligation, to pay the same, in which case the Company shall repay such amount to the City upon demand, together with interest at the highest rate allowed by law.

Section 22.03Section 18.03 DEFINITION

As used herein the term "real property tax" shall mean all ad valorem and non-ad valorem taxes and assessments (including interest and penalties thereon) which are imposed against any legal or equitable interest of the City or the Company in the Leased Premises or any portion thereof by the City, Escambia County or the State of Florida or by any school, agricultural, lighting, fire, mosquito control, water, drainage or other improvement, benefits or tax district thereof, and which are collected by the Escambia County, Florida, Tax Collector, together with any tax imposed in substitution, partially or totally, of any tax previously included within the definition of "real property tax" and any additional tax the nature of which was previously included within the definition of "real property tax".

Section 22.04Section 18.04 CONTEST

The Company may contest the legal validity or amount of any taxes, assessment, or charges for which the Company is responsible under this Lease, and may institute such proceedings as the Company considers necessary. If the Company protests any such tax, assessment or charge, the Company may withhold or defer payment or pay under protest but shall indemnify and hold the City and the Leased Premises harmless from and against any claim or lien against the City or the Leased Premises arising out of the Company's failure to pay the contested taxes, assessments or charges. City agrees to reasonably cooperate, at no cost to City, with any effort on the part of Company to appeal any tax assessment.

Section 22.05Section 18.05 PERSONAL PROPERTY TAXES

The Company shall pay prior to delinquency all taxes assessed against and levied upon trade fixtures, furnishings, equipment and all other personal property of the Company contained in the Leased Premises. When possible, the Company shall cause said trade fixtures, furnishings, equipment and all other personal property to be assessed and billed separately from the Land and

Leased Premises. If any of the Company's said personal property shall be assessed with the Land or Leased Premises, the Company shall pay the taxes attributable to the Company within ten (10) days prior to the delinquency date for payment of such taxes.

~~Article 23.~~**ARTICLE 19.** ENCUMBRANCE OF LEASEHOLD ESTATE; LEASEHOLD FINANCING; AND NOTICE TO MORTGAGEES AND INVESTOR

~~Section 23.01~~**Section 19.01** **RIGHT TO MORTGAGE**

The Company shall have the right to grant such mortgages of its interest in the Lease and the Leased Premises (each a “Leasehold Mortgage” and collectively, the “Leasehold Mortgages”) to those lenders identified in any credit underwriting report issued in connection with an allocation of Housing Credits for the Project (each a “Leasehold Mortgagee” and collectively, the “Leasehold Mortgagees”), and, in connection therewith, to pledge or assign its interest in this Lease to such Leasehold Mortgagees. Company shall deliver to City a written notification containing the name and the address(es) to which notices to the Leasehold Mortgagee are to be sent. Neither the Company nor any of the Company’s permitted successor(s) in interest to the Project or any part thereof shall, without the prior written consent of City, engage in any financing or other transaction creating any mortgage or other encumbrances or lien upon the Project, whether by express agreement or operation of law, or suffer any encumbrance or lien to be made on or attach to the Project, except for (i) the Leasehold Mortgages to a Leasehold Mortgagee, and (ii) for the refinancing, replacement or substitution of a loan secured by a Leasehold Mortgage for a new or modified loan (or a portion thereof) secured by a then existing Leasehold Mortgage, as the same may then be modified or amended or by a new or leasehold mortgage granted to a new or existing lender, and in such case, such new or modified leasehold mortgage shall be deemed a Leasehold Mortgage for purposes hereof and such new or existing lender shall be deemed a Leasehold Mortgagee.

(a) Leasehold Mortgagees shall have the right:

1. To do any act or thing required of Company hereunder and all such acts or things done and performed shall be as effective to prevent a forfeiture of Company’s rights hereunder as if done by the Company; and
2. To realize on the security afforded by the leasehold estate by exercising foreclosure proceedings or power of sale or other remedy afforded in law or in equity or by the security documents (hereinafter sometimes collectively referred to as “foreclosure sale”) or to acquire by deed-in-lieu, and to transfer, convey, or assign the title of Company to the leasehold estate created hereby to any purchaser at any such foreclosure sale or transfer from Lender if Lender acquires by a deed-in-lieu and to acquire and succeed to the interest of Company hereunder by virtue of any such foreclosure sale or deed-in-lieu.

(b) In the event of a default by the Company under this Lease, the rights of City may not be exercised until written notice of such default is delivered to Lender, or to the person or firm designated by any such Lender, by written notice to City, to accept such notices, and any applicable cure period has expired. Lender shall have the same notice and cure rights as are provided to Company under this Lease, except that Lender shall have the right to cure a monetary default as described in Section 14.01(a) within ten (10) days from delivery of said notice.

(c) Lender shall not be liable to the City as an assignee of this Lease unless and until such time as such Lender shall acquire the rights of Company hereunder through foreclosure or other appropriate proceedings in the nature thereof, or by deed-in-lieu, or as a result of any other action or remedy provided for by such mortgage, or which may otherwise be provided by law.

(d) No modification or voluntary surrender by the Company of this Lease shall be made without the consent of Lender if Lender has requested such authority to consent by written notice delivered to City.

(e) The City agrees to provide an estoppel certificate upon written request of Lender acknowledging that (to the extent true and noting any exceptions) this Lease is in full force and effect; that there are no defaults that exist under the Lease; that the Rent is current; and such other matters as Lender may reasonably require.

~~Section 23.02~~**Section 19.02** **CONSENT REQUIRED FOR TERMINATION AND AMENDMENTS**

No cancellation, termination, surrender or modification of this Lease for any reason (whether by reason of a default on the part of either City or Company, by agreement between City and Company or otherwise) shall be effective as to any Leasehold Mortgagee without its prior written consent, which may be withheld or granted in such Leasehold Mortgagee's sole and absolute discretion. Notice of any such consent by Leasehold Mortgagee shall be delivered to City pursuant to the provisions hereof.

~~Section 23.03~~**Section 19.03** **DEFAULT NOTICE**

City, upon providing Company with any notice of default under this Lease, shall at the same time provide a copy of such notice to every Leasehold Mortgagee of whom it has knowledge pursuant to notice from Company provided in accordance with Section 19.01 hereof. City's failure to give notice to every Leasehold Mortgagee shall not however affect the validity of the notice provided to Company or allow Company additional time to cure a default. Notice to any Leasehold Mortgagee shall be given in the manner herein. Any Leasehold Mortgagee shall have the same period, after the giving of such notice to the Company, for remedying any default or causing the same to be remedied, as is given Company after the giving of such notice to Company, plus, in each instance, the additional periods of time specified in Section 19.01 to remedy, commence remedying or cause to be remedied the defaults specified in any such notice. City shall accept such payment or performance by or at the instigation of such Leasehold Mortgagee as if the same had been done by Company. Subject to the terms of this Lease, Company authorizes any and each Leasehold Mortgagee to take any such action at such Leasehold Mortgagee's option and does hereby authorize entry upon the Leased Premises by the Leasehold Mortgagee for such purpose.

~~Section 23.04~~**Section 19.04** **NO OTHER ENCUMBRANCES**

Company shall not encumber by mortgage or other security instrument, by way of collateral assignment, or otherwise, Company's interest in this leasehold estate without the prior written consent of City, which consent shall not be unreasonably withheld, conditioned or delayed, except that Company may, without City's consent: (i) assign or mortgage this Lease to any Leasehold Mortgagee; (ii) create or suffer to exist (a) any inchoate lien for taxes or municipal obligations, or (b) other transfers or encumbrances expressly permitted herein..

LEGISLATIVE ACTION ITEM

SPONSOR: Mayor D.C. Reeves

SUBJECT:

GROUND LEASE WITH INSPIRED COMMUNITIES OF FLORIDA, LLC - LOT 5 OF
COMMUNITY MARITIME PARK

RECOMMENDATION:

That City Council approve and authorize the Mayor to execute the Ground Lease with Inspired Communities of Florida, LLC for the development of Lot 5 of the Vince J. Whibbs Sr. Community Maritime Park (CMP), for a term of 100 years. Also, that City Council authorize the Mayor to execute the Partial Termination of the Master Lease Agreement (MLA), terminating the MLA for Lot 5 of the CMP. Also, that City Council authorize the Mayor to take actions necessary to execute and administer these agreements, consistent with the terms of the agreements and the Mayor's Executive Powers as granted in the City Charter.

HEARING REQUIRED: No Hearing Required

SUMMARY:

After failed negotiations with a prior option holder for development of Lots 4 and 5 of the Community Maritime Park, the City and Inspired Communities of Florida entered into an option agreement in March 2022, giving Inspired Communities exclusive rights to develop these parcels through February 2024. The City Council also approved the extension of the option agreement with Inspired Communities for these parcels on three more occasions via addendum through July 31, 2024. Negotiations proceeded in good faith, culminating in the outcome of an executable ground lease for the immediate development of Lot 5. The future development of Lot 4 is pending further discussion. Inspired Communities also has the option agreement for development of CMP Lots 3, 6, and 8.

Per the terms of the 100-year ground lease, Inspired Communities will spend no less than \$55 million on design, development, and construction of a mixed-use residential structure and upscale hotel with corresponding amenities and parking contained on site. The residential section will include at least 200 units and the hotel will include at least 125 units. The project will also include commercial and retail space that will be open to the public. The timeline detailed in the ground lease requires Inspired Communities to initiate application for building permits by June 2025, with commencement of construction to begin 45 days after receipt of

applicable permits. Substantial completion of the project is set for June 2028.

The monetary terms of the lease require Inspired Communities to remit in monthly installments escalating annual base rent to the City beginning with \$30,250 for calendar year 2024, \$184,250 in 2025, and \$275,000 in 2026 through June 2031. The annual base rent will then increase by 5% every five years, beginning in 2031. The City will also receive common area maintenance (CAM) fees, beginning at \$30,850 in January 2026, and increasing by 5% every five years, beginning in 2031. For extensions on development milestones, considerable non-refundable fees are required, ranging from \$7,500 per month up to \$200,000 per year, depending upon the extension length requested and the specific milestone being extended.

The City and the defunct Community Maritime Park Association (CMPA) entered into a Master Lease Agreement in March 2006 for the then-vacant park parcels, with the MLA transferring to the City in June 2017 with the sunseting of the CMPA. As a requirement for the initiation of this ground lease for Lot 5, a partial termination of the Community Maritime Park master lease agreement, which conditions all the remaining undeveloped parcels, is necessary.

PRIOR ACTION:

February 10, 2022 - City Council approved an Option Agreement with Inspired Communities of Florida LLC for the development of Lots 4 and 5 at the Community Maritime Park, after rejecting a Memorandum of Understanding from a previous developer in October 2021

February 22, 2024 - City Council approved an Addendum to the Option Agreement with Inspired Communities of Florida

June 13, 2024 - City Council approved a Second Addendum to the Option Agreement with Inspired Communities of Florida

July 18, 2024 - City Council approved a Third Addendum to the Option Agreement with Inspired Communities of Florida

FUNDING:

The ground lease agreement requires Inspired Communities to spend no less than \$55 million on this development. Though Inspired Communities can develop in accordance with the Live Local Act, enter into an Area Reinvestment Agreement with the Community Redevelopment Agency, and apply for any source of funding afforded any other developer of real estate projects, this ground lease is not contingent upon their receipt of any of these rebates, discounts, or incentives.

FINANCIAL IMPACT:

The monetary terms of the lease require Inspired Communities to remit in monthly installments escalating annual base rent to the City beginning with \$30,250 for calendar year 2024, \$184,250 in 2025, and \$275,000 in 2026 through June 2031. The annual base rent will then

increase by 5% every five years, beginning in 2031. The City will also receive common area maintenance (CAM) fees, beginning at \$30,850 in January 2026, and increasing by 5% every five years, beginning in 2031. For extensions on development milestones, considerable non-refundable fees are required, ranging from \$7,500 per month up to \$200,000 per year, depending upon the extension length requested and the specific milestone being extended.

COUNTY OF ESCAMBIA

GROUND LEASE
(Maritime Park Parcel 5)

THIS GROUND LEASE (this "Lease") is made and entered into this ____ day of _____, 2024 (the "Lease Effective Date"), by and between the **CITY OF PENSACOLA**, a Florida municipal corporation ("Lessor"), whose address is 222 W. Main Street, Pensacola, Florida 32502 and **INSPIRED COMMUNITIES OF FLORIDA, LLC**, a Delaware limited liability company ("Lessee"), whose address is 223 W. Gregory St., Pensacola, FL 32502. Lessor and Lessee are collectively referred to herein as the "Parties".

W I T N E S S E T H:

WHEREAS, Lessor owns that property commonly referred to as the "Vince J. Whibbs, Sr. Community Maritime Park" located in downtown Pensacola on the shore of Pensacola Bay and south of Main Street, in Pensacola, Florida, as more particularly described on the plat of Vince Whibbs Sr. Community Maritime Park recorded in Plat Book 19, Page(s) 23 and 23A, of the Public Records of Escambia County, Florida (the "Plat") (the "Park Property"); and

WHEREAS, Lessee desires to lease from Lessor Lot 5 of the Plat (the "Leased Premises") and to construct and operate thereon certain residential, retail, hotel, parking and other improvements as more particularly described hereinbelow (the "Project"); and

WHEREAS, the City of Pensacola, as lessor, leased the entire Park Property to Community Maritime Park Associates, Inc. ("CMPA"), as lessee, for a term of sixty (60) years commencing on May 28, 2009, and expiring on May 28, 2069, pursuant to that certain Master Lease dated March 27, 2006 between the City of Pensacola, as lessor, and CMPA, as lessee, recorded in Official Records Book 5886, Page 1303, of the Public Records of Escambia County, Florida (the "Master Lease"); and

WHEREAS, effective June 1, 2017 CMPA assigned all of its right, title, interest and leasehold estate in, to and under the Master Lease to the City of Pensacola pursuant to that certain Assignment of Master Lease ("Assignment") dated June 1, 2017, and recorded in Official Records Book 7722, Page 866, public records of Escambia County, Florida; and

WHEREAS, pursuant to Section 3 of the Assignment and Section 41 of the Master Lease, the assignment of the Master Lease by CMPA to the City of Pensacola did not result in a merger of the Master Lease and the leasehold estate created thereby with the fee simple estate of the City of Pensacola in the Park Property; and

WHEREAS, Lessor terminated the Master Lease as to Lot 5 of the Park Property (as defined below) pursuant to that certain Partial Termination of Master Lease dated _____, 202____, and recorded in Official Records Book [____], Page [____], of the Public Records of Escambia County, Florida; and

WHEREAS, Lessor is willing to lease the Leased Premises to Lessee, and Lessee is willing to lease the Leased Premises from Lessor, for the purposes, upon the terms and subject to the conditions set forth in this Lease.

NOW, THEREFORE, for and in consideration of Ten Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and in consideration of the covenants and conditions set forth below, the Parties mutually agree, each for itself and its successors, as follows:

1. LEASED PREMISES. Lessor hereby leases to Lessee, and Lessee hereby leases and takes from Lessor the Leased Premises, upon the terms and subject to the conditions of this Lease.

Notwithstanding anything in this Lease to the contrary, the Leased Premises are leased subject to the following matters and exceptions:

(i) An easement reserved hereby in favor of Lessor for, noise, vibration, and light emitted, felt, heard, or visible on the Leased Premises or any portion thereof by reason of activities, whether or not such activities are conducted by or with the approval of Lessor or others, now or hereafter occurring on or from areas in the vicinity of the Leased Premises, whether or not such areas are owned or controlled by Lessor or others, including without limitation the multi-use stadium facility, the amphitheater, the park areas, and the other private parcels located on the Park Property, it being acknowledged, understood, and agreed by Lessee that such activities may include, but are not limited to, baseball games, football games, other sporting activities, musical concerts, bands, crowd noise, motor vehicle noise, fireworks, laser light displays, nightclubs, bars, special events, and other uses of the Park Property. As further evidence of this easement, Lessee shall execute and deliver to Lessor a supplemental easement agreement upon request from Lessor, in form and content reasonably acceptable to Lessee and Lessor. The parties shall use commercially reasonable efforts to finalize the form of such supplemental easement agreement, if requested by Lessor, within a period of sixty (60) days following delivery of the initial draft.

(ii) All matters set forth on Exhibit "A" attached hereto and hereby incorporated herein;

(iii) All matters which would be disclosed by a current survey of the Leased Premises; and

(iv) All applicable zoning laws, ordinances, resolutions, restrictions, codes, rules, and regulations, building codes and use restrictions, and other applicable laws, ordinances, resolutions, restrictions, codes, rules, and regulations now in effect or

hereafter adopted by any governmental authority having jurisdiction over the Leased Premises; provided that any laws, ordinances, resolutions, restrictions, codes, rules, or regulations adopted or amended by the City of Pensacola after the Lease Effective Date shall not alter or adversely affect any terms or conditions of this Lease.

