**NOTICE OF HEARING TO IMPOSE AND
PROVIDE FOR COLLECTION OF NON-AD VALOREM ASSESSMENTS**

Notice is hereby given that the City Council of the City of Pensacola, Florida, will conduct a public hearing to consider reimposing Stormwater Service Assessments in the area receiving Stormwater Management Service from the City, as shown above, for the fiscal year beginning October 1, 2024, and future fiscal years. The hearing will be held at 5:30 p.m. on Thursday, August 8, 2024, in the City Council Chambers in City Hall, 222 West Main Street, Pensacola, Florida. The City of Pensacola adheres to the Americans with Disabilities Act and will make reasonable accommodations for access to City services, programs, and activities. Please call (850) 435-1606 (or TDD 435-1666) for further information. The request must be made at least 48 hours in advance of the event in order to allow the City time to provide requested services. All affected property owners have a right to appear at the hearing and to file written objections with the City Council. All written objections to the non-ad valorem assessments must be filed with the City Council of Pensacola within twenty (20) days of this notice. Please include your name, parcel number, and the reason you object to the assessment on all written objections. Address all written objections as follows: City of Pensacola Finance Department; Objections to Non-ad Valorem Assessment; Post Office Box 12910, Pensacola, Florida 32521. Any person wishing to appeal any decision of the City Council with respect to any matter considered will need a record of the proceedings and may wish to ensure that a verbatim record of the proceedings is made.

The Stormwater Service Assessments have been imposed to fund the City's cost to provide Stormwater Management Service in the area shown above. The Stormwater Service Assessments are based upon the estimated amount of stormwater runoff generated by impervious surface on the property. Impervious surfaces include the roof top, patios, driveways, parking lots and similar areas. The City has determined that the median single-family residence in the Stormwater Service Area includes 2,998 square feet of impervious surface, which is defined as the "equivalent stormwater unit value" or "ESU Value." The annual Stormwater Service Assessment rate for the upcoming Fiscal Year will be \$120.49 for each Net ESU. The maximum Stormwater Service Assessment rate that can be imposed in future fiscal years is \$136.01 per net ESU.

Generally, the number of ESUs for other properties were calculated individually for each parcel of property by dividing the impervious surface area by 2,998 square feet. Single-family residential properties are categorized into one of five ESU tiers based on the estimated amount of impervious area associated with each parcel (computed by using the building footprint of the residence). Condominium units are charged generally by calculating the total number of ESUs applicable to the condominium complex as a whole, then dividing that total number of ESUs by the total number of condominium residential or non-residential units on the property. For general parcels, such as commercial parcels, the number of ESUs has been calculated individually for each parcel of property by dividing the impervious surface area by 2,998 square feet. Credit for privately maintained Stormwater management facilities and other factors affecting the quantity or quality of Stormwater runoff has also been applied, resulting in an assignment of Net ESUs. A more specific description is set forth in the Amended and Restated Initial Stormwater Assessment Resolution adopted by the City Council on July 22, 2010. Copies of the Stormwater Services Assessment Ordinance (Ordinance No. 52-00), Amended and Restated Initial Assessment Resolution (Resolution No. 18-10), Amended and Restated Final Assessment Resolution (Resolution No. 36-10), the Preliminary Rate Resolution (2024-45), and the updated assessment roll are available for inspection at the Office of the City Clerk, 222 West Main Street, 7th Floor, Pensacola, Florida.

The Stormwater Service Assessment, except for those imposed on government property, will be collected on the annual ad valorem tax bill that is mailed in November by the Escambia County Tax Collector. Failure to pay the Stormwater Service Assessment will cause a tax certificate to be issued against the assessed property which may result in a loss of title. Unless proper steps are initiated in a court of competent jurisdiction to secure relief within 20 days from the date of City Council action at the above hearing (including the method of apportionment, the rate of assessment and the imposition of assessments), such action shall be the final adjudication of the issues presented.

If you have any questions, please contact Customer Service at (850) 435-5555.

SPONSOR: Mayor D.C. Reeves

SUBJECT:

RESOLUTION NO. 2024-45 - IMPOSING STORMWATER SERVICE ASSESSMENTS AND APPROVAL OF 2025 STORMWATER ASSESSMENT ROLL

RECOMMENDATION:

That City Council adopt Resolution No. 2024-45.