2. USE OF PREMISES. Lessee shall use the Leased Premises for a mixed-use residential and hotel project (including commercial and retail space, as elected by Lessee), which shall include not less than one hundred and twenty-five (125) hotel rooms and not less than two hundred (200) residential units, to be constructed by Lessee in accordance with this Lease in substantial accordance with the conceptual plan set forth in Exhibit "B" attached hereto and incorporated by reference, subject to changes thereto approved by Lessor, which approval shall not be unreasonably withheld, conditioned or delayed (the "Conceptual Plan") (the "Initial Improvements"). The Lessee shall construct an "Upscale Hotel" which shall mean any hotel or other lodging facility that is treated or classified as an "upscale hotel" or as part of the "upscale segment" of the lodging industry by Smith Travel Research or, if such a classification is not available from Smith Travel Research, by a similar reputable hotel industry service. The residential segment constructed by Lessee shall be a "Class A" apartment structure which may include various onsite amenities such as, but not limited to a gym, co-working area, and communal spaces. Any retail portion of the Initial Improvements shall be open to the public at customary times.

Notwithstanding anything in this Lease to the contrary, the attachment of the Conceptual Plan to this Lease shall be Lessor's acceptance or approval of concept only, and shall in no event be considered an express or implied review or approval of any technical aspect of the improvements contemplated thereby nor shall it be considered a substitute for or waiver of any application, review or approval required to or from Lessor under this Lease, the City of Pensacola Land Development Code or any other applicable law. Likewise, attachment of the Conceptual Plan to this Lease shall neither expressly nor impliedly serve as a waiver of or substitute for any application, approval or other action required to be made, obtained or taken by or on behalf of Lessee under this Lease or applicable law. As an example of the forgoing, and without limitation, any indication of building height contained in the Conceptual Plan has not been subjected to technical review in relation to the City of Pensacola Land Development Code or other applicable law and, as such, the proposed height of any buildings to be constructed on the Property has expressly not been reviewed or approved by Lessor and remains subject to the requirements of the City of Pensacola Land Development Code and all applicable law.

The Leased Premises shall be used for no other use or purpose other than as described in this Section 2 without the prior written consent of Lessor, which consent may be given, withheld or conditioned in Lessor's sole and absolute discretion. Lessor represents and warrants that, as of the Lease Effective Date, the permitted use described herein does not conflict with any exclusive use granted by Lessor to any other licensee or lessee of any other portion of the Park Property. Notwithstanding the forgoing, except as otherwise expressly permitted by this paragraph, in no event shall Lessee use, or suffer or permit any other person or entity to use the Leased Premises or any portion thereof for any trade or business consisting of or including, in whole or in part, a hot tub facility, a

facility used for gambling, an adult bookstore, a movie theatre, veterinary offices, or pet exercise or boarding (whether daily or overnight), without the prior written consent of Lessor, which consent may be given, withheld or conditioned in Lessor's sole discretion. Further, in no event shall the Leased Premises be used for any use or purpose that is not permitted by applicable zoning and land use ordinances of the City of Pensacola in effect from time to time during the Lease Term.

Lessee may construct additional improvements on the Leased Premises provided that the conceptual plans for such additional improvements are approved by Lessor, such approval not to be unreasonably withheld, conditioned or delayed.

3. DENSITY.

(a) Within ninety (90) days after the Effective Date, Lessor will provide its written consent for at least two hundred (200) total units of multifamily residential density for the Leased Premises, as allowable under the Land Development Code of the City of Pensacola. Lessee, if it so desires, may apply for any additional density that may be available through the existing Land Development Code of the City of Pensacola.

(b) Nothing in this Lease prohibits Lessee from developing the Leased Premises in accordance with the Live Local Act (F.S. 166.04151).

4. AREA REINVESTMENT AGREEMENT. Lessor and Lessee acknowledge and agree that this Lease and their respective rights and obligations under this Lease are not contingent or conditioned upon Lessee's receipt of any property tax rebates, discounts, or refunds, other governmental incentives, or the execution of an area reinvestment agreement with the Community Redevelopment Agency of the City of Pensacola; provided, however, that the foregoing shall not prohibit Lessor from applying to the Community Redevelopment Agency or other municipal, county, state, national program afforded any other developer of real estate projects.

5. CONSTRUCTION OF INITIAL IMPROVEMENTS.

(a) Lessee, at its sole cost and expense, shall construct the Initial Improvements in substantial accordance with the Conceptual Plan and all applicable building codes. The Initial Improvements and all other buildings and permanent improvements constructed or placed on the Leased Premises at any time and from time to time during the Term of this Lease are referred to in this Lease as the "Improvements".

(b) Prior to the end of the Construction Period (as hereinafter defined) Lessee shall expend not less than Fifty-Five Million Dollars (\$55,000,000) (including unpaid "retainage") for the costs of the development, design, and construction of the Initial Improvements. Within ninety (90) days after the end of the Construction Period, Lessee shall deliver to Lessor a written accounting of the actual costs of the development, design, and construction of the Initial Improvements in such detail as Lessor shall reasonably request.

(c) Lessee shall complete construction in accordance with the following schedule, subject to a Force Majeure Event (as hereinafter defined) and subject to extensions as hereinafter expressly provided: (1) Lessee shall file its initial application to the City of Pensacola ("Initial Application") for a building permit for the Initial Improvements no later than June 30, 2025 (the "Application Deadline"), (2) Lessee shall fully and completely respond to all requests from the building department of the City of Pensacola for additional information in connection with such Initial Application within ninety (90) days after such requests, (3) Lessee shall commence construction of the Initial Improvements within forty-five (45) days after issuance of the last of all building and development permits and approvals required from the City of Pensacola in relation to the Initial Application ("Construction Commencement Deadline") and shall diligently and continuously prosecute such construction until completion within the time periods required by this Lease, (4) Lessee shall cause the Initial Improvements to be Substantially Completed (as hereinafter defined) no later than June 30, 2028 (the "Substantial Completion Deadline"), and shall procure a final unconditional certificate of occupancy no later than one hundred eighty (180) days after the Substantial Completion Deadline (the "Completion Deadline"; together with the Substantial Completion Deadline, the "Construction Deadlines"). For purposes of this Lease, "commence construction" and "commencement of construction" occur only when (1) Lessee has completed all preconstruction engineering and design, has received all necessary licenses, permits and local and national environmental clearances, has engaged all contractors, and ordered all essential equipment and supplies as, in each case, can reasonably be considered necessary so that physical construction of the Initial Improvements may commence, and (2) physical construction (excluding site clearing, landfilling, and soil compaction but including, at a minimum, excavation for foundations and/or drilling for the installation of pilings) on the Leased Premises has begun. Lessee has agreed to the Construction Deadlines in the expectation that it will not experience any delay in completing the Initial Improvements due to the building department and other departments of the Lessor having review or inspection rights with respect to the construction of the Initial Improvements failing to act in accordance with their normal practices, including, by way of example and not limitation, responding to plan submissions, conducting construction inspections, and issuing permits and approvals ("Lessor Delays"). Lessee shall have the right to extend the Construction Deadlines if it determines that a material Lessor Delay has occurred, such extension to equal the number days of such Lessor Delay; provided that Lessee has notified Lessor of the Lessor Delay within ten (10) days after it first had knowledge of the Lessor Delay, which notice shall identify the Lessor Delay and the number of days caused by that Lessor Delay. For clarifications, "normal practices" as used in this subsection for the purpose of calculating any Lessor Delays will necessarily include reasonable delays due to weather and other related factors beyond the control of Lessor, which delays will not constitute "Lessor Delays" so long as Lessor exercises reasonable diligence in its actions related to the Project to the extent limited by the forgoing factors and does not act in a discriminatory fashion against Lessee.

Lessee may extend the Application Deadline once for a period of up to three months ("Application Option"). The Application Option shall be exercised by Lessee delivering to Lessor before the then-existing Application Deadline, (i) written notice of its exercise of the

Application Option detailing the requested extension period (e.g. 0-3 months), and (ii) a non-refundable extension fee of Seven Thousand Five Hundred Dollars (\$7,500) for each month of the extension granted by Lessee's exercise of the Application Option.

Lessee may extend the Construction Commencement Deadline once for a period of up to three months ("Commencement Option"). The Commencement Option shall be exercised by Lessee delivering to Lessor before the then-existing Commencement Deadline, (i) written notice of its exercise of the Commencement Option detailing the requested extension period (e.g. 0-3 months), and (ii) a non-refundable extension fee of Ten Thousand Dollars (\$10,000) for each month of the extension granted by Lessee's exercise of the Commencement Option.

Lessee may extend the Substantial Completion Deadline on two (2) occasions, each for a period of for one (1) year (each a "Completion Option"). Each Completion Option shall be exercised by Lessee delivering to Lessor before the then-existing Substantial Completion Deadline, (i) written notice of its exercise of a Completion Option, and (ii)(A) in the instance the first Completion Option is exercised, a non-refundable extension fee of One Hundred Seventy-five Thousand Dollars (\$175,000); and (B) in the instance the second Completion Option is exercised, a non-refundable extension fee of Two Hundred Thousand Dollars (\$200,000).

(d) The "Construction Period" shall mean the period between the Lease Effective Date and the Substantial Completion Deadline. The Substantial Completion Deadline shall be extended on a day-for-day basis if and to the extent that the Substantial Completion Deadline is delayed solely due to a Force Majeure Event, as defined in Section 19 below or due to extension in accordance with the terms of Section 5(c) of this Lease. The construction of the Initial Improvements shall be deemed to be "Substantially Complete" or to have been "Substantially Completed" upon the substantial completion of all of the Initial Improvements in accordance with the Conceptual Plan and the issuance of a temporary certificate of occupancy permitting the lawful use and occupancy of the Initial Improvements for the purposes permitted by Section 2 above, without contain any conditions or requirements that would operate to prevent or prohibit such occupancy or use, other than to a de minimus extent.

(e) DELETED

(f) Lessee shall be solely responsible for payment of all hard and soft costs of the development, design, construction, and demolition (if applicable) of all Improvements including, without limitation, the Initial Improvements. Prior to commencement of construction of the Initial Improvements, Lessee shall provide Lessor with reasonably satisfactory evidence of Lessee's ability to pay the costs of such construction as and when due. Lessee shall cause the construction of all Improvements to be performed and constructed with new materials and in a good and workmanlike manner, pursuant to valid building permits, and in conformance with this Lease and all applicable federal, state, county, and municipal laws, rules and regulations. Lessee shall indemnify, defend, and hold Lessor free and harmless from all liens and claims of lien, and

all other liability, claims and demands arising out of any work done or material supplied to the Leased Premises by or at the request of Lessee. All Improvements on the Leased Premises (expressly excluding, however, movable office furniture, trade fixtures, and trade equipment) shall be deemed to be a part of the real estate and shall remain upon and be surrendered with the Leased Premises upon the expiration or earlier termination of this Lease. Upon commencement of any permitted construction, alteration, removal or demolition, Lessee shall thereafter diligently and continuously prosecute such work to completion within a reasonable time or, as to Initial Improvements, within the time periods specified in this Lease.

(g) Prior to commencement of the construction of the Initial Improvements, Lessee shall provide to Lessor payment and performance bonds obtained by or issued with respect to each general contractor of Lessee performing such work ensuring performance of that general contractor's obligations under the prime construction contract between that general contractor and Lessee and payment of that contractor's subcontractors and suppliers with respect to the construction, alteration, removal or demolition of the Initial Improvements. Each such bond must (i) be issued by a Qualified Surety (hereinafter defined), (ii) be in form and substance reasonably satisfactory to Lessor, (iii) run in favor of Lessor as an additional obligee, and (iv) be in the amount of the total cost of constructing, altering, removing or demolishing, as the case may be, the Improvements, as such cost is stipulated in the construction contract between Lessee and the general contractor. A "Qualified Surety" is a corporate surety or insurer authorized to do business, and to issue bonds for construction payment and performance in the State of Florida and possessing a rating of A/VIII or better in A.M. Best's Insurance Reports.

(h) Notwithstanding the foregoing or any other provision of this Lease, Lessor's interest in the Leased Premises or Park Property shall not be subject to any lien, statutory or otherwise, by reason of any Improvements constructed or altered upon, removed from, or demolished on the Leased Premises or work labor, services, or materials performed upon or supplied to the Leased Premises by or upon the order or request of Lessee or its employees or contractors or anyone acting by, through or under Lessee, and Lessee shall include notice of the provisions of this paragraph in all contracts entered into for the furnishing of construction labor, services, or materials to or on the Leased Premises. All persons performing labor or service or furnishing materials to the Leased Premises on the order of Lessee or anyone acting by, through, or under Lessee, must look solely to Lessee or the person or entity acting by, through, or under Lessee, for payment. Lessee shall keep Lessor's interest in the Leased Premises free from any construction liens, mechanics liens, vendors liens, and any other liens or claims arising out of any work or services performed, materials furnished, or obligations incurred by Lessee, all of which liens and claims are hereby expressly prohibited, and Lessee shall defend, indemnify, and hold Lessor harmless from and against any such lien or claim or action thereon, together with costs of suit and reasonable attorneys' fees and costs incurred by Lessor in connection with any such lien, claim or action. In the event that there shall be recorded against Lessor's interest in the Leased Premises any claim or lien arising out of any such work or services performed, materials furnished, or obligations incurred by Lessee and such claim or lien shall not be removed, bonded off, or discharged within

thirty (30) days of filing, Lessor shall have the right but not the obligation to pay and discharge said lien without regard to whether such lien shall be lawful or correct, or to require that Lessee promptly deposit with Lessor in cash, lawful money of the United States, one hundred twenty percent (120%) of the amount of such claim, which sum may be retained by Lessor until such claim shall have been removed of record or until judgment shall have been rendered on such claim and such judgment shall have become final, at which time Lessor shall have the right to apply such deposit in discharge of the judgment on said claim and any costs, including reasonable attorneys' fees and costs incurred by Lessor, and shall remit the balance thereof to Lessee. Lessor shall have the right to execute and record in the public records of Escambia County, Florida, a notice of provisions of this paragraph, meeting the requirements of Section 713.10, Florida Statutes.

(i) Lessee shall comply with Mayoral Policy 20-01 "Covenant for the Community for the City of Pensacola", a copy of which is attached hereto as Exhibit "C" and incorporated herein by reference, in all matters pertaining to the development, design, and construction of any Improvements.

6. PARKING.

(a) All Improvements, including, without limitation, the Initial Improvements, shall include vehicular parking facilities sufficient to provide all vehicular parking spaces required by law plus all additional vehicular parking spaces, if any, desired by Lessee or anyone claiming by, through or under Lessee. For the avoidance of doubt, all such required and desired vehicular parking spaces shall be located on the Leased Premises, and Lessor shall have no obligation to provide vehicular parking spaces on any portion of the Park Property, including without limitation Lot 4 of the Park Property, for the use or benefit of Lessee or the occupants of any Improvements.

7. TERM. The term of this Lease (the "Term") shall commence on the Lease Effective Date and shall terminate one hundred (100) years following that date (the "Termination Date").

8. BASE RENT; CAM; SALES TAX; LATE FEES.

(a) Base Rent and Periodic Adjustments. As compensation for the use of the Leased Premises, Lessee shall pay Lessor annual base rent ("Base Rent") as follows:

(i) Commencing on the Lease Effective Date, monthly Base Rent shall be paid in the amount of seven thousand five hundred sixty-two and 50/100 dollars (\$7,562.50).

(ii) Commencing on January 1, 2025, annual Base Rent in the amount of one hundred eighty-four thousand two hundred fifty and 00/100 dollars (\$184,250.00), shall be paid in twelve (12) equal monthly installments of fifteen thousand three hundred fifty-four and 17/100 dollars (\$15,354.17) each.

(iii) Commencing on January 1, 2026, annual Base Rent in the amount of two hundred seventy-five thousand and 00/100 dollars (\$275,000.00), shall be paid in twelve (12) equal monthly installments of twenty-two thousand nine hundred sixteen and 67/100 dollars (\$22,916.67) each.

(iv) Each monthly installment of annual Base Rent shall be payable on the first day of each month without invoice, deduction, or set-off. If the Lease Effective Date is not the first day of a calendar month, the installment of annual Base Rent for the first month of the Term shall be appropriately adjusted and payable on the Lease Effective Date, with the second payment of Base Rent due and payable on the first day of the following month. If the last month of the Term is less than a full month, the installment of annual Base Rent for the last month of the Term shall be appropriately adjusted.

(v) The annual Base Rent shall be increased every five (5) years beginning June 30, 2031, and continuing on June 30th of every fifth year thereafter (e.g., 2036, 2041, 2046, etc.) to equal 105% of the annual Base Rent that was due in the immediately preceding year. Exhibit "D" attached hereto is a Schedule of the Rent due for each year during the term of the Lease.

(vi) Following the date, the Initial Improvements are Substantially Complete, Lessee may, upon written notice to Lessor, credit 50% of all payments made before the Lease Effective Date pursuant to that certain Option Agreement dated March 1, 2022, between Lessor and Lessee against its payment of Base Rent hereunder.

(b) Annual CAM Charge and Periodic Adjustment. As used in this Lease, the term "CAM Charge" means Lessee's stipulated share of all expenses incurred and paid by Lessor from time to time for the maintenance and operation of those portions of the Park Property that are not leased to third party lessees including without limitation landscaping, mowing, utilities, stormwater retention and drainage, regardless of the actual cost thereof. Effective on January 1, 2026, Lessee shall pay to Lessor an annual CAM Charge in the amount of \$30,850.00 per year during the Term, as adjusted from time to time as hereinafter provided. Lessee shall pay such annual CAM Charge in equal monthly installments, without demand, reduction, or setoff, commencing on January 1, 2026, and continuing on the first day of each month thereafter during the Term of this Lease. If necessary, the first month's CAM Charges and the last month's CAM Charges shall be pro-rated based on the number of days for the month in question.