A RESOLUTION OF THE CITY OF PENSACOLA, FLORIDA, RELATING TO THE PROVISION OF STORMWATER MANAGEMENT SERVICES; REIMPOSING STORMWATER SERVICE ASSESSMENTS AGAINST DEVELOPED PROPERTY LOCATED WITHIN THE STORMWATER SERVICE AREA FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2024; APPROVING THE RATE OF ASSESSMENT; APPROVING THE ASSESSMENT ROLL; AND PROVIDING AN EFFECTIVE DATE.

HEARING REQUIRED: Public Hearing Required

SUMMARY:

The City of Pensacola established a stormwater assessment fee in 2001 to provide a dedicated funding source for stormwater management costs. Since its inception, the fee has generated over \$51 million in assessment fee revenue. To continue to receive stormwater assessment revenue, it is necessary that the City Council conduct a public hearing on August 8, 2024 to adopt the annual assessment resolution imposing stormwater service assessments and to approve the 2025 Stormwater Service Assessment Roll.

At the June 13, 2024 City Council meeting, the Council passed Resolution 2024-45 increasing the maximum allowable rate from \$80.00 per Equivalent Stormwater Unit (ESU) to \$120.49 per ESU, or an increase of \$40.49 per ESU. The increase is needed for the City to maintain the current level of service for stormwater management and to provide for the purchase of needed capital equipment.

A summary of the residential and commercial charges proposed at the new rate is provided below:

FY 2024-25 Rate Structure:**Residential:**

Tier	Square Footage	Assigned ESUs	Current Rate	Proposed Rate	Maximum Rate
Small	100 -1100 sq ft	0.44	\$35.20	\$53.02	\$59.84
Small-Medium	1101 - 1600 sq ft	0.68	\$54.40	\$81.93	\$92.49
Medium	1601 - 2500 sq ft	1	\$80.00	\$120.49	\$136.01
Large	2501 - 5600 sq ft	1.53	\$122.40	\$184.35	\$208.10
Very Large	> 5600 sq ft	Measured			
Commercial		Measured			

Commercial:

A rate of \$120.49 per 2,998 square feet of impervious area (including building footprint, paved parking area, etc.) minus appropriate mitigation credit, typically 32% provided for on-site stormwater retention. Maximum rate in future years would be \$136.01 per ESU.

PRIOR ACTION:

May 27, 2021 - City Council passed Resolution No. 2021-31 indicating the Council's intent to increase the City's stormwater assessment rate for FY 2021-22 to \$76.12 per Equivalent Stormwater Unit (ESU).

August 12, 2021 - City Council Resolution 2021-55 increasing the base ESU rate to \$76.12.

August 18, 2022 - City Council Resolution 2022-70 increasing the base ESU rate to \$80.00.

June 18, 2024 - City Council Resolution 2024-45 setting the maximum base ESU rate to \$120.49 with a maximum increase of \$136.01 in future years

FUNDING:

Budget: \$5,180,136 ESU = \$120.49
Actual: \$5,180,136

Budget: \$5,847,223 ESU = \$136.01
Actual: \$5,847,223

FINANCIAL IMPACT:

If the ESU rate is \$120.49, annual revenue will be estimated at \$5,180,136. If the ESU rate is \$136.01, annual revenue will be estimated at \$5,847,223.

RESOLUTION NO. 2024-45

A RESOLUTION OF THE CITY OF PENSACOLA, FLORIDA, RELATING TO THE PROVISION OF STORMWATER MANAGEMENT SERVICES; REIMPOSING STORMWATER SERVICE ASSESSMENTS AGAINST DEVELOPED PROPERTY LOCATED WITHIN THE STORMWATER SERVICE AREA FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2024; APPROVING THE RATE OF ASSESSMENT; APPROVING THE ASSESSMENT ROLL; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City Council of Pensacola, Florida, has enacted Ordinance No. 52-00 (the "Ordinance"), which authorizes the imposition of Stormwater Service Assessments against real property specially benefited by the City's Stormwater Management Services;

WHEREAS, the reimposition of a Stormwater Service Assessment is an equitable and efficient method of allocating and apportioning the cost of the City's Stormwater Management Service among parcels of property that are specially benefited thereby;

WHEREAS, the City Council desires to reimpose a stormwater service assessment program using the tax bill collection method for the Fiscal Year beginning on October 1, 2024;

WHEREAS, in order to reimpose Stormwater Service Assessments for the Fiscal Year beginning October 1, 2024, the Ordinance requires the City Council to adopt an Annual Stormwater Service Assessment Resolution during its budget adoption process for each Fiscal Year, which establishes the rate of assessment and approves the updated Stormwater Assessment Roll for the upcoming Fiscal Year, with such amendments as the City Council deems appropriate, after hearing comments and objections of all interested parties;

WHEREAS, the updated Stormwater Assessment Roll has heretofore been made available for inspection by the public, as required by the Ordinance;

WHEREAS, notice of a public hearing has been published and mailed as required by the terms of the Ordinance, which provides notice to all interested persons of an opportunity to be heard; an affidavit regarding the form of notice mailed being attached hereto as Appendix B and the proof of publication being attached hereto as Appendix A; and

WHEREAS, a public hearing has been duly held on August 8, 2024, and comments and objections of all interested persons have been heard and considered as required by the terms of the Ordinance.