The Annual CAM Charge shall be automatically adjusted in accordance with the following provisions of this paragraph. Effective on and as of the first day of the month following the fifth anniversary of the Lease Effective Date and continuing on the first day of the same month every fifth year thereafter during the Term of this Lease, the then current CAM Charges amount shall be increased by five percent (5%), and such increased CAM Charges amount shall be in effect until the next ensuing increase in the CAM Charges pursuant to this sentence.

(c) Rent. The Rent shall be paid starting on the calendar days listed above regardless of the execution date of the Lease. In addition to annual CAM Charge, Lessee shall be responsible for all real estate taxes, assessments, utilities and operating expenses associated with the Leased Premises during the term of the Lease. The term "Rent" when used in this Lease shall mean the Base Rent, the Annual CAM Charge, and all other amounts payable by Lessee to or on behalf of Lessor under this Lease.

(d) Sales Tax. Lessee shall pay all sales and use taxes imposed by Florida Statutes Section 212.031 and any future amendments thereto or other applicable Florida law in effect from time to time, together with any surtax charged by Escambia County from time to time during the Term (the "Sales Tax") on the Rent due under this Lease and on all other payments required by this Lease to be made by Lessee which are taxable under applicable Florida law. Such sales or use tax shall be due and payable concurrently with the payment of the Base Rent or other payment with respect to which such tax is required to be paid.

(e) Late Fees. If Rent or any other charge due under this Lease by Lessee to Lessor is not paid within five (5) calendar days after such Rent or other charge became due, a late charge of five percent (5%) of the amount due shall be due and payable to Lessor to compensate Lessor for its added expenses due to said late payment. Further, any Rent or other charge due under this Lease that is not paid on the date due shall bear interest at the Prime Rate plus 3% per annum, or the highest rate allowed by law, whichever is less (the "Interest Rate"), from the date due until the date paid in full. For purposes hereof, "Prime Rate" shall mean the prime rate of interest as published in the Wall Street Journal, or such suitable replacement index agreed to by the parties if such information ceases to be published. The foregoing to the contrary notwithstanding, said late charge shall not accrue in the first such instance of late payment in each calendar year of the Term unless and until Lessor has first provided Lessee with notice thereof and five (5) days thereafter in which to cure the same.

9. **TAXES.** Prior to January 21, 2025, Lessor shall cause the Leased Premises to be separately assessed for Taxes (hereinafter defined). Lessee shall pay directly to the Escambia County Tax Collector, prior to delinquency, all Taxes imposed against or with respect to the Leased Premises or Improvements thereon with respect to any time period during the Term. As used herein the term "Taxes" shall mean all ad valorem and non-ad valorem taxes, fees, assessments and special assessments (including interest and penalties thereon), including without limitation real property ad valorem taxes and stormwater fees and assessments, which are, at any time and from time to time during the Term, assessed or imposed against any legal or equitable interest of Lessee in the Leased Premises or any Improvements now or hereafter located on the Leased Premises by the City of Pensacola, Escambia County, or State of Florida or by any school, agricultural, lighting, fire, mosquito control, stormwater, water, drainage or other improvement, benefits or tax district thereof, and which are collected by the Escambia County Tax Collector or the City of Pensacola (or comparable agency), together with any tax imposed in addition to or in substitution of, partially or totally, any such tax, fee or assessment. If at any time during the Term any Improvements located on the Leased Premises owned by Lessee are

deemed exempt and not subject to Taxes, in whole or in part, Lessee, upon Lessor's request, shall pay to the Community Redevelopment Agency of the City of Pensacola ("CRA") (or to Lessor itself if the CRA is not then in existence) amounts equivalent to the Taxes that would have otherwise been due and payable to the City of Pensacola and/or the CRA in the absence of such exemption. It is expressly understood and agreed that the preceding sentence shall not apply with respect to any redevelopment incentive granted to Lessee pursuant to an area reinvestment agreement between Lessee and the CRA under Section 163.387, Florida Statutes.

10. ASSIGNMENT AND SUBLEASE. Prior to the Substantial Completion of the Initial Improvements, Lessee will not assign or transfer any or all of its rights and privileges under this Lease or sublet all or any part of the Leased Premises other than to a Permitted Transferee (as hereinafter defined) without Lessor's prior written consent, which consent shall be in the sole discretion of Lessor. After Substantial Completion of the Initial Improvements, any such assignment or subletting by Lessee shall not require Lessor's consent. Without limiting the foregoing, it is a precondition to Lessor's review and approval of a requested assignment that there shall then exist no uncured Event of Default nor any event or state of facts which with notice or the lapse of time, or both, would constitute an Event of Default. In the event that Lessee requests permission to assign this Lease or sublease its interests in the Lease, in whole or in part, the request shall be submitted to Lessor not less than sixty (60) days prior to the proposed effective date of the assignment or sublease requested, and shall be accompanied by a copy of the proposed assignment or sublease agreement and of all agreements collateral thereto, together with the following information and any other information requested by Lessor: the identity and contact information of the assignee/sublessee, whether the requested assignment or sublease is a full or partial assignment of this Lease or sublease of Lessee's interest in said Lease, a statement of the entire consideration to be received by Lessee by reason of such assignment or sublease, the type of business to be conducted on the Leased Premises by the assignee or sublessee, and history and financial information of the assignee or sublessee. Further, Lessor's failure to consent will not be deemed unreasonable if the proposed assignee or sublessee cannot demonstrate to Lessor's reasonable satisfaction that it has the financial ability and track record to complete the Initial Improvements. After the Initial Improvements have been constructed and provided that Lessee is not in default under the terms of this Lease beyond any applicable notice and cure periods as provided for in this Lease, Lessee has the right to assign or transfer any or all of its rights and privileges under the Lease, and/or to sublet all or any part of the Leased Premises without Lessor's consent. Lessee agrees that any assignment shall contain a provision whereby the assignee agrees to assume all obligations of the assignor under this Lease. Lessee shall be released from all obligations under this Lease arising after the date of any assignment of the Lease, but not following any sublease. Any assignee of this Lease shall, by reason of accepting such assignment be deemed, for the benefit of Lessor, to have assumed and agreed to conform and comply with each and every term, covenant, condition and obligation herein to be observed or performed by Lessee from and after said assignment. For avoidance of doubt, Lessee shall be allowed to freely mortgage its interest in this Lease (any such mortgage, a "Leasehold Mortgage"; the holder of a

Leasehold Mortgage, a "Leasehold Mortgagee"), including, without limitation, a Leasehold Mortgage which secures "C-Pace" financing.

As used in this Lease, a "Permitted Transferee" means: (i) an entity controlling, controlled by, or under common control with, Lessee, and/or (ii) a parent, subsidiary or affiliated entity of Lessee in which Lessee, Lessee's parent, or any subsidiary of either Lessee or its parent, holds a majority of the outstanding ownership interests in the transferee, and/or (iii) a sublessee who is unrelated to Lessee under a sublease for a residential unit or retail or other commercial space.

Lessor's consent for the assignment or sublease for which Lessor's consent is required and for which such consent has been given shall be by written instrument, in a form satisfactory to Lessor and Lessor's legal counsel, and shall be executed by the assignee or sublessee who shall agree, in writing, for the benefit of Lessor, to be bound by and to perform all the terms, covenants, and conditions of this Lease. Failure either to obtain Lessor's prior written consent or to comply with the provisions of this Lease shall serve to prevent any such transfer, assignment, or sublease from becoming effective. Receipt by Lessor of Rent or any other payment from an assignee, sublessee, or occupant of the Leased Premises shall not be deemed a waiver of any covenant in this Lease against assignment and subletting without Lessor's consent or as acceptance of the assignee, sublessee, or occupant as a Lessee under this Lease. No provision of this Lease shall be deemed to have been waived by Lessor, unless such waiver is in writing, signed by Lessor. Further, by applying for consent to an assignment or sublease, Lessee agrees to reimburse Lessor for its out-of-pocket costs for consultants, attorneys, and experts to evaluate the request, to advise Lessor with respect thereto and to prepare or review appropriate documents.

11. OWNERSHIP OF IMPROVEMENTS. This Lease represents a ground lease only. During the Term, Lessee shall own all Improvements constructed on the Leased Premises. Upon the expiration or termination of this Lease for any reason, the Improvements on the Leased Premises shall automatically become and be the sole property of Lessor, free and clear of all mortgage encumbrances imposed by Lessee and all claims of persons and entities claiming by, through or under Lessee, and Lessee shall have no further right, title or interest therein.

12. CONDITION OF PREMISES. LESSEE HEREBY ACKNOWLEDGES AND AGREES THAT LESSOR LEASES THE LEASED PREMISES AND LESSEE ACCEPTS THE LEASED PREMISES "AS/IS, WHERE IS AND WITH ALL FAULTS" WITHOUT ANY REPRESENTATION OR WARRANTY OF LESSOR, EXPRESS OR IMPLIED, OF ANY KIND WHATSOEVER OTHER THAN AS EXPRESSLY SET FORTH IN THIS LEASE. LESSEE ACKNOWLEDGES THAT LESSOR HAS MADE NO REPRESENTATIONS OR WARRANTIES RELATING TO THE SUITABILITY OF THE LEASED PREMISES FOR ANY PARTICULAR USE OR PURPOSE (INCLUDING WITHOUT LIMITATION THE USE SET FORTH IN SECTION 2 ABOVE) AND THAT LESSOR SHALL HAVE NO OBLIGATION WHATSOEVER TO REPAIR, MAINTAIN, RENOVATE OR OTHERWISE INCUR ANY COST OR EXPENSE WITH RESPECT TO THE LEASED PREMISES OR PARK PROPERTY OTHER THAN AS EXPRESSLY SET FORTH IN THIS LEASE.

WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, OTHER THAN AS EXPRESSLY SET FORTH IN THIS LEASE, LESSOR SHALL NOT BE LIABLE FOR ANY LATENT OR PATENT DEFECTS IN THE LEASED PREMISES OR PARK PROPERTY, AND LESSOR SHALL NOT HAVE ANY LIABILITY OR RESPONSIBILITY TO LESSEE FOR ANY LOSS, DAMAGE OR EXPENSE INCURRED BY LESSEE OCCASIONED BY THE CONDITION OR CHARACTERISTICS OF THE LEASED PREMISES OR PARK PROPERTY. FURTHER, OTHER THAN AS EXPRESSLY SET FORTH IN THIS LEASE, LESSOR HEREBY DISCLAIMS ANY AND ALL EXPRESS AND IMPLIED WARRANTIES AS TO THE CONDITION OF THE LEASED PREMISES OR PARK PROPERTY, INCLUDING WITHOUT LIMITATION ANY AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR ANY PARTICULAR PURPOSE, HABITABILITY, OR TENANTABILITY.

13. MAINTENANCE.

(a) Lessor's Obligations. Lessor, at its expense, but subject to Lessee's payment of Lessee's CAM Charge as provided in Section 8 above, shall be solely responsible for maintaining the common areas and facilities of the Park Property in a safe, neat, and orderly manner, free from trash, debris, and other unsafe, unsightly, or unsanitary matter.

(b) Lessee's Obligations. Lessee, at Lessee's sole cost and expense shall keep and maintain the entire Leased Premises and the Improvements on the Leased Premises, and every part and component thereof, interior and exterior, including without limitation the grounds, landscaping and parking facilities, if any, on the Leased Premises, in first class condition, appearance and repair and shall promptly make all necessary repairs and replacements thereto, interior and exterior, structural and non-structural, ordinary as well as extraordinary, and foreseen as well as unforeseen, and Lessee shall not do or suffer any waste, damage, disfigurement or injury to the Leased Premises, the Improvements on the Leased Premises or any portion thereof. Further, Lessee, at Lessee's sole cost and expense shall at all times maintain the Leased Premises in a safe, neat, and orderly manner, free from trash, debris, and other unsafe, unsightly, or unsanitary matter. Upon expiration or termination of this Lease for any reason, Lessee shall surrender to Lessor the Leased Premises and the Improvements on the Leased Premises in good condition, appearance, and repair, ordinary wear and tear excepted.

14. PAYMENT OF UTILITIES. Lessee shall arrange for direct billing with all utilities providing service to the Leased Premises and, except as otherwise provided herein, shall pay when due all invoices for services rendered to the Leased Premises from time to time by such utility providers.

15. TRASH COLLECTION. Lessee shall, at its sole expense, cause all trash and garbage to be removed from the Leased Premises and the Improvements on a regular basis, not less than weekly. Lessor shall not have any obligation to provide a dumpster on the Park Property or the Leased Premises for use of Lessee.

16. DAMAGE AND DESTRUCTION. If at any time during the Term of this Lease, the Leased Premises shall be so destroyed or so injured by fire or other casualty as to be unfit for full occupancy and use by Lessee, and such destruction or injury could reasonably be repaired within one hundred eighty (180) days from the date of such destruction or injury, then Lessee shall not be entitled to surrender possession of the Leased Premises; provided, however, that Lessee's obligation to pay Rent shall be equitably reduced to the extent of the diminution in use to Lessee resulting from such destruction or injury until full use and occupancy is restored to Lessee. Lessee shall repair the damage with all reasonable speed at least to the extent of the value of the insurance available from all sources and as nearly as possible to the character and quality of the Improvements existing immediately prior to such occurrence.

If the Leased Premises shall be so destroyed or injured by fire or other casualty that such destruction or injury could not reasonably be repaired within one hundred eighty (180) days from the date of such destruction or injury, Lessee shall have the option, upon written notice given to Lessor within 90 days from the date of such destruction or injury, to terminate this Lease, and upon giving of such notice this Lease shall be terminated as of the date of such destruction or injury. In the event Lessee does not elect to terminate this Lease in accordance with the foregoing options, Lessee shall repair the damage and restore or rebuild the building and improvements as promptly as reasonably possible after the one hundred eighty (180) day period. All insurance proceeds received by Lessee for the loss shall be available to Lessee for rebuilding with disbursement of said funds following the terms to be agreed upon in writing in advance of any construction.

If this Lease is terminated under the immediately preceding or following paragraphs, Lessee shall promptly raze the Improvements, remove the foundations, fill the site with dirt covered with topsoil and leave it in a neat, clean, graded, level and safe condition, provided that such request is made by Lessor within 90 days following the time of such termination. Any insurance proceeds available to Lessee (following restoration or otherwise) shall, subject to the rights of any Leasehold Mortgagee as provided in Sections 28 and 38, be collected by and paid to the Lessee. Any proceeds remaining after completion of Lessee's obligations under this Article shall be paid to Lessee, except that any Rent outstanding and unpaid shall first be paid to the Lessor out of such remaining proceeds.

Further, notwithstanding the foregoing, if any Improvements on the Leased Premises are "totally destroyed" (as hereinafter defined) during the last fifteen (15) years of the Term, Lessee may elect to terminate this Lease by giving written notice of termination to Lessor within 90 days after the Improvements on the Leased Premises are "totally destroyed" (as hereinafter defined). Insurance proceeds payable with respect to total destruction shall be applied to pay Lessee's reasonable costs of demolition as outlined in the immediately preceding paragraph, and the outstanding indebtedness then secured by any Leasehold Mortgage, but only if and to the extent such costs and indebtedness exceed the amount of the insurance deductible, and all remaining insurance proceeds shall be paid to Lessor. For the purposes of this paragraph the terms "totally destroyed" and "total destruction" shall mean that the total aggregate cost to repair or

replace the damage to the Improvements on the Leased Premises exceeds fifty percent (50%) of the greater of (i) fair market value or (ii) the replacement cost value of the Improvements on the Leased Premises immediately prior to the occurrence of such damage. The Annual CAM Charge and all rent shall be equitably abated during any period that the Improvements on the Leased Premises are unusable, in whole or in part. If Lessee elects to terminate this Lease pursuant to the terms of this Section, all Parties shall be relieved of all further obligations owed under this Lease from and after such termination, unless the survival of such obligation(s) is specifically provided for herein. The provisions of this Section shall survive the expiration or termination of this Lease.

17. **STORMWATER MANAGEMENT.** Provided that Lessee pays when due all stormwater fees and assessments levied from time to time by the City of Pensacola with respect to the Leased Premises, Lessee shall have the right to utilize the existing storm water retention facilities on the Park Property serving the Leased Premises (the "Retention Facilities"), and Lessor shall be responsible for the operation, maintenance, and repair of the Retention Facilities.

18. **CONDEMNATION.** If more than 50% of the gross area of the Improvements on the Leased Premises shall be taken by eminent domain, condemnation or in any other manner for public or quasi-public use or purpose (a "taking") (other than for temporary use or occupancy), the term of this Lease shall, at the option Lessee, terminate as of the date of vesting of title and upon such termination no further Rent shall be due hereunder or a pro-rata refund of Rent paid after such taking shall be made. If this Lease is not terminated pursuant to the preceding sentence, the Parties shall enter into good faith negotiations to modify, alter, or amend this Lease such that the remainder of the Leased Premises and Improvements on the Leased Premises remain tenantable or leasable for the uses permitted pursuant to Section 2 above. Lessor and Lessee shall have the right to participate in any condemnation proceedings. Each shall notify the other promptly of any contemplated or threatened condemnation proceeding of which it shall become aware and shall keep the other informed of developments with respect thereto.