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF PENSACOLA, FLORIDA, AS FOLLOWS:

SECTION 1. RECITALS. The above recitals are true and correct and are incorporated herein by reference.

SECTION 2. AUTHORITY. This resolution is adopted pursuant to the provisions of the Ordinance, Resolution No. 18-10 (the "Amended and Restated Initial Assessment Resolution"), Resolution No. 36-10 (the "Amended and Restated Final Assessment Resolution"), Resolution No. 2024-45 (the "Preliminary Rate Resolution"), Article VIII, Section 2(b), Florida Constitution, sections 166.021 and 166.041, Florida Statutes, the City Charter of the City of Pensacola, and other applicable provisions of law.

SECTION 3. PURPOSE AND DEFINITIONS.

(A) This resolution is the Annual Stormwater Assessment Resolution for the imposition of Stormwater Service Assessments.

(B) All capitalized terms in this resolution shall have the meanings defined in the

Ordinance, the Amended and Restated Initial Stormwater Service Assessment Resolution, the Amended and Restated Final Stormwater Service Assessment Resolution, and the Preliminary Rate Resolution.

(C) Unless the context indicates otherwise, words imparting the singular number, include the plural number, and vice versa; and the term "hereafter" means after, and the term "heretofore" means before, the effective date of this resolution. Words of any gender include the correlative words of the other genders, unless the sense indicates otherwise.

SECTION 4. APPROVAL OF STORMWATER ASSESSMENT ROLL.

(A) The updated Stormwater Assessment Roll, which is currently on file in the office of the City Clerk and incorporated herein by reference, is hereby approved.

(B) Additionally, the approved Stormwater Assessment Roll includes all parcels of Assessed Property with exempt "home addresses" pursuant to Section 119.071(4), Florida Statutes.

SECTION 5. REIMPOSITION OF STORMWATER SERVICE ASSESSMENTS.

(A) It is hereby ascertained, determined, and declared that each parcel of Assessed Property within the Stormwater Service Area will be specially benefited by the City's Stormwater Management Services in an amount not less than the Stormwater Service Assessment for such Tax Parcel, computed in the manner set forth in the Amended and Restated Initial Assessment Resolution, the Preliminary Rate Resolution, and set forth in the updated Stormwater Assessment Roll.

(B) Adoption of this Annual Stormwater Service Assessment Resolution constitutes a legislative determination that all parcels assessed derive a special benefit in a manner consistent with the legislative declarations, determinations and findings as set forth in the Ordinance, the Amended and Restated Initial Assessment Resolution, the Amended and Restated Final Assessment Resolution, and the Preliminary Rate Resolution from the Stormwater Management Services to be provided and a legislative determination that the Stormwater Service Assessments are fairly and reasonably apportioned among the properties that receive the special benefit as set forth in the Amended and Restated Initial Assessment Resolution.

(C) The method for computing and apportioning the Stormwater Service Assessments described in the Preliminary Rate Resolution is hereby approved.

(D) In accordance with section 163.3162(3), Florida Statutes, the City is prohibited from charging a Stormwater Service Assessment on certain agricultural property, if such farm operation has a National Pollution Discharge Elimination System Permit, an environmental resource permit, a works-of-the-district permit, or if it has implemented best management practices adopted as rules by the Florida Department of Environmental Protection, the Department of Agricultural and Consumer Services, or an appropriate water management district. Accordingly, any Owner of such agricultural property demonstrating that they meet the outlined requirements shall be exempted from the Stormwater Service Assessment.

(E) For the Fiscal Year beginning October 1, 2024, the estimated Stormwater Service Cost of \$5,180,136.00 shall be allocated among all parcels of Assessed Property, based upon each parcel's number of Net ESUs. An annual rate of assessment equal to \$120.49 per Net ESU is hereby imposed for each Tax Parcel of Developed Property. Stormwater Service Assessments

for Stormwater Management Services in the amounts set forth in the updated Stormwater Assessment Roll, as herein approved, are hereby levied and imposed on all Tax Parcels of Assessed Property included in the Stormwater Assessment Roll for the Fiscal Year beginning October 1, 2024.