19. **FORCE MAJEURE.** Each party's obligations under this Lease shall be abated or excused (other than Lessee's obligation to pay Rent) on a day-for-day basis when performance of such obligations is rendered impossible or impracticable by reason of strikes, riots, acts of God, theft, fire, public enemy, injunction, closure of capital markets, insurrection, court order, requisition of other governmental body or authority, war, acts of terrorism, governmental laws, regulations or restrictions, pandemic or epidemic disease (each, a "Force Majeure Event"), until such Force Majeure Event is eliminated or ceases to exist; provided however, that each responsible party shall use all due diligence to eliminate or mitigate such Force Majeure Event or the effects thereof as soon as possible.

20. **COMPLIANCE WITH GOVERNMENTAL REGULATIONS.** Lessee, in the use and enjoyment of the Leased Premises, shall comply in all material respects with all governmental regulations, statutes, ordinances, rules, ordinances and directives of any federal, state, county or municipal governmental units or agencies having jurisdiction over the Leased Premises or the business being conducted thereon and all rules and

regulations now in effect or hereafter imposed by Lessor; provided, however, any such rules and regulations imposed by Lessor shall be imposed uniformly against all similar businesses located in the City and shall not conflict in any material respect with the express provisions of this Lease or unreasonably interfere with Lessee's permitted use of the Leased Premises. Lessee shall not be deemed in breach of this Section so long as it is challenging in good faith any claim of non-compliance by Lessor.

21. ENVIRONMENTAL MATTERS. Lessor represents that Lessor has completed remediation of historic environmental contamination at the Leased Premises ("Prior Contamination") so that, to its knowledge and without investigation, the Leased Premises are in compliance with environmental laws. Lessor shall release and hold harmless Lessee from any and all fines, claims, suits, actions, demands, losses, damages, liabilities, costs and expenses (including, without limitation, attorney's fees) arising from contamination existing at the Leased Premises as of the Lease Effective Date, other than those arising from any action of Lessee or its agents, successors or assigns, which disturb or otherwise deteriorate the remediation of the Prior Contamination carried out by Lessor. Lessee shall comply with all federal, state, municipal and county laws, statutes, ordinances, codes, administrative orders, rules and regulations and permits relating to environmental matters, storm water, and other pollution control applicable to the construction, alteration or demolition of the Improvements on the Leased Premises or the occupancy, use or operation of the Leased Premises. Lessee shall furnish to Lessor at the time same are filed, received, submitted, or tendered, a copy of every permit application, permit, notice, order, or other document sent to or received from any regulatory agency responsible for environmental matters, storm water, or other pollution control. Lessee is prohibited from allowing, causing, condoning, licensing, permitting or sanctioning any activities, conduct or operations that enable or result in any pollutants, contaminants, hazardous materials or substances or other waste to be accumulated, deposited, placed, released, spilled, stored or used upon or under any portion of the Leased Premises or adjacent waters contrary to or in violation of any of said laws, statutes, ordinances, codes, administrative orders, rules, regulations or permits other than typical quantities of ordinary supplies such as copier toner, liquid paper, glue, ink and common cleaning materials used by the retail and residential lessees at the Leased Premises). In the event Lessee violates this prohibition, Lessee shall be solely responsible for any and all reporting, cleanup, remediation, fines and penalties in accordance with said laws, statutes, ordinances, codes, administrative orders, rules, regulations or permits. Lessee agrees to indemnify, defend and hold harmless Lessor against any and all actions, claims, demands, judgments, penalties, liabilities, costs, damages and expenses, remediation costs and response costs, including court costs and attorney's fees incurred by Lessor arising out of or in connection with contamination resulting from the construction, alteration or demolition of the Improvements on the Leased Premises or the occupancy, use or operation of the Leased Premises during the Term. The terms of this Section shall survive the termination of this Lease.

22. SEVERABILITY. If any clause or provision of this Lease is illegal, invalid, or unenforceable under present or future laws effective during the term of this Lease, then

and in that event, it is the intention of the Parties hereto that the remainder of this Lease shall not be affected thereby.

23. SURRENDER AND HOLDING OVER.

(a) With Lessor's Consent. If Lessee shall, with the written consent of Lessor, hold over after the expiration or sooner termination of the Term of this Lease, the resulting tenancy shall, unless otherwise mutually agreed, be on a month-to-month basis until such time as Lessee shall surrender the Leased Premises (with sixty (60) days' prior written notice to Lessor) or Lessor shall re-enter the Leased Premises (with sixty (60) days' prior written notice to Lessee.) During such month-to-month tenancy, Lessee shall continue to pay Rent and other charges as established in accordance with the provisions of this Lease and shall be bound by all of the other provisions of this Lease.

(b) Without Lessor's Consent. If Lessee shall, without the written consent of Lessor, hold over after the expiration or sooner termination of the Term of this Lease, the resulting tenancy privilege shall, unless otherwise mutually agreed, be a tenancy at sufferance. During such tenancy at sufferance, Lessee shall pay Rent equal to one hundred fifty percent (150%) of the Rent in effect at the time of expiration or termination and shall be bound by all of the other provisions of this Lease.

24. **AUTHORITY.** If Lessee is not a natural person, the undersigned representative of Lessee hereby warrants and certifies that Lessee is an entity in good standing and is authorized to do business in the State of Florida. The undersigned representative of Lessee hereby further warrants and certifies that he or she, as such representative, is authorized and empowered to bind the entity to the terms of this Lease by his or her signature thereto. Lessor, before it accepts and delivers this Lease, may require Lessee to supply it with a certified copy of the entity resolution or such other document authorizing the execution of this Lease by Lessee. The undersigned representative of Lessor hereby warrants and certifies that he or she, as such representative, is authorized and empowered to bind Lessor to the terms of this Lease by his or her signature thereto. Lessee, before it accepts and delivers this Lease, may require Lessor to supply it with a certified copy of resolution or such other document authorizing the execution of this Lease by Lessor.

25. **INTEGRATION, MERGER AND AMENDMENT.** This Lease contains the entire agreement of the Parties with respect to the subject matter of this Lease, and fully substitutes, replaces, and supersedes any prior letter of intent, memorandum of understanding, and all other prior negotiations, agreements, and understandings with respect thereto. This Lease may not be altered, changed, or amended, except by written instrument signed by all Parties hereto and executed in the same formality as this Lease.

26. **NO WAIVER.** No provision of this Lease shall be deemed waived by either Party by any act, omission, conduct or course of dealing by such Party. Rather, a provision of this Lease may be waived only by a written instrument duly authorized and executed by the Parties which specifically identifies the provision being waived. The terms, provisions,

covenants, and conditions contained in this Lease shall apply to, inure to the benefit of, and be binding upon the Parties hereto, and upon their respective permitted successors in interest and legal representatives, except as otherwise expressly provided herein and except that Lessor shall have no liability to Lessee under this Lease except as otherwise expressly stated herein.

27. **INSURANCE.** Lessee shall procure and maintain at all times during the Term, insurance of the types and to the limits specified herein issued by insurer(s) qualified to do business in Florida.

Lessee acknowledges and agrees that the types and minimum limits of insurance herein required may become inadequate following during the Term of this Lease, and, therefore agrees that the minimum limits may be increased to commercially reasonable limits and/or additional types of insurance may be required by Lessor from time to time during the Term of this Lease, but in no event more than once every five (5) Lease Years, provided that such insurance is available at commercially reasonable rates. The term "Lease Year" as used herein shall mean a period of twelve (12) consecutive months. The first (1st) Lease Year shall begin on the Lease Effective Date if the Lease Effective Date is the first (1st) day of a month; otherwise, the first (1st) Lease Year shall commence upon the first (1st) day of the following month. Each succeeding Lease Year shall commence on the next day after the last day of the immediately preceding Lease Year.

Unless otherwise agreed by Lessor in writing, the amounts, form, and type of insurance shall conform to the following minimum requirements:

Lessee shall maintain in force at all times, property insurance coverage which insures any improvements on the Leased Premises using a Standard Insurance Office (ISO) defined "Special Causes of Loss" form or its equivalent, together with coverages or endorsements for ordinance or law, vandalism, malicious mischief, earthquake, named windstorm, wind, hail, storm surge and flood. Lessor shall be named as an additional insured under all such policies of insurance. The amount of coverage will be 100% of the replacement cost, when commercially available, or limits reasonably available less than 100% with the prior written approval of Lessor, such approval not to be unreasonably withheld. Any request by Lessee for coverage amounts less than 100% of replacement cost shall be accompanied by written evidence demonstrating the commercial

unavailability of 100% replacement cost coverage, in form and substance reasonably satisfactory to Lessor. Such policy shall contain a "Waiver of Subrogation" clause in favor of Lessor. Lessee shall notify Lessor at least thirty (30) days in advance of cancellation, nonrenewal or adverse change or restriction. In addition and without limiting the foregoing, Lessor agrees to reasonably consider, but shall have no duty or obligation to approve, requests by Lessee for reductions in (i) flood coverage based on the "maximum probable loss" resulting from a hurricane or flood, and (ii) windstorm coverage based on prevailing practices for similar-type properties in the Pensacola area.

LIQUOR LIABILITY

If alcoholic beverages are furnished, sold, or consumed on the Leased Premises, Lessee shall maintain or cause vendor(s) operating upon the Leased Premises to maintain liquor liability insurance including coverage for bodily injury and property damage arising out of the furnishing of alcoholic beverages. Minimum limits for this coverage are \$5,000,000 each common cause and in the aggregate. When alcoholic beverages are to be furnished, sold or consumed at the Leased Premises, the licensee/operator/business owner shall not furnish, or sell to or permit its employees, servants, subcontractors, or agents to furnish or sell alcoholic beverages to, or to allow such alcoholic beverages to be consumed by any person who is not of lawful drinking age and shall take reasonable actions necessary to avoid serving any person habitually addicted to the use of any or all alcoholic beverages, or any person who is, or who would reasonably be expected to be intoxicated.

CERTIFICATES OF INSURANCE

Lessee's required insurance shall be documented in Certificates of Insurance furnished to Lessor that list this Lease and provide that Lessor shall be notified at least thirty (30) days in advance of cancellation, nonrenewal or adverse change or restriction in coverage. If requested by Lessor, Lessee shall furnish copies of Lessee's insurance policies, forms, endorsements, jackets and other items forming a part of, or relating to such policies, when such become available to Lessee. Certificates shall be on the "Certificate of Insurance" form reasonably acceptable to Lessor. Lessee shall replace any canceled, adversely changed, restricted or non-renewed policies with new policies reasonably acceptable to Lessor and shall file with Lessor Certificates of Insurance under the new policies at least fifteen (15) days prior to the effective date of such cancellation, adverse change, or restriction. Notwithstanding the foregoing, Lessee's failure to timely deliver new Certificates of Insurance in accordance with the foregoing sentence shall not constitute an event of default under this Lease so long as there is no lapse in any insurance coverage.

REQUIRED INSURANCE PRIMARY

The insurance coverage required of Lessee shall be considered primary, and all other insurance shall be considered as excess, over and above Lessor's coverage, if any.

INDEMNITY

Lessee shall indemnify and hold harmless Lessor and its elected and appointed officials, officers, members, employees, volunteers, representatives and agents from any and all fines, claims, suits, actions, demands, losses, damages, liabilities, costs and expenses (including, without limitation, attorney's fees) in connection with any loss of life, bodily or personal injury, or damage to or loss of property arising from or out of any occurrence in, upon, at or about the Leased Premises or any part thereof occasioned or caused in whole or in part, either directly or indirectly, by the act omission, negligence, misconduct or breach of this Lease by Lessee, its employees, agents, customers, clients, guests, invitees under express or implied invitation of Lessee; or arising out of this Lease or Lessee's use of the Leased Premises; provided, however, that nothing contained herein shall be construed as a waiver, in whole or in part, of the sovereign immunity of Lessor under the Constitution, statutes and case law of the State of Florida, nor as a change or modification in any manner whatsoever of the method or conditions of preserving, asserting, or enforcing any claim or legal liability against Lessor.

LIMITATION OF LESSOR LIABILITY

In no event shall Lessor shall be liable or responsible to Lessee for any loss or damage to any property or the death or injury to any person occasioned by theft, fire, act of God, public enemy, injunction, riot, strike, insurrection, war, court order, requisition of other governmental body or authority, by other licensee, occupant, user, lessee, or sub-lessee of the Park Property or any portion thereof, or by any other matter beyond the control of Lessor, or for any injury or damage or inconvenience which may arise through repair or alteration of any part of the Leased Premises, or failure to make repairs or from any cause whatsoever except the gross negligence or willful misconduct of Lessor, or for consequential damages or special damages. Further, any liability of Lessor under this Lease is limited to the same extent as tort actions against Lessor are limited by § 768.28 Fla. Stat. (2022).

28. DEFAULT and REMEDIES.

(a) Events of Default. The occurrence of either of the following (including the expiration of the applicable notice and cure period and, if applicable, the Extended Mortgagee Cure Period), shall constitute an "Event of Default" under this Lease:

(i) Subject to the provisions of Sections (d) and (e) below, should Lessee at any time be in breach of the timely performance of its obligations with respect to any payment of Rent under this Lease, and such breach remains un-remedied after expiration of a period of ten (10) days after delivery of a notice from Lessor to Lessee specifying the breach in question; or

(ii) Subject to the provisions of Sections (d) and (e) below, should Lessee be in breach in the timely performance of any other of its promises, covenants or agreements contained in this Lease other than the payment of Rent and should such breach of performance remain un-remedied, after expiration of a period of thirty (30) days

after delivery of a written notice from Lessor to Lessee specifying the breach in question, or, in the case of a breach that cannot reasonably be remedied within a thirty (30) day period, then such breach remains un-remedied after expiration of such longer period of time after delivery of such written notice from Lessor as is reasonably required by Lessee to fulfill or perform such obligations, provided that Lessee commences to fulfill such obligations or remedy such breach within thirty (30) days after notice from Lessor and thereafter diligently prosecutes such curative efforts in a commercially reasonable manner to completion. Notwithstanding the foregoing, an Event of Default shall be deemed to exist if Lessee (i) fails to meet any deadline specified in Section 5 (Construction of Initial Improvements), (ii) is in breach in the timely performance of its obligations under Section 27 (Insurance), or (iii) is in breach of Section 10 (Assignment and Sublease), in each case without any requirement that Lessor provide notice of or opportunity to cure any such breaches.

(b) Remedies of Lessor. Subject to the provisions of Sections (c), (d) and (e) below, upon an Event of Default, Lessor may (i) enforce the specific performance of this Lease, (ii) terminate this Lease in Lessor's discretion, in which case Lessee shall immediately surrender the Leased Premises to Lessor; or (iii) terminate Lessee's rights to possession of the Leased Premises. If Lessee fails to surrender the Leased Premises after Lessor terminates this Lease or Lessee's right to possession of the Leased Premises, Lessor, in compliance with applicable law, may enter and take possession of the Leased Premises and remove Lessee and Lessee's property from the Leased Premises. Lessee shall pay Lessor, on demand, all past due Rent and other losses and damages Lessor suffers as a result of Lessee's Event of Default and any other Event of Default occurring thereafter, including, without limitation, all Costs of Re-letting and any deficiency in Rent that may arise from re-letting or the failure to re-let the Leased Premises. "Costs of Re-letting" shall include all reasonable costs and expenses incurred by Lessor in recovering possession of the Leased Premises (including, without limitation, legal expenses and attorneys' fees) and for re-letting or attempting to re-let the Leased Premises, including, without limitation, legal fees, brokerage commissions, the cost of alterations and the value of other concessions or allowances granted to a new Lessee or Lessees.

The respective rights of Lessor under this Lease shall be cumulative and failure on the part of Lessor to exercise promptly any such rights afforded it shall not operate to forfeit any such rights. No forbearance by Lessor of action upon any violation or breach of any of the terms, provisions, and covenants herein contained shall be deemed or construed to constitute a waiver of the terms, provisions, and covenants herein contained. Forbearance by Lessor to enforce one or more of the remedies herein provided upon an Event of Default shall not be deemed or construed to constitute a waiver of any other violation or Event of Default. Further, the acceptance by Lessor of Rent, Annual CAM Charges or other charges or payments by Lessee for any period or periods after the occurrence of an Event of Default shall not be deemed a waiver of such Event of Default or a waiver of or estoppel to enforce any right or remedy on the part of Lessor arising or existing by reason of such Event of Default, whether or not Lessor has or had knowledge of such Event of Default. Legal actions to recover for loss or damage that Lessor may suffer by reason of termination of this Lease or the deficiency from any reletting as provided for above shall include the expense of repossession or reletting and any repairs or remodeling undertaken by Lessor

following repossession.

(c) Bankruptcy Not a Default. Neither Lessee's bankruptcy, insolvency, assignment for the benefit of creditors, appointment of a receiver, nor any proceedings under any Laws similar to the foregoing with respect to Lessee shall affect this Lease so long as all covenants of Lessee are continued in performance by Lessee, its successors, or legal representatives, or by any Leasehold Mortgagee. Otherwise, each of these occurrences constitutes an Event of Default under paragraph (A)(3) above if and to the extent not prohibited by applicable law.

(d) Cure Rights of Leasehold Mortgagee. Lessor, upon providing Lessee with any notice of (i) a default by Lessee in the payment of Rent pursuant to Subsection (a)(i) above, or (ii) any breach of any other covenant of this Lease pursuant to Subsection (a)(ii) above, shall at the same time provide a copy of such notice to every Leasehold Mortgagee who has provided Lessor with notice of its Leasehold Mortgage on the Leased Premises in the manner described in Section 38(b) hereof to the most recent address provided to Lessor in writing for such Leasehold Mortgagee. No notice of any default or breach by Lessee shall be deemed to have been duly given by Lessor unless and until a copy thereof has been provided to every Leasehold Mortgagee entitled thereto at the most recent address provided to Lessor in writing for such Leasehold Mortgagee. From and after the date such notice has been given to Lessee and such Leasehold Mortgagee, each of such Leasehold Mortgagees shall have the same period for remedying such default or breach as is given to Lessee, plus in each instance the Extended Mortgagee Cure Period, to remedy cause to be remedied, or, if the default or breach specified in such notice cannot reasonably be remedied prior to the expiration of the Extended Mortgagee Cure Period, commence remedying during the Extended Mortgagee Cure Period and thereafter diligently and continuously prosecute such remedy to completion, the default or breach specified in any such notice. Lessor shall accept such performance by or at the instigation of any such Leasehold Mortgagee as if the same had been done by Lessee. Lessee authorizes each Leasehold Mortgagee to take any such action at such Leasehold Mortgagee's option and does hereby authorize entry upon the Leased Premises by the Leasehold Mortgagee(s) for such purpose.

(e) Extended Cure Rights. (a) Anything contained in this Lease to the contrary notwithstanding, if an Event of Default shall occur which would otherwise entitle Lessor to terminate this Lease, Lessor shall have no right to so terminate this Lease unless, following the expiration of the period of time given pursuant to Section 28(A) for Lessee to cure such default, Lessor shall notify every Leasehold Mortgagee (at the most recent address provided to Lessor for such Leasehold Mortgagee) of Lessor's intent to so terminate at least fifteen (15) days in advance of the proposed effective date of such termination if such Event of Default is capable of being cured by the payment of money, and at least thirty (30) days in advance of the proposed effective date of such termination if such default is not capable of being cured by the payment of money; provided, however that such Leasehold Mortgagee shall reimburse Lessor, at the time of so remedying the default, for all reasonable costs and expenses to Lessor of maintaining, protecting, insuring and operating the Leased Premises during such 15 or 30 day period (as applicable), including without limitation reasonable attorneys' fees. The provisions of Subsection (f) below shall

apply if, during such 15 or 30 day period (as applicable), any such Leasehold Mortgagee shall:

(i) notify Lessor of such Leasehold Mortgagee's desire to nullify such notice by exercising its rights to foreclose its Leasehold Mortgage, and

(ii) pay or cause to be paid all Rent and other amounts then due and in arrears as specified in the notice to such Leasehold Mortgagee and which may become due during such 15 or 30 day period, and

(iii) comply or in good faith, with reasonable diligence and continuity, commence to comply with all non-monetary requirements of this Lease then in default and reasonably susceptible of being complied with by such Leasehold Mortgagee, provided, however, that such Leasehold Mortgagee shall not be required during such 15 or 30 day period to cure or commence to cure any default consisting of Lessee's failure to satisfy and discharge any lien, charge or encumbrance against Lessor's interest in this Lease or the Leased Premises junior in priority to the lien of the Leasehold Mortgage held by such Leasehold Mortgagee (unless the lien of such Leasehold Mortgage is senior to the lien of any Fee Mortgage (as hereinafter defined)).

(f) If Lessor shall elect to terminate this Lease by reason of an Event of Default of Lessee under this Section 28 and a Leasehold Mortgagee shall have proceeded in the manner provided for by Subsection (a) above, the specified date for the termination of this Lease as fixed by Lessor in its notice shall be extended for a further period of six (6) months, provided that such Leasehold Mortgagee shall, during such six (6) month period:

(i) pay or cause to be paid Rent obligations of Lessee under this Lease as the same become due, and continue its good faith efforts to perform all of Lessee's other obligations under this Lease (including, without limitation, monetary, non-monetary, and past non-monetary obligations then in default), excepting (a) any obligations of Lessee to satisfy or otherwise discharge any lien, charge or encumbrance against Lessee's interest in this Lease or the Leased Premises junior in priority to the lien of the Leasehold Mortgage held by such Leasehold Mortgagee (unless the lien of such Leasehold Mortgage is senior to the lien of any Fee Mortgage); and (b) non-monetary obligations and past non-monetary obligations then in default and not reasonably susceptible of being performed or cured by such Leasehold Mortgagee.

(ii) if not enjoined or stayed, take steps to acquire or sell Lessee's interest in this Lease and the Leased Premises by foreclosure of the Leasehold Mortgage or other appropriate means and prosecute such proceedings to completion with due diligence.

(iii) if at the end of such additional six (6) month period such Leasehold Mortgagee has complied with, and for so long as such Leasehold Mortgagee continues to comply with, Subsection (i) above and is actively engaged in taking steps as required under Subsection (ii) above, this Lease shall not then terminate, and the time for completion by such Leasehold Mortgagee of its proceedings shall continue so long as such Leasehold Mortgagee is enjoined or stayed and thereafter for so long as such

Leasehold Mortgagee proceeds to complete steps to acquire and sell Lessee's interest in this Lease and the Leased Premises by foreclosure of the Leasehold Mortgage or by other appropriate means, with reasonable diligence and continuity. Nothing in this Subsection (b), however, shall be construed to extend this Lease beyond the Term, nor to require a Leasehold Mortgagee to continue such foreclosure proceedings after the default has been cured. If the default shall be cured and the Leasehold Mortgagee shall discontinue such foreclosure proceedings, this Lease shall continue in full force and effect as if Lessee had not defaulted under this Lease.

(iv) if such Leasehold Mortgagee has complied with Subsection (i) above, upon the acquisition of the leasehold estate herein by such Leasehold Mortgagee or its designee or any other purchaser at a foreclosure sale or otherwise, this Lease shall continue in full force and effect as if Lessee had not defaulted under this Lease.

(g) Nothing herein contained shall require any Leasehold Mortgagee or its designee, as a condition to its exercise of any right under this Lease, including, but not limited to, its right to cure defaults by Lessee pursuant to Subsection (d). above or this Subsection (g) or its right to obtain a New Lease (defined below) pursuant to Subsection (h). below, to cure any default of Lessee which is not reasonably susceptible of being cured by such Leasehold Mortgagee.

(h) New Lease. (a) In the event of the termination of this Lease for any reason, including, without limitation, any disaffirmance of this Lease by any trustee of Lessee in bankruptcy, Lessor shall, in addition to providing the notices of default and termination as required by Subsections (d) and (e) above, provide each Leasehold Mortgagee with a written notice that the Lease has been terminated (the "Notice of Termination"), together with a statement of all sums which would at that time be due under this Lease but for such termination, and of all other defaults, if any, then known to Lessor. Lessor agrees to enter into a New Lease of the Leased Premises with a Leasehold Mortgagee or its designee for the remainder of the Term, effective as of the date of termination, at the Rent, and upon the terms, covenants and conditions of this Lease, provided:

(i) Such Leasehold Mortgagee shall make written request upon Lessor for such New Lease within sixty (60) days after the date such Leasehold Mortgagee receives Lessor's Notice of Termination of this Lease. Leasehold Mortgagee or its designee shall execute and enter into the New Lease within thirty (30) after such written request to Lessor.

(ii) Such Leasehold Mortgagee or its designee shall pay or cause to be paid to Lessor at the time of the execution and delivery of such New Lease any and all sums which would at the time of execution and delivery thereof be due pursuant to this Lease but for such termination or pursuant to the New Lease which, regardless of the date of execution and delivery thereof, shall be effective as of the date of termination of this Lease, and, in addition thereto, all reasonable expenses, including reasonable attorney's fees, which Lessor shall have incurred by reason of such termination and the execution and delivery of the New Lease and which have not otherwise been received by Lessor from Lessee or other party in interest under Lessee. Upon the execution of the New Lease, Lessor shall allow to Lessee named in the New Lease, as an offset against the sums

otherwise due under this Subsection (ii) or under the New Lease, an amount equal to the net income received by Lessor and attributable to the Leased Premises during the period from the date of termination of this Lease to the date of the beginning of the New Lease. In the event of a controversy as to the amount to be paid to Lessor pursuant to this Subsection (ii), the payment obligation shall be satisfied if Lessor shall be paid the amount not in good faith controversy, and the Leasehold Mortgagee or its assignee shall agree in writing to pay any additional sum ultimately determined to be due plus interest at the Interest Rate.

(iii) Such Leasehold Mortgagee or its designee shall remedy, concurrently with the execution of the New Lease or as soon as reasonably practicable thereafter, any of Lessee's defaults of which said Leasehold Mortgagee was notified pursuant to Section 28(a) above and which are reasonably susceptible of being so cured by Leasehold Mortgagee or its designee.

(iv) Any New Lease made pursuant to this Section shall be prior to any Leasehold Mortgage or other lien, charge or encumbrance on the fee of the Leased Premises and Lessor under such New Lease shall have the same right, title and interest in and to the Leased Premises and the Improvements on the Leased Premises as Lessor had under this Lease. Upon execution of any New Lease, Lessor shall convey to the Leasehold Mortgagee, as lessee, without additional charge therefor, all right, title, and interest which Lessor may have in the Improvements on the Leased Premises which may then be located upon the Leased Premises, other than Lessor's reversionary interest therein upon the expiration or other termination of the New Lease.

(v) The lessee under the New Lease shall be liable to perform the obligations imposed on the lessee by such New Lease only during the period such person has ownership of such leasehold estate.

(i) If more than one Leasehold Mortgagee shall request a New Lease pursuant to Subsection (a) above, Lessor shall enter into the New Lease with the requesting Leasehold Mortgagee or its designee whose Leasehold Mortgage is the most senior lien on the Leased Premises; provided, that if approved by all of the more senior lienholders, the New Lease may be entered into with the holder of a junior Leasehold Mortgage, in which case the leasehold estate under the New Lease shall be subject to Leasehold Mortgages in favor of any and all Leasehold Mortgagees that held Leasehold Mortgages on the leasehold estate under this Lease that were senior to the Leasehold Mortgage held by the former Leasehold Mortgagee that has become the lessee under the New Lease.

Notwithstanding the foregoing, the parties hereto acknowledge that any Leasehold Mortgagee, through foreclosure or other appropriate proceedings, or any purchaser, through foreclosure or other appropriate proceedings, who shall acquire the rights and interest of Lessee under the terms of the Lease, shall not assume any personal liability of Lessee with respect thereto, except as specifically set forth herein.

29. QUIET ENJOYMENT. Provided Lessee has performed all of the terms, covenants, agreements, and conditions of this Lease, including the payment of Rent and

all other sums due hereunder, Lessee shall peaceably and quietly hold and enjoy the Leased Premises subject to the provisions and conditions of this Lease.

31. JURISDICTION AND VENUE. In the event of any claim, action, or proceeding arising out of or based upon this Lease, Lessee hereby irrevocably consents to the personal jurisdiction over Lessee of the state courts of the State of Florida and irrevocably waives the right to invoke the jurisdiction of any other court, state or federal, in or with respect to such claim, action, or proceeding. Venue for any claim, action or proceeding arising out of or based upon this Lease shall be Escambia County, Florida.

32. STATE LAW APPLICATION. The laws of the State of Florida shall be the law applied in resolution of any action, claim or other proceeding arising out of this Lease.

33. FURTHER ASSURANCE. Each of the parties hereto shall, from time to time, at the request and sole expense of the other party, without any additional consideration, furnish the other party such further information of assurances; execute and deliver such additional documents, instruments, and conveyances; and take such other actions and do such other things, as maybe reasonably necessary or appropriate in the opinion of counsel to the requesting party to carry out the provisions of this Lease and any agreements required by the Lease in order to give effect to the purposes and intent of the parties in entering into this Lease.

34. RECORDING OF LEASE. Either party, at such party's sole expense, may record this Lease in the Public Records of Escambia County, Florida. Lessee, at its sole expense, may record a Memorandum of Lease in the Public Records of Escambia County, Florida.

35. ESTOPPEL CERTIFICATES. Within ten (10) business days after a written request from Lessee, Lessor shall certify, by a duly executed and acknowledged written instrument, to any mortgagee of Lessee or proposed mortgagee or proposed sublessee of the Leased Premises or any other person, firm or corporation specified by Lessee, as to the validity and force and effect of this Lease, the existence of any default on the part of any Party hereunder, and the existence of any offset, counterclaim or defense thereto on the part of Lessor, as well as to any other matters as may be reasonably requested by Lessee. Lessee shall pay the reasonable costs and attorney's fees incurred by Lessor in connection with each such estoppel certificate.

36. NON-DISCRIMINATION. Lessee agrees that it will not discriminate upon the basis of race, creed, color, national origin, age, disability or sex in the construction, alteration or demolition of the Improvements on the Leased Premises or the use, occupancy, or operation of the Leased Premises or Improvements on the Leased Premises.

37. SIGNAGE. Lessee agrees that all exterior signage on the Leased Premises or Improvements on the Leased Premises shall comply with applicable codes, ordinances and regulations imposed by the City of Pensacola against similar properties.

38. LEASEHOLD MORTGAGES BY LESSEE.

(a) Leasehold Mortgage. Lessee shall have the unrestricted right, at any time and from time to time, to encumber, hypothecate or mortgage Lessee's leasehold estate hereunder (a "Leasehold Mortgage"), without the prior approval of Lessor. Lessee solely shall be entitled to receive all proceeds of all financing (interim, construction, permanent, capital improvement, and equity) for Lessee's leasehold estate arising under this Lease and for the Improvements on the Leased Premises, or any part thereof, and any refinancing of all or any part of such financing, including, without limitation, interim, permanent, capital improvement and equity financing. For purposes of this Lease, the term "Leasehold Mortgage" shall include without limitation a mortgage, deed of trust or any other security instrument by which Lessee may encumber, hypothecate, or mortgage all or part of Lessee's leasehold estate hereunder or any Improvements on the Leased Premises. Nothing contained in this Lease shall be deemed to grant, or to authorize Lessee to grant, any lien or other encumbrance encumbering Lessor's interest or estate in the Leased Premises.

(a) Should Lessee enter into a Leasehold Mortgage with any party (a "Leasehold Mortgagee"), and provided notice of such Leasehold Mortgage and the notice address of such Leasehold Mortgagee (which address is within the United States of America) has been provided to Lessor by Lessee or the Leasehold Mortgagee, it is agreed by and between Lessor and Lessee, and for the benefit of the Leasehold Mortgagee, as follows:

(i) Lessor will deliver to the Leasehold Mortgagee a copy of any notice or other communication from Lessor to Lessee under this Lease at the time of giving such notice or communication to Lessee, and no termination of this Lease, or of Lessee's right to possession of the Leased Premises or any re-letting of the Leased Premises by Lessor predicated on the giving of such notice, shall be effective unless Lessor gives to the Leasehold Mortgagee a concurrent written notice, or a concurrent copy of its notice to Lessee, of such default or termination at the most recent address provided to Lessor in writing for such Leasehold Mortgagee. So long as Lessor has been given notice respecting the identity and notice address of a Leasehold Mortgagee, no notice to Lessee shall be effective unless duplicate copies thereof are sent to the Leasehold Mortgagee at the most recent address provided to Lessor in writing for such Leasehold Mortgagee at the same time the notice is given or served upon Lessee.

(ii) In the event of any default by Lessee under any of the provisions of this Lease, the Leasehold Mortgagee will have the same notice and cure period as is given Lessee for remedying such default or causing it to be remedied, plus, in each case an additional period of time as specified in Section 28 (e) (the "Extended Mortgagee Cure Period").

(iii) In the event of any default by Lessee under any of the provisions of this Lease, the Leasehold Mortgagee, without prejudice to any of its rights against Lessee, shall have the right to cure such default hereunder within the applicable grace or cure

period provided for in the preceding subsection (ii), and Lessor shall accept such performance on the part of the Leasehold Mortgagee as though the same had been performed by Lessee; and for such purpose Lessor and Lessee each hereby authorize the Leasehold Mortgagee to enter upon the Leased Premises in order to exercise any of Lessee's rights and powers under this Lease. Without limitation to the foregoing, any such Leasehold Mortgagee, at its option, and at any time within the notice and cure period afforded to Lessee or during the Extended Mortgagee Cure Period, may pay any of the Rent due hereunder or may affect any insurance, or pay any taxes and assessments, or may make any repairs and Improvements, or may make any deposits, or may do any other act or thing to make any other payment required of Lessee by the terms of this Lease or may do any act or thing which may be necessary and proper to be done in the observance of the covenants and conditions of this Lease, or to prevent the forfeiture of this Lease, and all payments so made and all things so done and performed by any such Leasehold Mortgagee shall be effective to prevent a forfeiture of the rights of Lessee hereunder as the same would have been if timely done and performed by Lessee instead of by the Leasehold Mortgagee.