(F) For future fiscal years, the maximum rate of assessment that can be imposed without additional notice to the Owners of Tax Parcels of Developed Property is hereby established as \$136.01 per Net ESU.

(G) The Stormwater Service Assessments shall constitute a lien upon the Tax Parcels so assessed equal in rank and dignity with the liens of all state, county, district or municipal taxes and non-ad valorem assessments. Except as otherwise provided by law, such lien shall be superior in dignity to all other liens, titles and claims, until paid. The lien for the Stormwater Service Assessments shall be deemed perfected upon adoption by the City Council of this Annual Rate Resolution and shall attach to the property included on the Stormwater Assessment Roll as of the prior January 1, the lien date for ad valorem taxes.

(H) As authorized in the Ordinance, interim Stormwater Service Assessments are also levied and imposed against all property for which a Certificate of Occupancy is issued after adoption of this Annual Stormwater Service Assessment Resolution based upon the rates of assessment approved herein.

SECTION 6. COLLECTION OF STORMWATER SERVICE ASSESSMENTS.

(A) The Stormwater Service Assessments shall be collected from all Assessed Property, except Government Property, pursuant to the Uniform Assessment Collection Act. The Stormwater Utility Director is hereby authorized and directed to certify and deliver or cause the

certification and delivery of the Stormwater Service Assessment Roll to the Tax Collector by September 15, in the manner prescribed by section 197.3632, Florida Statutes. The Assessment Roll, as delivered to the Tax Collector, shall be accompanied by a Certificate to Non-Ad Valorem Assessment Roll in substantially the form attached hereto as Appendix C.

(B) The Stormwater Service Assessments shall be collected from all Government Property in accordance with Section 4.04 of the Ordinance. The Council hereby directs the Stormwater Utility Director to mail said bills no later than November 1, 2024.

SECTION 7. EFFECT OF ADOPTION OF RESOLUTION. The adoption of this Annual Stormwater Assessment Resolution shall be the final adjudication of the issues presented herein (including, but not limited to, the apportionment methodology, the rate of assessment, the adoption of the Stormwater Assessment Roll and the levy and lien of the Stormwater Service Assessments), unless proper steps shall be initiated in a court of competent jurisdiction to secure relief within 20 days from the date of this Annual Stormwater Assessment Resolution.

SECTION 8. EFFECTIVE DATE. This resolution shall become effective on the sixth business day after adoption, unless otherwise provided pursuant to Section 4.03(d) of the City Charter of the City of Pensacola.

DULY ADOPTED this 8th day of August, 2024.

AFFIDAVIT OF MAILING

AFFIDAVIT OF MAILING

BEFORE ME, the undersigned authority, personally appeared D. C. Reeves and Sandi Neubarth, who, after being duly sworn, depose and say:

1. D. C. Reeves, as Mayor of the City of Pensacola, Florida ("City"), pursuant to the authority and direction received from the City Council, timely directed the preparation of the Assessment Roll and the preparation, mailing, and publication of notices in accordance with the Stormwater Utility Ordinance adopted by the City Council on November 16, 2000 (the "Ordinance").

2. Sandi Neubarth, Director for Anser Advisory Consulting, LLC d/b/a Anser Advisory ("Anser"). Anser has caused the notices required by the Ordinance to be prepared in conformance with the Preliminary Rate Resolution. An exemplary form of such notice is attached hereto. Anser has caused such individual notices for each affected property owner to be prepared and each notice included the following information: the purpose of the assessment; the total amount proposed to be levied against each parcel; the unit of measurement to be applied against each parcel to determine the assessment; the number of such units contained within each parcel; the total revenue the City expects to collect by the assessment; a statement that failure to pay the assessment will cause a tax certificate to be issued against the property which may result in a loss of title; a statement that all affected property owners have a right to appear at the hearing and to file written objections with the local governing board within 20 days of the notice; and the date, time, and place of the hearing.

3. On or before July 18, 2024, Anser caused the mailing of the above-referenced notices in accordance with the Ordinance and the Preliminary Rate Resolution by First Class

Mail to each affected owner, at the addresses then shown on the real property assessment tax roll database maintained by the Escambia County Property Appraiser for the purpose of the levy and collection of ad valorem taxes.

FURTHER AFFIANTS SAYETH NOT.