(iv) In the event of any default by Lessee under any of the provisions of this Lease, and if prior to the expiration of the applicable notice and cure period specified in subsection (ii) above, the Leasehold Mortgagee shall give Lessor written notice that it intends to undertake the curing of such default, or to cause the same to be cured, or to exercise its rights to acquire the interest of Lessee in this Lease and in the Improvements on the Leased Premises by foreclosure or otherwise, and shall promptly commence and then proceed with due diligence to do so, whether by performance on behalf of Lessee of its obligations under this Lease or by entry on the Leased Premises by foreclosure or otherwise, then Lessor agrees that it will not terminate or take any action to effect a termination of this Lease or reenter, take possession of or re-let the Leased Premises, or otherwise enforce performance of this Lease, so long as (A) the Leasehold Mortgagee is with due diligence and in good faith engaged in effecting such foreclosure or in the curing of such default, (B) all past due Rent and other charges payable to Lessor hereunder are paid currently; provided that the Leasehold Mortgagee shall have the right, but not the obligation, to continue such possession or continue such foreclosure proceedings after such default is cured. Nothing herein shall preclude Lessor from terminating this Lease with respect to any additional default which may occur during the aforesaid period of forbearance which is not remedied within the period of grace or cure, if any, applicable to any such additional default, except that the Leasehold Mortgagee shall have the same rights specified in this Section 38 with respect to any such additional default.

(v) If an event a default under the Leasehold Mortgage by Lessee shall have occurred, the Leasehold Mortgagee may exercise with respect to the Leased Premises any right, power or remedy under the Leasehold Mortgage which is not in conflict with any of the provisions of this Lease.

(vi) In the case of an Event of Default under this Lease which is not susceptible to being cured by the Leasehold Mortgagee, such as but not limited to the bankruptcy of Lessee, the Leasehold Mortgagee may have such time as is reasonably

required in order to obtain a stay lift and otherwise institute foreclosure proceedings in connection with its Leasehold Mortgage and in such event to diligently prosecute the same to completion. In any such case, the Leasehold Mortgagee shall provide Lessor with documentation evidencing that it is so diligently proceeding and shall pay all Rent due and owing under the Lease current, in which event upon the completion of such proceedings the Event of Default shall be deemed to have been cured.

(vii) There shall be no merger of Lessee's leasehold estate hereunder with the fee estate in the Leased Premises by reason of the fact that Lessee's leasehold estate may be held directly or indirectly by or for the account of any person who shall also hold directly or indirectly the fee estate, or any interest in such fee estate, nor shall there be any such merger by reason of the fact that all or any part of Lessee's leasehold estate may be conveyed or mortgaged to a Leasehold Mortgagee who shall also hold directly or indirectly the fee estate, or any part thereof, in the Leased Premises or any interest of Lessor under this Lease.

(viii) Except as otherwise provided in Section 28 above or in this Section 38, no liability for the payment of Rent or the performance of any of Lessee's covenants and agreements hereunder shall be imposed, or attempted to be imposed, upon any Leasehold Mortgagee by reason of its exercise, or attempt to exercise any of the rights provided for or reserved herein, unless such Leasehold Mortgagee becomes the owner of the leasehold estate in the Leased Premises by foreclosure, deed in lieu of foreclosure or otherwise, all such liability being hereby expressly waived by Lessor; provided, such waiver shall not be deemed a cure of any default for non-payment of Rent or of the performance of any of Lessee's covenants and agreements in this Lease; and provided further, however, any such Leasehold Mortgagee shall be liable to Lessor for the payment and performance of Lessee's obligations under this Lease during the period any such Leasehold Mortgagee holds title other than for security purposes to Lessee's interest under this Lease.

(ix) In the event this Lease is terminated by or against Lessee, prior to the end of the Term, Leasehold Mortgagee may within the Extended Mortgagee Cure Period, elect to and enter into a new lease of the Leased Premises with Lessor ("New Lease") in accordance with and subject to the terms and conditions set forth herein, provided that Leasehold Mortgagee or its designee or assignee pays (A) all sums due under this Lease at the time of such termination, and currently thereafter, (B) all costs incurred for the recovery of possession of the Leased Premises, and (C) all document preparation costs. The New Lease shall be for what would have been the remainder of the Term (if this Lease had not been terminated), effective as of the date of such termination, and at the rent and upon the terms, provisions, covenants and agreements as herein contained, including all rights and options herein contained. The lessee under the New Lease shall be the Leasehold Mortgagee or its designee.

(x) Lessor acknowledges that, if Leasehold Mortgagee or any other party succeeds to the interest of Lessee under the Lease as a result of foreclosure proceedings, the granting of a deed in lieu of foreclosure, or through any other means, Leasehold

Mortgagee or such other party and any transferee of Leasehold Mortgagee, shall become a substituted Lessee under the Lease (and shall cease to be a Leasehold Mortgagee, if applicable, under this Lease) without necessity of any consent of, approval of or notification of Lessor. Upon such acquisition, the Lease shall continue in full force and effect as if no default by Lessee under the Lease has occurred.

(xi) Lessor and Lessee shall not amend the provisions of this Lease without the prior written consent of any Leasehold Mortgagee, provided that notice of such Leasehold Mortgage and the notice address of such Leasehold Mortgagee (which address is within the United States of America) has been provided to Lessor by Lessee or the Leasehold Mortgagee. No cancellation, surrender, amendment, or modification of this Lease shall be effective as to, or binding upon, any such Leasehold Mortgagee unless consented to in writing by such Leasehold Mortgagee, and in any case no cancellation, surrender, amendment, or modification shall be effected without the express written consent of the holder of any such Leasehold Mortgage. Lessor agrees to modify this Lease from time to time for the purpose of incorporating in this Lease such additional Leasehold Mortgagee protective provisions as may be reasonably required by any Leasehold Mortgagee so long as such modifications are commercially reasonable in light of commercial lending standards then in general effect, and such modification(s) (in Lessee's, Lessor's and any Fee Mortgagee's good faith judgment) do not in any material respect adversely affect any of Lessor's or its Fee Mortgagee's rights, benefits or protections under this Lease or increase in any material respect the obligations or liabilities of Lessor. Lessee shall pay the reasonable expense of Lessor's legal counsel incurred in connection with modifications of the Lease required by this Section. In addition, in the event that Lessee elects to make use of any so-called "mezzanine" financing secured by indirect interests in the Leased Premises, Lessor will, upon request, provide notices and cure rights to the holders of the security interests securing such mezzanine financings that are reasonably comparable or analogous to the rights afforded to Leasehold Mortgagees hereunder even though such financings do not formally constitute Leasehold Mortgages hereunder.

39. MORTGAGES OR BONDS BY LESSOR. This Lease shall be prior and superior to the lien of any mortgage, deed of trust or similar encumbrance which may hereafter affect Lessor's interest in the Leased Premises (a "Fee Mortgage"), and to all renewals, modifications, consolidations, participations, replacements and extensions thereof, without the necessity of any further documentation.

40. SUCCESSORS AND ASSIGNS. The terms and provisions of this Lease are binding upon and shall inure to the benefit of Lessor and Lessee, and their respective successors and assigns.

41. RECITALS; CONTRACT INTERPRETATION. The recitals set forth at the beginning of this Lease are true and correct and are hereby incorporated herein by reference. The rule of construction to the effect that an instrument shall be construed against its draftsman shall not apply to this Lease and shall not negate or invalidate any provision of this Lease.

42. **MUTUAL WAIVER OF CONSEQUENTIAL DAMAGES.** Any other provision of this Lease to the contrary notwithstanding, in no event shall Lessor or Lessee be liable to the other for any special or consequential damages by reason of any breach or default by it under this Lease, including without limitation loss of income or profits, damage to reputation, or other loss or damages suffered by a Party arising from the interruption or cessation of the business conducted by such Party.

43. **NO WAIVER OF SOVEREIGN IMMUNITY.** Notwithstanding any contrary provision of this Lease, except to the extent of the contractual obligations of Lessor expressly set forth in this Lease, nothing in this Lease shall be construed as a waiver, in whole or in part, of Lessor's sovereign immunity under the Constitution, statutes and case law of the State of Florida, nor shall any provision of this Lease be deemed a change or modification in any manner whatsoever of the method or conditions of preserving, asserting, or enforcing any claim or legal liability against Lessor.

44. **FLORIDA PUBLIC RECORDS LAW.** The Florida Public Records Law, as contained in Chapter 119, Florida Statutes, is very broad. As a result, any written communication created or received by Lessor will be made available to the public and media, upon request, unless a statutory exemption from such disclosure exists. Lessee shall comply with the Florida Public Records Law in effect from time to time if and to the extent that the Florida Public Records Law is applicable to Lessee.

45. **LESSOR/LESSEE RELATIONSHIP.** Nothing herein shall be construed to be the creation of a partnership, joint venture or other relationship between Lessor and Lessee and the relationship between Lessor and Lessee under this Lease shall be that of landlord and tenant.

46. **RADON.** In accordance with Florida law, the following disclosure is hereby made:

RADON GAS: Radon gas is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risk to persons who are exposed over time. Levels of radon that exceed Federal and State Guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county public health unit.

47. **DEFAULT BY LESSOR.** Lessor shall not be in default under this Lease unless Lessor fails to perform obligations required of Lessor within thirty (30) days after written notice by Lessee to Lessor and to the holder of any Fee Mortgage or deed of trust encumbering the Project whose name and address shall have theretofore been furnished to Lessee in writing, specifying wherein Lessor has failed to perform such obligation; provided, however, that if the nature of Lessor's obligation is such that more than thirty (30) days are required for its cure, then Lessor shall not be in default if Lessor commences performance within such thirty (30) day period and thereafter diligently pursues the same to completion.

48. **BROKERS.** Lessor and Lessee represent and warrant to each other that neither has had any dealings or negotiations with any broker or agent in connection with this transaction, other than Lessor's dealings with Andrew Rothfeder and Kuhn Realty (collectively, "Lessor's Broker"), and any fees due and payable to Lessor's Broker are responsibility of Lessor. The party against whom a claim is made hereby agrees to indemnify and hold harmless the other party of and from any claims whatsoever that may arise from the falsity of the forgoing sentence.

49. **WAIVER OF TRIAL BY JURY.** Neither Lessor nor Lessee shall seek a jury trial on any lawsuit, proceeding or counterclaim based upon or arising out of this Lease, or the relationship between the parties hereto as Lessor and Lessee. The provisions of this paragraph shall survive the termination or expiration of this Lease.

50. **WAIVER OF LESSOR'S LIEN.** Lessor hereby expressly acknowledges and agrees that Lessor waives any and all statutory and common law lien rights in and to any of Lessee's property located at the Leased Premises.

51. **LEASE MODIFICATION.** Lessor agrees to make any modifications to this lease reasonably requested by a Leasehold Mortgagee, provided that such modifications do not change any of the economic benefits of this lease to Lessor or impose any additional obligations, risks or liabilities upon Lessor, other than to a de minimus extent.

52. **BIFURCATION OF LEASE.** Lessee, at Lessee's option, may effectuate a transfer of a portion of its rights under this Lease through a partial assignment and bifurcation of this Lease from time to time to facilitate the development, operation or sale of the various components of the Project, (each, a "Phase"), subject to the terms and conditions hereof, provided that there shall not be more than three (3) Phases, each Phase must be a buildable site with adequate area for parking (whether within that Phase or by easement right to parking areas in another Phase under the Master Covenants (as hereinafter defined), and each Phase must be identified with reasonable specificity on the Conceptual Plan. In addition, if any Phase, in connection with its development, construction or operation, will need access to or use of facilities or common areas in another Phase, then access must be granted in connection with such bifurcation pursuant to the Master Covenants. Accordingly, if Lessee desires to partially assign and bifurcate this Lease in connection with a transfer of any Phase, the following provisions shall apply to such transfer:

(a) Lessee, Lessor and the transferee, shall promptly (and, in any event within thirty (30) days following Lessee's request) enter into, execute and deliver (i) a partial assignment, bifurcation and partial termination of this Lease, and (ii) a new lease with the Permitted Transferee with respect to the bifurcated Phase of the Project (each, a "Bifurcated Lease"), each in form and content reasonably acceptable to the parties thereto.

(b) Any transferee of Lessee's interest in this Lease shall be obligated to comply with the terms and provisions of the Bifurcated Lease and shall be subject to the remedies and rights available to the Lessor under the Bifurcated Lease in the event such transferee fails to perform its obligations thereunder.

(c) Each Bifurcated Lease shall specify the allocation of the Rent and any other payments under this Lease to be paid to Lessor thereunder, provided that the sum of the Rent allocated under the Bifurcated Leases and this Lease (in the event any portion of the Project is developed under this Lease without bifurcation) shall equal the total Rent required by this Lease. Except for the Rent specifically set forth in this Lease (adjusted as provided in this paragraph), Lessor shall not be entitled to (and shall not impose or attempt to impose) any other rent, consideration or payments from Lessee or any Permitted Transferee under or with respect to a Bifurcated Lease.

(d) The Rent due and payable by Lessee under this Lease shall be adjusted and reduced, on a dollar for dollar basis, by the aggregate amount of Rent due and payable under the Bifurcated Leases. The bifurcation documents executed by the Parties shall amend this Lease to confirm such adjustment and reduction in Rent.

(e) If this Lease is bifurcated so that portions of the Leased Premises are subject to separate leases, the limitation on assignment and subletting set forth in Section 10 shall be applied separately to each Bifurcated Lease (each Bifurcated Lease will only require Substantial Completion of the Initial Improvements to be constructed on the portion of the Leased Premises demised by such Bifurcated Lease).

(f) Notwithstanding anything contained in this Lease, upon the execution of a Bifurcated Lease:

(i) Lessee shall not be obligated to perform any obligation under this Lease to the extent such obligation pertains to, or is to be performed on, any the portion of the Leased Premises leased pursuant to such Bifurcated Lease, and shall be automatically released from any and all such obligations (including, without limitation, any obligation to (x) pay any rent allocated to such Bifurcated Lease, (y) develop the Phase of the Project governed by the Bifurcated Lease, and (z) maintain insurance for such Phase or portion of the Leased Premises);

No action or omission of, or default by, a tenant(or anyone acting by, through or under a tenant) under a Bifurcated Lease, including, without limitation, any failure to develop the applicable Phase of the Project, shall in any event constitute or give rise to a default, or any liability of Lessee under this Lease or deprive Lessee of any of its rights under this Lease, including without limitation the right to develop the remainder of the Project on the balance of the Leased Premises in accordance with this Lease; and

Neither Lessee nor any assignee or successor thereof shall in any event be prohibited from developing any portion of the Project (or be in default hereunder, or have any liability), as a result of any failure of any Lessee(or anyone acting by, through or under a tenant) under any Bifurcated Lease to develop the applicable Phase of the Project.

Each Bifurcated Lease shall include provisions similar to the above confirming that (1) the tenant under such Bifurcated Lease shall not be obligated to perform any obligation under this Lease or any other Bifurcated Lease, (2) no action or omission of, or default by, Lessee

under this Lease or any other tenant under any other Bifurcated Lease, shall constitute a default under such Bifurcated Lease, and (3) neither the tenant under such Bifurcated Lease nor any assignee nor successor thereof shall be prohibited from developing the Phase of the Project covered by the Bifurcated Lease as a result of any failure by Lessee under this Lease or any other tenant under any other Bifurcated Lease to develop the portion of the Project located on its portion of the Leased Premises; it being the intention of the parties that this Lease and each Bifurcated Lease shall not be cross-defaulted in any way.

(g) Each tenant under a Bifurcated Lease shall have the right to (i) further assign the Bifurcated Lease, and (ii) enter into subleases, licenses, concession agreements, management agreements, operating agreements and other arrangements for the purpose of implementing any use, operation or activity permitted under this Lease, in accordance with the terms thereof.

53. MASTER COVENANTS FOR INTEGRATED PROJECT. Although the Leased Premises may be leased pursuant to this Lease and/or one or more Bifurcated Leases, the Project will be an integrated mixed-use development, to be used for the purposes contemplated by this Lease and developed (or redeveloped) from time to time pursuant to the terms of this Lease and/or the Bifurcated Leases (as applicable). To promote the integrated and mixed-use nature of the Project, and to ensure that the common or shared components of the overall Project are maintained and benefit the Phases and other portions of the Project intended to be served thereby, each Phase of the Project may be subject to and benefited by the "Master Covenants" as follows:

(a) The Project may include certain common or shared components (such as, without limitation, walkways, promenades, driveways, parking facilities, park areas, project-wide lighting and signage, and other shared components, areas and facilities) located on more than one Phase of the Project. Pursuant to the Master Covenants, such common or shared components, areas and facilities will be (i) available for use by each Phase and other portions of the Leased Premises intended to be served thereby, and (ii) will be administered by a master association, property owner's association and/or other entity created for such purpose as more particularly provided in the Master Covenants.

(b) Lessor agrees to recognize and not disturb the rights of Lessee, any tenant under a Bifurcated Lease, any transferee (and its or their respective sublessees and other subtenants (including residential and retail sublessees), licensees, employees, customers, guests, invitees and/or other permitted users) to the common or shared components, areas or facilities under the Master Covenants irrespective of whether this Lease or any Bifurcated Lease controlling such components, areas or facilities may have terminated or expired. Lessor agrees from time to time, promptly upon request of Lessee, any tenant under a Bifurcated Lease and/or any such transferee, to enter into an agreement in recordable form confirming such recognition and non-disturbance agreement, which agreement shall be on such other customary and reasonable terms as may be mutually acceptable to the parties. In addition, in the event this Lease or any Bifurcated Lease is terminated with respect to any Phase of the Project that is encumbered by the Master Covenants, Lessor shall have the right, at its option (and for the benefit of

itself and its tenants, subtenants, licensees, employees, customers, guests, invitees and/or other permitted users), to ratify and confirm that the Master Covenants encumber and apply to such Phase notwithstanding the termination of this Lease or such Bifurcated Lease, whereupon such Phase shall continue to be burdened by and enjoy the benefits of the common or shared components, areas or facilities under the Master Covenants, subject to the terms and conditions thereof (including without limitation the continuing obligation to pay assessments for the privilege of using such facilities). Any subsequent lease(s) or other agreements of any kind or nature whatsoever affecting the common or shared components, areas and facilities encumbered by the Master Covenants shall be subject to the terms, conditions and provisions of the Master Covenants.

(c) The Master Covenants may be recorded against and encumber any Phase of the Project at any time following commencement of construction of such Phase, but shall not be recorded against any Phase where construction has not yet commenced without the prior approval of Lessor.

(d) The form and substance of the Master Covenants shall be subject to the prior approval of Lessor, which shall not be unreasonably withheld, conditioned or delayed, provided that Lessor's comments or objections to the terms and conditions of the Master Covenants shall be limited to the provisions thereof that impact the Project or will remain binding on Lessor notwithstanding the termination of this Lease or any Bifurcated Lease. Lessor shall provide specific reasons in writing to Lessee for any disapproval of the Master Covenants simultaneously with any written notice of disapproval given by Lessor hereunder. Amendments to the Master Covenants which are material and which, if same were in the original Master Covenants, would have required Lessor approval, shall be subject to the same approval process as the original Master Covenants. The parties shall use commercially reasonable efforts to finalize the form of the Master Covenants within a period of sixty (60) days following the initial draft.

Section 54. LEASEHOLD CONDOMINIUM.

(a) As used in this Section 54, the following capitalized terms shall have the indicted meanings:

(i) "Condominium Act" shall mean the Florida Condominium Act, Chapter 718, Florida Statutes, and all amendments, modifications, supplements and replacements thereof and all regulations with respect thereto, now or hereafter enacted or promulgated.

(ii) "Condominium Association" means the condominium association referenced by the Condominium Declaration as the entity responsible for the operation of the Leasehold Condominium.

(b) During the Term of this Lease, Lessee may be permitted from time to time, to create one or more leasehold condominium regimes (a "Leasehold Condominium") pursuant to the Condominium Act, on all or a portion of the Leased Premises, in the event it obtains the prior written consent of Lessor, not to be unreasonably withheld, conditioned

or delayed. In the event such consent is given, Lessor shall reasonably cooperate with Lessee and execute any documents reasonably required by Lessee for the creation, maintenance or operation of such Leasehold Condominium, which documents shall be in form and substance reasonably acceptable to Lessor and Lessee. Notwithstanding the forgoing, in no event shall Lessor be required to encumber its fee interest in the Leased Premises or incur any cost or expense other than those associated with its negotiation and review of the forgoing requested documents.

SUBJECT: LDC Assessment Recommendations – Approach to LDC Update

A brief look through the Pensacola Land Development Code (LDC) shows that the City is committed to protecting its rich collection of historic resources; encouraging and facilitating sensible infill and redevelopment; preserving the character of the City core; and extending the core's best qualities, such as walkability, grid pattern, and traditional urban form, to other areas of the City. It is also evident that incremental changes over the years have made the code lengthy and difficult to navigate.

The City engaged Inspire Placemaking Collective, Inc. (Inspire) to assist with a review of the LDC and develop recommendations for improvement. The LDC assessment exercise included a thorough review of the LDC by the Inspire Team and significant input from staff and some stakeholders identified by the City. This memorandum contains recommendations for the update of the LDC based on that assessment.

I. OVERVIEW

The intent of the LDC is to implement the City's vision for growth; not just for the City as a whole, but also for the diverse neighborhoods that comprise the City. To implement that vision, the LDC should set clear standards for development and redevelopment and establish development review processes and procedures.

The LDC is used by different groups for different purposes. Property owners use the LDC to determine what they (and their neighbors) can do on their property; developers/designers use it to design new buildings and sites or modifications to existing development; and City staff and appointed/elected officials use the code to review applications for compliance and compatibility. The common desire among these groups is to have a code that is easy to navigate, predictable, and clearly enforceable. This should be the City's main priority when updating the LDC.

The staff/stakeholder input exercise during the assessment indicated that, even though the main vision for the City and most neighborhoods is clear and still on track, there are some neighborhoods that have evolved in another direction and may need to revisit their vision. For example, neighborhoods zoned for commercial or mixed-use becoming predominantly residential, or neighborhoods where the lot sizes or setbacks are no longer working. Addressing those challenges will require more intensive public input and should not be combined with a major LDC rewrite that addresses numerous other topics. After the LDC is reorganized and clarified, the City should take on addressing issues that are particular to

neighborhoods and could become more controversial. This strategy would allow for ample public input, best management practices research, and a focus on the issue at hand.

Based on the LDC assessment and input from staff and stakeholders, the Inspire Team produced several documents with recommendations to improve the LDC. The documents are attached as Exhibits to this memorandum. The following is a summary of each.

- The **reorganization** document (Exhibit 1) proposes to create a series of 13 chapters, each with a specific topic (e.g., definitions, zoning, procedures, landscaping). As the code has been updated in the past to address changing conditions and priorities, the topics have lost their “home” and as a result, the topics are repeated throughout the code, which causes confusion, redundancy, and unnecessary length. For instance, Chapter 12-3 does not include only zoning requirements. It also includes standards for signs, landscaping, procedures, accessory structures, and many other topics.
- The **LDC matrix** (Exhibit 2) contains an extensive list of specific provisions that the LDC rewrite should address, as identified by Inspire, the stakeholders, and staff. The team held daily work sessions over an entire week to review questions and address matrix items that required clarification or discussion. After those work sessions, the Inspire Team completed the Action column, which gives specific directions for addressing all the issues raised. This column also notes which items can be addressed during the upcoming LDC rewrite and which items should be addressed individually because they require more substantial public involvement and should therefore be addressed outside of the initial LDC rewrite.
- The **tables of uses and dimensional standards** (Exhibits 3 and 4) allow a side-by-side comparison of districts. These tables were the first step in creating a streamlined and more user-friendly LDC and will prove helpful in consolidating zoning districts as noted in the matrix.
- The tables comparing design standards applicable to **Historic, Redevelopment, and Design Districts** (Exhibits 5, 6 and 7) identify and illustrate the degree of repetition currently found in the code. The LDC rewrite will correct this repetition through better organization and presentation of the regulations. The rewrite will also make similar adjustments in areas that would not create controversy or require substantial public input.

Most of the items listed above (i.e., reorganization, the Matrix, tables and charts, and consolidation of standards) can be addressed as part of the overall LDC rewrite. We recommend that the City use separate ordinances to address items that require more focus and that could be controversial in order to avoid a delay in the approval of important structural changes. The *Proposed Scope* section recommends steps for addressing the update of the LDC.

II. URBAN PATTERNS

The street grid and urban fabric of the City’s downtown and surrounding areas exhibit traditional and formal elements typical of early settlements. The waterfront-oriented downtown is specifically characterized by a traditional grid layout with narrow streets and historic buildings, exemplified in the Palafox Historic District. With a dense concentration of shops, restaurants, cultural and institutional uses, and historic landmarks within close proximity, the area is highly walkable. This inter-connected pattern continues with a mixture of commercial and residential development in the Pensacola Historic

District, North Hill Preservation District, Old East Hill Preservation District, and other areas directly adjacent to downtown, such as the Gateway and Waterfront Redevelopment Districts. The establishments of these and the Aesthetic Review Districts, such as the Palafox Historic Business District, North 9th Avenue Corridor District, and CRA Urban Design District, exemplify the City's commitment to preserving its architectural heritage and character. Outside these areas, the urban fabric becomes less structured and connected. Following a more post-war suburban model, these outside areas lack connectivity, have limited sidewalks, have longer distances between destinations, and segregate commercial and residential areas, making them more automobile oriented and reliant.

The City has already put a lot of effort into creating standards that require new development and redevelopment to contribute to the maintenance/creation of a traditional urban form which translates into walkable environments. Several issues, however, became evident in the preparation of the matrix and during the work sessions related to urban form: Pressure from suburban development patterns, difficulties meeting parking and stormwater requirements, and the potential for additional building height.

There is a lot of pressure from the development community to approve **suburban style** developments (building in the back, parking in front) particularly along arterial roads. Although this style has been the predominant pattern for many decades in Florida, more and more communities are revisiting their regulations to bring back the prominence and safety of pedestrians. Pensacola has made great advances on this and should continue to do so. Even FDOT has changed its focus on mobility and is now using roadway context classification and encouraging the creation of complete streets to shift the focus from moving cars through our cities, to ensuring that all modes of transportation are safely accommodated. The City's commitment to development patterns that address all modes of transportation and provide for pedestrian safety is a policy decision. If the City intends to continue this commitment, the LDC should include appropriate regulations to fulfill that intent.

The issue of **parking** affects all urban areas. Although infill and redevelopment are encouraged in the core, the traditional small lots do not easily accommodate the more modern types of development. The City has the authority to eliminate parking requirements to facilitate redevelopment and infill, but most people in Florida still own and circulate in cars. If the City waives parking requirements, there will still be a need for parking in and near the core. Cities that have included waivers for parking have public parking areas nearby. The parking waiver can also be in the form of a payment to a public parking fund in lieu of providing on-site parking. A parking study can help identify the availability and location of public parking areas to justify any waiver. In the meantime, the City should consider offering a wide variety of options for parking: on-site, shared, on-street, remote, and payment in lieu of providing on-site spaces.

In addition to the parking challenges, small sites also find it difficult or nearly impossible to provide on-site **stormwater** facilities. The City, however, is not in a position to waive stormwater management requirements. Low Impact Design practices may help treat stormwater, but these options do not address the state agency requirements. The City could consider establishing a master stormwater system that accepts drainage from the core development sites. A master stormwater system takes time to establish and until that system is operational, development and redevelopment must continue to abide by water management district requirements.

Building **height** is one of several provisions in the LDC that would benefit from more clarity and predictability in its language. Several zoning districts permit a base height but offer additional height either through conditions, conditional use, or bonuses. The LDC rewrite will help clarify those instances so that citizens, developers, and staff have better parameters and understand where additional building height could be realized. A 3D visualization exercise and massing study would help citizens understand the potential for building height currently permitted, with and without bonuses, as well as potential compatibility problems with adjacent uses. The technology is available now to easily do this. Inspire has worked with Gridics in the past and would suggest collaborating with them. Gridics is a technology company and market leader in the integration of 3D mapping and online zoning codes.

III. AFFORDABLE HOUSING

As the city has grown, property values have been rising and housing affordability has suffered. The adopted comprehensive plan calls for land development regulations to allow flexibility within some zoning districts to provide for affordable housing (Policy FLU-1.8.2) and to include standards for residential density bonuses and density transfers above the limit established by the future land use category (up to 25% in certain districts) in exchange for the construction of affordable housing (Policy FLU-1.8.3). That policy also allows density transfers of up to 50% of the donor site's maximum density. Objective H-2.4 and associated policies direct the City to encourage and facilitate the creation of quality affordable housing throughout the City, while Objective H-2.5 calls for innovative programs and regulations to create and preserve such housing. The Housing Element contains numerous other policies related to the provision of affordable housing. The only direct mention of affordable housing in the LDC is Section 12-3-109, which offers the incentives listed in the comprehensive plan for the provision of affordable housing.

The lack of affordable housing was a topic covered during the work sessions. Staff were eager to learn what other communities are doing to incentivize the provision of units that are affordable to various income levels. Although the City already has a density transfer and bonus program incentivizing the provision of affordable housing, there is concern that not many developers are using it. There are other tools that the city could use to help with the provision of affordable units. These tools include:

1. **Reduced parking requirements.** As mentioned earlier, one of the greatest site design challenges for infill and redevelopment is meeting the City's parking requirements (LDC §12-4-1). For developments that include affordable housing, the City could also consider providing flexibility if the development is served by the ECAT transit system.
2. **Parking exceptions for ADUs.** Section 12-3-81(c)(6) of the LDC requires that all accessory residential dwelling units (ADUs) be provided with one off-street parking space. Requiring off-street parking for such units increases the cost of development, which may be passed along through higher rents for prospective tenants. If the intent of allowing accessory dwelling units is to encourage the provision of affordable housing, the City should consider reducing the ADU parking standards like other cities across the state have done. The following are some examples:
 - a. The City of Orlando does not require off-street parking for accessory dwelling units less than 500 sf in size, as long as the principal structure meets the City's current parking requirements (LDC §58.501F). ADUs above this size are required to provide an off-street parking space.

- b. The City of St. Petersburg exempts off-street parking requirements for ADUs if the units are located within 0.25 miles of a transit route, are less than 600 sf in size, are located on an alley, all required parking for the single-family home is accessed from the alley, and there is no front-loading driveway.
3. **Update the definition of 'family.'** LDC §12-13 currently defines a 'family' as "one or more persons occupying a dwelling unit and using common utility services, provided that unless all members are related by blood or marriage, no such family shall contain over four persons." There are two potential issues with this definition:
 - a. This definition defines a family by "blood or marriage" alone, and therefore excludes a variety of non-traditional housing types. Examples include households with non-married parents and their children, married adults with non-biological children (i.e., stepchildren, adopted children, or foster children), and families who share a household with a family friend.
 - b. This definition also states that families not meeting the "blood or marriage" requirement are limited to no more than four persons per household. Besides potentially excluding each of the non-traditional households described above, these occupancy limitations can have a dramatic effect on housing affordability as well. These limitations may prevent young professionals from living together to save for more permanent housing, cohabitating workers who cannot afford to have their own place, or graduate students who share a house near their college. Two of the most commonly-cited fears associated with relaxing occupancy limits are excessive noise and overflow parking—both of which are more appropriately addressed directly via code enforcement rather than indirectly with a strict definition of 'family.'
4. **Single-room occupancy (SRO) developments.** Single room occupancy (SRO) refers to a historical type of rental accommodation where each tenant has their own private room but often shares communal facilities like bathrooms and kitchens with others. Due to the shared nature of SROs, rents are often much lower than standard multifamily dwellings, and therefore typically attract low-income populations such as students, the elderly, unemployed individuals, or persons with intellectual or physical disabilities. The City of Gainesville currently permits SROs by right in mixed use, moderate, and high-density residential zoning districts, subject to additional use standards (Gainesville LDC §30-5.8.) These additional standards include bedroom limitations, transit proximity, and laundry, bathroom, kitchen, and management requirements. Many of these standards are currently in the process of being relaxed to allow for increased flexibility.
5. **Development flexibility.** As detailed extensively in the American Planning Association's Equity in Zoning Policy Guide (2022), one of the greatest contributors to the affordable housing crisis continues to be restrictive single-family zoning regulations. In addition to cultivating inefficient uses of land, the report also states that "evidence shows that [single-family zoning] has a disproportionate impact on the ability of historically disadvantaged and vulnerable groups to access attainable housing and quality schools and services."

A significant portion of the City of Pensacola is zoned exclusively for single-family detached use (R-1AAA, R-1AAAA, or R-1AAAAA). In addition to prohibiting attached dwellings, duplexes,

triplexes, or quadplexes, these districts also have sizable dimensional requirements relating to minimum lot area, width, and setbacks—all of which increase the cost of developing (and as a result, purchasing or renting) within these areas of the City. Increasing the flexibility in low and moderate density districts would cultivate a more comprehensive and effective approach to local housing reform. Addressing this issue, however, would be challenging and require more substantial public input than the LDC rewrite includes.

6. **Residential bonus density program.** There are several items within the City’s residential density bonus program (LDC §12-3-109) which should be amended to increase program clarity and popularity. These recommended improvements are listed below:

- a. *Decouple the density transfer provisions.* The program’s current language includes regulations pertaining to density transfers, which should be regulated separately from the density bonus program. However, sites participating in the density transfer program should continue to be allowed to utilize the density bonus program.
- b. *Tabulate applicability provisions.* A table can summarize much of the program’s language to clearly indicate what levels of increased densities can be achieved based upon the public benefits provided by the development (e.g., affordable housing, superior building/site design, etc.).
- c. *Refine the affordable housing provisions.* The primary objectives of the bonus program are currently unclear. For example, it is clear that the City wants to increase the supply of affordable housing. However, it does not specify which income level it is targeting. Is there a greater need for housing serving income levels below 80% of the area median income (AMI)? Is there any housing in the City now that is affordable for the very low-income households (50% AMI)? Does the City want to target renters or homeowners, or both? How long should these units be required to maintain their affordability?

The City should answer these questions prior to making significant amendments to the program to ensure that it is targeting the specific affordable housing needs of the community. These determinations should be made in coordination with City Staff, local housing advocates and professionals, elected officials, and the public. Once determined, the affordable housing provisions should, at a minimum, clarify the following requirements:

- i. *Minimum set aside.* Density bonuses for affordable housing typically require that at least 10 to 15% of the total number of units be set aside as affordable units. Some jurisdictions also change the minimum percentage required based upon the AMI target (for example, minimum set asides may be lowered if the units are targeted at an AMI not to exceed 30%). Additionally, select communities choose to base their minimums, not on units provided, but rather the total residential square footage of the development. In these cases, the minimum is typically around 8-10% of the total.
- ii. *Targeted income levels/Definitions of ‘affordable.’* Density bonus programs around the nation typically serve households earning up to anywhere between 80% and 120% of the AMI. Communities with a strong demand for affordable housing tend to have lower AMI maximums, while communities with less demand allow for higher AMI maximums.

Increasingly, many communities are requiring a mix of income levels below the established maximum AMI (example: 10% of affordable units must serve <50% AMI, 15% of affordable units must serve <65% AMI, with the remainder serving <80% AMI).

- iii. Comparable design, quality, amenities, and aesthetics. The provisions should mandate that the affordable units are integrated throughout the overall development and share a comparable design, quality, amenities, and aesthetics to market rate units.
- iv. Occupancy status. Typically, density bonuses are often limited to rental units. However, several communities do extend these bonuses to owner-occupied dwellings.
- v. Duration of affordability. The program should clearly articulate how long the units should remain affordable. The term of affordability typically begins for rental units when the unit is granted a certificate of occupancy and for for-sale units at the time a unit is initially sold. In the past, the required affordability term was often limited to a few decades; however, many jurisdictions are now seeking a minimum duration at or greater than 99 years to ensure their long-term affordability.
- vi. Implementation and monitoring requirements. The City and the housing provider must enter into an agreement to clearly outline the affordability requirements, monitoring procedures, and penalties.

On a related note, there has been some interest in ensuring that the City's residential bonus density program is consistent with the statutory provisions and definitions found within the Live Local Act (LLA). At this time, it is not recommended that the City amend the LDC to match the provisions of the LLA for many reasons, the most relevant of which are listed below:

- i. The LLA is still new and remains highly controversial—a recipe for future and ongoing statutory amendments, which will likely result in the City continuing to amend its LDC to remain consistent with provisions of the Act.
 - ii. The LLA does not necessarily reflect the affordable housing objectives of the City (see Recommendation #6.c). More specifically, the AMIs targeted by the Act may be determined to be inappropriate or insufficient for meeting the City's local housing needs.
 - iii. Local governments are preempted from narrowing the provisions of the LLA. As such, extensive regulations regarding its implementation are difficult and open the City up to potential legal challenges.
7. **Inclusionary Zoning Study**. Inclusionary zoning (IZ) is the concept of requiring and/or incentivizing developers to incorporate long-term affordable housing units as part of market rate housing developments. When IZ is required for market rate housing developments it is commonly referred to as 'mandatory;' alternatively, when it is optional, it is typically identified as 'voluntary.' As adopted, the affordable housing provisions of the City's residential density bonus program are likely considered to be a form of Voluntary IZ. Because the provision of affordable housing is not required under Voluntary IZ programs (particularly when other, less difficult, or expensive opportunities for receiving density bonuses exist), these programs often go unused. To combat this issue, some jurisdictions have decided to adopt Mandatory IZ programs.

These programs, if implemented successfully and within an appropriately competitive housing market, can be more effective at increasing the local supply of affordable housing than Voluntary IZ programs. If pursued by the City, the process outlined in Recommendation #6 above should be utilized to ensure that the process is transparent, fact-driven, and engages the public in a meaningful and equitable manner.

8. **Affordable Housing Incentive Plan.** The purpose of the Incentive Plan is to set out the deliberations and recommendations for monetary and non-monetary incentives targeting regulatory reform with respect to affordable housing including the evaluation of the established policies, procedures, ordinances, land development regulations and the comprehensive plan. Upon review of this document, it does not appear that any of the strategies outlined therein conflict or contradict with the recommendations provided as part of this exercise. In fact, it is recommended that the City continue to implement the provisions of the Incentive Plan in tandem with the LDC changes proposed in this document to ensure that the City maximizes its opportunities for increasing the local supply of affordable housing.

IV. HISTORIC PRESERVATION

The City of Pensacola has four designated local historic districts: **Pensacola** (locally designated in 1968, National in 1970), **North Hill** (1974/1983), Old East Hill (1984/NA), and **Palafox Historic Business** (1994/2016).

Each historic district has several implementing zoning districts. The Old East Hill district, for instance, has four applicable districts and North Hill has three. Each district has specific standards for preservation, rehabilitation, and new construction covering topics such as setbacks, building height, landscaping, parking, signs, fences, architecture, and even procedural. The Pensacola Architectural Review Board (ARB) is charged with the review of modifications and new development within those districts.

In addition to the standards contained in the LDC, the City has two documents that serve as resources and guides for owners of properties subject to historic district regulations, and guide Board members in their review and decisions. The **Preservation District Guidelines and Regulations**, created in 2014, and the **Seville Historic District Guideline Study**.

While the City has all the provisions in place to protect and guide new development within the historic and preservation districts, there is room for improvement. The reorganization and streamlining of the standards would help users navigate the code and better understand the regulations. Additionally, the City should consider applying for Certified Local Government (CLG) status. The CLG represents a partnership of the City with the State Historic Preservation Office and the National Park Service. The benefits of such designation include technical assistance and training, and eligibility to apply for federally funded CLG subgrants to conduct survey, planning, and National Register nomination projects.

The State Historic Preservation Office reviews applications for certification. The process includes demonstrating that the City already has a historic preservation ordinance that meets the CLG criteria, the establishment of a preservation review board or commission consisting of at least five members meeting certain qualifications and submitting the application to the State Historic Preservation Office. If the State Historic Preservation Office determines that all requirements have been met, a CLG agreement

is signed by the Mayor. The signed CLG agreement is then sent to the National Park Service requesting CLG certification.

Inspire recommends adding or clarifying the following provisions during the code update:

1. **Historic Preservation Commission and Officer.** The City currently relies on West Florida Historic Preservation, Inc. for certain historic preservation functions. The Architectural Review Board, which includes two members from that group, is the body in charge of implementing the historic preservation ordinance. We recommend renaming the ARB to Historic and Architectural Review Board (HARB). The membership, terms, and duties should be compared to the CLG guidelines to ensure compliance. If applying to become a CLG, the city will also need to designate a Historic Preservation Officer (HPO), which could be the City's historic preservation planner. Among that person's duties would be to approve Standard Certificates of Appropriateness.
2. **Process.** The code should clearly articulate the process for designating individual local landmarks and districts and how to obtain Certificates of Appropriateness (COA) for modifications, additions, new construction (if applicable), and demolitions. The COAs would fall into two categories, Standard for minor changes and Special for all others. Minor COAs are reviewed and approved by the HPO; special are reviewed by the HARB. This section should also include criteria for approval of designations and COAs, which should refer to the Secretary of Interior standards and the adopted design standards and guidelines for each district. All the procedural provisions should go in the development review chapter.
3. **District Designation.** Most communities treat historic districts as overlay districts. However, Pensacola designates them as stand-alone zoning districts. The narrative in the Zoning chapter should only include the establishment of each district, the general boundaries or map, permitted uses, and site dimensional standards (setbacks, height, lot coverage). That section can also cross-reference the standards section (in a separate chapter) and adopt district design guidelines by reference.
4. **Design standards vs. guidelines.** The design "guidelines" should be taken out of the code into stand-alone documents like the Preservation District Guidelines and Regulations. The design "standards" (measurable standards) should be in a separate chapter where they are consolidated so there is no repetition. For any features that vary from one district to the next, notes may be added. The difference between standards and guidelines is that the standards are requirements (shall) and the guidelines provide advice on how to meet the standards (do this, don't do that) and include numerous pictures and diagrams.

V. COASTAL RESILIENCY

As evidenced through recent efforts such as the Climate Action Recommendations and the ongoing Vulnerability Assessment, the City recognizes that coastal resiliency is essential for addressing the challenges posed by climate change, sea level rise, and extreme weather events. In response, the city has implemented a comprehensive approach aimed at safeguarding its coastal areas, infrastructure, and communities. Given the increased frequency and strength of severe weather events impacting Florida, it is crucial that the City continues this multifaceted approach to enhance resilience and mitigate the risks

associated with coastal hazards. Stringent building codes and zoning regulations that ensure that new construction and development projects in coastal areas adhere to resilient design standards should be at the forefront of these efforts.

The Florida Building Code mandates that structures be elevated above base flood elevations, employ resilient construction materials, and adhere to setback requirements to minimize vulnerability to flooding, storm surges, and other coastal hazards. In conjunction with building regulations, comprehensive zoning and land-use planning strategies can help manage coastal development and mitigate risks associated with erosion, flooding, and sea-level rise. Planning strategies could involve designating buffer zones, conservation areas, and coastal protection zones to preserve natural ecosystems, maintain biodiversity, and reduce exposure to coastal hazards, which may be further identified by the Vulnerability Assessment. This risk may be offset by strategically concentrating densities and intensities in less vulnerable areas. Specific planning/zoning tools that the city may want to start or continue implementing to become more resilient include:

- Standards for natural hazard mitigation such as green stormwater systems (bioswales, absorbent gardens, pervious surfaces)
- Preserving and continuing the City grid to facilitate safer and efficient evacuation from high risk areas
- Transfer of development rights for parcels which are in high risk areas
- Require the use of native and drought-tolerant plantings
- Encourage shared and reduced parking and the use of permeable paving or other techniques for groundwater recharge from off-street parking
- Require tree shading to reduce the heat island effect of parking lots
- Encourage Low Impact Design (LID) citywide, and make it a requirement in coastal areas

While hardening coastal development is important, it should be done in a manner which does not deter from the vitality of a place. Appropriate architectural standards should be incorporated to ensure mitigation strategies are balanced by aesthetically pleasing and appealing design considerations, particularly for ground/base floors within the floodplain and other non-habitable areas.

Effective stormwater management is another integral component. Even though many people struggle with the provision of stormwater facilities on redevelopment sites, the requirements to address stormwater are necessary given the City's susceptibility to heavy rainfall and storm surges. Managing stormwater runoff is crucial for reducing flood risk. Development regulations should address a variety of stormwater management practices, including green infrastructure, water retention, and drainage improvements, in both the public and private realms, to mitigate flooding and improve water quality,

Ensuring that these components work together in a complementary manner is key to striking a balance between economic growth and environmental sustainability.

SUPPLEMENTAL BUDGET RESOLUTION NO. 2024-57 - ADVANCEMENT AND RE-ALLOCATION OF LOCAL OPTION SALES TAX (LOST) IV FUNDS FOR WAYSIDE LIVING SHORELINE & SEAWALL PROJECT

RECOMMENDATION:

That City Council adopt Supplemental Budget Resolution No. 2024-57:

A RESOLUTION AUTHORIZING AND MAKING REVISIONS AND APPROPRIATIONS FOR THE FISCAL YEAR ENDING SEPTEMBER 30, 2024; PROVIDING FOR AN EFFECTIVE DATE.

HEARING REQUIRED: No Hearing Required

SUMMARY:

City Council is being asked to adopt a supplemental budget resolution advancing and reallocating \$97,410 from the FY 2025 Local Option Sales Tax Fund appropriation from the Baylen Street Marina Seawall Refurbishment project to the Wayside Living Shoreline & Seawall Project in order to develop a rendering and cost estimate for a resilient seawall with a living shoreline component.

The intent is to take the renderings, cost estimates, and recently designed Baylen & Palafox Seawall Refurbishment plans and apply for the USDOT Promoting Resilient Operations for Transformative, Efficient, and Cost-Saving Transportation (PROTECT) Grant Program providing resiliency improvements for storm surge and anticipated sea level rise. This seawall protects City assets, which require maintenance and rebuilding to protect public infrastructure along the City's waterfront. The seawall system is in need of rehabilitation and hardening, and staff continues to explore all eligible funding options with the belief that the project is a strong candidate for the PROTECT Program.

The Notice of Funding Opportunity (NOFO) for the PROTECT Program is expected to open for submissions over the next 60 days, and having the renderings and general cost estimates generated for Wayside Park seawall is imperative to elevate the grant application for funding

consideration. Upon approval of this request, staff will execute a contract with one of the City's continuing services engineering consultants to produce the renderings and cost estimates in an expedited manner.

PRIOR ACTION:

September 14, 2023 - City Council approved Supplemental Budget Resolution No. 2023-064 reallocating \$1,424,500 of LOST IV funds from the Wayside Living Shoreline & Seawall Project account to the Wayside/17th Avenue Safety Improvement account.

FUNDING:

N/A

FINANCIAL IMPACT:

Adoption of the Supplemental Budget Resolution will advance and reallocate funding in the amount of \$97,410.00 within the FY 2025 Local Option Sales Tax Fund appropriation from the Baylen Street Marina Seawall Refurbishment project to the Wayside Living Shoreline & Seawall Project.

Currently, there is a balance remaining of \$10,000 in FY 2024 with an additional \$491,935 programmed for FY 2025. Upon City Council approval, \$97,410 will be advanced from FY 2025 to FY 2024 and will be shifted from the Baylen Street Marina Seawall Project to the Wayside Living Shoreline & Seawall project, leaving an available amount in FY 2025 of \$394,525 for the Baylen Street Marina Seawall Project.

SUPPLEMENTAL BUDGET RESOLUTION NO. 2024-55 - LAW ENFORCEMENT TRUST FUND (LETF) PURCHASE - PENSACOLA HIGH SCHOOL FOOTBALL BOOSTERS CLUB, INC.

RECOMMENDATION:

That City Council adopt Supplemental Budget Resolution No. 2024-55.

A RESOLUTION AUTHORIZING AND MAKING REVISIONS AND APPROPRIATIONS FOR THE FISCAL YEAR ENDING SEPTEMBER 30, 2024; PROVIDING FOR AN EFFECTIVE DATE.

HEARING REQUIRED: No Hearing Required

SUMMARY:

The Law Enforcement Trust Fund was established by City of Pensacola to allow the Police Department the use of money and goods confiscated as a result of criminal activity. Florida State Statute 932.7055, as amended on July 1, 2016, details the circumstances of confiscated goods may be used. The Federal Controlled Substance Act, Section 881 (e) (3) of Title 21, United States Department of Justice guide to Equitable Sharing designates the uses of Federal Law Enforcement Trust Funds.

The Pensacola Police Department is requesting \$1,000.00 to be appropriated from the Law Enforcement Trust Fund (LETF) for the purpose of donating to the Pensacola High School Football Boosters Club, Inc. The funds will help provide costs for providing the football team with home-cooked meals and healthy snacks (fruit) during evening, weekend and game day programming.

Nearly one-fifth (18%) of violent crimes committed by young people occur in the 4 hours between 3pm and 7pm on school days. Efforts to reduce offending after school have greater potential to decrease a community's violent crime rate than nearly any other measure, according to 2022 data from the Florida Department of Juvenile Justice. 50% of Pensacola High School (PHS) football players currently experience food insecurity and after-school hours

are critical to academic outcomes. Students who don't get enough food to eat are more likely to repeat a grade, experience developmental impairment, drop out, have more social and behavioral problems, and end up in the justice system. Alternately, youth who participate in after-school meal programs show increased attendance and graduation rates, which is why PHS has made it a priority to provide food access to football-playing students.

Support from the Pensacola Police Department (PPD) will help PHS to fulfill the Booster Club mission and support LETF's "crime prevention" mission during the 2024 football season, by allowing the all-volunteer club to substantially increase the quality and quantity of wraparound services PHS offers to 80 PHS football players, including healthy meals and snacks. Many PHS football players are at-risk African American youth, within the larger context of PHS as a longtime Title 1 high-poverty school. The funding will expand hunger-fighting program services within the PHS Tiger Football organization and expand the capacity to serve youth efficiently and safely, keeping students off the street and engaged in the community.

The Chief of Police has certified that this request complies with the statutory requirements of Florida Statute 932.7055 and that the funds appropriated will be used for the qualifying purpose(s) of crime prevention, safe neighborhoods, and diverting young people from the criminal justice system.

HEARING REQUIRED: No Hearing Required

SUMMARY:

The Law Enforcement Trust Fund was established by City of Pensacola to allow the Police Department the use of money and goods confiscated as a result of criminal activity. Florida State Statute 932.7055 as amended on July 1, 2016, details the circumstances confiscated goods may be used. The Federal Controlled Substance Act, Section 881 (e) (3) of Title 21, United States Department of Justice Guide to Equitable Sharing designates the uses of Federal Law Enforcement Trust Funds.

The Pensacola Police Department is requesting \$5,000.00 to be appropriated from the Law Enforcement Trust Fund (LETF) for the purpose of donating to Lemonade Stand Bootcamp (LSB). The funds will be used to provide financial literacy to disadvantaged youth. Lemonade Stand Bootcamp has gamified financial literacy, business development, and leadership skills so that young people can have fun as they engage in these educational activities. LSB has harnessed positive elements to educate our youth about the significance of money savings and investments, as well as pinpointing a business development initiative in the modern world. Parents will be provided with tools and resources to help reinforce what their kids are learning from our programs to continue the development of generational wealth. LSB has partnered with schools, after-school programs and summer camps to help reinforce financial literacy and business development through STEM, languages and social studies with the youth. LSB focuses on areas where inner city youth are being targeted by drugs and crime; providing them

with creative, legal, and productive outlets, as they learn how to improve their circumstances.
